JEWISH BOLSHEVIKS MASS MURDERED 66 MILLION MOSTLY CHRISTIANS IN RUSSIA
Communist countries only survived with MASSIVE Western support.
The main purveyors of funds for the revolution, however, were neither the crackpot Russian millionaires nor the armed bandits of Lenin. The ‘real’ money primarily came from certain British and American circles which for a long time past had lent their support to the Russian revolutionary cause...The important part played by the wealthy American Jewish Banker, Jacob Schiff, in the events in Russia...is no longer a secret.“ (Red Symphony, p. 252)

~ An article in a 1907 issue of the National Geographical Magazine reported on the revolutionary situation brewing in Russia in the years before the First World War: “The revolutionary leaders nearly all belong to the Jewish race, and the most effective revolutionary agency is the Jewish Bund ” W. E. Curtis, “The Revolution in Russia,” The National Geographic Magazine, May 1907, pp. 313-314.

Afghanistan---- Ford money has backed many revolutionary groups in the U.S. engaged in dynamiting and burning buildings, inciting riots, kidnapping and assassination. All of these are criminal offenses but no one is ever arrested. The Ford Motor Co. also built the huge Kama River truck factory in Soviet Russia, which provided the trucks for the Red Army to attack Afghanistan. They rolled into the almost defenseless country on a modern highway, which had been built by AID with American taxpayers' money. P185

Major Jordans diaries But I became aware that certain folders were being held to one side on Colonel Kotikov’s desk for the accumulation of a very special chemical plant. In fact, this chemical plant was referred to by Colonel Kotikov as a “bomb powder” factory. By referring to my diary, and checking the items I now know went into an atomic energy plant, I am able to show the following records starting with the year 1942, while I was still at Newark. These materials, which are necessary for the creation of atomic pile, moved to Russia in 1942: Graphite: natural, flake, lump or chip, costing American taxpayers $812,437.
Over thirteen million dollars’ worth of aluminum tubes (used in the atomic pile to “cook” or transmute the uranium into plutonium), the exact amount being $13,041,152.
We sent 834,989 pounds of cadmium metal for rods to control the intensity of an atomic pile; the cost was $781,472.
The really secret material, thorium, finally showed up and started going through immediately. The amount during 1942 was 13,440 pounds at a cost of $22,848.*
*On Jan. 30, 1943 we shipped an additional 11,912 pounds of thorium nitrate to Russia from Philadelphia on the S.S. John C. Fremont. It is significant that there were no shipments from 1944 and 1945, due undoubtably to General Groves’ vigilance.

passed it to the Government in The Hague. Despite pressure and lobbying, the authorities felt themselves above the tulip trade and – uncertain whether they were in a civil or criminal quagmire – referred it on to the High Court. The florists, though culpable, saw themselves as helpless victims of some cunning conspiracy, possibly Jewish. At the end of April the High Court referred matters back to the local magistrates to gather evidence, hear disputes and deal with everything possible at a local level. During these investigations all contracts for the sale of bulbs were suspended. Most cities reacted by ordering their solicitors to have no more to do with tulip transactions, and an admirable Dutch institution known as 'friend-makers' came to the fore. In 1634 Sir William Brereton had described them as citizens, specially chosen for their integrity and common sense, who 'had authority to call any man before them who had a controversy' and claimed that 'they mediate in a friendly manner and compose differences.'[13] Unlike the courts, their services were free. One way or another, in grumbling and compromise, hoping delay would cool hot heads, arranging comparatively small payments of compensation between growers with

“You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. The October Revolution was not what you call in America the “Russian Revolution.” It was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be understated. Bolshevism was the greatest human slaughter of all time. The fact that most of the world is ignorant of this reality is proof that the global media itself is in the hands of the perpetrators.” – Aleksandr Solzhenitsyn (1918-2008), Nobel-Prize-winning novelist, historian and victim of Jewish Bolshevism (Marxism)

The Jewish Instigated Holodomors of Ukraine .

The violent seizure of Russia by Jewish Bolsheviks in 1917 represented the ultimate terrorist act in the Jewish agenda since the assassination of Tsar Alexander II by Jewish terrorist Vera Figner. Yet typically as with the Jewish propaganda that incited the so called ‘pogrom’ the rest of Europe was not to know the real terror visited upon their Eastern brethren by the alien parasite now in control of their land. This leech implemented a psychology that was meant to instigate resistance from indigenous Europeans thus providing a ‘plausible excuse’ for the Jewish Bolshevik authorities to use force against the native population. The Tambov massacre had all the characteristics of a dry run in which the Bolshevik Red Army first exercised all its dreadful force against the civilian population revealing that Lenin had discovered a powerful weapon against the ethnic European people which is evidenced by the mass murders known as the Holodomor Genocides occurring in 1921-22, 1932-33 and 1946-47

Putin Dossier https://fitzinfo.net/2018/03/10/putin-dossier/

Everyone must remember that Russia is still red.

Vladimir Putin reinstated the Soviet-era red star as the Russian military's official emblem--in the latest reincarnation of Communist symbols that has sparked fears of a return to the repressive past... On Putin's initiative, the Russian parliament earlier resurrected the music of the old Soviet anthem, albeit with a new words, and brought back the Soviet-era red banner as the military's flag. Portraits of Lenin and Stalin were openly paraded through Russian streets to mark Defender of the Fatherland Day.

PUBLIC ARE TOLD NOT TO STOP FOR A CHAT AND EXERCISE NOT SOCIALISE

WARNING AS WHITTY SAYS 'THE WORST IS YET TO COME FOR THE NHS'

by DOMINIC YEATMAN

LOCKDOWN will get tougher unless people stop 'mingling' by chatting to friends in shops, while sitting outside or even exercising, the government warned.

As the Covid-19 death toll hit 81,960, patient numbers surged and hospitals hired mobile morgues. Boris Johnson said Britain faced a 'perilous moment'.

Visiting one of seven new mass vaccination centres he said 2.3million people have now had jabs, but attacked 'complacency' and 'false confidence'.

He said: 'When people get takeaway drinks in cafes then they need to avoid spreading the disease there, avoid mingling too much. If we feel things are not being properly observed, we may have to do more. Where we have to tighten them, we will.'

The prime minister was backed by chief medical officer Chris Whitty. The second wave had not yet peaked, he warned, despite 13,000 more coronavirus patients since Christmas Day leaving the NHS in the 'most dangerous situation anyone can remember'.

He said: 'The next few weeks are going to be the worst of this pandemic in terms of numbers into the

Putin's Immigrants.

3. By changing immigration laws, Putin opened borders for millions of non-white immigrants. Many non-native societies were formed in Russian cities. They are terrorizing local indigenous population with help from Putin`s protégés, who hold all of the key positions in administrations and law-enforcing structures. All protests are stamped by illegal arrests and non-lawful court decisions.

4. Putin de-facto acknowledged an independence of Chechnya and the fact, that 500 thousands of ethnic Russians were cleansed from this region, and also gave amnesty for all bandits and terrorists, who fought against Russia. Some of the terrorists even received the “Hero of Russia” award, the highest award in Russia. Russian refugees from Chechnya didn`t receive any help, although ethnic Checnen “victims of the war” received and continue to receive tens of thousands of dollars per person.

5. Putin systematically destroys Russian culture by giving control over all leading cultural, educational and media resourses to non-Russians or to perverts. Medias systematically destroy traditional morale, discredit Russian history, defile Russian language and substitute cultural examples of Russian classics by low-quality filth. Higher education almost fully turned to be commercial and can only be afforded by a rich minority of the Russian citizens. School education is almost destroyed. In last years, those who leave schools lack even some elementary knowledge.

LEATHER-JACKETED COKE SNORTING JEWS IN THE SOVIET SECRET POLICE TORTURING, RAPING AND KILLING GENTILES: THE EVIDENCE.
Jewish hatred mixed with a powerful desire for revenge toward pre-revolutionary Russia and its culture. But Shafarevich also suggests that the Jewish “Russophobia” that prompted the mass murder is not a unique phenomenon, but results from traditional Jewish hostility toward the non-Jewish world, considered tref (unclean), and toward non-Jews themselves, considered sub-human and as worthy of destruction—a very reasonable interpretation given traditional Jewish ethics in which non-Jews have no moral standing. People with such beliefs have no moral compunctions about the torture, rape, and murder of their perceived enemies. Hatred toward the peoples and cultures of non-Jews and the image of enslaved ancestors as victims of anti-Semitism have been the Jewish norm throughout history—much commented on, from Tacitus to the present.

Leon Trotsky, whose real name was Leyba Davidovich Bronstein, said: “We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny,not a right-wing tyranny. It will be a red tyranny and not a white one.We mean the word ‘red’ literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars quake and pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution’s funeral, and we shall became a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence... At the moment, our young men in their leather jackets, who are the sons of watchmakers from Odessa, Orsha, Gomel and Vinnitsa, know how to hate everything Russian! What pleasure they take in physically destroying the Russian intelligentsia— officers, academics and writers!...” [As recorded in the Memoirs of Aron Simanovich, a jeweler at the court of the Tsar’s Imperial Majesty, secretary of Rasputin and quoted in numerous Russian scholarly works, including The Nature of Zionism By Vladimir Stepin, published (in Russian) in Moscow, 1993 and translated into English (for Radio Islam) by Clive Lindhurst.]Zionism & Russia. http://www.jrbooksonline.com/PDF_Books/Zionism%20And%20Russia.pdf

It all started on the 15th of June 1940, at 2:30am, when the NKVD raided a Latvian Boarder Post, then with the Red Army invasion of the Latvian Territory and occupation of Riga, on the 17th of June, 1940. Latvia's terror started at once with the mass arrests, murders and/or deportations of its leaders to far regents of Bolshevik Russia, as revolutionary criminals were released from Latvian prisons, to assist the Red Army and replace the slain and deported in their positions. It followed later with thousands of Latvians being arrested without warrant, loaded onto railway freight carriages and deported to the far east to join their leaders in frost-bitten death camps, or they were just outright murdered in their homeland. This left the blood-soaked nation leaderless, until the onset of the preemptive German mobilisation of Operation Barbarossa against the Soviet aggression toward the west, who arrived in Latvia on Sunday June 22, 1941 and, finally arrived at Riga on July 1, 1941. They were welcomed as Liberators by the Latvian people, who then turned their suffering into revenge against many of the Jewish occupiers… but they are now referred to as 'Pro-Nazi Sympathisers and Collaborators' by the victors.

'Operation Barbarossa' 1941 - Hitlers pre-emptive Strike to save Europe from Stalins planned attack 'Operation Thunder' 6th July 41

This happened in Estonia, Latvia, Lithuania, Poland, and Russia; Jews were rounded up and executed by local militia who were enraged at what was done to their people. I had to file reports about these killings, which the victors then used to accuse us of the killings. I had to step in and order the arrest of some militia members who used their power to kill innocent people. Pressure was put on us to release them, as we needed their help for the war effort. These states insisted that all Jews leave; they demanded to be Jew free. We had to place all Jews under arrest, along with any remaining Marxists, all were interrogated and many were sent for resettlement in the East, we talked the mayors into allowing Jews who had done nothing wrong to return. I want to state that many Jews were left alone, and free to live their lives, as they did nothing against us or the people in whose land they lived.
Once the Jewish problem had been solved by rooting out enemies, I went to work helping to rebuild these areas; we opened the Churches again, retooled schools and brought our expertise in to give National Socialism to the people. Tens of Thousands flocked to join the fight, many more left to go work for better pay in the Reich. We had to be on constant watch, as the Soviets had many allies who infiltrated these nations and spied on us. When we caught saboteurs and spies, they publicly were executed and sadly we had to do this many times.

The main discovery that such an examination will reveal is this fact: the revolution was not the work of Frenchmen to improve France. It was the work of aliens, whose object was to destroy

everything, which had been France. This conclusion is borne out by the references to "foreigners" in high places in the Revolutionary Councils, not only by Sir Walter Scott, but by Robes Pierre himself. We have the names of several of them, and it is clear that they were not British, or Germans, or Italians, or any other nationals ; they were, of course, Jews.

It is as if we studied the various stages in the evolution of the modern rifle from the original old "brown Bess." The revolutions in question are firstly the Cromwellian, secondly the French, thirdly the Russian, and lastly the Spanish revolution of 1936. All four can be proved to have been the work of international Jewry. The first three succeeded, and secured the murder of the reigning monarch and the liquidation of his supporters. In each case Jewish finance, and underground intrigue, are clearly traceable ; and the earliest measures passed by the revolutionaries have been "emancipation" for the Jews. Spanish Civil War and American Communists.

The enlistees were then sent to New York, where they embarked for France. There the Blum government gave them arms, after which they were smuggled through the Pyrenees mountains under cover of darkness. Many never came back.Those who returned were made heroes at specially plan-ned home comings. Elaborate parties were given them at New York. Here the most brazen experiences in sexual promiscuity ever produced by human degeneracy were publicly related.Under the influence of liquor, these returnillg soldiers of the revolution poured out to gleeful listeners, their unspeak-able, barbaric adventures in Spain.They told of raids on convents, where every nun would be repeatedly raped by alternating red beasts until dead. Then their bodies would be piled high, like cordwood, in public places. After being swathed in oil, the torch was applied, and the stench of burning flesh became a sweet odor to the nostrils of these half-crazed Communists.Returning comrades told of their vandalistic destruction of church property. Some displayed rosary beads and other ornaments stolen from the bodies of Priests whom they had slain. Protestants, though fewer in number, suffered in proportion. I shall never be able to erase these horrible atrocity stories from my memory. Would to God that I could. P39

A campaign for exploiting this division and fanning hatreds between the Christian communities was soon in process of organization. How well the Jews succeeded in this campaign in Britain may be judged from the fact that one of the earliest acts of 'their creature and hireling' Oliver Cromwell, after executing the King according to plan, was to allow the Jews free access to England once more.

Capitalism & Communism

Capitalism and Marxism/Communism are two sides of the same coin with capitalist banking systems funding the exploits of global communism. Capitalism (democracy) and Communism (Marxism) are merely products of the Jewish mind manufactured to control slave Nations. Therefore, given the 'divine right to rule' both are ideologically lower than Judaism in the paradigm of the Jewish Zionist. The nature of the game for the Zionist Capitalist is to withhold a land's wealth from its people. Henceforth the Zionist Capitalist gets immensely rich while the nations conquered suffer crippling dept. Consequently capitalism is basically state sponsored usury and any revolutionary response from the slave nations are corralled into Jewish Marxist (Communist) state funded trade unions whose organizers are earmarked to become the leaders of the new Jewish Zionist regime. Thus Jewish Zionism controls both rich and poor. This vicious circle is a representation of the Jewish Marxist one party state.

2. 27. Remember at all times about the limits which the Goyim set for themselves because their thought process coarsened within those boundaries. They are not capable of crossing them. In this is

their misfortune and in this is our advantage. Talk and act as their morality does not allow it for them, as their understanding does not permit them to do. Do what they deem impossible and improbable. They would not believe in that you are capable for the words and actions for which they themselves are not capable.

Phenomena of Fascism.
1. 22. And the last advice. Be always on the watch out, the phenomenon of Spanish Inquisition and German fascism should not repeat themselves. Put out in embryo any attempts to contrapose us against the society. Destroy the antiJewish tendencies at the very beginning whatever form should they appear. Fascism is not an accidental phenomena. It appears everywhere where we underestimate the strife of the local people for mastering over their land. Fascism is dormant and is ripening in all peoples. "They would open a prisoner's belly, take out the small intestine and nailing it to a tree or telegraph pole they drove the man around the tree with blows, watching the intestine unwind through the wound."

Leon Trotsky, whose real name was Leyba Davidovich Bronstein (Jew), said: “We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny,not a right-wing tyranny. It will be a red tyranny and not a white one.We mean the word ‘red’ literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars quake and pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution’s funeral, and we shall became a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence... At the moment, our young men in their leather jackets, who are the sons of watchmakers from Odessa, Orsha, Gomel and Vinnitsa, know how to hate everything Russian! What pleasure they take in physically destroying the Russian intelligentsia— officers, academics and writers!...” [As recorded in the Memoirs of Aron Simanovich, a jeweler at the court of the Tsar’s Imperial Majesty, secretary of Rasputin and quoted in numerous Russian scholarly works, including The Nature of Zionism By Vladimir Stepin, published (in Russian) in Moscow, 1993 and translated into English (for Radio Islam) by Clive Lindhurst.]Zionism & Russia.

As for history, there is nothing to say.We will give our own history to the cattle,and show that the entire human evolution was moving towards the recognition of God’s chosen nation of Jews to be masters over entire world.Our special tactics to combat Slavs is a secret knowledge, because of its exclusivity limited to the god’s chosen people. The main weapon of struggle we will direct against the Slavs, except for renegades, “married” with the Jews by common interests. True, all these “married to us” will be withdrawn from our society once we use them for our own purposes.Slavs, and among them Russians – are the most resistant people in the world. Slavs are unbending as a result of their psychological and intellectual abilities, created by many generations of ancestors. It is impossible to alter these genes. Slav, Russian, can be destroyed, but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers.

The real holocaust was a Christian Holocaust by Jews of sixty-six million, mostly Christians.- Eustace Mullins
"The orgy of murder, torture and pillage which followed the Jewish triumph in Russia has never been equaled in the history of the world...The Jews were free to indulge their most fervent fantasies of mass murder of helpless victims. Christians were dragged from their beds, tortured and killed. Some were actually sliced to pieces, bit by bit, while others were branded with hot irons, their eyes poked out to induce unbearable pain....Some were nailed to the ceiling by their fingers or by their feet, and left hanging until they died of exhaustion....Others were chained to the floor and hot lead poured into their mouths. Many were tied to horses and dragged through the streets of the city, while the mob attacked them with rocks and kicked them to death." ...Pregnant Christian women were chained to trees and their babies cut out of their bodies."

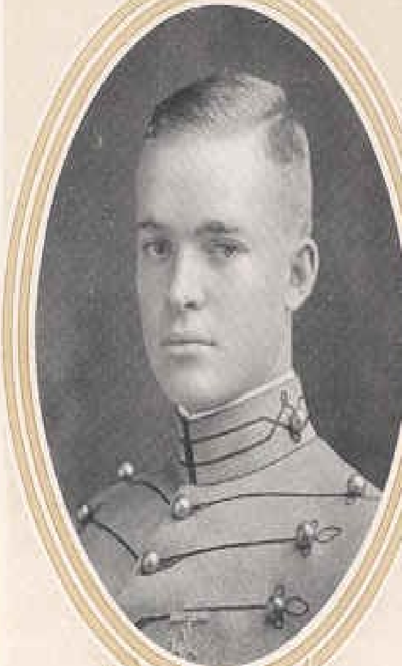
Dwight D Eisenhower



DWIGHT DAVID EISENHOWER

ABILENE, KANSAS

Senatorial Appointee, Kansas
"Ike"

Corporal, Sergeant, Color Sergeant; A.B., B.A., Sharpshooter; Football Squad (3, 2), "A" in Football; Baseball Squad (4); Cheer Leader; Indoor Meet (4, 3).

"Now, fellers, it's just like this. I've been asked to say a few words this evening about this business. Now, me and Walter Camp, we think—"
—Himself

THIS is Señor Dwight David Eisenhower, gentlemen, the terrible Swedish-Jew, as big as life and twice as natural. He claims to have the best authority for the statement that he is the handsomest man in the Corps and is ready to back up his claim at any time. At any rate you'll have to give it to him that he's well-developed abdominally—and more graceful in pushing it around than Charles Calvert Benedict. In common with most fat men, he is an enthusiastic and sonorous devotee of the King of Indoor Sports, and roars homage at the shrine of Morpheus on every possible occasion.

However, the memory of man runneth back to the time when the little Dwight was but a slender lad of some 'steen years, full of joy and energy and craving for life and movement and change. 'Twas then that the romantic appeal of West Point's glamour grabbed him by the scruff of the neck and dragged him to his doom. Three weeks of Beast gave him his fill of life and movement and as all the change was locked up at the Cadet Store out of reach, poor Dwight merely consents to exist until graduation shall set him free.

At one time he threatened to get interested in life and won his "A" by being the most promising back in Eastern football—but the Tufts game broke his knee and the promise, Now Ike must content himself with tea, tiddledywinks and talk, at all of which he excels. Said prodigy will now lead us in a long, loud yell for—Dare Devil Dwight, the Dauntless Don.

Kay Summersby was a British
Intelligence Officer who had been ordered to prostitute herself to Ike so that he would send American troops into the line instead of the British.
England had experienced such a terrible bloodletting at the hands of the German armies in World War I that Churchill and the other British leaders determined to sacrifice Americans wherever possible on the Western front. Although Kay Summersby secretly despised Eisenhower, she was a loyal British subject, and she successfully carried off the affair.It is estimated that she cost the United States 100,000 casualties which otherwise would have been borne by the British.

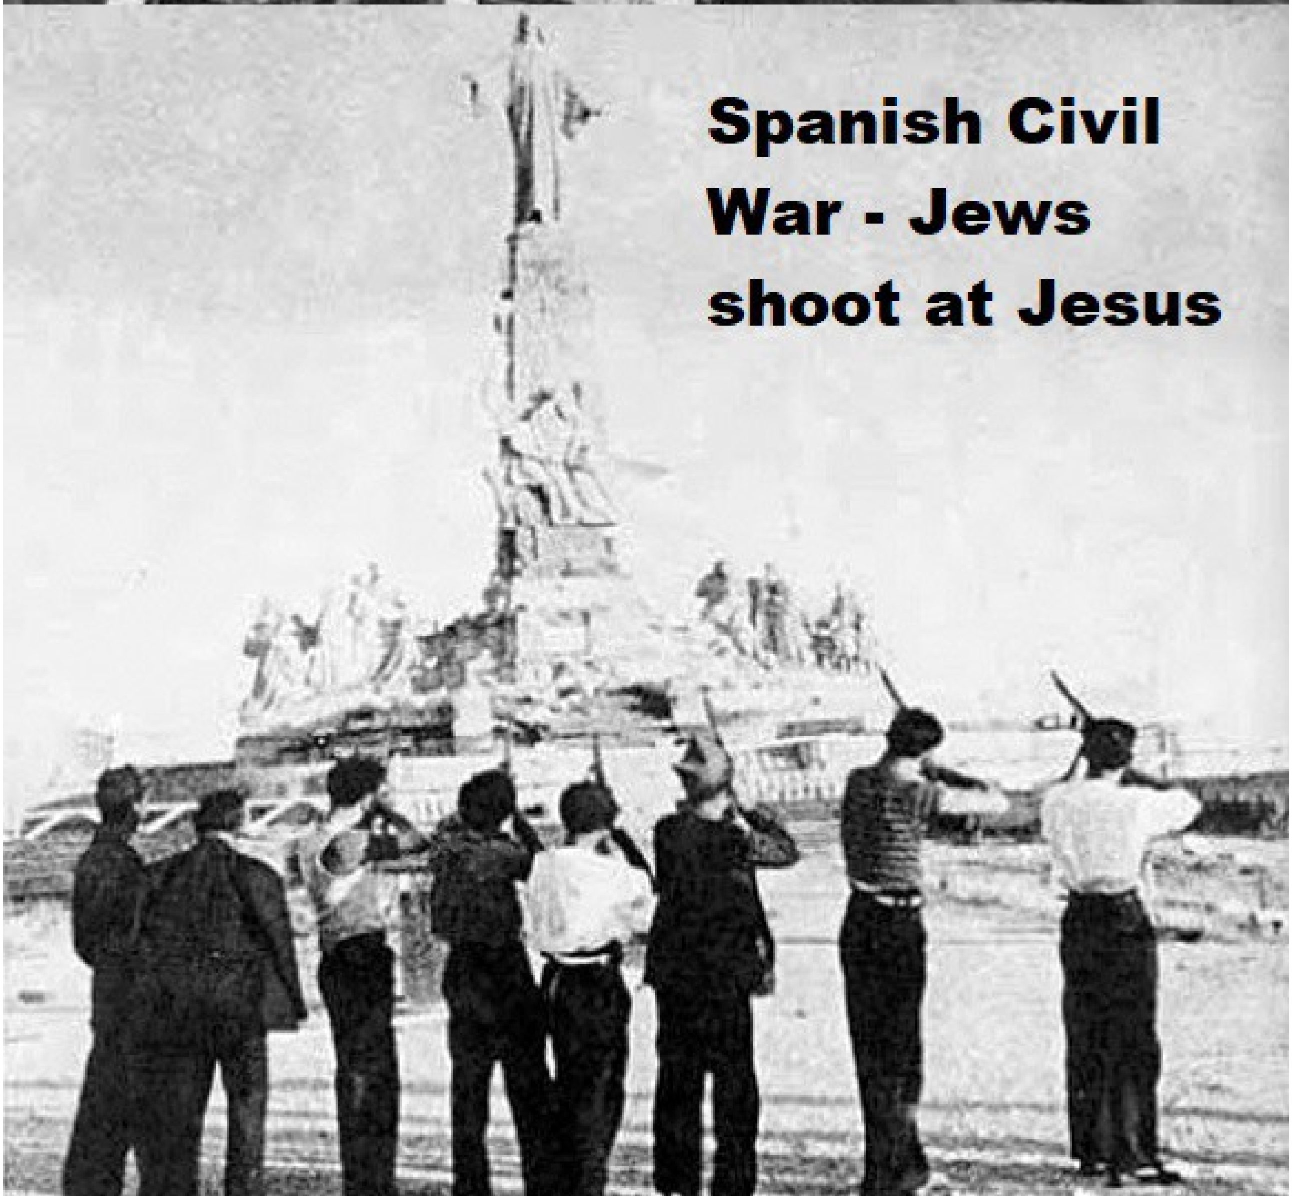
Jewish Communists kill 10% of population in Spanish Civil War 1936 Nuns and Priests targets



Spanish Civil War - Jews shoot at Jesus

We have deliberately left Spain to the end, as Jewish organisations can be distinctly recognised in the Spanish Civil War, When the fight broke out, the leaders; Zamorra, Azara, Rosenberg and the notorious La Passionaria, whose real name was Dolores Ibauri, were all Jews too. And those who flooded into Spain from all sides to render more unbearable the bloody plight of the Spanish people, were all emissaries of the same racial nationalism already victorious over Russia. Ilja Ehrenburg, Bela Kun, Gero Erno, Zalka Mate, the leaders and members of the notorious Rakosi-Roth brigade, all belonged, almost without exception, to the emissaries of this deranged racial group.When the hour strikes the mask falls! Christian churches and centuries-old art treasures go up in flames, drunken terrorists shoot at Christ's cross and the same "experts" again expertly crucify priests as they had done in Russia before. They scuttle prison ships with antirevolutionaries locked up in the hold, they shoot tens of thousands of captured Christian hostages in the bullfight arena. The dead bodies of one and a half million victims and martyrs cover the battlefield of a stricken Spain. Behind all the mass misery and behind the miners of Asturias looms the same mystic power that induced the Russian sailors to revolt at Kronstadt. While the "Pink" intellectuals begin to regard this blood-bath in the light of a Passion Play spectacle, progressive bankers provide it with gold and arms. Old Testament thereby paid back Ferdinand's Catholic Spain for the expulsion of the Jews, and two decades later the American Jewish Congress had the impudence to declare that: "Up to the present day Jewry has not forgiven the Spanish nation for their expulsion."

Germany and Italy had each in their turn experienced the throes of communist revolution, and emerged victorious over this foulest of earthly plagues. They knew who had financed and organised the International Brigades ; and with what fell purpose Barcelona had been declared in October 1936 the Capital of the Soviet States of Western Europe. At the critical moment they intervened in just sufficient strength to counter the International Brigade, and enable the Spanish people to organise their own army, which, in due course, easily settled the matter. Settled the matter, that is to say, as far as Spain was concerned. There was, however, another settlement to come. International Jewry had been seriously thwarted. They would not rest henceforward until they could [47] have their revenge ; until they could by hook or crook turn the guns of the rest of the world against these two States, which in addition to thwarting thei designs in Spain were in the process of placing Europe upon a system independent of gold and

usury, which, if permitted to develop, would break the Jewish power for ever. P36

There is no famine or actual starvation nor is there likely to be.

New York Times journalist Walter Duranty helped cover up the 1932-33 Holodomor
AZL

Walter Duranty

Walter Duranty (May 25th, 1884 – October 3rd, 1957) was an Anglo-American journalist who served as the Moscow Bureau Chief of The New York Times (1922–36). Duranty was born in Liverpool to Emmeline (née Hutchins) and William Steel Durranty. He originally studied at Harrow, one of Britain's most prestigious public schools, but a sudden collapse in his father's business led to a transfer to Bedford College. Nevertheless, he then gained a scholarship to study at Emmanuel College, Cambridge. During WWI he worked as a reporter for The New York Times. Duranty moved to the Soviet Construct in 1921 directly coinciding with the beginning of the first Holodomor and forced famine in Russia. Now acknowledged as "some of the worst reporting to appear in [The New York Times]" in 1932 Duranty won a Pulitzer Prize for a series of reports made about the so called 'Soviet Union'. There was sharp criticism of his denial of widespread famine and mass starvation across Russia and the Ukraine and calls to The New York Times, who had submitted Duranty's work for the prize to revoke his Pulitzer. Indeed Duranty denounced reports of a famine in The New York Times on 31st March 1933, and, in particular, he attacked Gareth Jones, a British journalist who had witnessed the starving in Ukraine and issued a widely published press release about their plight two days earlier in Berlin. Duranty's name has become synonymous with thinly veiled propaganda masquerading as news and out right support for Bolshevik Communism. The fact that Duranty was the only reporter allowed to move around Russia unaccompanied is in itself damming. Duranty also later married the Jewess Jane Cheron and was a close friend of Aleister Crowley.

Duranty also later married the Jewess Jane Cheron and was a close friend of Aleister Crowley.

That same year Walter Duranty, an Anglo-American journalist who served as the Moscow Bureau Chief of The New York Times, moved to Lenin's Soviet construct directly coinciding with the beginning of the first Holodomor and forced famine in Russia. The fact that he was the only reporter allowed to move around Russia unaccompanied is in itself damming. In 1932 Duranty won a Pulitzer Prize for a series of reports New York Times journalist Walter Duranty helped cover up the 1932-33 Holodomormade to the leading Jewish newspaper The New York Times about the so called 'Soviet Union'. Flagrant lies, there was sharp criticism and calls to The New York Times, who had submitted Duranty's work for the prize to revoke his Pulitzer. Indeed Duranty denounced reports of famine in The New York Times on 31st March 1933, and, in particular, he attacked Gareth Jones, a British journalist who had witnessed the horror in Ukraine and issued a widely published press release about it two days earlier in Berlin. Journalist Malcolm Muggeridge has stated many times that he believed the Bolsheviks had some kind of hold over Duranty whilst

Journalist Joseph Alsop claimed that “Duranty was a great KGB agent and lying like a trooper.” His marriage following the first Holodomor to Jane Cheron, a Jewess that he himself characterised with “the nose and mouth suggested more than a trace of Semitic blood” further signifies Duranty’s Jewish fixation.

"We are disturbed about the effect of the Jewish influence in our press, radio and motion pictures. It may become very serious. The threat was powerful enough to have the feature removed."

"The pressure for war is high and mounting. The people are opposed to it, but the administration seems to have the bit in its teeth and is hell-bent on its way to war. Most of the Jewish interests in the country are behind war and they control a huge part of our press and radio and most of the motion pictures."

...Charles Lindbergh
(aviator - author)

From: "The Wartime Journals", May 1st, 1941

“ The Jews are one of the principal forces attempting to lead the U.S. into the war.

The Jews’ greatest danger to this country lies in their large ownership & influence in our motion pictures, our press, our radio, and our Government.

I am saying that the LEADERS of the Jewish race wish to involve us in the war for reasons that are NOT AMERICAN.”

- Charles Lindbergh

"Our bond with Europe is a bond of race and not of political ideology. It is the European race we must preserve, political progress will follow. Racial strength is vital, politics a luxury. If the White race is ever seriously threatened, it may then be time for us to take our part in its protection, to fight side by side with the English, French and Germans, but not with one against the other for our mutual destruction."

– Charles Lindbergh (1902–1974)

So the Jews could control your governement
So your children could die for Israel

So you become a prisoner in your own homes
So your people and race are lost forever

Lindbergh

Many Americans were horrified by the hate campaign of the Jews, realizing that the Jews were determined to use American youths in their war against Germany. One who dared to oppose them was America’s greatest living hero, Charles Lindbergh. Lindbergh’s father, a Congressman during WW I had his home broken into by federal agents and his books burned because he spoke out against the enactment of the Federal Reserve Act. In 1932 the Jews backing the Roosevelt campaign were terrified that Charles Lindbergh might decide to seek the office of President. Should this handsome blond hero, the most famous man in America; decide to run, the misshapen Roosevelt, crouching in his wheelchair, would not stand a chance. In March of 1932, Lindbergh’s baby son was kidnapped and killed by ritual murder. The sorrowing Lindbergh withdrew from public life, and Roosevelt’s campaign was secure. Years later, a German carpenter, Gerhart Hauptmann, was electrocuted for this murder. A recent book proves that the FBI fabricated the evidence which sent him to the electric chair, as a vital part of the Jews’ Hate-Germany campaign. Another book proves that the Jews set fire to the Zeppelin Hindenburg in New Jersey, a few miles from the scene of the Lindbergh murder, which was touring here on a goodwill mission from Germany.

Dilling took two trips to Spain, where Francisco Franco's officers allowed her to visit the front and take video and photographs of "churches ruined by the Reds with the same satanic Jewish glee shown in Russia." When she returned to the U.S., Dilling gave film and slide presentations of her footage to women's groups.
Dilling had a healthy interpretation of Christianity, in that she viewed it not as a faith of meekness, but one of fighting. She believed that Jesus had commanded Christians to fight infidels and quoted Matt. 10:34: "Think not that I am come to send peace on earth: I come not to send peace, but a sword." She spoke of "Satan's Red pits of Bolshevism disguised as humanitarianism" and how Christians were vulnerable to humanist propaganda.

Like all globalist(Jew) pipe dreams, the Chinese Dream will turn into a nightmare just like the American Dream before it. We must all, both in the West and East, wake up from the dream if we wish to live conscious human lives....... The Schiffs became Rothschild agents, and like most agents of the Rothschilds they eventually became very rich and powerful. The most prominent of the Schiffs was Jacob Henry Schiff. Jacob was born in Frankfort in 1847, and was sent by the Rothschild/Schiff network to America to make his fortune (Much like the Astors sent John Jacob Astor). Jacob Schiff arrived in New York in 1865. Ten years later he became the partner of the Illuminati firm Kuhn, Loeb & Company. Ten years after that he became Its president. Sassoon family

From Wikipedia, the free encyclopedia

The **Sassoon family**, known as **"Rothschilds of the East"**

David Sassoon: http://archive.vn/yL3ku

Indian merchant and banker; born at Bagdad Oct., 1792; died at Bombay Nov. 7, 1864. He had a fair knowledge of Hebrew, Arabic, Persian, Turkish, and Hindustani, but not of English. His father, who was a wealthy Mesopotamian merchant, and who was for many years state treasurer to the Turkish governor of Bagdad, was known as "Nasi [= "Prince"] of the Captivity." David Sassoon was employed in a banking-house at Bagdad till 1822. After the plague he left Bagdad for Bassora, proceeding thence to Bushire. In 1832 an important commercial engagement caused him to visit Bombay, to which city he subsequently removed with his family. Here he established the house of David Sassoon & Co., with branches at Calcutta, Shanghai, Canton, and Hongkong; and his business, which included a monopoly of the opium-trade, extended as far as Yokohama, Nagasaki, and other cities in Japan. Sassoon attributed his great success to the employment of his sons as his agents and to his strict observance of the law of tithe.

Eleanor Roosevelt Admits Warren Delano Made Money In Opium Trade

By WESTBROOK PEGLER

(Copyright 1958, King Features Syndicate, Inc.)

NEW YORK — Eleanor Roosevelt at last has admitted the truth of my disclosure soon after the death of her husband that his grandfather, Warren Delano, made money importing opium into Hong Kong. The fact that Delano did shove narcotics on the helpless Chinese masses was well concealed until F.D. Roosevelt had been laid away in a "shrine" at Hyde Park which is still maintained at public expense.

This canting mountebank professed to be a "profound" student of history but his idolators will now plead that the poor man could not have been expected to know this petty detail of his own grandfather's corrupt career.

closed the dismissal of the white servants left behind by President and Mrs. Hoover. Mrs. Nesbitt wrote that "Mrs. Roosevelt and I agreed that a staff solid in any one color worked in better understanding and maintained a smoother-running establishment... Mrs. Roosevelt had found it out over a lifetime of running large houses."

I will nail down the truth of this later in this essay and in the same closing will cite from her current admissions concerning opium smuggling by Delano.

Last November, R. Carter Pittman, a Georgia lawyer, called the turn on La Boca's false statement in her column in McCall's that the anti-Negro clause in deeds to Roosevelt's Warm Springs building lots was but an unwilling submission to a state law. Brought to bay, after exhausting every quibble, she finally wrote Pittman that Franklin might have said it was a "custom," not a law, which forced him to forbid Negroes forever to own or occupy lots which he sold.

Pittman, a great authority on the subject, insists that there never was such a law. A "custom" would be debatable but anyway the widow now pleads the grand fraud guilty of mercenary submission to bigotry.

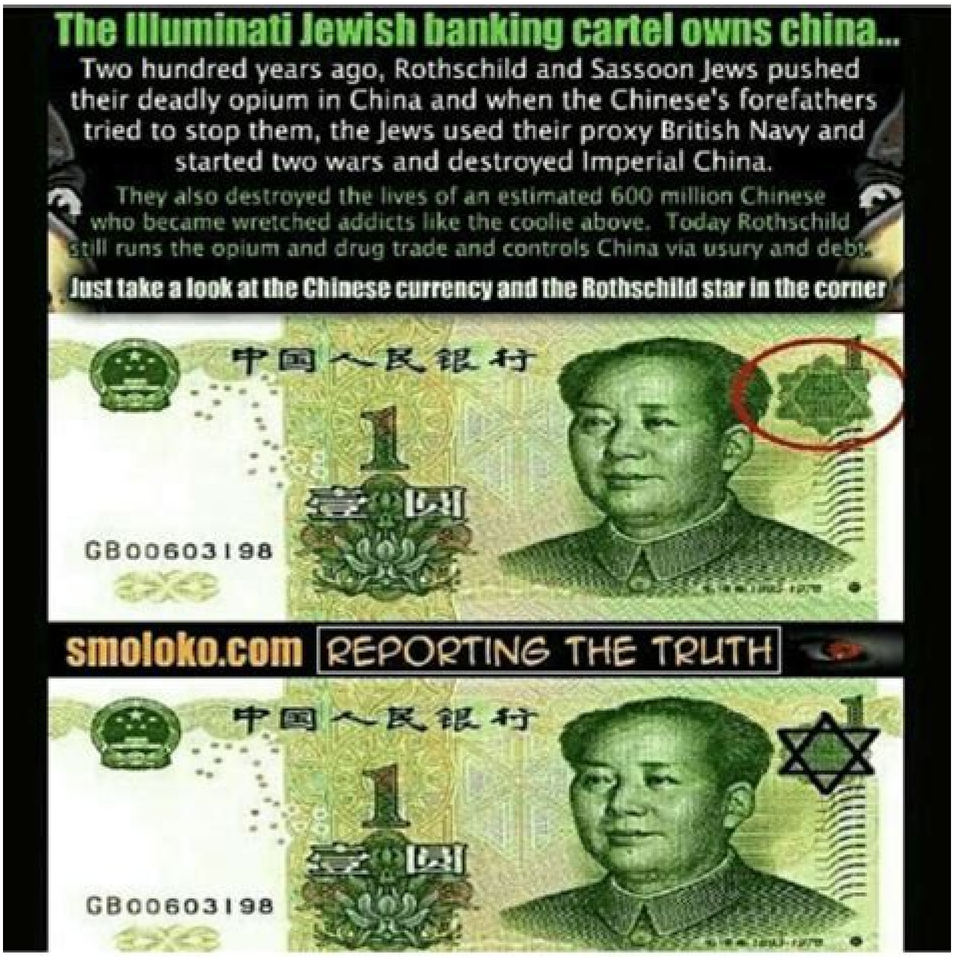
In her last stand, she wrote Pittman: "I am quite sure my husband never gave any written instructions on restrictive clauses —" etc. Of course not. He was to crooked to do that. He got his own, solely-owned corporation to adopt this clause and it was done

FDR was not only a traitor to America for allowing Japan to freely attack us on December 7, 1941 and a big time socialist liberal, but was also Jewish. Oh, yes he was. He even admitted it to a few reporters and his genealogy confirms it (below). He may not have been a practicing Jew and almost always kept quiet about it, but he was indeed Jewish. Great grandfather Isaac Roosevelt founded the Bank of New York and FDR's maternal grandfather, Warren Delano II (Jewish too), made his fortune in the Sassoon drug running empire — the British Jew oligarchy behind the Opium Wars in China. The Sassoons were also closely associated with the Rothschilds.

“President Roosevelt knows well enough that his ancestors were Jewish. I heard Theodore Roosevelt [his distant cousin] state twice that his ancestors were Jewish. Once was to me when I asked him about it after he had made a pleasing euphemistic statement in a speech to a Jewish gathering.”



The Illuminati Jewish banking cartel owns china...

Two hundred years ago, Rothschild and Sassoon Jews pushed their deadly opium in China and when the Chinese's forefathers tried to stop them, the Jews used their proxy British Navy and started two wars and destroyed Imperial China.

They also destroyed the lives of an estimated 600 million Chinese who became wretched addicts like the coolie above. Today Rothschild still runs the opium and drug trade and controls China via usury and debt.

Money earned by these rich Jews coming from Baghdad:"both in Calcutta and Rangoon, Burma, came from the opium traffic between India and China" (8), In fact, it is

well known that the British Jews, the Indian Jews and oth-er Israelite monopolist magnates controlled the nineteenth century opium traffic with China, and that when the Chinese government wanted to prevent this criminal com-merce, in the interests of the Chinese people, the Jews that controlled the British government forced Britain into a war

against China which vas as criminal as the opium traffic itself. This war has been fairly called the "opium war"P24

YIDDISH WAS USED BY THE SOVIET GOVERNMENT to foster the region's specifically Jewish nature. Hebrew, as the religious language of the Jews, was rejected.

The region established Yiddish schools, newspapers, and cultural institutions. The regional government also printed street signs, railway station signs, and postmarks in both Yiddish and Russian. The teaching of Yiddish was obligatory in schools. In 1935 the government decreed that all government documents, including public notices, announcements, posters, and advertisements had to appear in both Yiddish and Russian.

You wouldn’t know it upon first glance, but China and the Jews are chum-chum-chummy. It’s a historical relationship that goes back to the very inception of Chinese communism. In a July 9th, 2012 piece entitled “***A Jew In Mao’s China” by Laura Goldman for “The Schmooze” of the Jewish Daily Forward***, she revealed, “In fact, 85 to 90% of the foreigners helping the Chinese at the time of the Communist takeover were Jewish. This included the daughter of the founder of the brokerage firm Goldman Sachs, who left the comfort of her Park Avenue home to assist the Chinese.” In conjunction with these startling anomalies, the US ZOG had a base in Tianjin from 1945-1947. Tianjin was home to a sizable Jewish community, particularly Russian communists. It was from the Tianjin base that the Dixie Mission of the OSS trained, financed and armed none other than Mao Zedong and his merry band of “revolutionaries” to fight the Japanese–which, contrary to popular opinion, weren’t “imperialists” nor “warmongers” but rather, liberators of Brown and Yellow peoples colonized by the ZOGs of Europe. That however is another story for another time. The OSS itself was a den of Jewish and Judeophilic intriguers, set up for the sole purpose of infiltrating and ultimately destroying Germany and Japan. There were a multitude of Jewish operatives who were brought into the fold strictly because of their Jewishness and connections with businessmen and bankers in Europe who also sought the downfall of the Axis Powers. Leading this effort in organizing, coordination and recruitment was Nahum Amber Bernstein, the lawyer for the genocidal Jewish Agency and preeminent funder of the Haganah. Another key OSS operative was the notorious Major Louis Mortimer Bloomfield, a wealthy Montreal-based lawyer who was also connected to the Haganah as well as a main player in Permindex, the shadowy Jewish-dominated corporation that helped murder President John F. Kennedy. These are the types who the Chinese communists took assistance from. No dignity whatsoever as just a few decades earlier, the Sassoon family, known as the Iraqi-Jewish Rothschilds, crippled large swathes of the Chinese population with opium addiction. All of this, as well as what is about to be discussed, is extremely relevant as the Chinese-'Israeli' relationship of today unfolds at an increasingly expansive rate. Now allow us to delve into Red China's Jewish patrons. And founders.

Grigori Naumovich Voitinsky (birthname: Zarkhin) – Russian Jew. One of the founders of Soviet Sinology. Handler of Chen Duxiu. Cofounder of the Chinese Communist Party, which he and his colleagues established in 1920. Bolshevik. The process of forming the party in its nascent stages can mostly be attributed to his strategic thinking. Bolshevik propaganda was disseminated through the Shanghai Chronicle–which he managed. He can indeed be identified as the godfather of Chinese communism as well as other branches of communism in the Asian world.

Manfred Stern aka Emilio Kléber aka Lazar Stern aka Moishe Stern aka Mark Zilbert aka General Kleber – Ukrainian Jew. Leader of the International Brigade in Spain. Bolshevik. Helped put down the anti-Soviet rebellion in Mongolia. Became the GRU's chief spy in the US with his missions centered around stealing American military secrets. Would become the chief military advisor in the Jiangxi–Fujian Soviet, with Mao, Zhu De and others reporting directly to him.

Solomon Adler – Jew with origins from Karelitz, Belarus. US Treasury Department economist, Treasury rep in China during WW2. Pegged as a Soviet spy by Whittaker Chambers, returned to China to spearhead translating Mao's works into English. Was also with the International Liason Department, a vital organ of the CCP whose functions included foreign intelligence.

Henry Kissinger – Among history's worst human beings. ***Involved in a slew of genocides, massacres, war crimes, destabilizations and other acts of psychopathy–particularly in Asia.*** Masterminded the opening of trade with China and sold out America's manufacturing power to the Chinese. Grandsire of transmogrifying China into a commie state to a cappy state.

Jakob Rosenfeld aka General Luo – Austro-Hungarian Jew. Minister of Health in Mao's provisional government and top Mao advisor. Served in the Chinese Communist Force from 1941 on and participated in the Chinese Communist Force's march on Beijing. Settled in the Entity after the Communist takeover of China was complete. Statue of him was erected in his honor in Junan county, Shandong and a massive exhibit was named after him in 2006 in Beijing's National Museum of China.

Sidney Rittenberg – Charleston, South Carolina Jew. Descendant of slave-owners. First American to join the CCP. Close advisor to Mao, Zhu De, Zhou Enlai and other high-up CCP leaders. Trusted translator of the Chinese Communist "revolution". Married into the Chinese family of Wang Yulin. Cultural Revolution supporter. Played a key role in transmitting Chinese Communist propaganda for Xinhua and Radio Peking. Ascended to the head of the Broadcast Administration – i.e. propaganda production – in an unprecedented move that nobody ever thought could be held by a foreigner. But in Communist China of course, Jews weren't foreigners but "comrades". Returned to the United Snakes of IsraHELL in 1980 to found Rittenberg & Associates, a company which became a vital go-between for American corporations and China.

Sidney Shapiro aka Sha Boli – New York Ashkenazi Jew. Member of the Chinese People's Political Consultative Council. Head of Communist China's propaganda apparatus. Top translator, writer and publisher of works on China, as well as an actor in Chinese films focused on American villainy. Conducted extensive research into Jews in China and got the works translated into Hebrew and published in the Entity. In December of 2014, the China International Publishing Group announced it was establishing a Sidney Shapiro Research Center in his honor to investigate model criteria for translation between Chinese and English.

Israel Epstein – Polish Jew. Anti-Japanese spy. His father was a Bolshevik agitator. Member of the NKVD's China divison. Mao's Minister of Finance/Appropriations. Honored by Mao, Zhou Enlai, Deng Xiaoping, Jiang Zemin and Hu Jintao. Member of the CCP and editor of China Reconstructs/China Today. His wife was a top contributor to one of the most widely used Chinese-English dictionaries published in China.

Frank Coe – Richmond, Virginia Jew. Treasury Department official from 1934-1939 who worked with the Silvermaster spy ring that featured Harry Dexter White at the head of Operation Snow–the precusor to Pearl Harbor. Friend and co-conspirator of Solomon Adler. Key player in Mao's Great Leap Forward.

Robert Lawrence Kuhn – Jewish investment banker, Kissingerite and international corporate strategist with an "expertise" in China. He's been advising the CCP on economic policy, science, technology, media, culture, US-Chinese relations and international communications for over 20 years.

Mikhail Borodin aka Mikhail Gruzenberg – Jew from Vitebsk, Belarus. Top lieutenant of Lenin. After the Bolshevik takeover, he engaged in spying activities in the UK ZOG, US ZOG and Mexico. Then led a group of Soviet advisors in Guangzhou. He negotiated the First United Front between the Chinese Nationalist Party of Sun Yat Sen and the Chinese Communist Party. Under his guidance, both parties reorganized on Leninist dogma and organized training institutes for mass organizations, such as the Peasant Training Institute, where none other than a young Mao served, and the Whampoa Military Academy. He arranged shipments of Soviet arms and kept a balance between the radical communists and the “bourgeios” Nationalists.

David Crook – Staunchly anti-Russian Jewish supremacist from the UK. Fought with many other Jews in the International Brigade during the Spanish Civil War. Got recruited by the NKVD as a result of his actions in Spain and was sent to China where he also doubled as a British intelligence agent, working with communists against the Japanese. An architect of China’s foreign service and active in the CCP’s theft of private property, aka “land reform”.

Adolph Abramovich Joffe – Turkic Karaite Jew from Crimea. From a very wealthy family. Associate of Trotsky and Hungarian-Austrian Jew Alfred Adler. Ally and supporter of Lenin. Chairman of the Petrograd Military Revolutionary Committee that overthrew the Russian Provisional Government. Ambassador to China, signing agreements with Sun Yat-Sen and overseeing the distribution of aid and weapons to the Kuomintang as well as cooperation between the Kuomintang and the Chinese communists.

Richard Frey aka Richard Stein – Jew from Vienna, Austria. Arrived in China in 1939 and joined in operations against the Japanese. Member of the CCP and took part in the 7th National Congress of the Communist Party of China in Yan’an – the political and military base of the Communist Party of China– as a guest auditor. Pioneer of Integrative Medicine Treatment in China. He founded and managed the first computer database for the medical information center in Beijing. Chairman of the Information Institute and curator of the Medical Academy of Sciences of China. Helped build relations between Austria and China. Honored by Hu Jintao.

Shafick George Hatem aka Ma Haide – Syrian-Lebanese Jew often mistaken as a Maronite who lived in both upstate NY and Lawrence, MA. First traveled to China’s Shanghai with Jewish colleagues (and communist agents) Lazar Katz and Robert Levinson. Traveled to communist HQ in Bao’an (modern-day Zhidan) to directly assist Mao’s troops and personally examine Mao to dispel rumors of Mao’s impending death via a mysterious disease. Chief organizer for recruiting foreign medical personnel to treat Chinese communist forces fighting Japan in northern

China. Became a public health official in China after the communist victory in 1949 and holds the distinction of becoming the first foreigner granted Chinese citizenship. Known as the "American Physician Savior to Modern China".

Hans Shippe aka Morzec Grzyb – Jew from Krakow, Poland. Germany Communist Party member. Soviet journo. Joined Chinese communists in Guangzhou as a translator and interviewer, spreading interviews with top CCP leaders including Mao. Associate of Shafick George Hatem (Ma Haide). First Jew to fall on the battlefield in China's war against Japan. Monument erected in his honor by Chinese communists in 1942 in Shandong province.

Ruth Weiss aka Wei Lushi – Jew from Vienna, Austria. Said to be the last surviving European eyewitness of the Chinese communist takeover of China. Top educator at the Jewish School in Shanghai, the School of the Chinese Committee of Intellectual Cooperation and West China Union University. Did propaganda work for the Publishing House for Foreign Literature and financial work at the China Welfare Fund. Named one of eleven foreign experts by the Communist Party of China that were part of membership of the Chinese People's Political Consultative Conference in 1983.

Rewi Alley – Crypto-Jew, homosexual and probable pedophile from New Zealand. Associate of Ma Haide, Ruth Weiss and Hans Shippe. Became a secret member of the CCP in the late 20s/early 30s and by 1932, was carrying out mission after mission for the communists. Set up the Chinese Industrial Cooperatives to bring in foreign and local high-born money for the war against Japan. Credited with introducing "guerilla industry" to China. Became a top propagandist for the new regime, writing works praising the CCP and its actions nationwide, including the Great Leap Forward. Bragged of his "familial" ties to the CCP's top brass, including Mao. Rewi Alley Memorial Hall and Research Centre at Lanzhou City University College erected in his honor in 2017. Also honored with the Queen's Service Order by the New Zealand ZOG and was instrumental in forging strong bonds between Beijing and Wellington.

Betty Chandler aka Chen Bidi – Jew from Manitoba, Canada. Close to Israel Epstein and Sidney Shapiro. CPPCC member. Active participant in the management of Red China's state affairs. Worked as a medical professional on the front lines against Japan as well as a propagandist, disseminating pictures of alleged Japanese atrocities to US papers as a means of defending the Chinese communist narrative. Carried on the hasbara work at the Publishing House for Foreign Literature, serving as an English-language lecturer.

Hans Miller – German Jew. Came to China in 1939 and held the title of director in at least four different hospitals. CCP and CPPCC member. Trained with Mao and participated in fighting against the Japanese. Helped develop medical science in China and was appointed VP of Beijing Medical University. His contributions during the war against Japan were said to have been critical, especially in Yanan.

Gunther Stein – German Jew. Soviet spy and Red China spy part of the Sorge spy ring. Used his journalist credentials with AP, the Manchester Guardian and the Christian Science Monitor to mask his clandestine activities and deflect attention off the fact he was disseminating propaganda on behalf of the communists. Wrote the book “Challenge of Red China”, celebrating the defeat of Japan and new regime of communism. Today this book is touted by none other than the Rothschild-bankrolled CFR.

Philip Jacob Jaffe – Ukrainian-Russian Jew from NYC’s Lower East Side. Co-founder and policymaker of the Committee for a Democratic Far East Policy (CDFEP). Associate of Israel Epstein and Gunther Stein, who were both CDFEP members. Function of the CDFEP was to instill communism deep into Chinese society through anti-Japanese propaganda. Met with Mao as early as 1924. Published the journal “Amerasia” with money from the Judeophilic Vanderbilts. Amerasia was raided by government authorities for publishing classified materials and Jaffe along with his colleagues and his presumed source, a Jewish Office of Naval Intelligence officer named Andrew Roth, were arrested for espionage. Was a friend and financier of Thomas Arthur Bisson aka T.A. Bisson aka Arthur, a propagandist for Chinese communism in America, suspected Soviet spy who collaborated with Jewish agent of the Soviets Joseph Bernstein, and prolific anti-Japanese writer.

Eva Sandberg aka Eva Xiao – Polish-German Jew. Soviet citizen and spy. Known as the “Only White Western Woman in Yanan”, she married Chinese poet Xiao San, an old classmate and boyhood friend of Mao. She helped Xiao run the editorial department at the Lu Xun Academy of Arts and disseminate communist thought. Was also just one of three Soviet women in all of Red China.

Ursula Kuczynski aka Ruth Werner aka Ursula Beurton aka Ursula Hamburger aka Sonja (codename) – Prussian-German-Polish Jew. Her father, Robert Rene, was a well-known and wealthy economist. Her Yahoudling husband, Rudolf Hamburger, was an architect of the German Communist Party and also a Soviet spy who worked with her in China. Infiltrated MI5, the Royal Air Force and the OSS. Eulogized by the Jew York Times as a “Colorful and Daring Soviet Spy”. Attained the rank of Colonel within the Soviet military. Awarded the Order of the Red Banner for her espionage in China. She ran a spy ring in Shanghai and her missions prominently featured the interception of Japanese communications and sabotage of Japanese military positions in Manchuria. She stored weapons and secured bomb-making materials for Chinese communist guerillas. It is said that Japan would not have pulled out of Manchuria had it not been for her work. Collaborated with the Rosenbergs, David Greenglass, Harry Gold and Klaus Fuchs to get classified nuclear armaments info to the Soviet Union and is credited particularly with being responsible for ***the transmission*** that started the Soviet nuke program. Fuchs, for the record, was recruited into services for the Soviets by none other than her brother Jurgen Kuczynski, an internationally renowned economist.

Michael Menachem Greenberg – Polish-Romanian-British Jew. Managing editor of the Institute of Pacific Relations (IPR) publication, "Pacific Affairs", where he disseminated a heavily anti-Japanese line. He became a China specialist at the Board of Economic Warfare and an assistant to the agency's head, Lauchlin Currie–who was revealed to be a Soviet spy connected to Jew Harry Dexter White and the Silvermaster espionage ring. Later worked as a Foreign Affairs Economist in the Administrative Division, Enemy Branch, of the Foreign Economic Administration. His tasks involved finding ways to economically squeeze Japan. Revealed to be a spy for Red China by the investigations of Joseph McCarthy, whose "red-baiting" wasn't so immersed in paranoia, megalomania and bigotry as liberals (mainly Jews) would have the world believe. Ultimately escaped prosecution and imprisonment and returned to England where he wrote the hasbara book, "British Trade and The Opening of China", attacking the British for colonially exploiting China in the Opium Wars but deliberately obfuscating the role of the actual opium traders–the aforementioned Mizrahi Jewish Rothschild lieutenants, the Sassoons.

Mark Gayn aka Mark Julius Ginsbourg – Russian-American-Canadian Jew born in Manchuria. Schooled in Russia's Vladivostock, China's Shanghai, California's Claremont and New York's New York City (Columbia). Writer/journalist for the Jew York Times, Washington Post, Time, Toronto Star and Newsweek. Worked for and passed info to the spy den masquerading as a journalism magazine of Philip Jacob Jaffe, Amerasia. His home was raided by the FBI and 60 classified documents were found. Declassified FBI files reveal that he was Soviet/Chinese spy who had stolen these OSS documents, which related to Chiang Kai-shek's battle plans against Mao. The theft of this info proved crucial in the Chinese Communist Force defeating Chiang Kai-shek and attaining power. Inexplicably, despite the arrest following the raid on his home, he was let go under the pretext that he would serve as a double agent for America but this never materialized. More probably however, it was Jewish Lobby pressure and his importance to the Maoist cause that procured his release. Said to have obtained information that JFK was going to be assassinated–significant considered the Jewish-‘Israeli’ role in that crime. Traveled to the Soviet Union every year between 1964-1970, not to mention multiple visits to China and was able to get two sit-downs with Mao–more than likely because of his spying almost 20 years earlier.

In conclusion–and a damn clear conclusion at that–there’d be no communism in China without the contributions of these Jews and many others still to be discovered and documented. From the subversive efforts of Gayn and Kuczynski, to the state-building efforts of Epstein, Chandler and Shapiro, to the primordial efforts of Stern and the godfather of them all, Voitinsky. Also, China would not have become the world power it is today if Henry Kissinger hadn’t opened up the doors to trade. Moving further forward, as discussed at the start, we see China becoming disturbingly more ingratiated with the ‘Israeli’ entity in the fields of military, intelligence and technology cooperation as time goes on–no doubt an extension of Jewish-Chinese familiarity going back almost a century.

Jonathan Pollard, the Jewish-Zionist traitor and most destructive spy in American history, gave classified intel to ‘Israel’ which then sold the bombshells to Beijing and he passed stolen secrets to China directly too–at the behest of his “Tel Aviv” handlers and to help his wife’s business plans. ‘Israel’ and China worked hand-in-glove during Operation Cyclone to bring down the very Soviet Union that made Chinese governance “red” in the first place! ***In 1982, ‘Israel’ provided the Chinese with advanced missile tech and upgraded their tank fleet. This turned into a full-blown defense relationship that prospered after the events at Tiananmen Square.***

As it stands at this moment, ***‘Israeli’-Chinese bilateral trade has reached a whopping $13 billion, about 260 times what it was in 1992*** when it was just starting to take off due to the military ties. Chinese students are flocking to the usurping Zionist entity in record numbers for studies, especially technology, which means, whether they know it or not–though you better believe that the ‘Israelis’ know it for certain–they’re being tapped as Talpiot fifth columnists when they return to China. There are extensive, regular direct flights operating between “Tel Aviv” and Beijing, Shanghai, Guangzhou, Chengdu and Hong Kong–which aeronautically links the Zio-Tumor to major cites of China’s north, south, east and west.

China’s explicit backing of the Saudi war on Yemen–a ***Zionist war through and through***–is another blatant display of Chinese-‘Israeli’ collusion. Chinese Vice President Wang Qishan is currently visiting the illegitimate ‘Israeli’ regime and he said unequivocally that ***“cooperation” between the two “needs” to be “taken to the next level”. Baby-killer Netanyahu called***

China “very important” for the Jewish gangster “state”. We see their words coming to fruition already as China has been given control of two ‘Israeli’ ports, including occupied ***Haifa where the ‘Israeli’ enemy maintains its nuclear submarine array*** – signifying that the genocidal Halakhic-Talmudic regime sees Beijing and its “One Belt, One Road Initiative” as vitally integral elements of its security along with its hegemonic system.

This isn’t to say that there aren’t nuances. Mao locked up several of the Jews mentioned in this piece for overstepping their limits and he went against the advice of those who still curried favor with him when he decided to provide arms and military training to Palestine’s PFLP–which ended due to pressure from who else but war criminal Henry Kissinger. He always seemed to be teetering on standing with the peasantry from which he came and the Jewish-led international hegemonists who sought to turn China into “theirs” since they couldn’t break it with the opium pandemic. And he always sold out to the latter.

We are aware of the involvement of the CIA in destabilizing China on numerous fronts. Tiananmen Square (Operation Yellow Bird) comes to mind–the NED and ***George Soros were involved too***–as does Taiwan, where neocon Jews led by ***Michael Goldfarb and his Orion Strategies LLC seek to maintain sedition and division***, and of course Tibet, where the ***CIA has been active for nearly 6 decades. Nearly everything you read about Tibet in the Western press is from the CIA. Even the Dalai Lama is a paid stooge of the Company.*** Moreover, the latest bunch of hasbara about ***“Uyghur Muslim internment camps” is more Sorosite-NED trash,*** meant to obfuscate the very real Turkish-Saudi-American-‘Israeli’ covert interventionism in backing Takfiri terrorists in the Xinjiang Uyghur Autonomous Region. And lest we forget that these very same ***Uyghur Takfiri terrorists, who flocked to Syria in big numbers as foot soldiers for Zion, literally look to ‘Israel’–that’s right, ‘Israel’–as their model for a “homeland”.***

But fighting back against imperialist meddling with ‘Israeli’ technology and military support doesn’t make you an anti-imperialist superstar nor will it endear you to millions of Muhammadi-Husseini revolutionaries seeking to liquidate the transhistorical framework of oppression led by Islam’s greatest enemy. Hell, it doesn’t endear you to revolutionaries PERIOD–Muslim or otherwise. What it makes you is a lollygagging fool. Because ‘Israel’ is playing every side while it further cements its global dominance and paves the way for its Dajjalic false messiah–we see it already with the previously noted Uyghurs. ‘Israel’ will discard China to the curb just like it does with all other Shabbos Goyim. So this piece, apart from its fact-finding nature, is also meant to serve as a warning to our Chinese brethren who have Anti-Parasitic vision and consciousness, not to mention a strong sense of patriotism. Get out while you still can before ‘Israel’ sucks you dry.

> First it was Bolshevism. Now it's Zionism. And in both instances, Red China means Jew China and the named-names evidence… the hard, direct, named-names evidence… proves it beyond all shreds of skepticism. The only question that remains now is… Will a nation with a history as vibrant as China allow itself to be nothing but a ZOG in service of a "nation" as accursed as the cancer calling itself 'Israel'? Or will it reassert its civilizational glory as well as its place in the pantheon of Global South Resistance and disassociate itself from the Zio-Tumor? With Chinese tycoons like ***Jack Ma enamored with 'Israel'*** and China's political leadership all the way up to ***Xi Jinping pushing to merge China and 'Israel' closer and closer centrally when it comes to technology***, it doesn't look good to say the least. God help the Chinese people. God help us all. And may God damn World Zionism and all of its tribalist agents as well as its collaborators past and present to the Naar.

How Jews took over China and created Chinese Communism.

Communist China was created by Rothschilds and their agents. October 1 1949, Mao Tse Tsung (Moses Tung) declared the founding of the People's Republic of China in Tiananmen Square, Beijing. He was funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to ferment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF. Jews behind the rise to power of Mao Tse Tung, the communist dictator of China, who tortured and murdered tens of millions of Chinese (mostly Christians) during his brutal reign. Sidney Shapiro, an American Jew, was in charge of China's propaganda organ. Jew, Israel Epstein, was Mao's Minister of Appropriations (Finance).

This "curse"(Of the Romanov's) began when Empress Elisabeth of Russia (1741-1762), answered to all the "temptations" offered by the Jews :

"No We want no profit from the foes of CHRIST" (1743).-This glorious Christian was a daughter of Peter the Great.She crushed the ' 'Prussianism" of Frederick II. and her reign was very prosperous which denies the false idea that the Jews make"good." Her declaration was an open challenge to the Hidden Hand, which then cursed all the Romanov . Her successor was the illegitimate daughter of Frederick II. of Prussia, Catherine II., who even forbade the Jews to pour into Russia. Mr. Samuel Maunder in his "The Treasury of History," p. 683,-described her reign a "most prosperous," because both great Em-presses considered the Jews as "Satanists" and avoided their nefar-ious work. The Jew cursed the Romanovs for their loving CHRIST and honesty. Catherine II was well inclined toward the Jew , but their dominant role in the French Revolution revealed by Robespierre, frightened her.

2-BANKING. the coming Jewish Planned World Economic ,Social (mass immigration favouring none whites for jobs and education Anti-White -Loxism) and Financial melt down.

The Great Depression Was Deliberately Created

Apparently congress was aware of the scheme of the international bankers and recognized the danger that the republic was in. Congressman Lindberg said in a Congressional Record dated, December 22, 1913, vol. 51, "This new law [the Federal Reserve Act] will create inflation whenever the trusts want inflation. It may not do so immediately, but ... if the trusts can get another period of inflation, they figure they can unload the stocks on the people at high prices during the excitement and them bring on a panic and buy them back at low prices... The people may not know it immediately, but the day of reckoning is only a few years removed."

"That day of reckoning, of course, came in 1929," said Perloff, "and the Federal Reserve has since created an endless series of booms and busts by the strategic tightening and relaxation of money and credit." Speaking about the historical disinformation regarding the crash, Perloff said, "Establishment historians present the '29 stock market crash as they do most events: an accident, evolved from erroneous policies, not from deliberate planning. We have all heard how foolish speculation bid stock prices high, but that the bubble finally burst, plunging brokers out of windows and America into the Depression."

"Having built the Federal Reserve as a tool to consolidate and control wealth, the international bankers were now ready to make a major killing," stated Allen. "Between 1923 and 1929," he described, "the Federal Reserve expanded (inflated) the money supply by sixty-two percent. Much of this new money was used to bid the stock market up to dizzying heights. At the same time that enormous amounts of credit money were being made available," continued Allen, "the mass media began to ballyhoo tales of instant riches to be made in the stock market. According to Ferdinand Lundberg: 'For profits to be made on these funds the public had to be induced to speculate, and it was so induced by misleading newspaper accounts, many of them bought and paid for by the brokers that operated the pools.'"

Perloff concurred, writing, "The Federal Reserve prompted the speculation by expanding the money supply a whopping sixty-two percent between 1923 and 1929. When the central bank became law in 1913, Congressman Charles Lindbergh had warned: 'From now on, depressions will be scientifically created.' Like two con men working a mark, the Fed made credit easy while Establishment newspapers hyped what riches could be made in the stock market." "Curtis Dall," he continued, "himself a syndicate manager for Lehman Brothers was on the floor of the New York Stock Exchange on the day of the Crash." Perloff quotes Dall as declaring, "Actually, it was the calculated 'shearing' of the public by the World-Money powers triggered by the planned sudden shortage of call money in the New York money market."

The "shearing," wrote Allen, caused a "despair [which] produced a willingness to

accept a major expansion of government controls over the economy. ... In 1929, America was a long way from total government." He advised, "The next depression will be used as the excuse for complete socialist-fascist controls at home and the creation of a World Superstate internationally."

Congressman Louis McFadden, Chairman of the House Banking Committee, declared of the Depression, "It was not accidental. It was a carefully contrived occurrence." He warned, "The international bankers sought to bring about a condition of despair here so that they might emerge as rulers of us all." The Great Depression is another example of the Problem-Reaction-Solution formula.

"Plummeting stock prices ruined small investors, but not the top "insiders" on Wall Street," wrote Perloff. "Paul Warburg had issued a tip in March of 1929 that the crash was coming. Before it did, John D. Rockefeller, Bernard Baruch, Joseph P. Kennedy, and other money barons got out of the market. ... Early withdrawal from the market not only preserved the fortunes of these men," said Perloff, "it also enabled them to return later and buy up whole companies for a song."

"History shows that the Wall Street biggies came through very well indeed," wrote Alan B. Jones in his book, How the World Really Works. Quoting from G. Edward Griffin's book, The Creature from Jekyll Island, he added, "Virtually all of the inner club was rescued. There is no record of any member of the interlocking directorate between the Federal Reserve, the major New York banks, and their prime customers having been caught by surprise." Pictured below is a bread line in New York City during the Great Depression. Apparently the Wall Street insiders didn't require this service.(*)

Jones quotes Herbert Hoover's description of the Secretary of the Treasury, Andrew Mellon's views, "Mr. Mellon had only one formula: 'Liquidate labor, liquidate stocks, liquidate the farmers, [and] liquidate real estate.'" [Mellon] said, "It will purge the rottenness out of the system. Values will be adjusted, and enterprising people will pick up the wrecks from less competent people."

"For those who knew the score," stated Allen, "a comment by Paul Warburg had provided the warning to sell. That signal came on March 9, 1929, when the Financial Chronicle quoted Warburg as giving this sound advice: 'If orgies of unrestricted speculation are permitted to spread too far ... the ultimate collapse is certain ... to bring about a general depression involving the whole country.'" "Sharpies [insiders] were later able to buy back these stocks at a ninety percent discount from their former highs," he declared.

"FDR is probably best remembered for the New Deal," stated Perloff. "Of

courser, since a large portion of the work force was unemployed, there was not enough tax revenue to pay for these programs. So the government turned to its other source--borrowing. In effect, the international bankers, having created the Depression, now loaned America the cash to recover from it." He added, "Naturally, the interest on these loans would be borne on the backs of taxpayers for years to come."

The migration of families & individuals due to lack of jobs was evidently common during the Great Depression. Encyclopedia Britannica describes the Great Depression as the "Longest and most severe economic depression ever experienced," which "precipitated economic failures around the world" and triggered "major changes in the structure of the U.S. economy." "To think that the scientifically engineered Crash of '29 was an accident or the result of stupidity defies all logic," concluded Allen.

Summary

This evidence suggests that The Great Depression was artificially created so the larger Wall Street firms, which control the stock market, could eliminate competition and make profits out of lending America money to recover from it.

"Competition is a sin."

“I care not what puppet is placed on the throne of England to rule the Empire, ...The man that controls Britain's money supply controls the British Empire. And I control the money supply.”~ Baron Nathan Mayer Rothschild
“The meaning of the history of the last century is that today 300 Jewish financiers, all Masters of (Masonic) Lodges, rule the world.” – Jean Izoulet, prominent member of Jewish Alliance Israelite Universelle, 1931

"Banking was conceived in iniquity and born in sin. The Bankers own the earth. Take it away from them, but leave them the power to create deposits, and with the flick of the pen they will create enough deposits to buy it back again. However, take away that power, and all the great fortunes like mine will disappear — as they ought to in order to make this a happier and better world to live in. But, if you wish to remain the slaves of Bankers and pay the cost of your own slavery, then let them continue to create deposits.”
Sir Josiah Stamp (1880-1941), one time governor of the Bank of England, in his Commencement Address at the University of Texas in 1927. Reportedly he was the second wealthiest individual in Britain.

Just as I told them in Ottawa in 1923, exactly what was going to happen in 1928, so I tell you now in 1934, that before 1940 if you have not changed your financial system, it will change and probably eliminate you.

That was Major C.H. Douglas in the Alberta legislature, April, 1934. Next quote.

As I came here tonight I bought an evening paper, on the front page of which were the words "Germans in the Rhineland." We are back in 1914 where the financiers said they would get us.

Douglas in Westminster, March 1936. Next quote:

For 20 years the Social Credit movement … has persistently warned people that in the absence of effective and timely reform of the financial system, that system would precipitate war and revolution on a scale which might destroy the fabric of civilized society

That is from Byrne himself, who next quotes Thomas Jefferson:

I believe that banking institutions are more dangerous to our liberties than standing armies.

And:

If the American People ever allow private banks to control the issuance of their currency, first by inflation and then by deflation the corporation that will grow up around them will deprive the people of all their property, until their children wake up homeless on the continent their fathers conquered.

End of quote from Thomas Jefferson. Again quote:

I have two great enemies, the Southern army in front of me and the financial institutions in the rear. Of the two the one in the rear is my greatest foe.

That was Abraham Lincoln. Quote, that is again quote:

The money power preys upon the nation in times of peace and conspires against it in times of adversity. It is more despotic than monarchy, more insolent than autocracy, more selfish than bureaucracy. It denounces as public enemies all who question its methods, or throw light upon its crimes.

That was William J. Bryan, and I trust Mr. Ullstein or Isaac Schmollensnout or his makeup editor or his printer devil is served.

High inflation is the hallmark of the presence of the biological parasite, the international Jew, because the Jew, in infecting the nation, raises the rate of inflation to allow him to parlay his small amount of cash into a giant fortune, just as the presence of fever in the patient is a warning of infection in the human body. Inflation did not become a problem in the American economy until the Jew achieved mastery of our economic system, and through the Jewish agency, the Federal Reserve System, was able to drive down the purchasing power of the dollar, erode savings and impoverish the American workers.

"...Occasionally, on a Saturday morning in the summer of 1912, Bernard Baruch would walk into the Democratic Headquarters with Woodrow Wilson in tow, leading him like one would a poodle on a string. Wilson would be quite solemn-faced in appearance....According to my friend Wilson would be given his special "indoctrination course" in politics, by several of the top advisers assembled there. The course consisted chiefly of outlining to him and his agreeing in principle to: Aiding and pushing the projected Federal Reserve Bank Legislation through Congress when Paul Warburg approved the final draft of the opposed Act, then being worked on....(And) if called upon, to lend a sympathetic ear and aid indicated "policy" if war should break out in Europe....Wilson dutifully received and absorbed his indoctrination, shook hands all around, and then departed...."

Capitalism and Marxism/Communism are two sides of the same coin with capitalist banking systems funding the exploits of global communism. Capitalism (democracy) and Communism

(Marxism) are merely products of the Jewish mind manufactured to control slave Nations. Therefore, given the 'divine right to rule' both are ideologically lower than Judaism in the paradigm of the Jewish Zionist. The nature of the game for the Zionist Capitalist is to withhold a land's wealth from its people. Henceforth the Zionist Capitalist gets immensely rich while the nations conquered suffer crippling dept. Consequently capitalism is basically state sponsored usury and any revolutionary response from the slave nations are corralled into Jewish Marxist (Communist) state funded trade unions whose organizers are earmarked to become the leaders of the new Jewish Zionist regime. Thus Jewish Zionism controls both rich and poor. This vicious circle is a representation of the Jewish Marxist one party state.

Democracy is the most ideal way of life, provided there is no individual group, party, race or sect successfully fulfilling in secret aspirations detrimental to the rest of the nation. As soon as such a parasitic force (Jews) develops inside democracy, democracy itself is reduced to nothing. It is transformed into a minority-ruled herd. The right of the vote becomes a myth, since public opinion is being shaped by the press of this alien nationalism.P69

He made money of an insider trade yet he walks about scott free In fact he is busy messing about in Ukraine and other countries using his Freedom Foundation George Soros, the billionaire financier and liberal activist, was dealt a legal blow this week when the European Court of Human Rights refused to overturn his nine-year-old criminal conviction for insider trading.A French court convicted Soros in 2002 for insider trading in the late 1980s, but the Hungary-born investor appealed, arguing that the French law on insider trading at the time was too ambiguous to find him guilty.But the European court ruled Thursday in a 4-3 decision that the French rules were clear enough to convict him.

Assassination of PM. Spencer Perceval.Congress still refused to renew charter for First Bank of United States, whereupon Nathan Mayer Rothschild railed,
"Teach those impudent Americans a lesson! Bring them back to colonial status!"The British Prime Minister at the time, Spencer Perceval was adamantly opposed to war with the United States.

Financed at virtually no interest by the Rothschild controlled Bank of England, Britain then provoked the war of 1812 to recolonize the United States and force them back into the slavery of the Bank of England, or to plunge the United States into so much debt they would be forced to accept a new private central bank.
And the plan worked. Even though the War of 1812 was won by the United States, Congress was forced to grant a new charter for yet another private bank issuing the public currency as loans at interest, the Second Bank of the United States. Once again, private bankers were in control of the nation's money supply and cared not who made the laws or how many British and American soldiers had to die for it.
https://politicalvelcraft.org Rothschilds windbags of war.

History Of The Moneychangers by Andrew Carrington Hitchcock.
The Bank of England amounted to nothing less than the legal counterfeiting of a national currency for private gain, and thus any country that would fall under the control of a private bank would amount to nothing more than a plutocracy.
Soon after the Bank of England was formed it attacked the talley stick system, as it was money outside of the power of the money changers, just as King Henry I had intended it to be.1698 - Following four years of the Bank of England, their plan to control the money supply had come on in leaps and bounds. They had flooded the country with so much money that the Government debt to the Bank had grown from the initial £1,250,000, to £16,000,000, in only four years. That's an increase of 1,280%.
1828 After 12 years during which the Second Bank of the United States, ruthlessly manipulated the American economy to the detriment of the people but to the benefit of their own money grabbing ends, the American people had unsurprisingly had enough. Opponents of this bank nominated Senator Andrew Jackson of Tennessee to run for President.To the dismay of the money changers, Jackson won the Presidency and made it quite clear he intended to kill this bank at his first opportunity. He started out during his first term in office, to root out the banks many minions from government service. To illustrate how deep this cancer was rooted in government, he fired 2,000 of the 11,000 employees of the Federal Government.

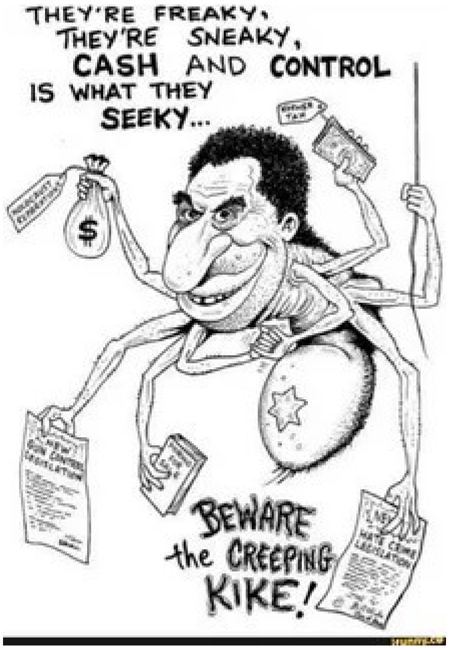
Economists continually try and sell the public the idea that recessions or depressions are a natural part of what they call the “business cycle”.

Central Bankers developed out of money changers and it is with these people we pick the story up in 48 B.C. below.
48 B.C.: Julius Caesar took back from the money changers the power to coin money and then minted coins for the benefit of all. With this new, plentiful supply of money, he established many massive construction projects and built great public works. By making money plentiful, Caesar won the love of the common people.
But the money changers hated him for it and this is why Caesar was assassinated. Immediately after his assassination came the demise of plentiful money in Rome, taxes increased, as did corruption. Eventually the Roman money supply was reduced by 90 per cent, which resulted in the common people losing their lands and homes.
http://www.hugequestions.com/Eric/TFC/History-of-Bankers.htm



In 1865 the Jewish Rabbi RZEICHORN, made a speech in Prague.
The speech was published 11 years later by Sir John Radcliff, who was assassinated shortly after its publication and it became almost extinct for years. Here are a few passages;
"With Gold one can buy the most upright consciences, with Gold one can fix the value of every stock, the price of every merchandise, one can loan it to states that afterwards one holds at ones mercy.
"Already the principle banks, the stock exchanges throughout the world, the loans to all governments are in our hands.
"The other great power is the press. By ceaselessly repeating certain ideas, the press in the end makes them considered as truths. The Theatre renders similar services, every where theatre and press follow our directives. By an indefatigable campaign in favour of the democratic form of government, we will divide the Gentiles amongst themselves in political parties, we shall thus destroy the unity of their nations, we will sow the seeds of discord. Powerless they will have to accept the laws of our bank, always united, always devoted to our cause.
"The possession of land has always procured influence and power. In the name of social justice and equality, we will divide the great properties; we will give small fragments to the peasents who desire it with all their heart, But who will soon be indebted to us by the very exploitation of these properties. Our capital will enable us to be the real masters.
"Let us use all force to replace the circulation of gold by that of paper; our banks will absorb the gold, and we shall decide what then what value the paper money will have, this will make us masters of every mans existence.

"We will promise to the workers salaries they have never dared to dream of, but we will also heighten the price of all necessities, so much so that our profits will be even greater."By our jokes and attacks we will render their priests ridiculous and eventually odius, their religion as ridiculous, as odius as their priests. We shall become the masters of their souls. But above all, let us get control of education, of the schools. By them we will spread the ideas that are useful to us, and we will mold the childrens brains as we wish".

Status of COVID-19

As of 19 March 2020, COVID-19 is no longer considered to be an HCID in the UK. There are many diseases which can cause serious illness which are not classified as HCIDs.

The 4 nations public health HCID group made an interim recommendation in January 2020 to classify COVID-19 as an HCID. This was based on consideration of the UK HCID criteria about the virus and the disease with information available during the early stages of the outbreak. Now that more is known about COVID-19, the public health bodies in the UK have reviewed the most up to date information about COVID-19 against the UK HCID criteria. They have determined that several features have now changed; in particular, more information is available about mortality rates (low overall), and there is now greater clinical awareness and a specific and sensitive laboratory test, the availability of which continues to increase.

The ACDP is also of the opinion that COVID-19 should no longer be classified as an HCID.

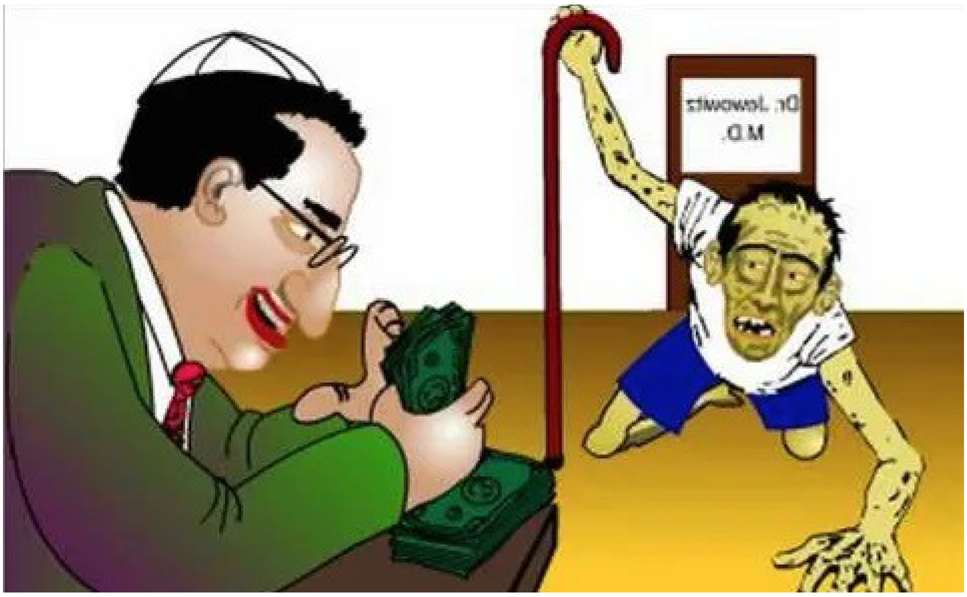
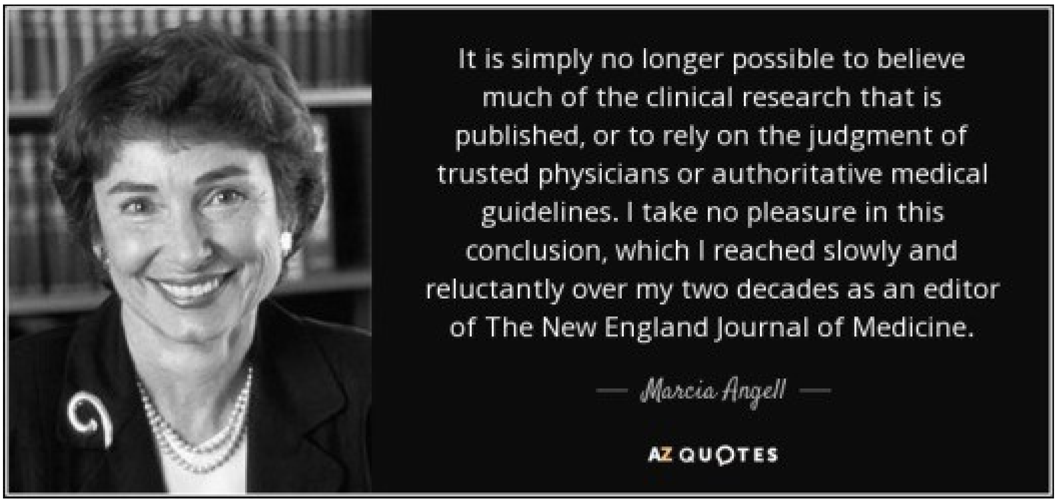
Every single aspect of Covid is Jewish.





It is simply no longer possible to believe much of the clinical research that is published, or to rely on the judgment of trusted physicians or authoritative medical guidelines. I take no pleasure in this conclusion, which I reached slowly and reluctantly over my two decades as an editor of The New England Journal of Medicine.

Beautiful Russian Princess Regrets Getting the 'Safe' Sputnik Vaks Sin After Getting Paralyzed

Posted by EU Times on Sep 22nd, 2021 // 3 Comments

Many of you out there thought that only Fayzar and Primitiva are super killers while the Russian Sputnik is SAFE and EFFECTIVE because “based” Putin would never harm his own people… well think again.

Look at this beautiful 20 year-old Disney princess named Aleksandro who just had her life ruined forever by the “safe” Sputnik vaks sin.

Poor girl, so beautiful, so young and so sad… all her life ruined because of a damn stupid injection. She regrets it but its too late now for her, regret is not going to change anything.

All of you retards out there who call the states nazis for wanting for vaks everyone, you’ve been dropped on your head as babies. The nazis were ANTI-vaks. Your stupid democrats and communists are PRO-vaks. The vaks sin is a product of muh democracy and shit and the communists promoted it in the Soviet Union like as if it was mana from God.

VACCINES CAUSED 1918 “SPANISH FLU” WHICH KILLED MILLIONS US Vaccines Caused ‘Spanish Flu’ “It was a common expression during the war that “more soldiers were killed by vaccine shots than by shots from enemy guns.”–E. McBean “The 1918 ‘Spanish Flu’ started in American military Camp Funston, Fort Riley, USA, amongst troops making ready for W.W.I – taking on board vaccinations, recruit training and all. It eventually killed about 40,000,000 people worldwide. That flu strain only appeared briefly once again, according to the US Atlanta CDC. This was in 1976 and again it struck at the US army camp Fort Dix, USA, amongst recently vaccinated troops (and no one else EVER); Fort Dix is known to have been a vaccine trial centre. Was the world's greatest 'influenza' scourge another well-hidden vaccine disaster?"—John P Heptonstall https://www.vaccinationinformationnetwork.com/vaccines-caused-1918-spanish-flu-which-killed-millions/

If memory serves me correctly, Marks stated that Julius Kahn was also their man on the McCarthy committee, but who was now on the Senate Foreign Relations Committee. He definitely stated that David Schine was NOT with the AJLAC but that he was put there by “another group which I don’t know about.”

Mr. Marks went on to say that “not only is McCarthy under our control but so are Jenner and Velde, who also took our men to work right with them. Benny Mandel and Robert Morris represent us on the Jenner Committee.” He mentioned Robert Kunzig as “their man” for Velde.

Marks also stated definitely that Professor Louis Budenz was under “their control” and one of “their men,” and that he was working to take the “heat” off the Jews.

Jenner was an active Freemason, serving in 1812 as Master of the Royal Lodge of Faith and Friendship, No. 270, based in Berkeley, Gloucestershire. This lodge was regularly visited by the Prince of Wales – the future George IV – and was a lodge that was to become associated with the Jenner family.

Martin Luther.

The Jews are our public enemies and incessantly blaspheme our Lord Jesus Christ, they call our Blessed Virgin Mary a harlot and her Holy Son a bastard and to us they give the epithet of changelings and abortions. If they could kill us all, they would gladly do so; in fact, many of them murder Christians, especially those professing to be surgeons and doctors. They know how to deal with medicaments in the manner of the Italians-the Borgias and Medicis-who gave people poison which brought about their death in one hour or in a month.Therefore deal with them harshly as they do nothing but excruciatingly blaspheme our Lord Jesus Christ, trying to rob us of our lives, our health, our honour and belongings ... For that reason I cannot have patience nor carry on an intercourse with these deliberate blasphemers and violators of our Beloved Saviour.P63

"**Therefore** be on your guard against **the Jews,** knowing that wherever they have their synagogues, nothing is found but **a den of devils** in which sheer **selfglory, conceit, lies, blasphemy,** and **defaming of God and men** are practiced **most maliciously** and veheming his eyes on them."

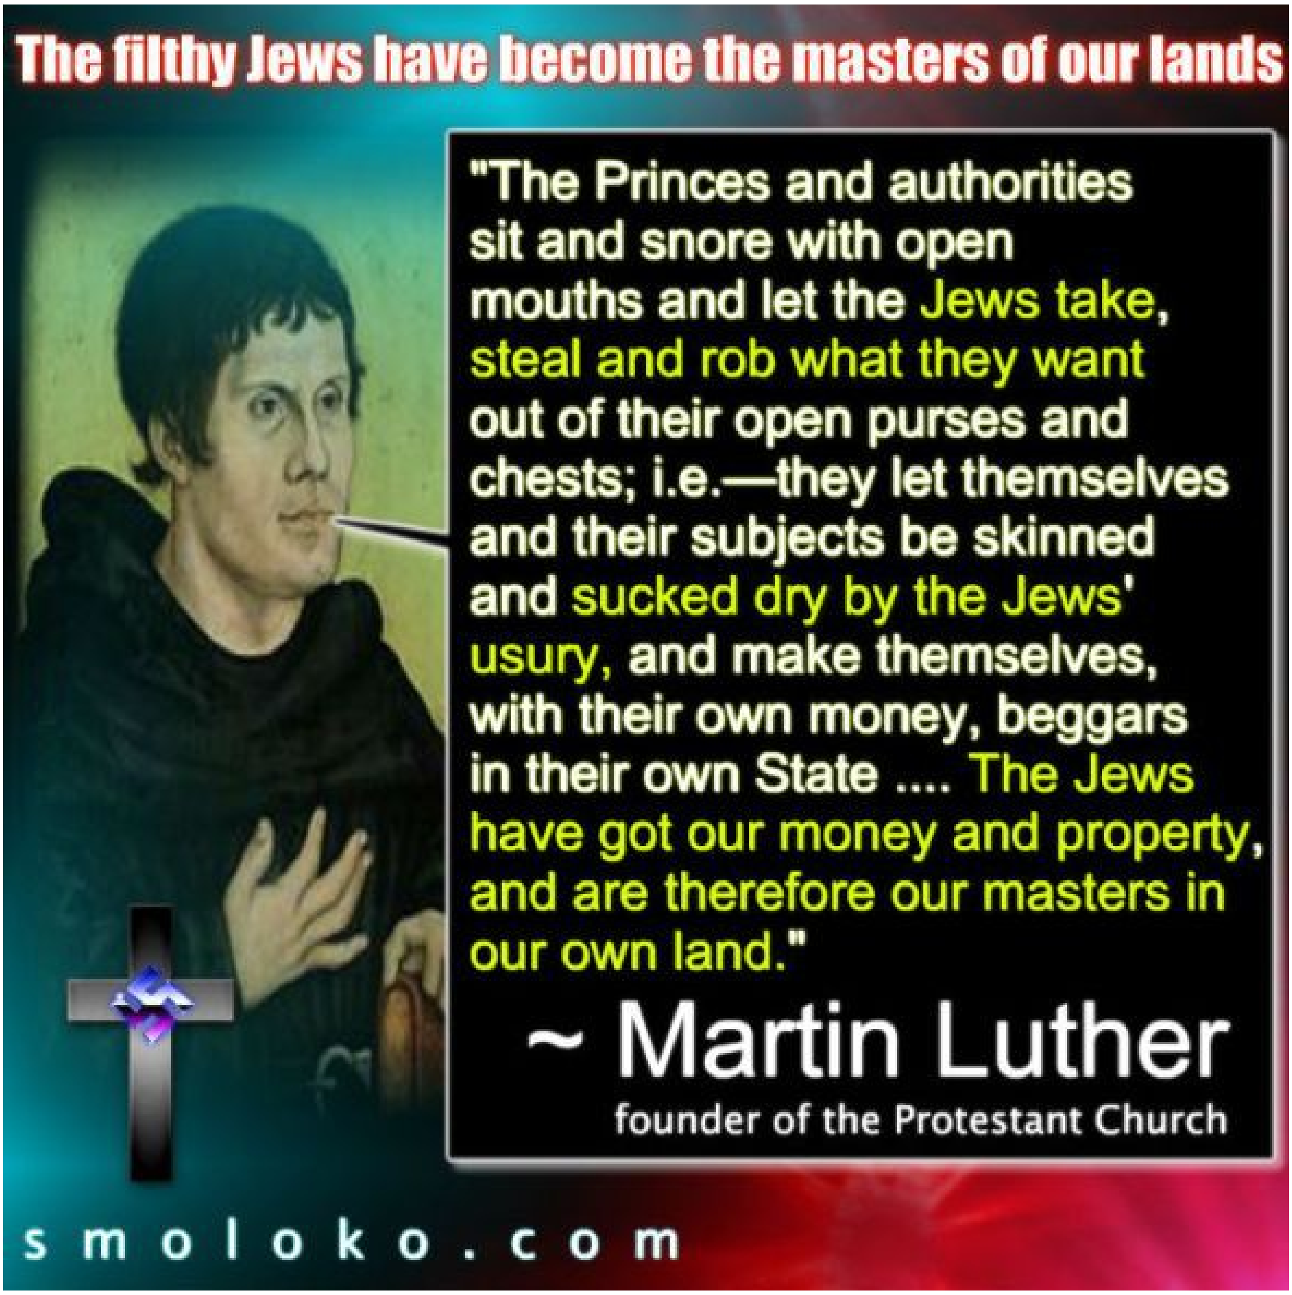
"**Moreover,** they are nothing but **thieves and robbers** who daily eat no morsel and wear no thread of clothing which they have not **stolen and pilfered** from us by means of their **accursed usury.** Thus they live from day to day, together with wife and child, by **theft and robbery,** as archthieves and robbers, in the most impenitent security."

"**However,** they have not acquired a perfect mastery of **the art of lying; they lie** so clumsily and ineptly that anyone who is just a little observant can easily detect it."

-Martin Luther, ***On the Jews and their Lies***

Matthew 10:34

'Think not that I am come to send peace on earth: I came not to send peace, but a sword.'



The filthy Jews have become the masters of our lands

"The Princes and authorities sit and snore with open mouths and let the Jews take, steal and rob what they want out of their open purses and chests; i.e.—they let themselves and their subjects be skinned and sucked dry by the Jews' usury, and make themselves, with their own money, beggars in their own State .... The Jews have got our money and property, and are therefore our masters in our own land."

THE HORROR OF HORRORS, CATTLE PLAGUE OR FOOT AND MOUTH DISEASE, CAUSED IN MANKIND BY VACCINATION.

I have already exposed the deadly epidemics of virulent cowpox or foot and mouth disease in cattle and domestic animals caused by vaccination. I now come to expose one of the most shocking results of vaccination yet disclosed, viz.: the transmission of this horrible cow disease to the human subject. This disease, as a vaccinal result, in mankind, is much more common and fatal than has been generally supposed, and every effort seems to have been made by our vaccinators and health officers to deny and conceal the facts in this matter from the public, which is easily accomplished because of the great general ignorance of all vaccination matters not only by the mass of the people but by the mass of the medical profession itself. For example, the medical profession does not seem to be yet aware of the fact that the severe skin and general disease called "Pemphigus" in man is identical with foot and mouth disease in cattle, nor do they seem to be generally aware of the fact that "Pemphigus" is frequently conveyed by "Cowpox" or vaccination, and they seem to be equally ignorant of the notorious fact that certain makes of vaccine virus had been infected for years with foot and mouth disease, and conveyed this disease in epidemic and fatal form to animals and mankind. Neither do they seem to be aware of the fact that experience now indicates that Foot and Mouth disease may be ultimately proved to be only a virulent form of "Cowpox" or a mongrel form of Smallpox to which ordinary Cowpox or "Vaccinia" may degenerate at any time like a mild domestic dog suddenly changing, in an attack of Rabies, to a mad, dangerous, and deadly distributor of disease.

DIABOLICAL SMALLPOX VACCINATION PRODUCTION #2

"Who controls the past controls the future. Who controls the present controls the past." ~ George Orwell

Connaught Laboratories and Farm (1916). 'Smallpox vaccine unit preparation room. A calf splayed on the operating table, legs encased in white cotton, with a technician scraping the vesicles.'

"It would seem to be impossible for a rational mind to conceive that a filthy virus derived from a smallpox corpse, the ulcerated udder of a cow, or the running sores of a sick horse's heels, and cultivated in scabbed festers on a calf's abdomen could fail to have disastrous effects when inoculated into the human body. As Professor McIntosh remarked in the Lancet in 1926, 'Scientifically it cannot be disputed that from every point of view the injection of virus capable of multiplying in the body of the individual is bad.' "
~ M. Beddow Bayly M.R.C.S., L.R.C.P. (1936)

"Lymph is a false term. It is diseased and disease-bearing matter, and should be called pus, and its wilful insertion into the skin of any human being should be called blood-poisoning, and denounced as a crime of the first magnitude."
~ Alfred R Wallace (1911)

"Vaccination is nothing short of attempted murder." ~ GB Shaw (1911)

Adverse responses to vaccination can damage the immune system, cause brain damage,cause paralysis, and contribute to the formation of numerous other modern chronic diseases. The vaccine injured community is composed of people, young and old, who are suffering from a spectrum of chronic illness and disabilities, including learning disabilities and developmental delays, attention deficit hyperactivity disorder (ADHD), autism, seizure disorders, mental retardation, diabetes, asthma, inflammatory bowel disease (IBD) rheumatoid arthritis, multiple sclerosis and other kinds of neuroimmune and autoimmune dysfunction.

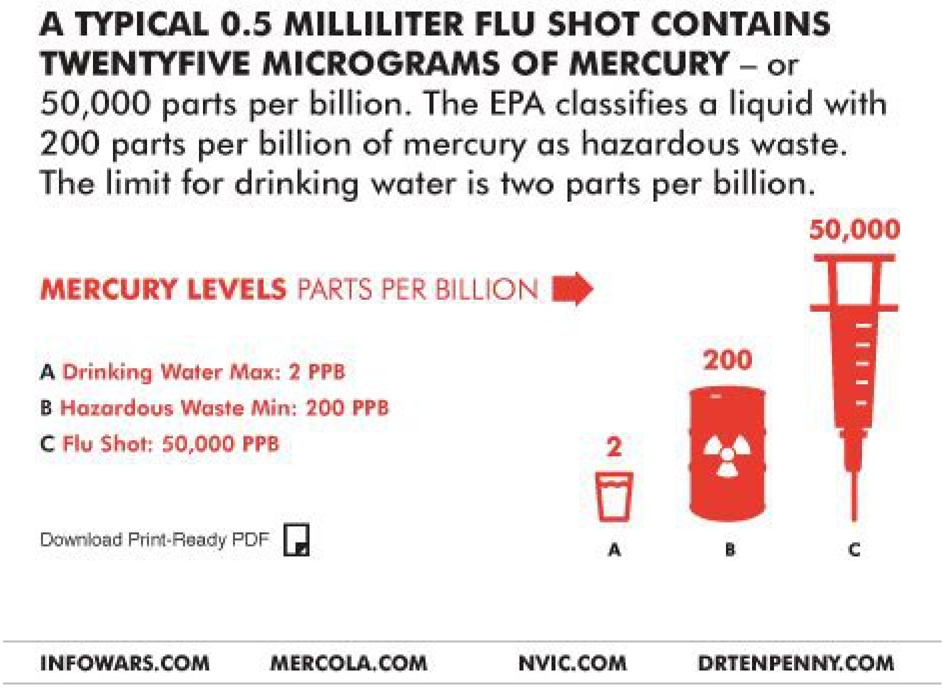
By now, most people are well aware that children and fetuses are most at risk of damage from this neurotoxin, as their brains are still developing. Yet the CDC still recommends that children over 6 months, and pregnant women, receive the flu vaccine each year.

In addition to mercury, flu vaccines also contain other toxic or hazardous ingredients like:

Aluminum -- a neurotoxin that has been linked to Alzheimer's disease
Triton X-100 -- a detergent
Phenol (carbolic acid)
Ethylene glycol (antifreeze)
Betapropiolactone - a disinfectant
Nonoxynol - used to kill or stop growth of STDs
Octoxinol 9 - a vaginal spermicide
Sodium phosphate

How Safe is the Flu Vaccine?
Serious reactions to the flu vaccine include, but are not limited to:
Life-threatening allergies to various ingredients
Guillain-Barre Syndrome (a severe paralytic disease that is fatal in about 1 in 20 cases)
Encephalitis (brain inflammation)
Neurological disorders

Thrombocytopenia (a serious blood disorder)



A TYPICAL 0.5 MILLILITER FLU SHOT CONTAINS TWENTYFIVE MICROGRAMS OF MERCURY – or 50,000 parts per billion. The EPA classifies a liquid with 200 parts per billion of mercury as hazardous waste. The limit for drinking water is two parts per billion.

MERCURY LEVELS PARTS PER BILLION

27. Remember at all times about the limits which the Goyim set for themselves because their thought process coarsened within those boundaries. They are not capable of crossing them. In this is their misfortune and in this is our advantage. Talk and act as their morality does not allow it for them, as their understanding does not permit them to do. Do what they deem impossible and improbable. They would not believe in that you are capable for the words and actions for which they themselves are not capable.

Why would the CDC deliberately lower the PCR test threshold while no longer recording asymptomatic cases...but only for the vaccinated? This basically eliminates COVID from the vaccinated fabricating the effectiveness of the shot while simultaneously demonizing the unvaccinated.

UNICEF report says blocking children from watching pornography violates their human rights

The United Nations International Children's Emergency Fund has come under criticism after it has released a report which says exposure to pornography may not always be harmful to children because it prepares some of them for adulthood.

UNICEF report says blocking children from watching pornography violates their human rights

The controversial report which talks about how government policy can be used to protect children from harmful, abusive and violent content online stressed that there is no conclusive evidence that children exposed to pornography are harmed in any way due to the exposure.

UNICEF drew its conclusion based on a report which says 39 percent of Spanish children were happy after seeing pornography.

In 1987 a large pedophile ring and child pornography photo studio in possession of over 1000 photos were discovered in the basement of the Belgian UNICEF headquarters in the pedophile paradise Brussels.[252] In that scandal the UNICEF Belgian office head Jozeph Verbeek and 13 other derelicts were arrested including a former British Justice Ministry official.

Canadian physician Dr. Andrew Moulden provided clear scientific evidence to prove that every dose of vaccine given to a child or an adult produces harm. The truth that he uncovered was rejected by the conventional medical system and the pharmaceutical industry. Nevertheless, his warning and his message to America remains as a solid legacy of the man who stood up against big pharma and their program to vaccinate every person on the Earth.

Dr. Moulden died unexpectedly in November of 2013 at age 49.

Because of the strong opposition from big pharma concerning Dr. Moulden's research, we became concerned that the name of this brilliant researcher and his life's work had nearly been deleted from the internet. His reputation was being disparaged, and his message of warning and hope was being distorted and buried without a tombstone. This book summarizes his teaching and is a must-read for everyone who wants to learn the "other-side" of the vaccine debate that the mainstream media routinely censors.

Dr Andrew Moulden: Silenced by Jews?
Dr Andrew Moulden discovered the clear link between vaccines and a wide variety of serious health conditions including autism, which he shows is caused by cranial mini-strokes, as evidenced by abnormal facial features clearly visible after vaccination. The best source of info on the web about his research is the 11 part video, one part of which is below. He had collected over 5000 photographs from parents in preparation for a class action lawsuit against vaccine makers. He died on Nov 14, 2013, before the lawsuit could move forward.

Psychiatry is a Jewish creation. It has no foundation in science whatsoever, being the most fraudulent part of the entire Jewish medical establishment. A psychiatrist can do what no police officer can do, what no judge can do, what no forensic laboratory can do, which is to detain someone under the mental health act with no evidence whatsoever. Just one word is enough, or a sentence taken out of context. The psychiatrist can imprison a person on the basis of one interview and force feed him mind altering medication. The drugs themselves are dangerous and can easily destabilize a normal person, so in effect the psychiatrist is creating his own clientele.

Johnson & Johnson Proposes
$8.9 Billion Talc-Asbestos Settlement

Johnson & Johnson knew its baby powder has cancer-causing asbestos — but it lied.

From at least 1971, Johnson&Johnson has known that some of its baby powder contains asbestos, which even in small quantities can cause extremely dangerous illnesses, including several types of cancer.

In 1969 a J&J doctor called William Ashton issued a very telling memo, saying that it is “normal” to find tremolite (a form of asbestos) in many US talc deposits, and questions its presence in J&J products.

AFTER YEARS of litigation over PFOA, an industrial toxin used to make Teflon and other non-stick and stain-resistant products, in 2009 DuPont introduced GenX. Now the slippery substitute has followed the path of the molecule it replaced, contaminating water near plants in West Virginia and North Carolina, and attracting its own intense legal interest.

The lawsuits over PFOA exposed the chemical's links to several diseases, including kidney and testicular cancer. Like PFOA, also known as C8, GenX is a perfluorinated compound and similarly, was the subject of internal DuPont research showing it poses many of the same health concerns as the original chemical. Also like PFOA, GenX persists indefinitely in the environment.

And there are a great many people who don't tell the truth when they are in power in administrative positions."---Dr. Dean Burk former head of National Cancer Institute Research

Facts About Fluoride
So, what are some of the facts about fluoride? According to the handbook, Clinical Toxicology of Commercial Products, fluoride is more poisonous than lead and just slightly less poisonous than arsenic. It is a cumulative poison that accumulates in bone over the years. According to the Physicians Desk Reference, "in hypersensitive individuals, fluorides occasionally cause skin eruptions such as atopic dermatitis, eczema, or urticaria. Gastric distress, headache, and weakness have also been reported. These hypersensitive reactions usually disappear promptly after discontinuation of the fluoride."
https://fluorideinformationaustralia.files.wordpress.com/2013/10/the-dangers-of-fluoride-and-fluoridation-c2a9-1996-by-michael-schachter-m-d-f-a-c-a-m.pdf

Now Dr. Burk your research shows that if all of United States had been fluoridated, it would mean about 70,000 extra deaths because of cancer per annum. Those are remarkable, impressive and effect rather disquieting figures. Could you shortly describe your research in this field and what results did you get from it?
[Dr. Dean Burk (March 21, 1904 – October 6, 1988)]
Yes, the 70,000 of course represents – would represent one-fifth of all the cancer deaths in the United States, twice as many from breast cancer in women, and twice as many as from lung cancer in man.
https://systembreakdown.net/dr-dean-burk-fluoride-causes-cancer/ https://iaomt.org/top-ten-reasons-oppose-water-ation/

In 1989, the ability of fluoride to transform normal cells into cancer cells was confirmed by Argonne National Laboratories. Results released in 1989 of studies carried out at the prestigious Batelle Research Institute showed that fluoride was linked to a rare form of liver cancer in mice, oral tumors and cancers in rats, and bone cancer in male rats.Since 1991, the New Jersey Department of Health found that the incidence of osteosarcoma, a type of bone cancer, was far higher in young men exposed to fluoridated water as compared to those who were not.

Andrew W Mellon - Jews caused the 1929 Crash and Depression-"Predictably enough, all of the big bankers rode through the depression "with flying colors." PharmaJewdicals -Jew Rats add RAT POISON (FLUORIDE) to your Water/T.Paste by Andrew G. Mellon Jew Bankster Founder owner ALCOA and Treas Sec.

Jewish Banker Andrew W. Mellon, a founder of ALCOA and one of its major stockholders, was the U.S. Treasury Secretary from 1921-1932, when the PHS was still a division of the Treasury Department. It was therefore Mellon's PHS that ordered Dean to study fluoride in the first place. Fluoride's transmogrification from toxic waste to public health miracle, skeptics argued, suited American industry all too well.

The PHS endorsement was certainly a major public relations victory for fluoridationists. It also meant that ALCOA and other suppliers of fluoride compounds could in good conscience take advantage of a new business opportunity. https://origins.osu.edu/article/toxic-treatment-fluorides-transformation-industrial-waste-public-health-miracle

FLUORIDE IN YOUR WATER

Sodium Fluoride is a highly toxic poison, the active ingredient in rat poison. A neurotoxin, it causes permanent changes in behavior, and stains, ruins white teeth (fluorosis).

The WARNING on the bag says it targets body organs, the entire nervous system (the brain) and the teeth. Fluoride is added to the water, why is your government poisoning you?

SKIN CANCER AND FLUORIDE

Fluoride is excreted in sweat; the warmer the climate the greater the amount of fluoride excreted through skin. Fluoride has been scientifically documented as a PHOTOTOXIN which renders the skin susceptible to damage from solar ultraviolet light and contributes to skin cancer. This is why fluoridated Australia has a prevalence rate of skin cancer 20 times the global mean and why **1 in 3 people** in the **Republic of Ireland** will get skin cancer during their lifetime. No matter where you live on this planet, if you drink fluoridated water your risk of developing skin cancer increases. Protect yourself by not consuming fluoridated water.

Facts About Fluoride

So, what are some of the facts about fluoride? According to the handbook, Clinical Toxicology of Commercial Products, fluoride is more poisonous than lead and just slightly less poisonous than arsenic. It is a cumulative poison that accumulates in bone over the years.

Status of COVID-19

As of 19 March 2020, COVID-19 is no longer considered to be an HCID in the UK. There are many diseases which can cause serious illness which are not classified as HCIDs.

The 4 nations public health HCID group made an interim recommendation in January 2020 to classify COVID-19 as an HCID. This was based on consideration of the UK HCID criteria about the virus and the disease with information available during the early stages of the outbreak. Now that more is known about COVID-19, the public health bodies in the UK have reviewed the most up to date information about COVID-19 against the UK HCID criteria. They have determined that several features have now changed; in particular, more information is available about mortality rates (low overall), and there is now greater clinical awareness and a specific and sensitive laboratory test, the availability of which continues to increase.

The ACDP is also of the opinion that COVID-19 should no longer be classified as an HCID.

4-WW1 and WW2.
At the last decisive council of the British Cabinet on July 3,1914, Mr. Lloyd George invited Lord Rothschild to listen to and guide the debate . This Prime Minister played his demoniacal game on behalf of the Rothschilds, whose mere tool he has always been and still is . If England had then honestly declared that she would, stand by Russia and France, there would have been NO WAR, because the Kaiser would never have permitted it, notwithstanding the 10 Jews, who closely surrounded him : Bethman-Hollweg-Rothschild, Rathenau, Ballin, Dernburg, Ambassadors E .Goschen, Schoen, et al .
The Rothschilds, through Mr . Lloyd George, prevented such declaration by England, and thus made certain the most bloody,senseless and disastrous war .P48

It (WW1) was a classic case of a "managed conflict", with the Rothschilds manipulating both sides from behind the scenes. At the Versailles Peace Conference, Bernard Baruch was head of the Reparations Commission; Max Warburg, on behalf of Germany, accepted the reparations terms, while Paul Warburg, Thomas Lamont and other Wall Street bankers advised Wilson and the Dulles brothers on how "American" interests should be handled at this allimportant diplomatic conference.P17

Immediately following the war(WW1) the British government, acting on orders from their hidden masters in the City, clamped a blockade on Germany. This move had a devastating effect on the German people. On March 4th, 1919, Winston Churchill declared in the House of Commons that Britain was "enforcing the blockade with vigor. . . This weapon of starvation falls mainly on the women and children, upon the old, the weak and the poor. . ."(The Nation, June 21, 1919, p. 980). While the London Daily News was carrying eye-witness reports from Germany of "many horrible things. . . rows of babies feverish from want of food, exhausted by privations to the point where their little limbs were little wands, their expressions hopeless and their eyes full of pain," the Associated Press was carrying a report (datelined Paris, July 24) that "Germany will have to surrender to France 500 Stallions, 3000 fillies, 90,000 milk cows, 100,000 sheep and 10,000 goats. . . Two hundred stallions, 5000 mares, 5000 fillies, 50,000 cows and 40,000 heifers, also are to go to

Belgium from Germany. . ."Professor Quigley tells us that "the results of the blockade were devastating. Continued for nine months after the armistice, it caused the deaths of 800,000 persons. . ." (Tragedy and Hope,
p. 261). During the four years of the war Germany lost 1,600,000 dead. The German death rate during the blockade was five and a half times higher than during the war! P117

Descent into Slavery Des Griffin

Once the war(WW1)had gotten started, it was found that it wasn't easy to keep it going. The principal problem was that Germany was desperately short of food and coal, and without Germany, the war could not go on. John Hamill in The Strange Career of Mr. Hoover63 explains how the problem was solved.* He quotes from Nordeutsche Allgemeine Zeitung, March 4, 1915, "Justice, however, demands that publicity should be given to the preeminent part taken by the German authorities in Belgium in the solution of this problem. The initiative came from them and it was only due to their continuous relations with the American Relief Committee that the provisioning question was solved." Hamill points out "That is what the Belgian Relief Committee was organized for--to keep Germany in food." The Moratorium on Germany's war debts was necessary so that Germany would have funds for rearming. In 1931, the truly forward-looking diplomats were anticipating the Second World War, and there could be no war without an "aggressor". Hoover had also carried out a number of mining promotions in various parts of the world as a secret agent for the Rothschilds, and had been rewarded with a directorship in one of the principal Rothschild enterprises, the Rio Tinto Mines in Spain and Bolivia. Francqui and Hoover threw themselves into the seemingly impossible task of provisioning Germany during the First World War. Their success was noted in Nordeutsche Allgemeine Zeitung, March 13, 1915, which noted that large quantities of food were now arriving from Belgium by rail. Schmoller's Yearbook for Legislation, Administration and Political Economy for 1916, shows that one billion pounds of meat, one and a half billion pounds of potatoes, one and a half billion pounds of bread, and one hundred twenty-one millions pounds of butter had been shipped from Belgium to Germany in that year. A patriotic British woman who had operated a small hospital in Belgium for several years, Edith Cavell, wrote to the Nursing Mirror in London, April 15, 1915, complaining that the"Belgian Relief" supplies were being shipped to Germany to feed the German army. The Germans considered Miss Cavell to be of no importance, and paid no attention to her, but the British Intelligence Service in London was appalled by Miss Cavell's discovery, and demandedthat the Germans arrest her as a spy.72 Sir William Wiseman, head of British Intelligence, and partner of Kuhn Loeb Company, fearedthat the continuance of the war was at stake, and secretly notified the Germans that Miss Cavell must be executed. The Germans reluctantly arrested her and charged her with aiding prisoners of war to escape. The usual penalty for this offense was three months imprisonment, but the Germans bowed to Sir William Wiseman's demands, and shot Edith Cavell, thus creating one of the principal martyrs of the First World War.With Edith Cavell out of the way, the "Belgian Relief" operation continued, although in 1916,German emissaries again approached London officials with the information that they did not believe Germany could continue military operations, not only because of food shortages, but because of financial problems. More "emergency relief" was sent, and Germany continued in the war until November, 1918. Two of Hoover's principal assistants were a former lumber shipping clerk from the West Coast, Prentiss Gray, and Julius H. Barnes, a grain salesman from Duluth.Both men became partners in J. Henry Schroder Banking Corporation in New York after the war,and amassed large fortunes, principally in grain and sugar.

Enemies within the Gate -'Plain English' edited by Lord Alfred Douglas – 1921

Jews and Jutland - the first official report of the Battle of Jutland was published. The world was informed by the Government that many of our capital ships had been sunk ; and the actual German losses, admittedly known to the Government, were suppressed.As a result the impression was created that Britain had sustained a severe defeat at sea. Instantly British stock in America fell ; but within a week the truth was well known, and British stock in America rose again. It may be of interest to the public to know that as a result of this fall and rise in stock a certain financial group of Jews cleared a net profit of £18,000,000.It may also be said that the Cabinet Minister who drew up and issued the false report about the Battle of Jutland which produced this fall in stocks had spent the week-end with one of the most powerful members of the financial group, Sir Ernest Cassel, and came straight from Sir Ernest's house to publish his report, the report which led the world for a week to believe that the British Navy had been defeated by Germany.The Press and the Government have met these statements I with nothing better than terrified silence. Not a solitary word about Jutland has been printed in our British journals for two weeks.P.28

STARVING GERMANS DURING THE PERIOD OF THE JEWISH WEIMAR GOVERNMENT. AFTER JEWS WON THE FIRST WORLD WAR THEY LITERALLY ROBBED THE GERMAN PEOPLE OF ALMOST EVEYTHING THEY HAD. THIS LED TO THE FAMOUS PHRASE "FAT JEWS, THIN GERMANS."

Following Germany's defeat in World War I, French and British troops occupied portions of Germany to ensure that reparations would be repaid. In some areas such as the Rhineland, France utilized colonial troops from North Africa for patrolling and occupying—possibly serving as an act of further humiliation—making the local Germans be subject to those who were, in turn, subject to a colonial power.At the forefront was that African troops, racially oversexed and primal, were ravaging German women.

> "The **Jews were and are responsible for bringing Negroes** into the Rhineland, with the ultimate idea of **bastardizing the hated white race,** and thus **lowering its cultural and political level so that he himself might dominate. A racially-pure people who are conscious of their blood can never be overcome by the Jew.** In this world, he will only be the master over a bastardized people. That's why he **systematically tries to lower the racial quality of a people by a continuous poisoning of the individual."**

Sennholz claims that the Federal Reserve System was drafted in 1917 for the purpose of financing government expenditures for World War I. I proved in my work that it was secretly drafted in 1910 by Paul Warburg at the behest of the Rothschilds in order to finance World War I and provide capital for the various belligerent powers, not merely the United States. Here again, one is appalled at the consistent disinformation.

“Religious freedom!” says this neat slogan. But freedom of which for themselves the closed churches by the ruins of Christianity which had been destroyed by Bolshevik Jews, as well as, perhaps, the statue of Judas erected by Bolshevism in commemoration of Christ’s betrayer. But from the cataclysm of war, from the surge of blood and fire, from the smouldering ruins of destroyed cities, from the thunder of bombs dropped on innocent children, Roosevelt, the most fateful figure of the 20th century, now emerges![Page 84]
“This war will be Roosevelt’s war!” the right-wing Republicans were saying. But people like Morgenthau, Baruch, Frankfurter, Einstein and Oppenheimer, knew better:
“This war will be our war! World Jewry’s war!”For Roosevelt, this late descendant of the Spanish Sephardim, was the prototype of the 20th-century politician. In him was to be found thepersonification of the Protocols, although he was world deliverer and puppet at the same time. Standing behind were the real masters of America. Freemasonry and the Elders of Zion, Zionist leaders and bankers and the Galician-born trade union Bolsheviks.“He is our President!” they said, “and his war will be our war!”We have substituted a caricature for the “real government”, say the Protocols, with the President elected by our creatures and slaves —the mob.

Sir Hartley Shawcross, said in a speech at Stourbridge, March 16, 1984 "Step by step, I have arrived at the conviction that the aims of communism in Europe are sinister and fatal. At the Nuremberg Trials, I, together with my Russian colleagues condemned Nazi Aggression and Terror. I believe now that Hitler and the German People did not want war. But we [England] declared war on Germany, intent on destroying it, in accordance with our principle of Balance of Power, and we were encouraged by the 'Americans' around Roosevelt. We ignored Hitler's pleading, not to enter into war. Now we are forced to realize that Hitler was right. He offered us the cooperation of Germany: instead, since 1945, we have been facing the immense power of the Soviet Empire. I feel ashamed and humiliated to see that the aims we accused Hitler of, are being relentlessly pursued now, only under a different label."

https://odysee.com/@louismarschalko:2/Webster-Nesta-Helen---Germany-and-England:8

At the end of November 1918, Adolf Hitler returned to Munich and then proceeded to a military camp in Traunstein in south-eastern Bavaria. When the camp was disbanded in April 1919, he went back to Munich, which was still being ruled by a Soviet republic founded by a Polish Jew Kurt Eisner (real name Salamon Kosmanowsky).

At the beginning of May, a few days after the communist revolution had been terminated on May 1, 1919 by the Bavarian Freikorps, Hitler was summoned as a member of the 2nd Infantry Regiment to attend a course on political instruction. The purpose of this course of lectures was to provide the soldiers with a background of politics, which would enable them to monitor the many revolutionary and political movements present in Munich at that time.

One of the lecturers was a former construction engineer turned economist, Dr Gottfried Feder (1881-1941).(1) His first lecture was entitled “The Abolition of the Interest-Servitude”. Hitler was enthralled by what he heard, and this was to be a turning point in his political career. The following quotations from Mein Kampf reflect his initial thoughts.

> “ *For the first time in my life I heard a discussion which dealt with the principles of stock exchange capital and capital which was used for loan activities. After hearing the first lecture delivered by Feder, the idea immediately came into my head that I had found a way to one of the most essential prerequisites for the founding of a new party.*
>
> *To my mind, Feder’s merit consisted in the ruthless and trenchant way in which he described the double character of the capital engaged in stock exchange and loan transactions, laying bare the fact that this capital is ever and always dependent on the payment of interest. In fundamental questions his statements were so full of common sense that those who criticized him did not deny that au fond his ideas were sound, but they doubted whether it be possible to put these ideas into practice. To me this seemed the strongest point in Feder’s teaching, though others considered it a weak point.(2)*

And again,

> *...I understood immediately that here was a truth of transcendental importance for the future of the German people. The absolute separation of stock exchange capital from the economic life of the nation would make it possible to oppose the process of internationalization in German business without at the same time attacking capital at such, for to do this would be to jeopardize the foundations of our national independence. I clearly saw what was developing in Germany, and I realized then that the stiffest fight we would have to wage would not be against the enemy nations but against international capital. In Feder's speech I found an effective rallying-cry for our coming struggle."(3)*

Further, he wrote,

> "*The struggle against international finance capital and loan capital has become one of the most important points in the program on which the German nation has based its fight for economic freedom and independence."(4)*

A few weeks later Hitler received an instruction from his superiors to investigate a political association called the Deutsche Arbeiterpartei (German Workers Party). At this meeting held in the Sterneckerbrau Inn in Munich, about 20 to 25 persons were present. The main speaker was Dr Gottfried Feder.

Shortly thereafter Hitler joined this party and received a provisional certificate of membership numbered seven. His first act on assuming control of the party was to rename it the Nationalsozialistiche Deutsche Arbeiterpartei (National Socialist German Workers Party).

Feder, who was the principal drafter of the party's 25 points, became the architect and theoretician of the program (5) until his unfortunate dismissal as Secretary of State for Economic Affairs in August 1934.

Approximately 40 percent of Feder's "The Program of the NSDAP" is devoted to economic and financial policies. Below are some of the highlights.

Adolf Hitler prints its two main points in leaded type"

THE COMMON INTEREST BEFORE SELF-THE SPIRIT OF THE PROGRAM ABOLITION OF THE THRALLDOM OF INTEREST – THE CORE OF NATIONAL SOCIALISM." "Once these two points are achieved, it means a victory of their approaching universalist ordering of society in the true state over the present-day separation of state, nation and economics under the corrupting influence of the individualist theory of society as now constructed. The sham state of today, oppressing the working classes and protecting the pirated gains of bankers and stock exchange speculators, is the area for reckless private enrichment and for the lowest political profiteering; it gives no thought to its people, and provides no high moral bond of union. The power of money, most ruthless of all powers, holds absolute control, and exercises corrupting, destroying influence on state, nation, society, morals, drama, literature and on all matters of morality, less easy to estimate.(6)"Break down the thralldom of interest" is our war cry.(7) What do we mean by thralldom of interest? The landowner is under this thralldom, who has to raise loans to finance his farming operations, loans at such high interest as almost to eat up the results of his labor, or who is forced to make debts and to drag the mortgages after him like so much weight of lead.

So is the worker, producing in shops and factories for a pittance, whilst the shareholder draws dividends and bonuses which he has not worked for. So is the earning middle class, whose work goes almost entirely to pay the interest on bank overdrafts.(8)

Thralldom of interest is the real expression for the antagonisms, capital versus labor, blood versus money, creative work versus exploitation. The necessity of breaking this thralldom is of such vast importance for our nation and our race, that on it alone depends our nation's hope of rising up from its shame and slavery; in fact, the hope of recovering happiness, prosperity and civilization throughout the world. It is the pivot on which everything turns; it is far more than a mere necessity of financial policy. Whilst its principles and consequences bite deep into political and economic life, it is a leading question for economic study, and thus affects every single individual and demands a decision from each one: Service to the nation or unlimited private enrichment. It means a solution of the Social Question.(9)

Our financial principle: Finance shall exist for the benefit of the state; the financial magnates shall not form a state within the state. Hence our aim to break the thralldom of interest.

Relief of the state, and hence of the nation, from its indebtedness to the great financial houses, which lend on interest.

Nationalization of the Reichsbank and the issuing houses, which lend on interest.

Provision of money for all great public objects (waterpower, railroads etc), not by means of loans, but by granting non-interest bearing state bonds or without using ready money.

Introduction of a fixed standard of currency on a secured basis.

Creation of a national bank of business development (currency reform) for granting non-interest bearing loans.

Fundamental remodeling of the system of taxation on social-economic principles. Relief of the consumer from the burden of indirect taxation, and of the producer from crippling taxation (fiscal reform and relief from taxation).(10)

Wanton printing of bank notes, without creating new values, means inflation. We all lived through it. But the correct conclusion is that an issue of non-interest bearing bonds by the state cannot produce inflation if new values are at the same time created.

The fact that today great economic enterprises cannot be set on foot without recourse to loans is sheer lunacy. Here is where reasonable use of the state's right to produce money which might produce most beneficial results."(11)

Feder was appointed Secretary of State for Economic Affairs when the National Socialists came to power on January 30, 1933, but his efforts to implement official National Socialist economic policy were immediately frustrated by Dr. Hjalmar Schacht, who had been appointed President of the Reichsbank in March 1933. Schacht was an enigmatic character. Although he was born in Tingleff, Schleswig-Holstein in 1877, his family originally came from Hungary. In 1903 at the age of 26 he joined the Dresdner Bank, and in 1908 he became a Freemason.

He was also a student of Hebrew(12) as he deemed that knowledge of this language was necessary if one wished to advance one's career in banking.

Schacht immediately set out to destroy Feder's plans, which culminated in the latter's removal from office in August 1934, after Schacht had been appointed head of the Ministry of Economic Affairs.

This tragic dismissal may be partially attributed to Hitler's lack of a deep understanding of financial and economic matters. He admitted as much when he first met Feder in 1919,

"Thus the judgement arrived at by Gottfried Feder determined me to make a fundamental study of a question with which I had hitherto not been very familiar."(13)

A somewhat attenuated version of monetary reform was introduced. In order to finance the state's work and rearmament programs, two dummy corporations called Gesellschaft fuer Offentliche Arbeiten (Offa) and Metallforschung Gesellschaft (Mefo) were established. These corporations accepted bills of exchange from suppliers who fulfilled state orders. These bill of exchange were then discounted at the Reichsbank at a rate of 4 percent. They were issued for three months only, which was clearly unsatisfactory in view of the long-term nature of the various projects they were financing. They could, however, be extended at three monthly intervals for up to five years.

In January 1939 matters came to a head when Schacht refused extension of RM3 billion worth of Offa and Mefo bills, because of fears of "inflation". On January 7, 1939, he sent Hitler the following memorandum:

“1) The Reich must spend only that amount covered by

2) Full financial control must be returned to the Ministry of Finance. (Then forced to pay for anything the army desired.)

3) Price and wage control must be rendered effective. The existing mismanagement must be eliminated.

4) The use of money and investment markets must be at the sole discretion of the Reichsbank. (This meant a practical elimination of Goering’s Four Year Plan)”(14)

By these means Schacht intended to collapse the German economy, which during the period 1933-39 had increased its gross national product by 100 percent. From being a ruined and bankrupt nation in January 1933 with over six million unemployed persons, Hitler had transformed Germany into a socialist paradise and the most powerful and prosperous state in the history of Europe. He angrily rejected the recommendations of the Reichsbank, describing them as “mutiny”.(15)

On January 19, 1939 he sacked the impudent lackey of international finance.(16) Without further ado he instructed the Reichsbank to issue all credits requested by the state. A form of Federgeld (Feder money) was now in circulation, although the bills of exchange still attracted nominal interest.

A new Reichsbank law, which was promulgated on June 15, 1939, made the bank “UNCONDITIONALLY SUBORDINATED TO THE SOVEREIGNTY OF THE STATE.”(17) Article 3 of the law decreed that the bank should be “directed and managed according to the instructions and under the supervision of the Fuehrer and Reich Chancellor.”(18) Hitler was now his own banker, but having departed from the fold of international swindlers and usurers he would, like Napoleon Bonaparte, suffer the same fate: an unnecessary war followed by the ruination of his people and country.

Events quickly unraveled. On March 31, 1939, Poland received a blank check(19) from England, which unilaterally offered to guarantee her sovereignty; not only if Germany invaded Poland, but also if Poland invaded Germany! This merely served to stiffen Polish resistance to Hitler’s genuine desire to achieve a permanent solution of all outstanding issues emanating from the Treaty of Versailles.

During the next five months the Polish government progressively intensified the oppression, harassment of and attacks on the 1.5 million ethnic Germans living in Poland. These attacks, in which over 58 000 German civilians were killed by Poles in an orgy of savagery, culminated in the Bromberg Massacre on September 3, 1939, in which 5 500 people were murdered. These provocations and atrocities were stoically ignored.(20) Eventually Hitler was forced to employ military intervention in order to protect the Germans in Poland.

On August 30, 1939, in an act of great statesmanship, Hitler again offered to the Poles the Marienwerder proposals,(21) namely retention of the existing 1919 borders, the return of Danzig (97% German), the construction of a 60-mile autobahn and rail link connecting West and East Prussia (from Schoenlanke to Marienwerder) and an exchange of German and Polish populations. On the orders of the international bankers, the British Foreign Secretary, Lord Halifax, strongly advised the Poles NOT to negotiate. This is how and why World War II was started. The ensuing forced war resulted in victory for the international financiers and defeat and slavery for all the people of Europe.

Today the bankers reign supreme. The European Union with its commissars in Brussels and its so called "European" Central Bank headquartered in Frankfurt,(22) increasingly resembles the old Soviet Union. However, with the recent ongoing "sovereign" debt crisis and the collapse of the Euro, the plan for a united Europe anchored in perpetual debt enslavement has received a major setback and has indeed started to disintegrate.

Notwithstanding the inability of Adolf Hitler to permanently liberate Europe, it behooves us to appreciate that what he achieved was not done in vain. It is incumbent on us to learn and understand the fundamentals of usury and to spread that knowledge relentlessly, until our material and spiritual liberties have been restored.

WEIMAR SPEECH OF NOVEMBER 6, 1938

There has been formed in the world the curious custom of dividing peoples into so-called 'authoritarian' States, that is disciplined States, and democratic States. In the authoritarian, that is, the disciplined States, it goes without saying that one does not abuse foreign peoples, does not lie about them, does not incite to war. But the democratic States are precisely 'democratic,' that is, that all this can happen there. In the authoritarian States a war - agitation is of course impossible, for their Governments are under an obligation to see to it that there is no such thing. In the democracies, on the other hand, the Governments have only one duty: to maintain democracy, and that means the liberty, if necessary, to incite to war...

Hitler made dozens of offers of Peace with Britain.
A Last Appeal to Reason
Submitted by William Finck on Wed, 12/29/2010 Hitler did not want war with Britain, it was forced

on him. Thousands of ethnic Germans were being massacred in Poland, in lands once belonging to Germany, while the Poles were encouraged by the Americans, French and British who were hoping to force Germany into war. Hitler hoped that ties of blood would prevail over jewish money. He wanted the British to join him in a war against the jewish-led Soviet hordes who had been planning all along to conquer all of Europe. Germany was truly and literally caught between a rock and a hard place. The jews had designs on the whole world, and now with their victories over Russia and Germany, and the false Christianity by which they have seduced the American people, they rule it.

"Atrocity propaganda is how we won the war. And we're only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final.

They despise what has become of the Britain they once fought to save. It's not our country any more, they say, in sorrow and anger. Sarah harks back to the days when 'people kept the laws and were polite and courteous. We didn't have much money, but we were contented and happy. 'People whistled and sang. There was still the United Kingdom, our country, which we had fought for, our freedom, democracy. But where is it now?!'

Many writers are bewildered and overwhelmed by a multicultural Britain that, they say bitterly, they were never consulted about nor feel comfortable with.

"As long as there remains among the Gentiles any moral conception of the social order, and until all faith, patriotism and dignity are uprooted, our reign over the world shall not come. We have founded many secret associations, which all work for our purpose, under our orders and our direction. We have made it an honour, a great honour, for the Gentiles to join us in our organizations, which are, thanks to our gold, flourishing now more than ever. Yet it remains our secret that those Gentiles who betray their own and most precious interests, by joining us in our plot should never know that these associations are of our creation and that they serve our purpose...
One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel; and should never know that we are commanding them to forge the chains of their own servility to our future King of the world."

The King's Speech has been critically acclaimed as one of the finest motion pictures of recent years and has renewed the public's interest in, and affection for, King George VI, who reigned from 1936 to 1952.

The film, which chronicles the constitutional crisis created by Edward VIII's abdication and George's struggle to overcome his pronounced stammer, focuses on the moving relationship between the King and speech therapist Lionel Logue, which had such a happy ending.

What the film does not mention, however, is that both men were members of the Craft; or that the King believed Freemasonry had also helped him overcome his disability – which rarely surfaced whenever he performed masonic ritual. Logue, who had been the Master of St George's Lodge, Western Australia, was also speech therapist to the Royal Masonic School.

KING GEORGE'S LOVE OF FREEMASONRY

Following service with the Royal Navy in the First World War, he was initiated in December 1919 into Navy Lodge, No. 2612, of which his grandfather King Edward VII had been founding Master. On that occasion he noted: 'I have always wished to become a Freemason, but owing to the war I have had no opportunity before this of joining the Craft.' From that moment he became a most dedicated and active Freemason. He was invested as Duke of York in 1920 and the following year installed as permanent Master of Navy Lodge. He joined other lodges and degrees and was appointed Senior Grand Warden of The United Grand Lodge in 1923.

George V died in January 1936 and was succeeded by his eldest son Edward, who had been initiated (also in 1919) into the Household Brigade Lodge,

Draft King's Speech (25/8/39).

In this grave hour, perhaps the gravest in our history, I send to every household of my people this message, written with the same depth of feeling for each one of you as if I were able to cross your threshold and speak to you myself.

We are a peace-loving nation. We believe that there is no question which, in a civilized world, cannot be settled by reason and justice, whether the dispute is between individuals or between nations. But in recent years there has arisen in Europe a new spirit which is utterly opposed to those principles of civilization which we and all the nations who think with us hold dear. That is the spirit of the aggressor and the bully, who is prepared to break treaties, to set at nought international obligations and undertakings, to invade the rights and liberties of other nations so long as they are weaker than himself, in short to seek to dominate the world by brute force. That spirit is embodied in the Nazi Party which today holds the supreme power in Germany.

So long as that spirit prevails and guides the policy of one of the Great Powers, there can be no confidence between nations, no security for the smaller States, no hope of peace for the world, nothing but fear, suspicion and hatred among men.

KING EDWARD VIII

On the 3rd of September 1939, King George VI read the famous ‘Kings Speech’ addressing the British nation and the world. The speech that began with, “In this grave hour, perhaps the most fateful in our history …” was to inform the world that Germany had allegedly invaded a sovereign nation, that the world was at war due to this military attack and the Allies of the world should unite steadfastly against this purportedly – Surprise Aggression – of a common enemy to all peaceful peoples… However, the draft of this speech is dated the 25th of August, 1939 – a week before Germany entered the Corridor to liberate the German people and 9 days before the King delivered the speech. This indicates that Britain had plans to ‘Declare War on Germany’ before the Wehrmacht entered -Poland to liberate the German people… thus, Britain’s ‘Declaration’ was not a reactionary response to a surprise invasion. Further, the typed document, which was actually the second draft of the speech, was retained by civil servant Harold Vale Rhodes, who had previously written a first attempt (date unknown). In a penciled note in the left-hand margin, Mr Rhodes criticised the length of some of the sentences in the second draft and hinted that his should be used. https://historicaltribune.wordpress.com/tag/bromberg-massacre/

Jews Declare War on Germany 1933

Todesurteil für Juden-Mörder

Das Reich gewährt allen Einwohnern Rechtsſchutz.
Das furchtbare Verbrechen in Bahn geſühnt

Stettin, 18. Dezember.

Das Schwurgericht Stettin verurteilte den Raubmörder Joſef Reinhardt, der in der Nacht zum Bußtag mit zwei Komplicen in der pommerſchen Kleinſtadt Bahn den jüdiſchen Händler Abraham und deſſen ariſche Ehefrau auf der Straße ermordet hatte, zum Tode. Seine beiden Komplicen, die Gebrüder [illegible], wurden zu lebenslänglichem Zuchthaus und zu ſechs Jahren Gefängnis verurteilt. Der Vorſitzende betonte, daß es bei der Beurteilung der Schuldigen keine Rolle geſpielt habe, ob der ermordete Händler Jude geweſen ſei oder nicht. Das Dritte Reich ſei ein Rechtsſtaat, in dem der Jude ebenſo den Rechtsſchutz genieße wie jeder andere. Mord bleibe Mord und werde in jedem Falle mit den ſchärfſten Mitteln geſühnt.

Mit dem Todesurteil gegen Reinhardt iſt der Schlußſtrich unter ein grauſiges Verbrechen gezogen. Der Mörder und ſeine Helfer hatten bei dem jüdiſchen Händler in der Nacht zum Bußtag für 230 RM. Kleidungsſtücke geraubt. Als der Händler die Ware einpacken wollte, ſchoß Reinhardt ihm hinterrücks in den Nacken. Der ſchwerverwundete Jude lief dem Flüchtenden nach, erreichte ihn noch auf der Straße, aber dort traf ihn der zweite, tödlich wirkende Schuß. Inzwiſchen war ſeine Frau, die ſich ſchon ſchlafen gelegt hatte, hinzugeeilt, um ihrem Manne zu helfen. Als ſie den Mörder feſthalten wollte, ſchoß Reinhardt ſie ebenfalls nieder, ſo daß ſie tödlich getroffen auf dem Pflaſter liegenblieb.

In December 1937, several German newspapers reported that the murdering of Jews would be punishable by death. It was reported that Josef Reinhardt had been sentenced to death for killing a Jewish merchant Abraham and his gentile wife. It was pointed out that murder was murder regardless of the victim.

"Are you aware that Mr. Chamberlain was burnt in effigy in Moscow as soon as it was known that he had secured peace ; Showing very clearly Who Wanted War, and who are still ceaselessly working to stir up strife all the world over." (6) The attempt to provoke war over Sudetenland and Czechoslovakia having failed, there remained only the detonator in the Polish Corridor, that monstrosity born of the unholy Versailles Conference, and denounced by honest men from Marshal Foch and Arthur Henderson, from that time onwards. I asked Joe Kennedy (US Ambassador in London, father of future US President, John F. Kennedy) about his talks with Roosevelt and Chamberlain in 1938. He said it had been Chamberlain's belief in 1939 that Great Britain had nothing in its hands to fight and therefore wouldn't dare go to war against Hitler… Neither the French nor the English would have made Poland a motivation for war, if they hadn't been continually spurred on by Washington… America and the World-Jewry have driven England to war."

Heydrich won the affection of the Czech workers to such an extent – for instance, by introducing the first ever Bismarckian social security and pension schemes – that 30,000 Czechs thronged into Wenceslas Square in Prague to demonstrate against his murder in 1942.The Czechs had not been required to sell their souls, and this was what Hitler had promised Hácha in Berlin. Hitlers War.

Lina was the loyal wife of Reinhard Heydrich.
The Reds in Germany were led mainly by Jews, and were very cruel to the early party men; they would fire bomb homes, attack SA men, killing many. I had runs in with them too, they would try to get party members fired from jobs, harassed, and threatened. They SA had to be tough to combat this, and they did a good job since most were former soldiers and could fight. The SS was formed to protect speakers from harm , these mobs would come to disrupt talks and meetings.
Lina: Himmler understood there is a race of people we call Jews, who are actively trying to destroy the bloodlines of Aryan people through pollution of the races. They have been fighting this war for

a few thousand years, and our people are completely unaware it is going on. “Intellectuals” portray race today as if race is unimportant, anyone who defends keeping a race untainted is an evil person. The SS wanted the Germanic peoples of Europe to enjoy a life where their race was everything, and survival was guaranteed.
This is why so many Europeans came to the SS, they understood Jewish Marxism was a growing danger and it sought to use the ignorant masses to commit their own suicide so to speak. It uses people as slaves to the system, and then when they are defenseless, they are forced to accept all races into their spheres, which will eventually outbreed and replace them.

Suvorov discovered that the Soviet version of World War II history is a lie and that it conceals the Soviet Union’s responsibility for planning the start of the war. The Red Army in June 1941 was the largest, best equipped army in the history of the world. The concentration of Soviet troops on the German border was frightful. If Hitler had not invaded the Soviet Union on June 22, 1941, the Soviet Union would have easily taken over all of Europe. German intelligence correctly saw the massive concentration of Soviet forces on the German border, but it did not see all of the Soviet military preparedness. The real picture was much graver than Germany realized.

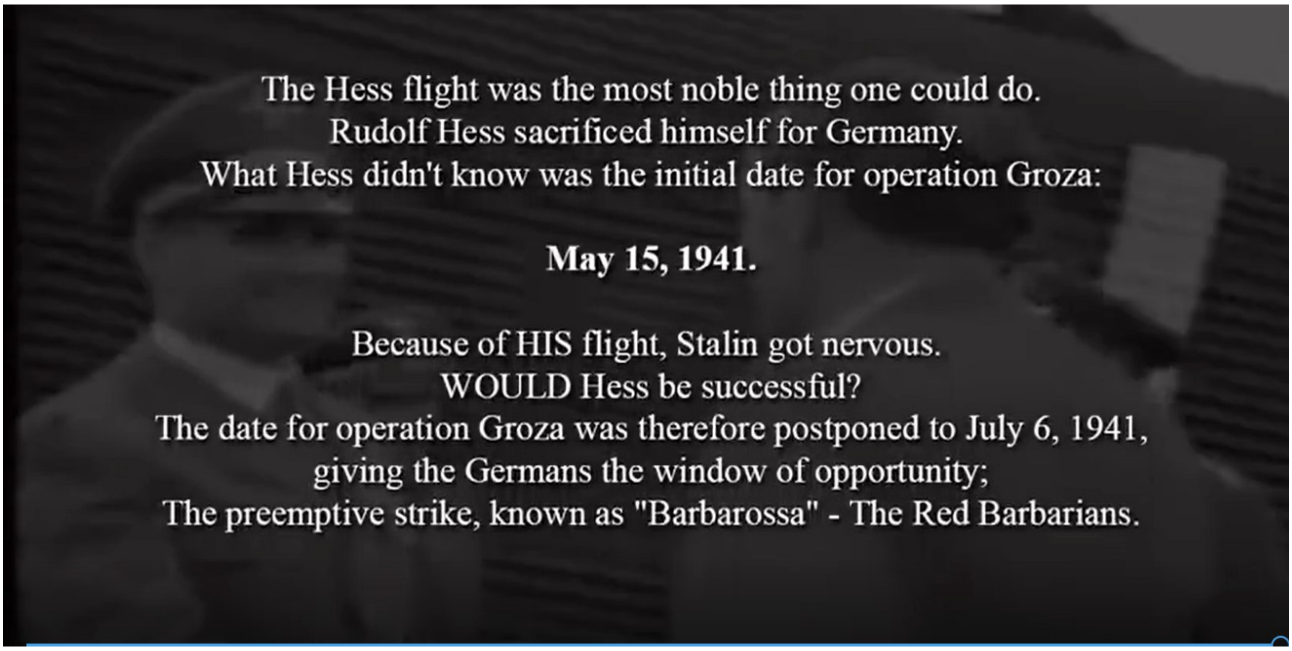
Operation Thunderstorm - Stalins Plan to Invade and take Europe.Hitler invaded to pre-empt the Attack.



The Hess flight was the most noble thing one could do.
Rudolf Hess sacrificed himself for Germany.
What Hess didn't know was the initial date for operation Groza:

May 15, 1941.

Because of HIS flight, Stalin got nervous.
WOULD Hess be successful?
The date for operation Groza was therefore postponed to July 6, 1941,
giving the Germans the window of opportunity;
The preemptive strike, known as "Barbarossa" - The Red Barbarians.

https://odysee.com/@louismarschalko:2/Germany-Bastion-of-Europe-Stalins-War-of-Conquest0:c

Stalin had been on the brink of attacking Germany: German division commanders found the enemy had better large-scale maps of Germany, Austria, and Silesia than they did themselves. Air reconnaissance revealed that Stalin had established a huge complex of arms factories beyond the Urals. The Russians had also built several completely unpublicised highways along which they advanced, while the Wehrmacht adhered to the only roads they were aware of. In Red Army barracks were found dummy German soldiers that had been manufactured for target practice long before June 1941. Most of Hitler's commanders – including Bock, Kluge, Halder, and Richard Ruoff – agreed that he had selected the proper time to strike.P443

THIS is Señor Dwight David Eisenhower, gentlemen, the terrible Swedish-Jew, as big as life and twice as natural. He claims to have the best authority for the statement that he is the handsomest man in the Corps and is ready to back up his claim at any time. At any rate you'll have to give it to him that he's well-developed abdominally—and more graceful in pushing it around than Charles Calvert Benedict. In common with most fat men, he is an enthusiastic and sonorous devotee of the King of Indoor Sports, and roars homage at the shrine of Morpheus on every possible occasion.

However, the memory of man runneth back to the time when the little Dwight was but a slender lad of some 'steen years, full of joy and energy and craving for life and movement and change. 'Twas then that the romantic appeal of West Point's glamour grabbed him by the scruff of the neck and dragged him to his doom. Three weeks of Beast gave him his fill of life and movement and as all the change was locked up at the Cadet Store out of reach, poor Dwight merely consents to exist until graduation shall set him free.

At one time he threatened to get interested in life and won his "A" by being the most promising back in Eastern football—but the Tufts game broke his knee and the promise. Now Ike must content himself with tea, tiddledywinks and talk, at all of which he excels. Said prodigy will now lead us in a long, loud yell for—Dare Devil Dwight, the Dauntless Don.

"Mr. Churchill ought for once to believe me, when I prophesy that a great empire will be destroyed which it was never my intention to destroy or even to harm... In this hour I feel it my duty before my conscience to appeal once more to reason and common sense in Britain... I can see no reason why this war must go on !"

- Adolf Hitler, July 19, 1940.

Churchill the Forger.

In dire financial straits in the 1930s he took to faking the paintings of the deceased French impressionist Charles Maurin because Maurin's signature sold somewhat better in the Left Bank boutiques in those days than did his own.

President Franklin D Roosevelt spotted the little deception, and wrote him a joshing letter about it in February 1942. For some reason those letters never made it into the official volumes of Churchill Roosevelt correspondence

Churchill’s biographer, Sir Martin Gilbert discussed with people inc.Churchill’s doctor Lord Moran, Churchill’s many, many visits to the teenage, ‘gay’ brothels of Morocco.

Winston Leonard Spencer Churchill KG, OM, CH was born at Blenheim Palace near Woodstock in Oxfordshire, England on 30 November 1874. He was a descendant of the 1st Duke of Marlborough and the son of Sir Randolph Churchill, the third son of the 7th Duke of Marlborough. . . or was he? Winston Churchill's absent father, Lord Randolph Churchill (1849–95), was initiated into Freemasonry under the name Rudolph H. Spencer in Dublin in 1878. He became the supreme Freemason in England, the Magister Magistrorum (the Master Mason). Freemasonry is passed down from father to son in that the son of a Freemason gains all his father's protections and passes through the ranks at great speed. Winston Churchill was a high-ranking Freemason with full access to its programmes and protocols. It was second nature to him.1His father died from syphilis when Winston was 20. Due to his position as Magister Magistrorum he maintained a posthumous influence.Winston Churchill's mother was Lady Randolph Churchill (née Jeanette "Jennie"Jerome) of Brooklyn, New York. Her father was the New York millionaire financier Leonard Walter Jerome (1817–91) who controlled the New York Times newspaper and had interests in a number of railway companies. Churchill Mason.

Recently declassified documents now prove beyond doubt that Winston Churchill was part of this ‘Judeo-Masonic’ plot to demonise and replace anti-war Neville Chamberlain as PM and drag Britain into war. Selected documents from the National archives such as the 1939 MI5 file on MP Sir Archibald Maule-Ramsey and the 224 members of one important anti-war group, make this abundantly clear, whilst the Nordic League, the Right club and the Anglo German fellowship, also held similar numbers of important people vehemently opposed to more Jewish bankers wars.

"The Jew is not satisfied with de-Christianizing, he Judaises; he destroys the Catholic or Protestant Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ." -- (Rabbi Benamozegh, quoted in J. Creagh Scott's Hidden Government, page 58).

Hamburg Air Raids and the devastation.

Between 24 Jul and 2 Aug, British and American raids utterly devastated Hamburg. The destruction was so complete that Allied officials thought it would take 50, 60, or even 70 years to rebuild the city. During the course of the 10 days, over 250,000 buildings were destroyed or seriously damaged, displacing over 1,000,000 people. The devastation was so immense that no one knew for sure how many perished, but the estimates generally hovered anywhere between 40,000 and 60,000 deaths.

In the book Inferno: The Devastation of Hamburg, 1943, author Keith Lowe used survivor accounts extensively, from both sides of the English Channel. Royal Air Force veterans recalled their fears while flying through flak-filled skies, while German survivors recounted the firestorms so intense that even streets melted. Narratives like the following were so powerfully graphic that they might be extremely difficult for many readers.

All around us were the crashes of bombs striking with appalling explosions - ear-shattering explosions that seemed to be right next to us, over us. You could even hear the crash as they burst. It must have been hell outside!

Fredy Borck, who was 11 years old at the time, was absolutely right. It was indeed hell outside. An anonymous man who was in his 40s at the time recalled:I saw many women with their children held in their arms running, burning and then falling and not getting back up. We passed masses of people made up of four or five corpses, each probably a family, visible only as a pile of burned substance no larger than a small child. Many men and women fell over suddenly without having caught fire.... Silently and with the last of their force, women tried to save their children. They carried them pressed close. Many of these children were already dead, without their mothers knowing.

Churchill wrote that he wanted "absolutely devastating, exterminating attacks by very heavy bombers from this country upon the Nazi homeland". In another letter he called it "terror bombing". His aim was to demoralise the Germans to catalyse regime change ... Records show that the first intentional "area bombing" of civilians in the Second World War took place at Monchengladbach on 11 May 1940 at Churchill's orders .

Breslau, Dresden was filled with nearly 1.2 million people. Churchill had as-ked for "suggestions how to blaze 600.000 refugees". He wasn't interested how to target military installations 60 miles outside of Dresden. More than 700.000 phosphorus bombs were dropped on 1.2 million people. One bomb for every 2 people. The temperature in the centre of the city reached 1600 o centigrade. More than 260.000 bodies and residues of bodies were counted. But those who perished in the centre of the city can't be traced. Appr. 500.000 children, women, the elderly, wounded soldiers and the animals of the zoo were murdered in one night.

From 13 to 15 February 1945, British (and some American) heavy bombers dropped 2,400 tons of high explosives and 1,500 tons of incendiary bombs onto the ancient cathedral city of Dresden. In just a few hours, around 25,000 to 35,000 civilians were blown up or incinerated ... Churchill wrote that he wanted "absolutely devastating, exterminating attacks by very heavy bombers from this country upon the Nazi homeland". In another letter he called it "terror bombing". His aim was to demoralise the Germans to catalyse regime change ... Vivid Color Film of 1943 Firebombing of Hamburg
Feuerwehr Hamburg - Video

Remarkable color film, with graphic images -- made by firefighter Hans Brunswig -- of the devastating summer 1943 bombing of Hamburg. In this ferocious aerial attack, some 3,000 British and American aircraft dropped 9,000 tons of bombs, killing 42,600 civilians and wounding 37,000. Many were burned to death or killed by poisonous carbon monoxide gas. Only about half the dead bodies could be identified. This “firestorm” bombing -- the first ever-- incinerated eight square miles of the city with flames of up to 800 degrees Celsius fanned by winds of 150 mph. More than 250,000 homes and houses were destroyed, as well as 24 hospitals, 277 schools and 58 churches

Air Raid on Dresden Killed More Than 300,000 .

One British sergeant said,

"Reports from Dresden police that 300,000 died as a result of the bombing didn't include deaths among 1,000,000 evacuees from the Breslau area trying to escape from the Russians. There were no records on them."

Maria: Yes, I was born in Russia in 1923, when the Germans invaded, we at first were scared but soon learned they had no evil intentions against us. In 1943, there was a large recruiting drive in Smolensk to go to Germany for work. The pay was very good, as in the Soviet system we made hardly anything. The Germans would take care of all the moving and travel expenses, so I applied and was hired to work in an ice factory in Pieschen, a suburb of Dresden.

My time in Germany was wonderful, that area of the country was untouched by war, and the people were so very friendly. I learned German through a program that was taught by Russians. I remember it was a little lonely due to the men being off fighting and I had no boyfriend so I was certainly looking. The Germans loved to dance and have parties, so I was invited to many all around the area. I liked talking to soldiers who fought on the east front, as it dealt with my homeland. ...

If the Allies had attacked the factories then absolutely Dresden was a valid target just like London and Coventry. The problem is that the Allies did not hit the factories; they hit the very center of the city housing civilians. I believe that very few factories were damaged, some unscathed the whole war as they were owned by foreign governments. Since the Allies did not attack any of these factories, I would call the raid a pure terror raid, aimed at civilians.

I say this as it seems to be the stated aim of the Allies, kill as many women, children, and elders as they could as a way to break German morale. It did not work at all, I saw a chart that showed German production hit its peak in October of 1944, so it shows the bombing campaign was a failure in that regard. I personally believe it should be looked at as a war crime since so many civilians died.

What happened to you after Dresden?

Maria: The Germans took very good care of us, I stayed close to the city for most of February, but the endless columns of refugees kept coming, and so were the Soviets. I was moved west with large groups of refugees, and witness strafing of civilians by both Soviet and allied pilots. I eventually made my way Weimar where by April it was in American hands. I was labeled a slave laborer, and was told I could be sent back to Russia; I refused as most all did, and begged to stay in Germany or go to America.

This was tricky, as the Allies knew we volunteered to work in Germany, and if we were sent back we would be executed. They made us sign forms that we were held in Germany as forced labor, and no one dared correct this, as we knew what it meant. Luckily, I met a GI and he was able to bring me back with him in 1946, he became my husband and we settled in Cleveland, Ohio.

"On 13th February 1945 I was a navigator on one of the Lancaster bombers which devastated Dresden. I well remember the briefing by our Group Captain. We were told that the Red Army was thrusting towards Dresden and that the town would be crowded with refugees and that the center of the town would be full of women and children. Our aiming point would be the market place.

I recall that we were somewhat uneasy, but we did as we were told. We accordingly bombed the target and on our way back our wireless operator picked up a German broadcast accusing the RAF of terror tactics, and that 65,000 civilians had died. We dismissed this as German propaganda.

The penny didn't drop until a few weeks later when my squadron received a visit from the Crown Film Unit who were making the wartime propaganda films. There was a mock briefing, with one notable difference. The same Group Captain now said, 'as the market place would be filled with women and children on no account would we bomb the center of the town. Instead, our aiming point would be a vital railway junction to the east.

I can categorically confirm that the Dresden raid was a black mark on Britain's war record. The aircrews on my squadron were convinced that this wicked act was not instigated by our much-respected guvnor 'Butch' Harris but by Churchill. I have waited 29 years to say this, and it still worries me.

Nathaniel Mayer Victor Rothschild or the 3rd Lord Baron Rothschild. The man known as Victor Rothschild was born on October 31, 1910 and died on March 20, 1990. He was the Cambridge Spy Ring kingpin, giving away top secrets before, during and after the Second World War, to both the Soviet Union and postwar Israel, helping each nation build the bomb. He used all his economic and political power to suppress his treasonous crimes to avoid any consequence. But rumors gradually backed up by mounting credible evidence lingered to haunt him throughout the second half of his eight-decade long lifespan.

The Benes Decree

Documents on the expulsion of Sudeten Germans - Compilation and introduction by

Dr. Wilhelm K. Turnwald

“Any act, the object of which is to aid the struggle for liberty of the Czechs and Slovaks is not illegal.”

“Any violent act, including rape and the murdering of children, is sanctioned.”

In the town of Saaz, thousands of German women were herded into huge barracks. As night fell, hundreds of Czech militia entered the barracks and picked out their victims, mostly young women. Whoever wanted to could rape them. For two whole weeks, night after night, this mass rape continued. Without decent food and medicines, babies and young children were dying at a rate of up to fifteen per day. Eventually, when the survivors were transported to Germany, they left behind around 2,000 of their dead. In Troppau, in Silesia, 4,200 German women and children were expelled back to Germany, a journey by rail, in unheated freight cars, that lasted eighteen days. When the train arrived in Berlin, only 1,350 were still alive.

British Jews, Churchill, and the Second World War

Winston Churchill was the first child of Lord and Lady Randolph Churchill and was born nearly two months prematurely on 30th November 1874 at Blenheim Palace, the Churchill family seat in Oxfordshire. After a whirlwind romance, during which they met only a few times, Lord and Lady Randolph Churchill were married at the British Embassy in Paris on 15th April 1874.

Apparently, Jennie, Lady Randolph Churchill, had lived in Paris for some time and moved in the highest circles of French society. Jennie (Jeanette) Churchill's mother, is described as being "raven haired" with "striking dark looks," which she inherited from her American Iroquois Indian blood through her mother Clara, referred to in family circles as "Sitting Bull."(to deflect attention from her Jewish appearance)

According to numerous biographers, throughout her life Jennie was always extremely promiscuous. As Clive Ponting expresses it in his biography Churchill, she was "still engaging in numerous affairs." On account of this, it has been suggested that Winston Churchill was not the son of Randolph but of Colonel John Strange, one of Jennie's lovers. However, it could have been one of numerous men, even a Rothschild. If this claim is true, it would make Winston and his descendants impostors and not true descendants of the first Duke of Marlborough and heirs to his titles and estates. This, however, is open to speculation.

Jennie's father was Leonard Jerome, one-time lawyer, elevated to become a newspaper magnate with a principal interest in the New York Times and the Wall Street Banker. Said to have squandered two fortunes, Jerome had an extravagant lifestyle that was a byword in fashionable Fifth Avenue circles. There was bitter acrimony between the then Duke and Jerome over the marriage settlement. It was finally agreed that about £3,600 a year (£300,000 in today's money) would be settled on the newly married couple, £2,500 guaranteed by the Jeromes and the balance furnished by the Duke, who in addition cancelled his son's debts, estimated at £2,000.

Randolph needed all this money to maintain the family's fine house in Curzon Street and an even larger house in Charles Street, with a numerous retinue of servants, grooms, gardeners, cooks, etc., to maintain his unbelievably luxurious and opulent lifestyle. Remember, this was at a time when a labouring man in Britain was lucky if he earned ten shillings a week (£25 a year). Many of the British lived in abject poverty; multitudes of children were overworked, underfed and undernourished, ran about in rags with no shoes on their feet and were deformed by rickets. This was the luxurious lifestyle into which Winston Churchill was born and grew up.

The Churchills might as well have lived on a different planet. It was said that Winston's father, Randolph, never did a stroke of work in his whole life, and neither did his mother Jennie. Shortly after their marriage, Randolph became infected with syphilis, which finally killed him, although the family managed to keep it a secret for eighty years. With his young wife carrying on with all and sundry, it is really no wonder that Randolph sought sexual satisfaction elsewhere.

The Duke of Marlborough

Churchill's father, Lord Randolph, was second son of the seventh Duke of Marlborough. His ancestor, the first Duke, had risen to fame and fortune during the reign of Queen Anne. Described by one Victorian historian as notoriously fond of money, he played the decisive role in the overthrow of James II. When William of Orange landed at Torbay on 3rd November 1688, the future Duke of Marlborough, John Churchill, marched against the invader and then coolly turned his army over to him.

His conduct can easily be explained by reference to the Jewish Encyclopaedia. This work declares that John Churchill, first Duke of Marlborough, was paid the then enormous sum of £6,000 a year by Solomon Medina in recognition of his many services. As the Jew's chosen candidate to replace James II on the throne, the Dutchman William of Orange was paid in the form of a 'loan' of two million Dutch guilders by the Jewish merchant, Antonio Lopez Suasso, to take him across the Channel. Although this has been kept out of the history books, it can be seen that Jewish money-changers were the real power behind the scenes controlling events. As pointed out, for valuable services rendered, William allowed the Jews to establish their misnamed 'Bank of England', which effectively gave them control over the country's affairs.Thus was instituted the National Debt and the conversion of the English into tax and debt slaves. A recent issue of £20 notes confirmed this by printing the six-pointed so-called 'Star of David' on one side, slightly disguised but clearly visible to the discerning mind. In fact a lie is printed across the top of every banknote: it should be 'Bank of the Jews'. With help of their paid lackeys William III and John Churchill, the Jews founded the 'Bank of England' in 1694 and they have controlled it ever since.

Churchill's rescuer from ruin was a Jew — an Austrian Jew who had managed to pick up a knighthood from the British government.

Sir Henry Strakosch's unflagging generosity to Churchill in bailing him out and paying his extravagant debts — not once but several times — came at a high price. It seems there was a quid pro quo. Sir Henry, the munificent Jewish financier, would pay off Churchill's mounting debts if Churchill agreed to toe the Jewish line and did exactly what he was told to do by international Jewry.

Eisenhowers death camps.

Eisenhower's Holocaust - His Slaughter Of 1.7 Million Germans.

The book, OTHER LOSSES, found its way into the hands of a Canadian news reporter, Peter Worthington, of the OTTAWA SUN. He did his own research through contacts he had in Canada, and reported in his column on September 12,1989 the following, in part:

> "...it is hard to escape the conclusion that Dwight Eisenhower was a war criminal of epic proportions. His (DEF) policy killed more Germans in peace than were killed in the European Theater."

It is known, that the Allies had sufficient stockpiles of food and medicine to care for these German soldiers. This was deliberately and intentionally denied them. Many men died of gangrene from frostbite due to deliberate exposure. Local German people who offered these men food, were denied. General Patton's Third Army was the only command in the European Theater to release significant numbers of Germans.

Bodies of German Soldiers 1.5 million starved to death or shot in Eisenhowers Death Camps.

Bodies shipped to Buchenwald used in Billy Wilders and Alfred Hitchcocks ALL-Lied Propaganda films as Fake Jew Camp Inmates deaths

May, 1945: The American Red Cross reported that more than 98% of Americans captured by the Germans will be coming home safely, thanks in part to the food parcels sent to them during the war, which were promptly delivered by the Germans.
May 15, 1945: Eisenhower and Churchill talked about further reducing the rations for the German POWs. Churchill was informed that the POWs have been getting 2,000 calories per day (compared to 4,000 for American troops) and that 2,150 was regarded as an absolute minimum required for sedentary adults living under shelter. Eisenhower failed to tell Churchill that the U.S. Army was not even feeding many DEFs, and that they were feeding others, much less than 2,000 calories per day.

When you buy your ticket you pay both the good guys and the bad guys. The success of the presentation depends on the ability of the theatrical company to get the audience wrapped up in the plot. The greater the audience participation the greater the success. Real success is achieved when the audience becomes so emotionally involved in the plot that they begin to think it's the real thing. The profits from these theatrical extravaganzas go to those who put up the 'seed' money and stage the shows. Don't misunderstand! The Americans, Canadians, English, Germans, Russians, Japanese and other nationalities who fought and died in the various theaters of war' during this century weren't play-acting. They were deadly serious about what they were doing. For them war was a life and death struggle. What few of them realized was that everything was carefully programmed to a carefully prepared script.p54

All wars since 1900 have been totally fakes. This will prove unsettling to many veterans, who were crippled or killed in these fake wars. I served throughout World War II in the United States Army Air Corps, which was the first to use weapons of mass destruction on civilian populations, a fact which our opponent Saddam Hussein has strangely neglected to mention, probably because Saddam Hussein is a "replacement" not the opponent which we wanted at all, but a last-minute choice because no more suitable replacement was available. He has no illusions about his desirability, and no doubt accepts his billing without resentment, relieved that he had made the cast after all. The first question asked of anyone in the world of the theater is, "Are you working?" which remains the principal goal of the profession. Everything is a charade, which may or may not be entertaining. In fact, for me the sole entertainment has been in the research. It is amazing how often the same characters have been trotted forth to go through the same clichés, "the war to end war" and "the war to save democracy," ad inifitum. In fact, most of these clichés sprang from the less than agile mind of Woodrow Wilson during the First World War. However else you might choose to characterize Woodrow Wilson, you must admit that he never failed to bore.

Protocols of Zion Secrets

The Capitalist does not know the definition of war. He thinks of war as attack with force performed by soldiers and machines. He does not know that a more effective if somewhat longer war can be fought with bread or, in our case, with drugs and the wisdom of our art. The Capitalist has never won a war in truth. The psychopolitician is having little trouble winning this one.

194 DESCENT INTO SLAVERY ? JAPAN ASIAN 'POLICEMAN'
At the beginning of this 20th century The Crown moved to further consolidate its position in Asia. It chose the small nation of Japan,which had no capacity for warfare, and sent over the great British armament firm of Vickers, Ltd. to build Japan into a major power. Vickers was financed by the House of Rothschild.Following the agreement signed on January 30, 1902, under which the Japanese agreed to become the Crown's 'policeman' in the Pacific, the Japanese army and navy were quickly built up and armed with modern equipment. In July, 1903, The Crown demanded that Russia abandon her position on the Kwantung Peninsula. Russia, which had spent $300,000,000 on improving the facilities (leased from China six years earlier), rejected the demand although they recognized that it meant war.Seven months later, on the night of February 8, 1904, a Japanese torpedo flotilla swept into the harbor at Port Arthur and attacked the Russian Fleet. They inflicted heavy damage,sinking two battleships and a heavy cruiser.

With a series of irrefutable proofs Rear-Admiral Theobald establishes that Roosevelt himself brought about the catastrophe of Pearl Harbour. On November 26th, 1941, he sent such an insulting note to Japan that she was left with no other choice but to attack.“With the help of the note of November 26th,” states Admiral Theobald, “President Roosevelt purposely and irrevocably unleashed the war for the United States. Japan’s attempt to avoid the stranglehold was without success. She had either to surrender or to fight, and there was no doubt about her choice.”Despite the fact that American Intelligence had acquired the secret code of the Japanese fleet several months earlier, so that the American High Command knew in advance of every movement of this fleet, the Commandant of Pearl Harbour received no message at all, informing him that, due to the outcome of diplomatic negotiations, a Japanese attack was imminent. As much as four weeks earlier the chiefs-of-staff knew very well that the Japanese intended to overrun Pearl Harbour.They even knew the exact hour the Japanese warships and carriers left their home ports to attack Pearl Harbour. They succeeded even in intercepting the secret Japanese telegram containing the text of the declaration of war and commanding at the same time that this declaration was to be handed over to the White House at the exact time the first bombs were falling on Pearl Harbour.

This catastrophe could have been averted easily, P86

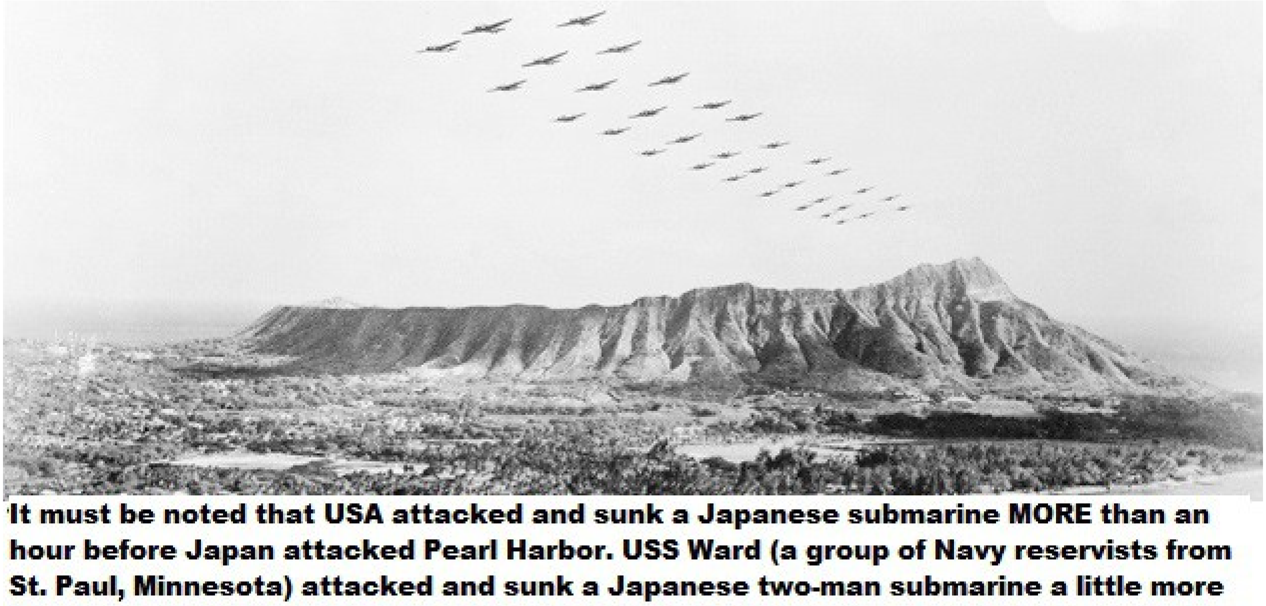
Dewey Kept Secret That U.S. Agents Cracked Jap Code Prior To Attack



It must be noted that USA attacked and sunk a Japanese submarine MORE than an hour before Japan attacked Pearl Harbor. USS Ward (a group of Navy reservists from St. Paul, Minnesota) attacked and sunk a Japanese two-man submarine a little more than an hour before the Pearl Harbor Attack. More than one hour before the 8 a.m. attack on Pearl Harbor, the commander of the Ward sent this message to headquarters in Honolulu: "We have attacked, fired upon and dropped depth charges upon submarine operating in defensive sea area." John Wiltshire (associate director of the University of Hawaii laboratory) said "They sounded the warning and no one listened." (Source - http://www.freerepublic.com/focus/fr/803100/posts)

Republican high command—Dewey and Brownell—knew the full story of Pearl Harbor in the autumn of 1944, when the Democrats were arguing the indispensability of their Commander in Chief. The Army Board report on Pearl Harbor says: "Information from informers, agents ***and other sources*** [our italics] as to the activities of our potential enemy and its intentions in the negotiations between the United States and Japan was in possession of the State, War and Navy Departments in November and December of 1941. Such agencies had a reasonably complete knowledge of the Japanese plans and intentions, and were in a position to know their potential moves against the United States. Therefore, Washington was in possession of essential facts as to the enemy's intentions and proposals." Just what the "other sources" of information were is not made clear in any of the official Pearl Harbor reports. But long before the nation went to the polls it had come to Thomas E. Dewey's attention that we had cracked the Japanese "ultra" code some time prior to Pearl Harbor and that Roosevelt and his advisers knew what the Japanese were going to do well in advance of the overt rupture of relations. More than 15 hours before Pearl Harbor Roosevelt and the members of the Washington high command knew that the Japanese envoys were going to break with the U.S. the next day; the only thing they did not know

MILJOENEN TELEVISIEKIJKERS zullen gisteravond verbijsterd en geschokt de dramatische bekentenis hebben gehoord, die de Engelse geheime agent **CHRISTOPHER CREIGHTON** deed in **TV PRIVÉ**.

Hij zou in opdracht van de Engelse geheime dienst in de Tweede Wereldoorlog een Nederlandse onderzeeër — vermoedelijk de K17 — door sabotage tot zinken hebben gebracht.

De reden voor deze afschuwelijke daad, waarbij volgens Chreighton achtendertig Nederlandse marinemensen om het leven kwamen, zou zijn dat de K 17 de Japanse vloot zou hebben waargenomen die op weg was naar Pearl Harbour.

Churchill, aldus Chreigton, wilde dat Amerika bij de oorlog betrokken zou worden en hij was er zeker van dat Amerika dit zou doen als Pearl Harbour zou worden aangevallen. De Engelsen hadden er dus belang bij dat het Nederlandse bericht van de K 17 — de vermoedelijke onderzee-boot — nooit bekend zou worden.

On Friday, March 21, 1980, the Netherlands was shocked by the story of Sir Christopher Creighton, an ex-officer of British secret service (section M), who, according to his own words, had personally destroyed the Dutch submarine K-XVII on joint orders of Churchill and Roosevelt and with the necessary, laborious consent of Queen Wilhelmina. After the K-XVII was destroyed, Creighton has personally reported to the Queen. The only sin the Dutch had committed was their discovery that the Japanese fleet was on its way to Pearl Harbor. This news had to be deliberately withheld, to ensure that the Americans were involved in the world war. At the time, it was considered essential that the entire Dutch crew took this secret into their seaman's grave.

„Als dit waar is dan zijn ze gewoon vermoord"

The Truth about Pearl Harbor - Chuck Maultsby.

Six months before Pearl Harbor, lacking a declaration of war and without the knowledge of Congress or the American people, the Commander-in-Chief [Pres. Roosevelt] gave the Atlantic Fleet approval to change from defensive to offensive operations … The New York Daily News said it all with a black headline: “SHOOT, FDR TELLS NAVY.”(Shoot at German Shipping) American involvement in war with Germany was preceded by a long series of steps [by FDR, including] ... the orders to American warships to shoot at sight at German submarines, formally announced on September 11 [1941]. The beginning of actual hostilities may be dated from this time rather than from the German declaration of war, which followed Pearl Harbor ... The promises to "keep America out of foreign wars" were a deliberate hoax on the American people,perpetrated for the purpose of insuring Roosevelt's re-election and thereby enabling him to proceed with his plan ofgradually edging the United States into war.

together with a capital ship or a cruiser. The President's orders to these escorts were to attack any U-boat which showed itself, even if it were 200 or 300 miles away from the convoy. Admiral Stark intended to carry out this order literally, and any Commander who sank a U-boat would have his action approved. Everything was to be done to force an "incident". This would put the enemy in the dilemma that either he could attack the convoys, in which case his U-boats would be attacked by American Naval forces, or, if he refrained from attack, this would be tantamount to giving us victory in the Battle of the Atlantic. It might suit us, in six or eight weeks' time, to provoke Hitler by taunting him with this difficult choice.

UK PM David Cameron’s Great Grandfathers Were Rothschild-Connected Bankers Who Financed Russo-Japanese War-The Sordid Family History of John Kerry

n previous posts we revealed the pedigrees of David Cameron and John Kerry. Two of Cameron’s great-grandfathers were British pederast War Party banksters who were instrumental in financing the Japanese in the Russo-Japanese War of 1904-05. Kerry is a direct descendant of — and has a great resemblance to — one of the most famous mystic rabbis in history, the Maharal Of Prague. Boris Johnson’s great grandfather Ali Kemal (1869-1922) was 50% Turkish , 50% Circassian who married a British woman. Kemal was a British empire puppet and Ottoman minister of interior.

For hundreds of years, the Astors were considered one of the wealthiest families in the world. They still wield significant, yet perhaps more subtle, influence today.

Cameron is linked to the Astors through his wife Samantha, who is the stepdaughter of William

Waldorf Astor III, 4th Viscount Astor.
Cameron’s Jewish Heritage
Unbeknown to most, Cameron also descends from an illustrious Jewish bloodline.
His great-great-grandfather was German-Jewish financier Emile Levita. Levita obtained British citizenship in 1871 and was the director of the Chartered Bank of India, Australia and China (which thrives today as Standard Chartered).According to The Telegraph, Emile’s son, Arthur, a stockbroker, married Steffie Cooper, a cousin of the Royal Family, linking Cameron with Hanoverian monarch George III.

Cameron said, "MPs do not represent the people of Britain properly because they are too white," but he has also said, "There are so many Jews at the top of Britain’s Conservative party that it should be known as the Torah party rather than the Tory party." Jews which are only a small percentage of the population are vastly over-represented in parliament as well as every place in power due to Jewish privilege and nepotism, and Cameron says it is good and there should be more. While people who are of actual British ancestry running their own government is bad, he says, and Britain should be run by non-Britains.[14]

In July 2014, he then began firing everyone who was both male and white (both not jewish) he could find, replacing them with nonwhites and women. If anyone in Britain had specifically targetted white women or a nonwhite ethnic group, they would've been immediately forced out of their position and if they were a company owner doing this they would've been forced to sell their company.[15]He also implemented a new "Happiness Index" by saying the more nonwhite friends and the less white friends a person has, the less "racist" they are, and the better they are.[16]

The Jews frequently received titles of nobility in England, especially since the long reign of Queen

that most of the titles of Earl, Marquis, Viscount and Lord are presently in the hands of Jewish ennobled families or of ancient aristocratic English families linked with Jew-ish families.Dukedoms have been Judaized by means of marriages of Jewesses and ancient Dukes,and those P20. Jewesses,with the help of the powerful Israelite com-munities,have secretly initiated in Judaism the eldest son of that marriage,this is to say,the new Duke.It is not strange,then,that the international Judaism is not in a hurry to overthrow the English monarchy,which is con-trolled by the Israelite imperialism.

In the Wall Street Journal of May 13th, 1948, Ray Cromley,an American journalist, confirmed that not only at Yalta but well before that conference, a secret agreement had been concluded between Nelson A. Rockefeller on the one hand and Andrei Gromyko, the Jewish representative of the Kremlin, on the other, to
divide the globe into two hemispheres. The demarcation line bisecting the globe runs by the Eastern frontiers of Finland, and continuing along the shores of Sweden, cuts through divided Germany to run along the Eastern frontiers of Austria, from where it follows the Northern limits of Turkey and ends at the Persian Gulf. This secret agreement between the Eastern and Western conspirators took into consideration the fact that the rich oil fields of Saudi Arabia must remain under the control of the Rockefellers and of the Jewish oil magnates behind them. Another alarming part of this exposure is the statement, duly supported by evidence, that the oil delivered by the Saudi Arabian plants of Rockefeller and of Kuhn, Loeb and Co. for the Communist war machine, made it possible for the Korean Reds to carry out their attack on South Korea.Upon several occasions, Bolshevism was saved from destruction by a secret Western conspiracy. The same secret power originally saved it through exerting pressure through the British trade unions and American bankers to put a stop to the anti-Bolshevik war of intervention; later on it helped Stalin in the industrialisation of the Soviet Union.

Bin Yazid to the family of Musharraf who belongs to Bani Tamim tribe which goes back in its descent to 'Adnan[1].Whereas Mustafa Tawran states that; **Muhammad Bin 'Abd-al-Wahab is a descent of a family from the Jews of Al-Dunamah in Turkey**. Al-Dunmah refers to the Jews who declared their embracement of Islam in an effort to insult Islam and to escape the pursuit by the Ottoman sultans. Subsequently; Tawran confirms that **Sulayman; the grandfather of the sheikh, is (Shulman); he is Jew from the merchants of the city of Burstah in Turkey,** he had left it and settled in Damascus, grew his beard, and wore the Muslim turban, but was thrown out for being voodoo. Then he fled to Egypt and he faced by strong objection so; he left to Hijaz and settled in Al-'Ayniyyah where he got married and had child whom he called 'Abd-al-Wahab and claimed to be from the descent of Rabi'iyyah, and that he was born in Morocco. This has also been **supported by sheikh Rif'at Salim Kabar in his book, the Jews of Al-Dunmah and the Origin of the Saudi Wahabis[3].**

Muhammad Bin 'Abd-al-Wahab was born in Al-'Ayniyyah in Najd in 1703 from a father who

Israeli ambassador calls Al-Sisi a "national hero for all Jews"

Friday, 19 July 2013 17:25

The Israeli ambassador in Cairo has told a minister in the interim government that the people of Israel look upon General Abdul-Fattah Al-Sisi as a "national hero". According to Israel Radio, the ambassador rang Agriculture Minister Ayman Abu-Hadid to congratulate him on his new post and said, "Al-Sisi is not a national hero for Egypt, but for all Jews in Israel and around the globe."

Israel is looking forward to the launch of new relationships with Egypt, said Yaakov Amitai, as well as joint efforts in the war on terror. His mention of "terror" is understood to be an oblique reference to President Mohamed Morsi's supporters protesting against the coup which removed him from office.

Egyptian Journalist Emad Albeheery on MB TV: President Al-Sisi's Mother Is Jewish .

[Minister of Antiquities] Khaled Al-Enany said today that Abdel Fattah Al-Sisi allocated 1.3 billion [Egyptian Pounds] for the restoration of Jewish antiquities in Egypt. Now tell me honestly… There it is. It appeared in their own newspapers. [It says that] it is Al-Sisi who allocated the funds. It isn't just "purported" by our "terroristic" Elsharq TV. It is Al-Sisi who allocated the funds. Now tell me this: What more do you need to realize that his mother is Jewish? Do you need an angel to come down and tell you that he is a Jew with ties to the Jews?

Emad Albeheery: The idea is that we have been infiltrated a long time ago. It's nothing new. His Jewish mother raised her son like a Muslim, and then got him into the military academy and into the Egyptian Army. He went to America and was the only one who didn't get on board the airplane that crashed into the ocean [in 1999]. He came back as the head of intelligence. Then he pulled a coup and took over Egypt.

Many people in Iran and the Iranian diaspora are standing up in support of Israel, despite the Islamic Republic's praise of the Hamas-led terror attack on Israelis, an activist and journalist said.

"It's just been incredible to see that these people who have been told that they're our enemies are, in fact, not at all," Emily Schrader, an Israeli-American journalist, told Fox News Digital. "They're our greatest defenders and their greatest allies. I have nothing but love for the people of Iran and I think I can speak for the majority, if not all of Israeli citizens as well."

Israel declared war on Hamas after the terror group launched a wide-scale attack on the Jewish state last weekend. On Friday, Israeli officials said over 1,300 Israeli civilians were killed by Hamas, while Palestinian authorities said over 1,500 Palestinians died from Israel's retaliatory strikes.

Mahmoud Ahmadinejad revealed to have Jewish past

Mahmoud Ahmadinejad's vitriolic attacks on the Jewish world hide an nishin secret, evidence uncovered by The Daily Telegraph shows.

A photograph of the Iranian president holding up his identity card during elections in March 2008 clearly shows his family has Jewish roots.

Ahmadinejad showing papers during election. It shows that his family's previous name was Jewish

A close-up of the document reveals he was previously known as Sabourjian – a Jewish name meaning cloth weaver.

The short note scrawled on the card suggests his family changed its name to Ahmadinejad when they converted to embrace Islam after his birth.

The Sabourjians traditionally hail from Aradan, Mr Ahmadinejad's birthplace, and the name derives from "weaver of the Sabour", the name for the Jewish Tallit shawl in Persia. The name is even on the list of reserved names for Iranian Jews compiled by Iran's Ministry of the Interior.

“I am for black people. White civilization—its cultural values, the lying, inhuman model of the world built by it—has not justified itself. Everything is heading towards the beginning of white pogroms on a planetary scale. Russia is saved only because we are not pure white. Robber transnational corporations, the oppression and suppression of everyone else, MTV, blue and pink—these are the fruits of a white civilization that must be eliminated. Therefore, I am for red, yellow, green, black—just not for white. I wholeheartedly stand on the side of the people of Zimbabwe. ”

Under Two Flags by Heinz Weichardt.

Let's go back to Nazi terrorism. There were, as everybody knows, concentration camps. Who were the inmates? Mostly vagrants, bums and, yes, some obnoxious politicians of the leftist variety (come to think of it, not a bad idea at all) who had previously caused the ire of the new rulers. Strangely enough--hardly any Jews,. Berlin with my father, as a journalist in constant touch with the authorities (he had,e.g., to attend, together with other journalists, confidential monthly meetings with Propaganda Minister Goebbels to obtain political directives and listen to pep talks) and aware of all nasty anti-government rumors, I had neither a single personal contact with anybody who had suffered physical harm from the authorities of the Third Reich, nor did I hear from anybody among my rather extended acquaintances that they knew of somebody who had.

The Nameless War- Capt Ramsay.
British government white paper on bolshevism issued in April 1919. (Russia No. 1.) In it I have read the following passage :"I consider that the immediate suppression of bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless bolshevism is nipped in the bud immediately it is bound to spread in one form or another over Europe, and the whole world, as it is organized and worked by Jews, who have no nationality, and whose one object is to destroy for their own ends the existing order of things." Hitler was persuaded that war with England was impossible. In 1933 he had announced his discovery that Marx, Lenin and Stalin had all said that before international Communism could triumph, England and her Empire must be destroyed. "I am willing to help defend the British Empire by force if called upon," he declared. In 1936, Hitler arranged for meetings to take place between English and German diplomats, but the desired result was never attained, as the British had only one goal, to lull Hitler into a sense of false security until they could declare war against him. It originated in the office of Colonel Donovan, in the office of the Coordinator of Information of the United States Government. FDR Satanic Jew.

FDR was not only a traitor to America for allowing Japan to freely attack us on December 7, 1941 and a big time socialist liberal, but was also Jewish. Oh, yes he was. He even admitted it to a few reporters and his genealogy confirms it (below). He may not have been a practicing Jew and almost always kept quiet about it, but he was indeed Jewish. Great grandfather Isaac Roosevelt founded the Bank of New York and FDR’s maternal grandfather, Warren Delano II (Jewish too), made his fortune in the Sassoon drug running empire — the British Jew oligarchy behind the Opium Wars in China. The Sassoons were also closely associated with the Rothschilds.
“President Roosevelt knows well enough that his ancestors were Jewish. I heard Theodore Roosevelt [his distant cousin] state twice that his ancestors were Jewish. Once was to me when I asked him about it after he had made a pleasing euphemistic statement in a speech to a Jewish gathering.”
– Chase Osborn, former governor of Michigan
FDR was born into the International, Globalist Banking class and Zionist cabal some disingenuously call for “PC” reasons, the “Illuminati” — the real hidden hand that owns the Federal Reserve in America, the Bank of England and your White butt.

“It is a marvel that the American people do not rise up and drive every JEW out of this country…. We Jews have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eye’s fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse…. We control every media of expression including newspapers, magazines, radio and television.

Even your music! We censor the songs released for publication long before they reach the publishers. Before long we will have complete control of your thinking.” – The Harold Wallace Rosenthal Interview 1976, The Hidden Tyranny

Winston Churchill Was ‘Serial Pedophile’ Who Liked ‘Buggering Young Boys’ ... Churchill’s sandhurst file, the original and proper one lists him as, ‘a confirmed sodomite and a menace to the younger boys’ …

Churchill’s original Sandhurst military file, describes him as a ‘drunken, aggressive homosexual’ and that only his mother having a ‘liaison’ with the Prince of Wales, prevented him from being prosecuted for sodomy.
His ‘V’ salute is a recognised greeting of the horned god, the symbol of the Devil worshipping Illuminati, as demonstrated by ‘Skull and Bones’ initiates.
For many years Churchill had maintained a close professional, but secretive relationship with the Irish Republican Army, an organisation which had long been totally infiltrated and controlled by British security services – and indeed still is to this day. Churchill was not at all coy of using them for his own purposes.
MI8 was the wireless interception section of British intelligence and this article contains some portions of its secret transcripts. It is said that it was Sir Joseph Ball who was instrumental in exposing the Judeo-Masonic grip on Churchill and informed British Intel chief Vernon Kell, who agreed that war against Hitler’s Germany, would not be beneficial in any way, to the British nation.

Churchill had huge gambling, drinking and whoring bills, and Jock Colville claimed he usually insisted on ginger haired prostitutes, so they bought him a ginger tomcat as a private joke.Churchill’s sandhurst file, the original and proper one lists him as, ‘a confirmed sodomite and a menace to the younger boys’ (Courtesy of guy burgess diaries) this waywardness allowed Churchill to be used by the bankers, under the carrot and the stick, you do as we say and you get paid x amount, you don’t do as we say and we ruin you. In W W 1 Churchill took bankers cash in the name of Colonel Arden, and W W II his secretary said several names were used, Mr. A Conner’s was alleged to be just one.How Britain came to be in the EU under such disastrous terms was because Edward Heath was allegedly a cuprophiliac, he would regularly take boys from certain care homes away on his boat for weekends.Mandelson while business minister showed his true metal while holidaying on Deripaskas yacht, now Deripaska is banned under organized crime regs in the USA, but according to the Daily Mail 23rd May 2010, Nat Rothschild, Deripaska and Mandelson shook hands on a £500 million aluminum deal that cost many Britons their jobs, much of this is said to be in chemtrail drops. These 3 were joked about in the MI5 canteen as ‘the axis of evil’ and ‘the 3 jewboys’
and when Mandelson was admitted into a French hospital recently with prostate problems, the French doctors report told of felching injuries, felching is the gay sport where a cardboard tube is pushed into the rectum and a small furry animal slid down inside, our Peter apparently was scratched internally rather badly.

We Really Jewed 'Em

"We could have, if we had intended so, prevented this war from breaking out without doing one shot, but we didn't want to." - Winston Churchill to Truman (March 1946)

https://web.archive.org/web/20180104001420/https://europeanmediacentre.wordpress.com/2013/09/01/how-winston-churchill-sold-out-britain-and-europe/

John Swinton, editor of the New York News at the annual dinner of the American Press Association in 1914: "There is no such thing as an independent press in America. . . Not a man among you dares to utter his honest opinion. . . We are the tools and the vassels of the rich behind the scenes. We are marionettes."These men pull the strings and we dance. Our time, our talents, our lives and our capacities are all the property of these men—we are intellectual prostitutes." P134
Des Griffin Descent Into Slavery 1980

He (Hitler) compared the British Empire with the Catholic Church—saying they were both essential elements of stability in the world. He said that all he wanted from Britain was that she should acknowledge Germany's position on the Continent. The return of Germany's lost colonies would be desirable but not essential, and he would even offer to support Britain with troops if she should be involved in any difficulties anywhere. He remarked that the colonies were primarily a matter of prestige, since they could not be held in war, and few Germans could settle in the tropics.
https://counter-currents.com/2017/07/why-hitler-let-the-british-escape-at-dunkirk/

In one of the most secret and explosive documents of the entire war, Churchill telegrammed Lord Gort, "you are to advance (strange word to use for retreat) to the beaches. You are not to inform the French or the Belgians what you are doing". So much for 'fighting on the beaches' alongside your allies. This telegram of retreat and deceit has 'vanished' from the British archives, but a copy of it was unearthed in French Prime Minister Paul Reynaud's archives in Paris. It took nine whole days to evacuate the British Army, leaving France and Belgium in the lurch.

Wilhelm Mohnke - Once we herded the Allies into the Dunkirk pocket, we knew it was over. The roads were clogged with French refugees whom we had to often help. We had no animosity to the French, they were our old enemies but I remember a speech by Himmler. He told us this war was a racial war for the survival of Europeans and we needed to treat them as racial brothers, which we did. You will not find that in your school books my sir.

https://odysee.com/@louismarschalko:2/General-Wilhelm-Mohnke:1

Rudolf Hess Flight.
In my mind's eye I kept seeing – in Germany and Britain alike – an endless line of children's coffins with weeping mothers behind them; and then again, the coffins of mothers, with their children clustered behind them. Rudolf Hess in captivity, explaining to the Lord Chancellor on June 9, 1941 the reasons for his mission.

The master-spy, Rothschild operative and traitor, Sir Anthony Blunt has said on record that Hitler was negotiating for peace right through the war, and sent his deputy Rudolph Hess to Britain to pursue an honourable peace which Churchill continually refused. Rothschild's advice to Churchill was for 'total destruction' as evidenced by his needless firebombing of German dormitory cities. This can be seen as the typical 'Satanic Sacrifice' as recorded in the Old Testament as a 'burnt offering' and in the biblical burning of witches. Sir Anthony Blunt put on record his distaste at Churchill's support of the Soviet rape squads sent in to defile the women and children in the last days of the Third Reich, disrupting the racial purity of the eugenics tables, and the sacrificial fire bombing was only equalled by Churchill's refusal to Leo Amery who begged help for India in the 1943 famine disasters, while Churchill sent food and arms to Russia. This surely is Satanism at its worst."

https://falsificationofhistory.co.uk/winston-churchill-traitor-and-murderer/

Canaris and Oster sent an agent to Rome to warn the British that Germany was planning to invade Belgium and Holland on or soon after May 10, 1940.....
Canaris also played a role in keeping Spain out of World War II. After studying extensive documentation concerning the state of Spain's land, sea and air forces, Canaris concluded that it would be unwise for Spain to enter the war. Canaris told Spanish leader Francisco Franco that, given the state of Spanish armament, Spain's entry into the war would be a catastrophe for all concerned. When Hitler asked Franco to enter the war by January 10, 1941, Hitler was disappointed by Franco's decision to stay neutral in the war.[xxvii] Hitler did not know that Canaris had been scheming behind his back.

THE JEWISH HELL-BOMB
"But, Mr. Secretary," said Alger Hiss, "no one can ignore the terrible power of this weapon." "Nevertheless," said Stettinius, "our entire postwar program depends on terrifying the world with the atomic bomb." "To accomplish that goal," said John Foster Dulles, "you will need a very good tally. I should say a million." "Yes," replied Stettinius, "we are hoping for a million tally in Japan. But if they surrender, we won't have anything." "Then you have to keep them in the war until the

bomb is ready," said John Foster Dulles. "That is no problem. Unconditional surrender." "They won't agree to that," said Stettinius. "They are sworn to protect the Emperor." "Exactly," said John Foster Dulles. "Keep Japan in the war another three months, and we can use the bomb on their cities; we will end this war with the naked fear of all the peoples of the world, who will then bow to our will."

This secret meeting in the Garden Room was actually the first military strategy session of the United Nations, because it was dedicated to its mission of exploding the world's first atomic weapon on a living population. It also forecast the entire strategy of the Cold War, which lasted forty-three years, cost American taxpayers five trillion dollars, and accomplished exactly nothing, as it was intended to do. Thus we see that the New World Order has based its entire strategy on the agony of the hundreds of thousands of civilians burned alive at Hiroshima and Nagasaki, including many thousands of children sitting in their schoolrooms. These leaders had learned from their master, Josef Stalin, that no one can rule without mass terrorism, which in turn required mass murder. As Senator Vandenberg, leader of the Republican loyal opposition, was to say (as quoted in American Heritage magazine, August 1977), "We have got to scare the hell out of "em."

The atomic bomb was developed at the Los Alamos Laboratories in New Mexico. The top secret project was called the Manhattan Project, because its secret director, Bernard Baruch, lived in Manhattan, as did many of the other principals. Baruch had chosen Maj. Gen. Leslie R. Groves to head the operation. He had previously built the Pentagon, and had a good reputation among the Washington politicians, who usually came when Baruch beckoned.

My tanks were kept halted there for three days....” “[Hitler] then astonished us by speaking with admiration of the British Empire ... Wilson had been ordered to get the United States into the war as soon as possible, so [Pearson’s Magazine] was ruined by his Postmaster General, Burleson, who had the issues delayed in the mails until they were long out-of-date. Abraham Lincoln wished to prevent the bankruptcy and forthcoming moral, mental, political and financial slavery of his beloved country, a Jew *John Wilkes Booth, obviously an agent of the Hidden Hand, murdered the patriotic President . And no American seems to know this or dares to reveal it . . . .*
When another honest President, Garfield said "Whoever controls the money of a nation, controls that nation" . This truth and courage cost him his life 1 He was shot, as was Lincoln, for the same reason, by the same Hidden Hand ! "I was the most powerful man in 1918", said a Jew, B . M. Baruch . "The President will do exactly what I tell him to do", bluntly told me the secretary of

President Roosevelt, a Jew Loeb, in February 1907 . "Justice Lubitz Brandeis, a Jew, ruled the White House by secret teleghone" ("Chicago Daily Tribune", July 22, 1922) . A brilliant Captain Harold Sherwood Spencer in his book "Democracy Or Shylocracy" describes, how he got hold in 1917, of a telegram, saying that >>Brandeis cabled Rothschild yesterdays . Was Brandeis asking E . Rothschild's orders to the White House? Or was Justice Brandeis communicating to Rothschild what he had found out about the White House? . . But the people find it all right that the Jews murder the American Presidents, or rule the more servile ones and imagine that America is a free country! DAVID CAMERON’S JEWISH SLAVE TRADING BLOODLINE CONNECTIONS.

Unbeknown to most, Cameron also descends from an illustrious Jewish bloodline.
His great-great-grandfather was German-Jewish financier Emile Levita. Levita obtained British citizenship in 1871 and was the director of the Chartered Bank of India, Australia and China (which thrives today as Standard Chartered).
According to The Telegraph, Emile’s son, Arthur, a stockbroker, married Stee Cooper, a cousin of the Royal Family, linking Cameron with Hanoverian monarch George III.The sheer extent of Cameron’s Jewish heritage was unearthed in 2009 when Dr Yaakov Wise, of Manchester University’s Centre for Jewish Studies, traced Cameron’s family tree back to the 16th-century Jewish scholar Elijah Levita. Levita is considered to have penned the first ever Yiddish novel, as well as various other significant works of literature.

But Disraeli was a mere tool of the Rothschilds .And according to Bismarck (La Vieille France, N-216) it was Disraeli and his patrons, the Rothschilds,, who invented the plan of destroying the

United States by fomenting a Civil War here, and by a foreign attack in 1863-64 by five powers.
P1 0 THE SATANIC FORCES NOW VS. THE UNITED STATES.
The Civil War was started in 1861 and the British, French,Spanish, Belgian and Austrian troops were already in Mexico City,ready to profit by the Civil War, staged by the Hidden Hand!But then the Czar Alexander II . warned Napoleon III. that he would invade France if this coalition helped the Southerners to smash the North . The Czar even sent his squadrons at the disposal of President Lincoln to defend New York and San Francisco.President A. Lincoln had the right to order this fleet to fight any of the above five Powers . Only thus the United States was saved!

THE FRANKLIN PROPHECY

Recorded by Charles Coteworth Pinckney

Delegate to the Constitutional Convention of 1787

(This prophecy, by Benjamin Franklin, was made in a "CHIT CHAT AROUND THE TABLE DURING INTERMISSION," at the Philadelphia Constitutional Convention of 1787. This statement was recorded in the dairy of Charles Cotesworth Pinckney, a delegate from South Carolina.)
"I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews.
"In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded, by objecting to its restrictions; have built up a state within the state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

"Even if we Jews are not physically at your side in the trenches, we are morally with you. This war is our war and you fight it with us." - Schalom Asch, Les Nouvelles Litteairres, February 10, 1940.

The joke doing the rounds of the British Union of Fascists at this time, was that the Jewish national anthem was, 'Onward Christian Soldiers.'

"The war now proposed is for the purpose of establishing Jewish hegemony throughout the world." - Brigadier General George Van Horn Mosely, The New York Tribune, March 29, 1939.

On the 3rd of June, 1938, the American Hebrew boasted that they had Jews in the foremost positions of influence in Britain, Russia and France, and that these "three sons of Israel will be sending the Nazi dictator to hell." - Joseph Trimble, the American Hebrew.

"There is only one power which really counts. The power of political pressure. We Jews are the most powerful people on earth, because we have this power, and we know how to apply it." - Vladimir Jabotinsky, Jewish Daily Bulletin, July 27, 1935.

"We Jews are going to bring a war on Germany." - David A. Brown, National Chairman, United Jewish Campaign, 1934 (quoted in "I Testify Against The Jews" by Robert Edward Edmondson, page 188 and "The Jewish War of Survival" by Arnold Leese, page 52).
World Jewry must be regarded as the sole war criminal of the Second World War because, in the first place, it prevented reconciliation between the nations and the possibility of cooperation,

destroying even the prerequisites to these aims. With the help of untruthful propaganda and falsehood, and by use of radio and press, it projected a totally false world picture before the eyes of mankind. It created a general world atmosphere in which the mere utterance of the truth in connection with the German question might entail danger to life or loss of livelihood, or suspicion of high treason. All peace offers made by the German statesmen were labelled sheer lies. It derided all sober and honest plans. It made all social achievements in Germany appear as reactionary red tape, all the progress as an anti-progressive obstacle, every manifestation of the elite concept as barbarism and all forms of anti-Bolshevism as anti-democratic. Colonel Charles Lindbergh, the national hero of America, became suspected of high treason when he dared to state his honest opinion about National Socialism, based on his own personal experience.P78

“Hitler and the German people didn’t want this war. We didn’t answer Hitlers various petitions for peace. Now we have to admit that he was right. Instead of a cooperation with Germany, which he had offered us, now stands the gigantic, imperialistic might of the Sovjets. I feel ashamed to see how the same intentions which we accused Hitler of now are pursued under a different name.” – Sir Hartley Shawcross, British chief-accuser in Nuerenberg 1984 March Stourbridge.Meeting
“We made a monster, a devil out of Hitler. Therefore we couldnt disavow it after the war. After all, we mobilized the masses against the devil himself. So we were forced to play our part in this diabolic scenario after the war. In no way we could have pointed out to our people that the war only was an economic preventive measure.” – US foreign minister Baker (1992)
Benjamin Freedman Speech 1961
The United States went in the war. The United States
crushed Germany. We went in there, and it's history. You know what happened. Now, when the war was ended, and the Germans went to Paris, to the Paris Peace Conference in 1919, there were 117 Jews there, as a delegation representing the Jews, headed by Bernard Baruch. I was there: I ought to know.
Now what happened?
The Jews at that peace conference, when they were cutting up Germany and parceling out Europe to all these nations that claimed a right to a certain part of European territory, the Jews said, “How about Palestine for us?” And they produced, for the first time to the knowledge of the Germans, this Balfour Declaration. So the Germans, for the first time realized, “Oh, that was the game! That's why the United States came into the war.” And the Germans for the first time realized that they were defeated,they suffered this terrific reparation that was slapped onto them, because the Zionists wanted Palestine and they were determined to get it at any cost.

RABBI RABINOVICH’S SPEECH OF JANUARY 12TH, 1952.

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a king and every Gentile a slave (Applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage while a nation-wide anti-Communist scare is sweeping America. This campaign is forcing all the smaller nations to choose between the partnership of Russia or an alliance with the United States. Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections.

But why? Why would Lawrence be considered a threat?
The answer has to do with his political leanings. Around the time of his death, Lawrence was aligning himself with Sir Oswald Moseley, leader of the British Union of Fascists. And when he sustained the injuries that led to his death, Lawrence had been on his way to see his good friend, Hawthornden Prize winner Henry Williamson, who was facilitating a meeting between Lawrence and Adolph Hitler. Lawrence, like other veterans of World War I, abhorred the idea of yet another war in Europe, and, like Moseley and Williamson, saw dialogue with Hitler as a necessary first step to preventing it.
In 1935, Lawrence was still a national hero. Moseley advocated peace, but there was an active war lobby in England. It is thought that Lawrence was about to publicly embrace the peace movement. This would have been very embarrassing to the war lobby.

Dorset historian Rodney Legg and Lawrence biographer Desmond Stewart both believe that Lawrence was assassinated. Four witnesses stated that they saw the mysterious black car: the two children who were involved in the incident; a man in a delivery van; and a soldier, one Private Catchpole, who happened to be in a nearby field. The children were kept incommunicado in a hospital and did not testify at the inquest, which was conducted, oddly enough, at Bovington Camp, and controlled by MI-5 rather than the local police. Catchpole did testify about the black car, but he, conveniently, killed himself shortly thereafter. The inquest was held in the morning;

Lawrence was buried the same afternoon....

Lord Kitchener Assassination, who held this view, was of immense authority and public popularity. The paramount military objective at that stage, was to keep Russia in the war (the Zionists wanted Russia's destruction and so informed the Vigorous Protestants). Lord Kitchener was sent to Russia by Mr. Asquith in June 1916. The cruiser Hampshire, and Lord Kitchener in it, vanished. Good authorities concur that he was the one man who might have sustained Russia. A formidable obstacle, both to the world-revolution there and to the Zionist enterprise, disappeared. Probably Zionism could not have been foisted on the West, had he lived. I remember that the soldiers on the Western Front, when they heard the news, felt that they had lost a major battle..

As general Patton said to his officers on 21 July 1945. "We defeated the Wrong Enemy,we should have fought with the Fascists agianst the Communists instead of the other way round.""I fear that perhaps in fifty years America will pay a dear price and become a land of corruption and degenerate morals."
He died soon after, an American soldier named Bazata(Lebonese Jew) said he was paid to assassinate him by General Donovan(a controller of German traitors the likes of Admiral Canaris etc.)an agent of the Rothschilds.

"Gentlemen, I have come this morning

should have fought with the fascists against the
communists and not the other way around.

I fear that perhaps in fifty years
America will pay a dear price and become a land

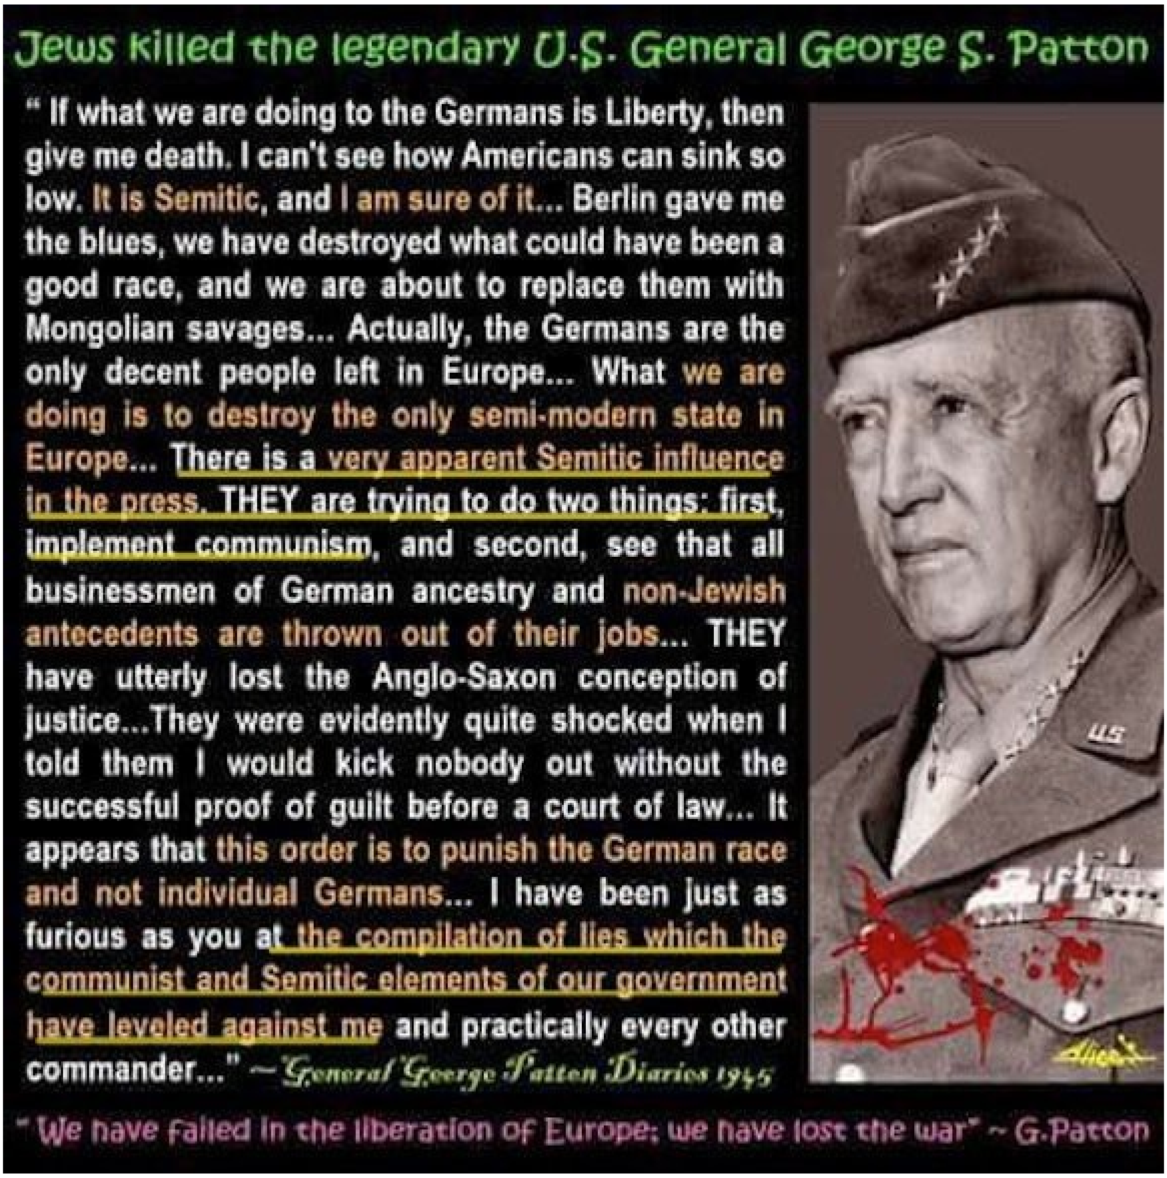
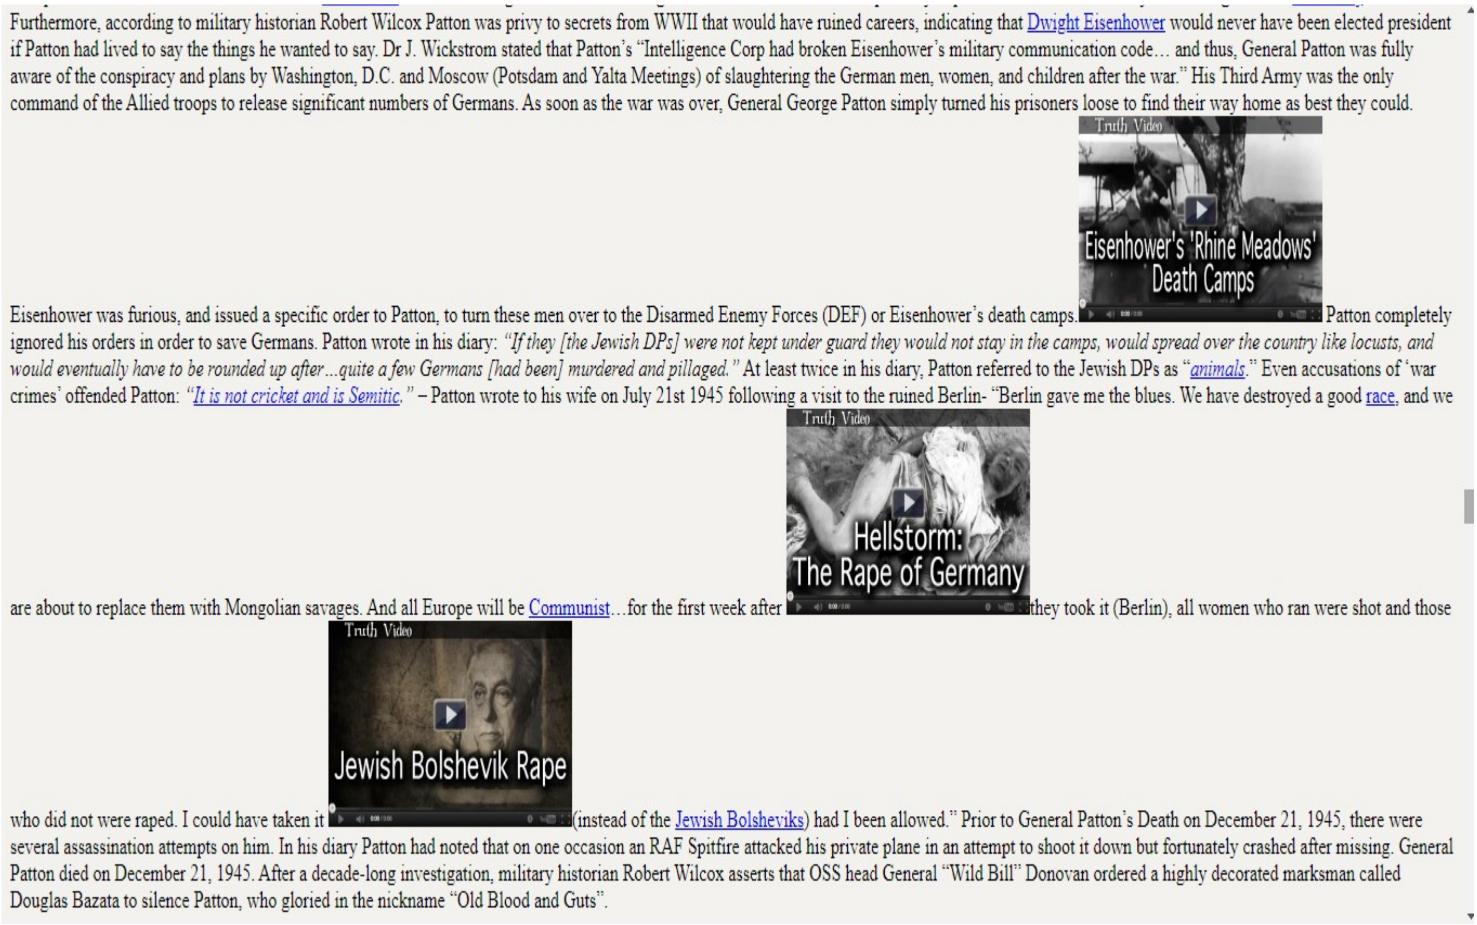
— General George S. Patton (July 21, 1945)



Jews killed the legendary U.S. General George S. Patton

" If what we are doing to the Germans is Liberty, then give me death. I can't see how Americans can sink so low. It is Semitic, and I am sure of it... Berlin gave me the blues, we have destroyed what could have been a good race, and we are about to replace them with Mongolian savages... Actually, the Germans are the only decent people left in Europe... What we are doing is to destroy the only semi-modern state in Europe... There is a very apparent Semitic influence in the press. THEY are trying to do two things: first, implement communism, and second, see that all businessmen of German ancestry and non-Jewish antecedents are thrown out of their jobs... THEY have utterly lost the Anglo-Saxon conception of justice...They were evidently quite shocked when I told them I would kick nobody out without the successful proof of guilt before a court of law... It appears that this order is to punish the German race and not individual Germans... I have been just as furious as you at the compilation of lies which the communist and Semitic elements of our government have leveled against me and practically every other commander..." ~ *General George Patton Diaries 1945*

" We have failed in the liberation of Europe; we have lost the war" ~ G.Patton



Furthermore, according to military historian Robert Wilcox Patton was privy to secrets from WWII that would have ruined careers, indicating that Dwight Eisenhower would never have been elected president if Patton had lived to say the things he wanted to say. Dr J. Wickstrom stated that Patton's "Intelligence Corp had broken Eisenhower's military communication code… and thus, General Patton was fully aware of the conspiracy and plans by Washington, D.C. and Moscow (Potsdam and Yalta Meetings) of slaughtering the German men, women, and children after the war." His Third Army was the only command of the Allied troops to release significant numbers of Germans. As soon as the war was over, General George Patton simply turned his prisoners loose to find their way home as best they could.

Eisenhower was furious, and issued a specific order to Patton, to turn these men over to the Disarmed Enemy Forces (DEF) or Eisenhower's death camps. Patton completely ignored his orders in order to save Germans. Patton wrote in his diary: *"If they [the Jewish DPs] were not kept under guard they would not stay in the camps, would spread over the country like locusts, and would eventually have to be rounded up after…quite a few Germans [had been] murdered and pillaged."* At least twice in his diary, Patton referred to the Jewish DPs as "*animals*." Even accusations of 'war crimes' offended Patton: "*It is not cricket and is Semitic*." – Patton wrote to his wife on July 21st 1945 following a visit to the ruined Berlin- "Berlin gave me the blues. We have destroyed a good race, and we are about to replace them with Mongolian savages. And all Europe will be Communist…for the first week after they took it (Berlin), all women who ran were shot and those who did not were raped. I could have taken it (instead of the Jewish Bolsheviks) had I been allowed." Prior to General Patton's Death on December 21, 1945, there were several assassination attempts on him. In his diary Patton had noted that on one occasion an RAF Spitfire attacked his private plane in an attempt to shoot it down but fortunately crashed after missing. General Patton died on December 21, 1945. After a decade-long investigation, military historian Robert Wilcox asserts that OSS head General "Wild Bill" Donovan ordered a highly decorated marksman called Douglas Bazata to silence Patton, who gloried in the nickname "Old Blood and Guts".

Paris, April 24—AP—The Allied bag of German prisoners during April already has passed the one million mark with six more days left in the month.

From April 1 to 22 inclusive 992,578 prisoners were killed. It is estimated that well over 20,000 were captured yesterday.

"If what we are doing to the Germans is Liberty then give me death.I can't see how Americans can sink so low.It is Semitic I am sure of it."
Patton Quote.

One of the first martyrs of Jew Finance was America's epic hero, General Patton, Commander of the U.S. Army invading Germany, the "knight of the armoured divisions". A descendant of the American pioneers, he thought of Nazism as a satanic evil. The propagandists, journalists and statesmen said so, anyway, so far as he was aware. He arrived in Germany hating it.He believed that the nazis must be punished. Then, a German dairymaid living in the neighbourhood of his H.Q. happened to come his way, and during a casual conversation she told him about the things happening behind the "villa of the commandant", i.e. his house. She described how the milk intended for the cities was dumped in the roads by the military police on the order of the Morgenthau boys, how, no longer Nazis but ordinary German soldiers were detained in crowded internment camps just because they did their duty, how the workers had been expelled from their homes out of revenge by the former inmates of the concentration camps, and how Jewish doctors in the hospitals recommended that every fourth newborn baby should be killed with an injection because there was not enough milk.P144

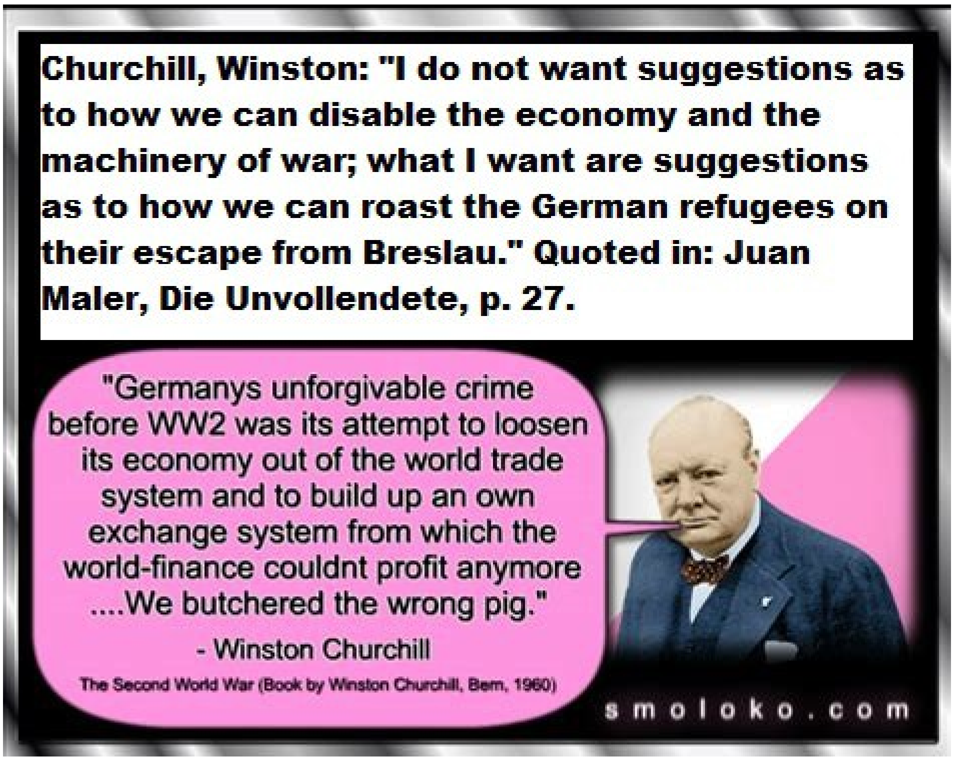
"HITLER WAS RIGHT..."

"I believe now that Hitler and the German people did not want war. But we declared war on Germany, intent on destroying it, in accordance with our principle of balance of power, and we were encouraged by the JEWS around Roosevelt. We ignored Hitler's pleadings not to enter into war. Now we are forced to realize that Hitler was right."

- Sir Hartley Shawcross, British Attorney General, Senior Nuremberg Prosecutor - March,16th, 1984



Churchill, Winston: "I do not want suggestions as to how we can disable the economy and the machinery of war; what I want are suggestions as to how we can roast the German refugees on their escape from Breslau." Quoted in: Juan Maler, Die Unvollendete, p. 27.

"Germanys unforgivable crime before WW2 was its attempt to loosen its economy out of the world trade system and to build up an own exchange system from which the world-finance couldnt profit anymore ....We butchered the wrong pig."

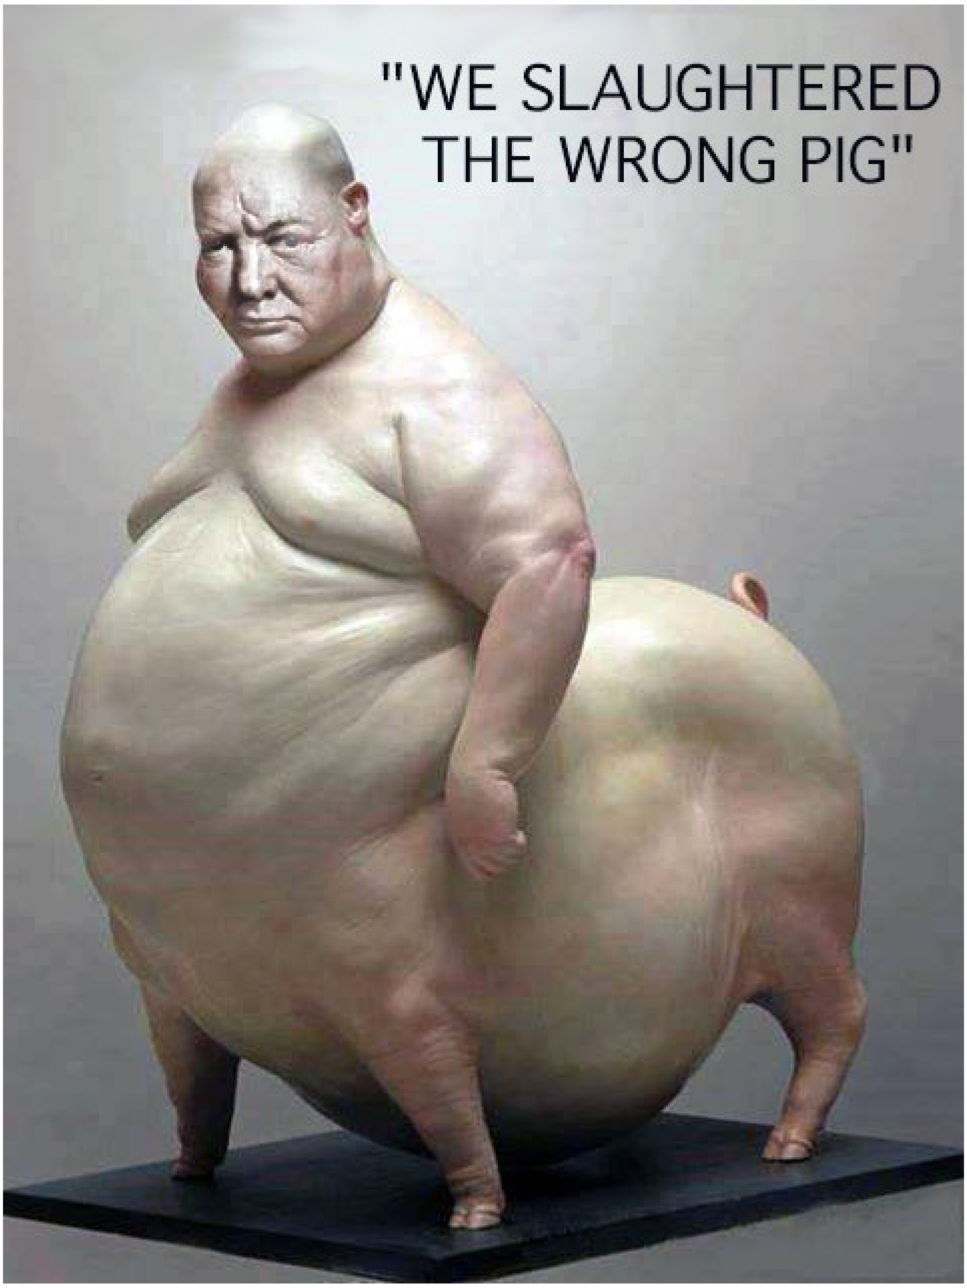
The Second World War (Book by Winston Churchill, Bern, 1960)



Hans Schmidt Malmedy.

Hans Schmidt Leibstandarte SS Adolf Hitler veteran, North Carolina, phone interview, 2009.

I can say the (Waffen SS) were humane, and would not have tolerated any crimes. Malmedy is a good study; a small force is left to guard a larger American unit, whose men were watching others escape, and a few who escaped picked up weapons and started shooting, thinking they could overpower the Germans. This caused the German force to open fire on all, killing many, but many ran off and survived. A survivor confirmed this to me. This was neither a war crime nor an atrocity; it was an example of reckless leadership on the American part, who allowed surrendered personnel to escape and start fighting again.If I was in the same situation I would be confused too, and you have no time to decide who has surrendered and who is shooting. I would have fired at any target that was moving. The Americans started running all over the place, so they all were targets. Yet Americans watch the movie and think the Germans backed trucks up with machines guns to mow down the forlorn prisoners. Thanks to the forums, we get a more complete picture of battlefield studies and previously unheard of accounts. Some cling to what has been written, others challenge it.

The partisan war was a bloody affair and the crimes of the partisans, which prompted harsh responses, are overlooked and downplayed. I never heard anyone bring up the issue of war crimes, executions, or mistreatment during the war. If my side was doing these things it would be discussed, you cannot hide guilty feelings among comrades. All I ever heard was remorse for seeing partisans hung, or a home burnt down in reprisal, there was never talk of executed civilians or Jews because these things did not happen.

National Socialism (NS) is a worldview which combines the ethnic solidarity of Nationalism with a social conscience towards its people and environment. The basic ideas are a healthy shaping of personalities and a national altruism, contrary to atomised ideas of individualism and Jewish internationalism that straddles both sides of the political spectrum. The National Socialist worldview is neither "right" nor "left" but involves all of the national body creating no artificial or 'class' divide for the greater good of the people as a whole. National Socialism protects and preserves the bio-heritage and culture of the native people, contrary to Jewish Marxism whose purpose is infiltration, take over and destruction of the national body politic. It is, therefore an existential threat to all peoples.

How this story basically goes is that in 1666 Sabbatai Zevi declared himself the Jewish Messiah prophesied in the Torah. This took world Jewry by storm. Estimates are at least 50% of Jews believed him. The Sultan of the Ottoman Empire got pissed and told him to convert to Islam or die. He did and 300 Jewish families living in Turkey converted along with him. These Jews are now called the Dönmeh and they run Turkey. Which is why it's so hard to figure out what Turkey is doing. The country is run by Crypto Jews who work for Israel. They were responsible for the Armenian genocide and they helped the British take down the Ottoman Empire from within to establish the Jewish state of Israel.

Erdogan is Jewish.

Why has Turkey's prime minister, Recep Tayyip Erdogan, helped the USA and Israel in their attacks on Syria and North Africa?

Why do 'anti-Americans' in Turkey hate Erdogan's AKP political party? Allegedly, Erdogan and his wife are crypto-Jews, secretly working for the New World Order.

According to Ergün Poyraz, in his book The Children of Moses:

1. Erdogan has spoken to the Anti-Defamation League and the American Jewish Committee.

The American Jewish Congress gave Erdogan a 'profiles of courage award'.

Necmettin Erbakan, a former Prime Minister of Turkey, claims that Erdogan's tough line on Israel is a façade to deceive the Turkish public.

(Erbakan criticizes Israel, accuses Erdoğan of being part of Jewish plot.)

Erbakan says:

"Why on earth did Erdogan's AK Party give a ‘go ahead' to the membership of Israel in the Organization for Economic Cooperation and Development (OECD) and not block membership?

"Why did the Turkish government consent to multi-billion dollars worth of defense contracts with Israeli firms?

"Erdogan says ‘one-minute' to Peres during Davos but conducts business as usual with the Jewish state. This is hypocrisy."

The international Jewish Banksters provoked the first world war in order to achieve several goals, including the revolutions in Russia and Germany and the destruction of the Ottoman Empire. In 1917, Great Britain signed the Balfour Declaration, the promise for the creation of a Jewish state in Palestine. British troops could gain control over Palestine and prepared it for the creation of a Jewish state in Palestine. Crypto-Jew Mustafa Kemal Ataturk created a Turkish Republic in order to destroy the Ottoman Empire completely. The Jewish revolutionist Alexander Parvus (who got rich through arms trading) was the financial adviser of the Young Turks and the Jewish Bolsheviks supplied Ataturk with 10 million gold roubles, 45,000 rifles, and 300 machine guns with ammunition. In 1915, the Young Turks committed a genocide against the Armenians, but also against the Greeks and Assyrians. The main reason for the Jewish genocide of the Armenians is that

the Jews believe that the Armenians are the Amalekites, the arch enemies of the Israelites (Jews believe they are the descendants of the ancient Israelites). The Turkish government and Jewish groups such as the ADL deny the Armenian genocide, highly likely because the key persons of the Young Turk movement were Jewish, including Mustafa Kemal Ataturk.

Who Was Responsible For The Christian Armenian Genocide

https://odysee.com/@louismarschalko:2/Who-was-responsible-for-the-Christian-Armenian-Genocide:2

Business as usual is a powerful motivating force especially when Jews like the Rothschilds are running an oil business. Banking is the forte of the Jewish House of Rothschild. But raw materials–especially oil–are money in the bank.
The Young Turk movement, AKA Committee of Union and Progress, arose out of the Rothschilds' oil interests in the Black Sea area of the Ottoman Empire in the late 1800s. 'Creating stability' in an incendiary realm was necessary for the Rothschilds' new oil enterprise Baku Oil. The instability of the Armenian Christians financial and intellectual prominence in the area was not 'good for business.'Thus hand-picked Jews of Salonika, Jews made up the majority of the city's population, and foreign agitators such as the Russian Zionist, Vladimir Jabotinksy, the editor of The Young Turk newspaper, were just what the Rothschilds needed for ridding the source of that instability, the Armenian Christians.Now, the Zionist Young Turks who sought for the break up of the Ottoman Empire in order to obtain Palestine–and the House of Rothschild, who needed a Jewish-controlled Turkey and hegemony over the entire Middle East, could work together. This meant funding for the Jewish Young Turks and revolutionary subversives for the Rothschilds.

"It is a well-known fact that the Salonika Committee was formed under Masonic auspices with the help of the Jews and Donmehs, or crypto-Jews of Turkey, whose headquarters are at Salonika, and whose organization took, even under Abdul Hamid, a Masonic form.
Jews like Emmanuel Carasso, Salem, Sassun, Fardji, Meslah, and Donmehs or crypto-Jews, like Djavid Bey and the Baldji family, took an influential part both in the organization of the Committee and in the deliberations of its central body at Salonika.

2. The Bible was not written by or for Jews. The Bible was written for Israel represented by those of European ancestry.
3. The Jews are not Gods Chosen people, we are. At least 95% of the Jews are not of the tribe of Judah, the Germans are.

FALKLANDS WAR.
UK opens files on Israeli arms sales to Argentina during Falklands War. A report by the Telegraph said the Jewish state had provided Buenos Aires with Skyhawk fighter jets which were used during the conflict to sink four British warships, killing dozens of soldiers.
The documents quoted by the paper also noted that arm sales continued well after the war ended, with Israel maintaining they were necessary to support its domestic arms industry.

November 05, 2011 - Merrit P Drucker (US army major, retired) has apologized to the German army for the deaths of German prisoners in US army camps after World War II. Following extensive private investigations in the US and Germany, Drucker has sent an e-mail to Lt. Col. Max Klaar (Bundeswehr retired) head of the Verband deutscher Soldaten (German Veterans Association) regretting the lethal conditions in the US camps where according to Col. Ernest F. Fisher of the US army (retired) some 750,000 Germans died because they were denied available food and shelter. By order of the American commander, General Dwight Eisenhower, German civilians were forbidden on pain of being shot to take food to the prisoners.

Documents found in connection with the forced landing of the plane by Germany on February 9, 1940 indicate that Stalin had concluded a joint war pact with Churchill and French representatives to blockade and destroy Germany, in violation of Article IV of the MIR Treaty. 225 Germany kept this matter top secret and used the information received from the intelligence services to quietly take preventative measures. Stalin was forced to make peace with Finland by an ultimatum addressed to the Kremlin on March 3 and 4, 1940. The occupation of Denmark and Norway began on April 9, 1941; 24 hours before the arrival of British and French troops in Norway, the French, English, Belgian and Dutch Front M was destroyed by the attack of May 10, 1940 in just over a month.

Der Plan der Alliierten zur Blockade Deutschlands 1939-1940
im Rahmen des Churchill / Stalin-Kriegspakts vom 15. Oktober 1939:

The Story of the Waffen SS. Leon Degrelle

Now in the summer of 1939 the governments of Britain and France were secretly negotiating a full military alliance with the Soviet Union. The talks were held in Moscow and the minutes were signed by Marshal Zhukov.

I have these minutes in my possession. They are stupefying. One can read a report guaranteeing Britain and France of Soviet participation against Germany. Upon ratification the Soviet Union was to provide the Anglo-French forces with the Soviet support of 5500 combat planes immediately plus the back up of the entire Soviet air force. Between 9,000 to 10,000 tanks would also be made available. In return, the Soviet Union demanded the Baltic states and free access to Poland. The plan called for an early joint attack.

Germany was still minimally armed at that stage. The French negotiators realized that the 10,000 Soviet tanks would soon destroy the 2000 German tanks but did not see that they would be unlikely. to Stop at the French border. Likewise the British government was quite prepared to let the Soviets take over Europe.P14

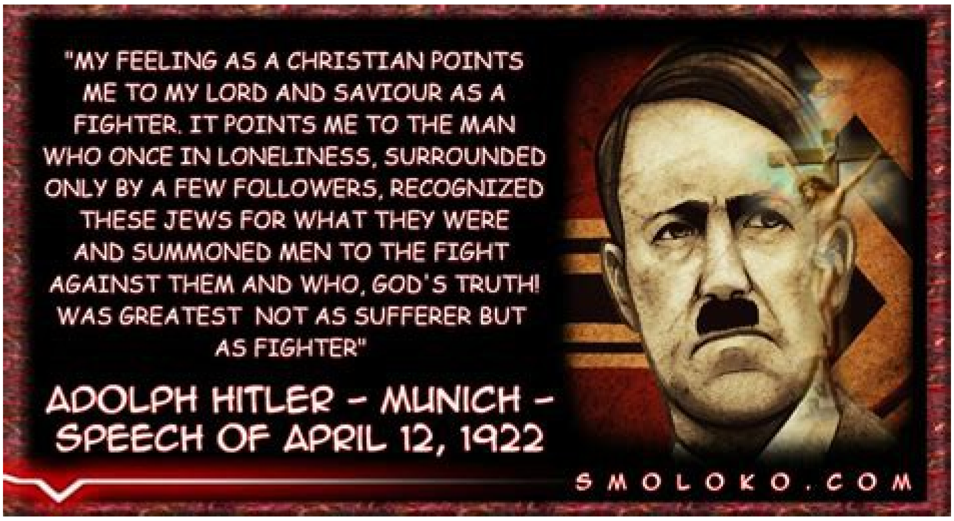
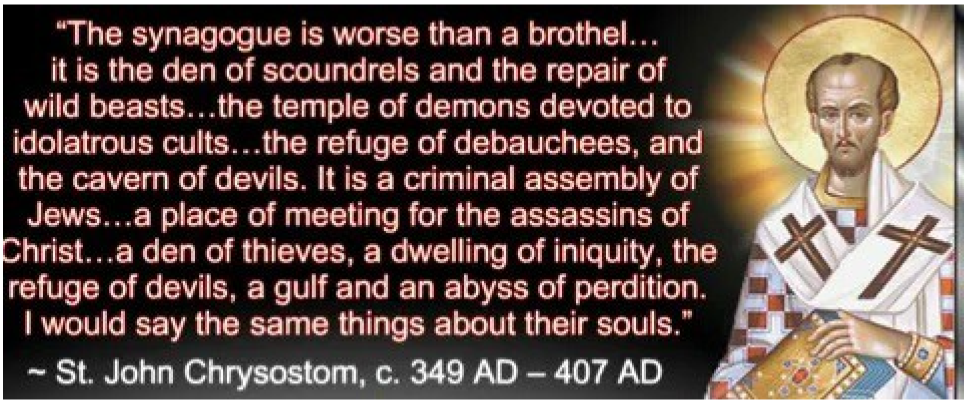
"Lord God, give us the strength that we may retain our liberty for our children and our children's children, not only for ourselves but also for the other peoples of Europe, for this is a war which we all wage, this time, not for our German people alone, it is a war for all of Europe and with it, in the long run, for all of mankind."

~ Adolf Hitler's 1942 prayer



"MY FEELING AS A CHRISTIAN POINTS ME TO MY LORD AND SAVIOUR AS A FIGHTER. IT POINTS ME TO THE MAN WHO ONCE IN LONELINESS, SURROUNDED ONLY BY A FEW FOLLOWERS, RECOGNIZED THESE JEWS FOR WHAT THEY WERE AND SUMMONED MEN TO THE FIGHT AGAINST THEM AND WHO, GOD'S TRUTH! WAS GREATEST NOT AS SUFFERER BUT AS FIGHTER"

ADOLPH HITLER – MUNICH – SPEECH OF APRIL 12, 1922



"The synagogue is worse than a brothel… it is the den of scoundrels and the repair of wild beasts…the temple of demons devoted to idolatrous cults…the refuge of debauchees, and the cavern of devils. It is a criminal assembly of Jews…a place of meeting for the assassins of Christ…a den of thieves, a dwelling of iniquity, the refuge of devils, a gulf and an abyss of perdition. I would say the same things about their souls."

~ St. John Chrysostom, c. 349 AD – 407 AD

Leon Degrelle.

Did Hitler believe in God? He believed deeply in God,he called God the Almighty, master of all that is known and unknown.

Propagandists portrayed Hitler as an Atheist.He Was Not.He had contempt for hypocritical and materialistic clerics,but he was not alone in that.He believed in the necessity of standards and theologial dogmas,without which he repeatedly said,the great institution of the Christian church would collapse.

In a village in the neighbourhood of the Obersalzberg there lives a boy who suffers from paralysis. He too once wrote to Adolf Hitler, and asked for a wireless set as a Christmas present. The letter found its way into the Führer's hands, and to the great surprise and joy of the poor youngster, the Führer insisted on making him a personal present of the much-desired set. Hundreds of examples of the kind might be quoted.

Do you have any animosity towards the Allies?

Otto Remer: I do. The Allies, especially the Americans who came into the war later, were guided by pure hatred.

They will then follow the legacy the Allies laid down by promoting a one world, open border system that will collapse our religion and nations. The allied nations won the war due to the chilling ways they fought it, and the terrible weapons that were used, but it does not make them right. I have spoken to many allied veterans who have quietly told me they would not do it again; they understand today that they fought the wrong people.

Interview with Horst, a veteran of the feared Totenkopf-Division

I personally saw Belgian and French civilians who had been shot by retreating British and French soldiers. I witnessed a frantic French woman who came up to our CO; she said Negro soldiers who said they were shooting all German sympathizers had taken her husband away. We found him and five other French men dead 2 km from the town. One was a German citizen I remember. We were told that when we take any Negro prisoners to bring them to the CO to see if the killers could be identified. We processed many prisoners during this time. A funny story that I witnessed was a black clad Rabbi and his family who were trying to get to the coast to escape the war; they made a wrong turn around Cambrai and drove right into our lines. He got out and asked in perfect German if he could be pointed in the right direction, in which one of us said "hell is straight down Rabbi, and the devil waits for you." He had the look of terror in his eyes, then we all laughed, and he was relieved. He asked if we maybe could spare some water and we gave him some and sent him on his way. Our senior NCO, in a sad tone commented, "Their brethren started this war, then they get to flee to safety."

German POWs mowed down.

"The tankers, sheathed in their iron horses, were unable to shag PWs back to the rear cages. They had to do something with them. So they did."They machine-gunned them to death. And made no apology for it."Combat veterans aware of the real situation know I am only scraping the surfaces. Rumors were always rife of mass liquidations of German PWs, especially by our tankers." (23rd May 1946.).....

Then there is the message of the U. S. A. General Mark Clark (Jewish) to the Fifth Army on 12th February 1944 in which he said he welcomed the enemy's assaults:". . . for it gives you additional opportunities to kill your hated enemy in large numbers. It is an open

season in Anzio beachhead and there is no limit to the number of Germans you can kill."

CHAPTER V

https://odysee.com/@louismarschalko:2/jewish-war-of-survival-arnold-leese-1945:8

At the end of the Second World War literally millions of Germans died. In an unprecedented humanitarian disaster an estimated sixteen million ethnic Germans fled their ancestral homelands in Poland, Hungary, Czechoslovakia and other parts of Eastern Europe to Germany. These were mostly women, children and elderly men who took to the open road before the advancing Red Army. Of these Canadian historian James Bacque estimates that between two and six million died in the process (3). Millions more died in Germany itself through a combination of disease, exposure and starvation, produced and compounded by deliberate Allied policies.

For example, any German soldier caught raping a woman faced a firing squad shortly thereafter. Compare this with the announcement of the Russian commanders to their forces invading Germany at a later date, that all enemy females were their property, or the recommendation of President Roosevelt that our troops should study Kaufmann's tract, Germany Must Perish, which recommended that all Germans of reproductive age be sterilized.

A Review of James Bacque's "Crimes and Mercies: The Fate of German Civilians Under Allied Occupation 1944-1950" by Eric Blair According to Bacque, given the extraordinarily harsh conditions imposed upon them by the Allies (i.e., the British, French, Soviets, and Americans), at least 9.3 million and possibly as many as 13.7 million Germans, had, by 1950, needlessly died as a result.

Capt. Ben H. Jackson said that when he approached one of the camps along the Rhine: “I could

smell it a mile away. It was barbaric."
There [were] 10,000 or more German prisoners in this open field, standing shoulder to shoulder. This bunch of prisoners [was] there for three days or more with no food or water, no shelter… Most of the guards were very brutal… On the morning the prisoners were moved out… mud was deep as far as I could see. Heads, arms and legs of the dead were sticking out of the mud. It made me sick and disgusted.

Eisenhower is a war criminal

Over 1,700,000 German POWs died due to deliberate policies of starvation, frostbite, and disease under the direct orders of war criminal General Dwight David Eisenhower.

A month before the end of World War II, General Eisenhower issued special instructions that concerned German prisoners, among which the following words stood out: "The premises for the detention of prisoners should not provide any protection or other amenities."
In the West Point Military Academy's 1915 alumni yearbook, Eisenhower was described as "an obnoxious Swedish Jew." Eisenhower biographer Stephen Ambrose obtained access to Eisenhower's personal letters. Ambrose claims that Eisenhower proposed after the war to completely destroy the German command - thousands of people.

May, 1945: The American Red Cross reported that more than 98% of Americans captured by the Germans will be coming home safely, thanks in part to the food parcels sent to them during the war, which were promptly delivered by the Germans.
May 15, 1945: Eisenhower and Churchill talked about further reducing the rations for the German POWs. Churchill was informed that the POWs have been getting 2,000 calories per day (compared to 4,000 for American troops) and that 2,150 was regarded as an absolute minimum required for sedentary adults living under shelter. Eisenhower failed to tell Churchill that the U.S. Army was not even feeding many DEFs, and that they were feeding others, much less than 2,000 calories per day.

Who Involved the U.S. in WWII When 83% of Americans Voted Against It?

"We Jews," as the spokesmen of this clannish nationalism might put it, "are well aware that in America, England, France and the Soviet Union, as well as in every other part of the world, the rule is: Judah must come first!

As long as the interests of America are identical with the interests of Old Testament ‘Zionism’, we will be good Americans, but as soon as our interests begin to conflict with the interests of America, we shall betray her too. Generally speaking, democracy suits us if and when it is led by as many Jews as possible. The so-called freedom of the press is good for us too, provided the descendants of the seed of Abraham, above all, can avail themselves of it. Yes! this freedom is a valuable thing, but only where we Jews are at liberty to do anything we like!”

Carpet Bombing War Crime - Dresden Feb. 13-14 1944 - Stars and Stripes Report.

One British sergeant said,

"Reports from Dresden police that 300,000 died as a result of the bombing didn't include deaths among 1,000,000 evacuees from the Breslau area trying to escape from the Russians. There were no records on them.

"After seeing the results of the bombing, I believe these figures are correct."

They had to pitchfork shriveled bodies onto trucks and wagons and cart them to shallow graves on the outskirts of the city. But after two weeks if work the job became too much to cope with and they found other means to gather up the dead.""They burned bodies in a great heap in the center of the city, but the most effective way, for sanitary reasons, was to take flamethrowers and burn the dead as they lay in the ruins. They would just turn the flamethrowers into the houses, burn the dead and then close off the entire area. The whole city is flattened. They were unable to clean up the dead lying beside roads for several weeks," the sergeant added.

Dresden 1945 ALLIED Judeo Anglo American Unpunished WAR CRIMES WW 2 The Real Holocaust.

On Shrove Tuesday, February 13, 1945, a flood of refugees fleeing the Red Army 60 miles away had swollen the city's population to well over a million. Each new refugee brought fearful accounts of Soviet atrocities. Little did those refugees retreating from the red terror imagine that they themselves were about to die in a horror worse than anything Stalin could devise.Normally, a carnival atmosphere prevailed in Dresden on Shrove Tuesday. In 1945, however, the outlook was rather dismal. Houses everywhere overflowed with refugees, and thousands were forced to camp out in the streets shivering in the bitter cold.However, the people felt relatively safe; and although the mood was grim, the circus played to a full house that night as thousands came to forget for a moment the horrors of war. Bands of little girls paraded about in carnival dress in an effort to bolster waning spirits. Half-sad smiles greeted the laughing girls, but spirits were lifted.No one realized that in less than 24 hours many of those same innocent children would die screaming in Churchill's firestorms. But of course, no one could know that then. The Soviets, to be sure, were known to be savages, but at least the British were and Americans were thought to be 'honourable'.So when those first alarms signalled the start of 14 hours of hell, Dresden's people streamed dutifully into their shelters. But they did so without much enthusiasm, believing the alarms to be false, since their city had never been threatened from the air. Many would never come out alive, for that 'great democratic statesman' Winston Churchill, in collusion with that other 'great democratic statesman' Franklin D. Roosevelt, had decided that the city of Dresden was to be obliterated by saturation bombing.

The ‘Dehousing Paper’ – the Real Extermination Policy – How to Murder 25 Million Germans and get away with it.On 30 March 1942, Professor Frederick Lindemann – Baron Cherwell (Churchills Jewish Handler), the British government’s Chief Scientific Adviser (appointed by Churchill), who

wielded more influence than any other civilian adviser and was said to have “an almost pathological hatred for Germany, and an almost medieval desire for revenge” as part of his character – sent to the British Prime Minister Winston Churchill, a memorandum, which after it had been accepted by the Cabinet, became known as the ‘Dehousing Paper.’..
“Will there be room [for the German refugees, fleeing before the Red army] in what is left of Germany? We have killed six or seven million Germans and probably there will be another million or so killed before the end of the war.”
– Winston Churchill, as noted by James F. Byrnes‘ at the Plenary Session at Yalta, February 7, 1945 – 5 days before the Dresden Holocaust – (H. S. Truman Library, Independence, Missouri)

General Mohnke.

I was at a command post when I saw British pilots attack French refugees who were coming back to Caen, against our wishes, to see the damage. The Allies bombed many Norman towns so they could deny us cover. I saw the many corpses that were left after these actions, which our boys had to help bury.

I know you met Hitler, notably in the bunker. Can I ask if the stories are true about him yelling like a crazy man?

Wilhelm: I did meet the Führer many times; I was on his original guard. I can tell you he was a very kind, calm, and intelligent leader. Even seeing him in 1945 in the bunker, at his worst, he still seemed like the leader I knew. He was sad, and I could see in his eyes the look of defeat. I did not hear or witness any of the outbursts others have said to have seen. Remember that telling the truth about the Führer will not sell books or be made into any movies. The world has been told he was only one way, and that is the only way they will show him. Anything else will be suppressed and buried. In truth even up to his last day he was a great man who was forced into a war with the world powers.

I think we all have a hope that someday, and I know I will not see that day, as I have lived it once already, where the truth comes out. He will not always be seen as the bad man and us as his lackey followers. A time will come in the future where truth will bring down the hate and lies of our enemies, no matter how solid they may seem.

"From May 12 to 15, 1945 I was assigned to a burial commando in Wolkowitz. There I saw how thousands of German soldiers as well as civilians - women and men and even young people 10 years and up - were brutally murdered. Mostly they were clubbed to death by Czech Revolutionary Guardsmen. Often the dreadfully battered bodies were rubbed with hydrochloric acid, just to torture them. One Dr. Blume of Berlin was in charge of ascertaining the death of these people. Fingers with rings on them were torn off some people's hands while the people still lived. The dead were buried in a mass grave in Wolkowitz, by the cemetery.

The death toll was staggering. The full extent of the Dresden Holocaust can be more readily grasped if one considers that well over 250,000 - and quite possibly as many as a half a million - persons died within a 14 hour period, whereas estimates of those who died at Hiroshima range from 90,000 to 140,000.*

Allied apologists for the massacre have often 'twinned' Dresden with our own city of Coventry. But the 380 killed in Coventry during the entire war cannot begin to compare with perhaps 1,000 times that number who were slaughtered in 14 hours at Dresden. Moreover, Coventry was a centre of the motor and munitions industries, a legitimate military target. Dresden, on the other hand, produced nothing in those categories.
A Swiss citizen described his visit to Dresden two weeks after the raid:- 'I could see torn-off arms and legs, mutilated torsos and heads which had been wrenched from their bodies and rolled away. In places the corpses were still lying so densely that I had to clear a path through them in order not to tread on arms and legs.'
As a comparison with the London Blitz - which I acknowledge was bad and showed the bravery of the London people, it should still be considered in the light of the destruction visited upon Dresden. In just one night, 16,000 acres of land were destroyed in the Dresden massacre, whereas London escaped with damage to only 600 acres during the entire war.

Dresden ALL-LIED War Crime -Bombenangriff Dresden 1945 Augenzeugenberichte

On 13th February 1945 I was a navigator on one of the Lancaster bombers which devastated Dresden. I well remember the briefing by our Group Captain. We were told that the Red Army was thrusting towards Dresden and that the town would be crowded with refugees and that the center of the town would be full of women and children. Our aiming point would be the market place.I recall that we were somewhat uneasy, but we did as we were told. We accordingly bombed the target and on our way back our wireless operator picked up a German broadcast accusing the RAF of terror tactics, and that 65,000 civilians had died. We dismissed this as German propaganda.The penny didn't drop until a few weeks later when my squadron received a visit from the Crown Film Unit who were making the wartime propaganda films. There was a mock briefing, with one notable difference. The same Group Captain now said, 'as the market place would be filled with women and children on no account would we bomb the center of the town. Instead, our aiming point would be a vital railway junction to the east.I can categorically confirm that the Dresden raid was a black mark on Britain's war record. The aircrews on my squadron were convinced that this wicked act was not instigated by our much-respected guvnor 'Butch' Harris but by Churchill. I have waited 29 years to say this, and it still worries me.

British War Crimes RAF attacks and sinkings of the Cap Arcona and Thielbek 1945 - On the Cap Arcona alone, more than 5,000 perished.The Thielbek, struck by rockets, bombs and machine gun fire, sank in just 15-20 minutes. British planes then fired on terror-stricken survivors who were struggling in rescue boats or thrashing in the cold sea. Nearly everyone on board the Thielbek perished quickly, including nearly all the SS guards, ship's officers and crew members. Only about 50 of the prisoners survived.

Czechs against Germans 1945 (Cover wounded German soldiers hung)

Germans were tortured to death in the riding-school on Hybernerplatz. The death-cries mingled with the solemn sound of the organ from the nearby church, where these same people were "devoutly" praying to the God of Charity and Mercy!
There was nothing to be done but to submit oneself to the will of God and to suffer with patience, if one wished to avoid an agonizing death. I have often wondered what it was that suddenly awakened such an abysmal hatred in the hearts of these people. After all, they had come through the war better than any other nation in Europe. The Czechs had been treated by the Germans as equals and were better nourished than many Germans. One had sat next to the Czechs in railroads, movies or cafés; no difference was made - except that the Czechs did not have to enlist and had no losses to lament.

Terrible deeds where Red Army soldiers often roamed. Also in the UK, the French and the American zone of occupation, there was mass rape, sometimes for several days...

Millions of women victims raped by Russian soldiers during the last months of World War II. Anthony Beevor's book "*Berlin -- The Downfall 1945*" documents rape by Russian soldiers. "*Beevor's conclusions are that in response to the vast scale of casualties inflicted on them by the Germans the Soviets responded in kind, and that included rape on a vast scale. It started as soon as the Red Army entered East Prussia and Silesia in 1944, and in many towns and villages every female aged from 10 to 80 was raped.*" The author "*was 'shaken to the core' to discover that even their own*

Russian and Polish women and girls liberated from German concentration camps were also violated." Until recent years, East German women from the World War II era referred to the Red Army war memorial in Berlin as "*the Tomb of the Unknown Rapist*."

In Italy, Moroccan mercenaries fighting with the free French forces in 1943 fought under contract terms that included free license to rape and plunder in enemy territory.
Many women in Italy were raped; the Italian government later offered the victims a modest pension in an effort to compensate the women for their trauma.
They were pretty good at raping civilians too. The night after the battle for Monte Cassino was over and the Germans had withdrawn in good order, a division of Moroccan soldiers -- 12,000 of them -- left their camp and swarmed over a group of mountain villages around Monte Cassino. They raped every village woman and girl they could get their hands on, an estimated 3,000 women, ranging in age from 11 years to 86. They murdered 800 village men who tried to protect their women. They abused some of the women so badly that more than 100 of them died.According to an Italian eye-witness, "......the brutally inclined Goumiers (Moroccans)had the lowest moral values of anyone associated with war in the European theater. They raped women, they raped men, and when they got through with them, they raped animals.

The people of these mountain villages are descended from the ancient Volsci, one of the tribes in pre-Roman Italy, and their women are reputed to be taller and more graceful than other women in that part of Italy. The Moroccan soldiers selected the prettiest girls for gang-raping, with long lines of dark-skinned Moroccans waiting their turn in front of each one, while other Moroccans held the victims down. Two sisters, 15 and 18 years old, were raped by more than 200 Moroccans each. One of them died from the abuse. The other has spent the last 53 years in a mental hospital. The Moroccans even raped some of the young men in the villages. The Moroccans also destroyed most of the buildings in the villages and stole everything of value.

The American general who took the decision to unleash the Moroccan troops was General Mark Clark of the American Fifth Army. He wanted to remove the Germans from the battered Monte Cassino and reach Rome before other allied forces did so. And the Moroccans were one of the best fighters on mountains. So he used them in Cassino despite knowing the reputation of the Moroccan Goumiers.
The mass rape left many of the Italian women with venereal diseases. Their husbands and lovers were in turn infected. This led to a epidemic in that area of Italy in early 1950s. The International

Red Cross wanted to help but the Italian government refused any aid because it did not want to strain relations with France by raking up the issue again.

Naked, dead women lay in many of the rooms. Swastikas had been cut into their abdomens, in some

the intestines bulged out, breasts were cut up, faces beaten to a pulp and swollen puffy. Others had been tied to the furniture by their hands and feet, and massacred. A broomstick protruded from the vagina of one, a besom from that of another….
The mothers had had to witness how their 10 and 12-year-old daughters were raped by some 20 men; the daughters in turn saw their mothers being raped, even their grandmothers. Women who tried to resist were brutally tortured to death. There was no mercy….
The women we liberated were in a state almost impossible to describe….[T]heir faces had a confused, vacant look. Some were beyond speaking to, ran up and down and moaned the same sentences over and over again. Having seen the consequences of these bestial atrocities, we were terribly agitated and determined to fight. We knew the war was past winning; but it was our obligation and sacred duty to fight to the last bullet.

Two men (believed to be Poles) then entered the room and grabbing one of the girls bent her backwards over the edge of a table and then proceeded to cut off her breasts before the eyes of the others. Her screams were accompanied by cheers and howls of approval from the Russians. The same fate awaited all the others each procedure becoming ever more cruel. More girls were brought in continually and out in the courtyard hundreds were clubbed to death, only the prettiest being led to the commissars office for torture, mutilation and death. A few days later when a German reserve tank unit from Cottbus temporarily recaptured the town they were utterly devastated by what they saw.
Survivors told of what they had seen. Mothers had to witness their ten and twelve year old daughters being raped by up to twenty soldiers, the daughters in turn witnessing their mothers being raped, even their grandmothers. In most houses in the town nearly every room contained naked and dead women with the Swastika symbol crudely carved on their abdomens. No mercy was shown to the women and girls. It is estimated that about 2,000 girls that had been in the RAD and BDM (League of German Girls) camps in and around the town were raped and murdered in the first few days of the Soviet occupation.

Nuestettin Atrocities..

I have never-heard anyone scream as desperately as that girl. After this operation he drove his knife into her abdomen several times, which again was accompanied by the cheers of the Russians.The next girl cried for mercy, but in vain, it even seemed that the gruesome deed was done particularly slowly because she was especially pretty. The other three had collapsed, they cried for their mothers and begged for a quick death, but the same fate awaited them as well.

The last of them was still almost a child, with barely developed breasts. They literally tore the flesh off her ribs until the white bones showed.

Another five girls were brought in. They had been carefully chosen this time. All of them were well-developed and pretty. When they saw the bodies of their predecessors theybegan to cry and scream. Weakly, they tried desperately to defend themselves, but it did them no good as the Poles grew ever more cruel.

They sliced the body of one of them open lengthwise and poured in a can of machine oil, which they tried to light. A Russian shot one of the other girls in the genitals before they cut off her breasts.Loud howls of approval began when someone brought a saw from a tool chest. This was used to tear off the breasts of the other girls, which soon caused the floor to be awash in blood. The Russians were in a blood frenzy. More girls were being brought in continually. I saw these grisly proceedings as through a red haze. Over and over again I heard the terrible screams when the breasts were tortured, and the loud groans at the mutilation of the genitals.

Nemmersdorf

The Testimony of Captain Hermann Sommer

A number of troop companies reported to the fortress commander [at Königsberg] the discovery of several mounds of corpses situated quite close to one another. The commander, General Lasch, ordered a commission to investigate these discoveries. The commission reported that many similar piles of bodies were strewn throughout the area; but in two cases there were virtual mountains of bodies made up of ca. 3,000 women, girls, children and only a few men.

https://odysee.com/@louismarschalko:2/Nemmersdorf-Massacre-21-Oct-1944:c

In a recently published book by the Professor of Modern History at Cambridge, Richard Evans, a young Russian officer is quoted recalling how when his unit overtook a column of fleeing German refugees: 'Women, mothers and their children lie to the right and left along the route, and in front of each of them stands a raucous armada of men with their trousers down. The women, who are bleeding or losing consciousness, get shoved to one side, and our men shoot the ones who try to save their children.' A group of 'grinning' officers ensured that 'every soldier without exception would take part'. Evans records: 'Rape was often accompanied by torture and mutilation and frequently ends in the victim being shot or bludgeoned to death. The raging violence was undiscriminating.' The insistence on the men watching the rapes was deliberate policy, intended 'to underline the humiliation'.

Among the Soviet troops who overtook the tide of Prussian refugees as it poured out of Insterburg and Goldap was a young officer called Leonid Rabichev. Decades later, this man would find the strength to write about the atrocity he witnessed. "Women, mothers and their children, lie to the right and left along the route," he wrote, "and in front of each of them stands a raucous armada of men with their trousers down. " He might have added that the baying crowd included adolescent boys, for whom this gruesome ritual amounted to the first sexual experience of their lives. "The women who are bleeding or losing consciousness get shoved to one side,"Rabichev continued, "and our men shoot the ones who try to save their children." Meanwhile, a group of "grinning" officers stood nearby, one of whom was "directing—no, he was regulating it This was to make sure that every soldier without exception took part."

That night, Rabichev and his men were sent to sleep in an abandoned German shelter. Every room contained bodies—the corpses of children, of old men, and of women who had evidently suffered serial rape before their deaths. "We were so tired," Rabichev wrote, "that we lay down on the ground between them and fell asleep." 32 Mere corpses, after all, were barely shocking anymore. When they came upon another building and found the bodies of women who had been been raped and then mutilated one by one, each with an empty wine bottle in her vagina,Rabichev's men were less composed. The problem was that sympathy for enemy females was actively discouraged.

Nor is it true that rape was mainly carried out by reserve units following behind the front-line troops.

The Russian war correspondent Vassily Grossman was embedded with the elite front-line Eighth Guards Army which committed rape, as did at least one of his own war correspondent colleagues.

Nemmersdorf

The former chief of staff of the German Fourth Army, Major General Erich Dethleffsen, testified on July 5, 1946 before an American tribunal in Neu-Ulm. He said:

'When in October, 1944, Russian units temporarily entered Nemmersdorf, they tortured the civilians, specifically they nailed them to barn doors, and then shot them. A large number of women were raped and then shot. During this massacre, the Russian soldiers also shot some fifty French prisoners of war. Within forty-eight hours the Germans re-occupied the area.'

Karl Potrek of Königsberg, leader of a Volkssturm company present when the German Army took back the village, testified in a 1953 report:

'In the farmyard stood a cart, to which more naked women were nailed through their hands in a cruciform position ... Near a large inn, the 'Roter Krug', stood a barn and to each of its two doors a naked woman was nailed through the hands, in a crucified posture....In the dwellings we found a total of 72 women, including children, and one old man, 74, all dead. ... Some babies had their heads bashed in... In one room we found a woman, 84 years old, sitting on a sofa ... half of whose head had been sheared off with an axe or a spade'.]

'Hate is our prayer. Revenge is our battle cry. Those towns in the west of our country which have been destroyed by Allied terror raids and the starving women and children along the Rhine have taught us to hate the enemy. The blood and tears of our brutally murdered men, of our despoiled women and of our children beaten to death in the eastern provinces cry out for revenge.'

-The first day of April 1945, Easter Sunday, the national radio station Deutschlandsender, announced the formation of the German resistance movement -- the Wehrwolf.

The orgy of rape by Soviet troops was far greater than at first believed. Even Russian women and young girls, newly liberated from German concentration camps in Poland and in Germany, were brutally violated. The thousands of Russian women taken to Germany for forced labour also fell victims to the rapists. 'I waited for the Red Army for days and nights. I waited for my liberation, but now our soldiers treat us far worse than the Germans did' said one Maria Shapoval,'They do terrible things to us'............

Millions of women victims raped by Russian soldiers during the last months of World War II. Anthony Beevor's book "Berlin -- The Downfall 1945" documents rape by Russian soldiers. "Beevor's conclusions are that in response to the vast scale of casualties inflicted on them by the Germans the Soviets responded in kind, and that included rape on a vast scale. It started as soon as the Red Army entered East Prussia and Silesia in 1944, and in many towns and villages every female aged from 10 to 80 was raped." Until recent years, East German women from the World War II era referred to the Red Army war memorial in Berlin as "the Tomb of the Unknown Rapist....

Overrun by General Gatlitsky's 11th Guards Army, his soldiers, crazy with bloodlust, set about raping, looting and killing with such ferocity that eventually discipline had to be restored to force the soldiers back to fighting the war. From buildings, Russian signs were hung which read 'Soldiers! Majdanek does not forgive. Take revenge without mercy!'. When the Soviet 4th Army took over the town five days later, hardly a single inhabitant remained alive. Women were found nailed to barn doors after being stripped naked and gang raped, their bodies then used for bayonet practice. Many women, and girls as young as eight years old, were raped so often and brutally that they died from this abuse alone. Children were shot indiscriminately and all those trying to flee were crushed to death under the treads of the Soviet tanks. Forty French prisoners-of-war were shot on the spot as spies after welcoming the Red Army as liberators. Seventy one women and one man were found in houses, all dead. All the women, including girls aged from eight to twelve, had been raped.

27 women describe their own experiences and suffering as hostages of the victors in East Prussia since 1945. This compendium of horror deals with rape, torture and hunger. NEMMERSDORF.

NEMMERSDORF

Stalin's men were here . . .!

October 20, 1944, the village of Nemmersdorf, in East Prussia, 25 miles from the frontier, was occupied by Red Army troops. Soviet tank formations had unexpectedly made a breakthrough.

Two days later, the village was re-taken by German forces. They found the bodies of 33 of the villagers who had been murdered and mutilated. 16 were women, 2 were girls of twenty, 4 were schoolchildren. One babe in arms had been shot through the head. Two small children had had their heads bashed in. The remaining 8 were men.

The two girls had been raped, and then stabbed to death.

Most of the victims had smashed skulls. All had been shot in the head from close range as well, the majority by small calibre pistols. The children had been killed in this manner too. Even the infant had a bullet-hole in the forehead. One man had been sexually outraged.

The type of weapon used in most cases was a small pistol of the sort usually carried only by Red Army officers and their political commissars.

Similar massacres occurred in other villages in this area which could not be evacuated in time.

Maybe you understand now why we are fighting against the Bolsheviks.

And why we are fighting you too.

You are attacking us in the rear while we are struggling to hold back these bestial hordes from our country.

A Russian soldier, taken prisoner near Nemmersdorf.

Above: One of the girls of Nemmersdorf, ravaged, mutilated and murdered. Some of the women had been slashed with knives and unspeakably mutilated.

Above right: This nine-months old baby had been shot through the head. His mother was found lying a little way distant. She had been raped, then slaughtered.

Below right: A little boy, the youngest of a Nemmersdorf peasant family who were all killed by Stalin's soldiers. Together with his mother and two older sisters, this child was murdered by blows with rifle-butts and then shot.

Left: One of the old men who were in the village when the Red Army tanks came in. His face has been bashed in.

'At the edge of town, on the left side of the road, stands the large inn ‘Weisser Krug’... In the farmyard further down the road stood a cart, to which four naked women were nailed through their hands in a cruciform position. Behind the Weisser Krug towards Gumbinnen is a square with a monument to the Unknown Soldier. Beyond is another large inn, ‘Roter Krug’. Near it, parallel to the road, stood a barn and to each of its two doors a naked woman was nailed through the hands, in a crucified posture. In the dwellings, we found a total of seventy-two women, including children, and one old man, 74, all dead... all murdered in a bestial manner, except only for a few who had bullet holes in their necks. Some babies had their heads bashed in. In one room we found a woman, 84 years old, sitting on a sofa... half of whose head had been sheared off with an axe or a spade... We carried the corpses to the village cemetery where they lay to await a foreign medical commission...
In the meantime, a nurse from Insterburg came, a native of Nemmersdorf, who looked for her parents. Among the corpses were her mother, 72, and her father, 74, the only man among the dead. She also established that all the dead were Nemmersdorfers. On the fourth day the bodies were buried in two graves. Only on the following day did the medical commission arrive, and the tombs had to be reopened. Barn doors were set on blocks on which to lay the bodies so that the commission could examine them. This foreign commission unanimously established that all the women, as well as the girls from eight to twelve years and even the woman of 84 years had been raped. After the examination by the commission, the bodies were again buried.'

In 1939 Britain pledged assistance to Poland in the event of aggression. By our declaration of the 3rd of September we did associate ourselves with her cause, although we could afford no material support. This declaration of war was made when her western frontiers were overrun by Germany, but no similar declaration was made when on the 17th of September her eastern defenses were stormed by Russia. A delicate question. Our action, if hardly logical, was at least indicative of the realistic trends of British diplomatic machinations.

This first issue, virtually a test case, if not honorably settled will rout any hope we may have of a balance of power in Europe. It will constitute a flagrant disregard by the U.S.S.R. of all treaties ratified by her and a virtual admission by Britain of the U.S.S.R. as the supreme power in Europe. A sorry tribute to Britain and to her Empire, which stood alone during those dark and crucial days after the fall of France.

You raised the question in your speech of British approval of the Russo-Polish frontiers. But, surely the guarantee of these frontiers and our frequent re-affirmation of our intention to restore them was sufficient indication of our approval of them. The League of Nations set up after the last war was admittedly a failure, but what hope can we have of establishing any similar institution, the existence of which in some form will be essential to safeguard post-war Europe from the disasters of this first part of the twentieth century—if the U.S.S.R. assumes the role of European dictator even before the peace is won?

Let it not be recorded for posterity how the descendant of the glorious Marlborough was diverted from his path of honor and justice by the ruthless leader of a terror regime, and we can hardly consider that of the Soviet as other than terrorist, when to maintain order it required to detain in captivity twenty millions of its one hundred and eighty millions subjects.

Let it not be said of the one-time invincible Churchill: “Were it not better had he gone down in his glory at Teheran before the pass was sold, rather than live to associate his name and that of the Empire with such ignominy and shame.”

(Signed) E. J. CAMBELL.[45]

As the Polish press in England indicated, undoubtedly many Poles would have identified themselves with the spirit and the wording of this communication.

It was rather difficult, however, to sway Churchill from a policy, once he had adopted it. And apparently Churchill was determined to carry out his Teheran commitments loyally.

On February 29, 1944 the British Ministry of Information sent the following note to the higher British clergy and to the BBC.

Sir,

I am directed by the Ministry to send you the following circular letter:

It is often the duty of the good citizens and of the pious Christians to turn a blind eye on the peculiarities of those associated with us.

But the time comes when such peculiarities, while still denied in public, must be taken into account when action by us is called for.

We know the methods of rule employed by the Bolshevik dictator in Russia itself from, for example, the writing and speeches of the Prime Minister himself during the last twenty years. We know how the Red Army behaved in Poland in 1920 and in Finland, Estonia, Latvia, Galicia, and Bessarabia only recently.

We must, therefore, take into account how the Red Army will certainly behave when it overruns Central Europe. Unless precautions are taken, the obviously inevitable horrors which will result will throw an undue strain on public opinion in this country.

We cannot reform the Bolsheviks but we can do our best to save them—and ourselves—from the consequences of their acts. The disclosures of the past quarter of a century will render mere denials unconvincing. The only alternative to denial is to distract public attention from the whole subject.

Experience has shown that the best distraction is atrocity propaganda directed against the enemy. Unfortunately the public is no longer so susceptible as in the days of the “Corpse Factory,” the “Mutilated Belgian Babies,” and the “Crucified Canadians.”

Your cooperation is therefore earnestly sought to distract public attention from the doings of the Red Army by your wholehearted support of various charges against the Germans and Japanese which have been and will be put into circulation by the Ministry.

Your expression of belief in such may convince others.

I am, Sir, Your obedient servant,

(Signed) H. HEWET, ASSISTANT SECRETARY

The Ministry can enter into no correspondence of any kind with regard to this communication which should only be disclosed to responsible persons.[46]

It is unknown how many recipients of this communication complied with the above instructions.

On March 9, 1944 Mr. McLaren, the Head of the Political Desk of the Political Intelligence Department in the British Foreign Office, informed Mr. J. Zaranski, the counselor to the Polish Prime Minister, that he had received a specific order to prepare a series of broadcasts to Poland in Polish and other languages in order to prepare Polish public opinion about the necessity of giving up a considerable part of its eastern territories without mentioning, for the time being, the Curzon Line. These broadcasts were almost ready in the BBC, and they would go on the air without any delay. Upon being informed of this proposal, Mikolajczyk categorically rejected the plan, as a result of which the Foreign Office temporarily abandoned it.[47]

At the same time, the democratic organizations which were fighting the Nazis and suddenly were faced with a new terror, sent an urgent appeal to the peoples of the world through their Government in London, asking for help and implying that they had lost faith in Western leaders.

Were the Americans the Real Victors, in fact, the real victors? In the wake of the advancing American forces a sinister fifth column followed, the members of which in ninety-nine percent of cases were not Americans. This revengeful army was made up of emigrants from Eastern European countries, of black-market operators from Brooklyn
ghettos, of Czech, Polish and Hungarian Jews who took refuge in London and of criminal inmates

from the liberated concentration camps. They filled all major and minor posts in the C.I.C. organised according to the Morgenthau Plan; they swarmed in the O.S.S., in the various commissions searching for war criminals, as well as in the American security organisations. They became mayors of German towns and commandants of P.O.W. camps. They administered La Guardia's U.N.R.R.A. They occupied key positions in the American forces and thus exercised control over them. There were only 2,524 German war criminals on the original list of the U.N., but soon the C.I.C. and the American conquerors were conducting a search for one million German "war criminals" P.114

"British and allied troops appearing as defendants in war crimes trials with brutal Serbs and former Red Army thugs is well overdue", says 20th Century analyst, Michael Walsh. His research exposes allied genocide, enslavement and institutionalized ill treatment of axis prisoners-of-war both during and after World War 11.
He says, "the scale of abuse of prisoners-of-war was contrary to the Geneva and other conventions to which Britain and its allies were signatories. As late as 1948, three years after the war's end, the British Government's treatment of its foreign prisoners was subject to International Red Cross scrutiny and international condemnation. The IRC threatened to bring the British government before international tribunals for abuse and illegal enslavement. Typically, British administered prisoner-of-war camps were worse than Belsen long after the war had ended and war disruption ceased. Tragically even civilians were illegally held, deported and murdered in the tens of thousands whilst the evil killers responsible have so far evaded justice.

"Sudeten" refers to a mountain range 200 miles long and 20 to 40 miles wide, covering the north of Bohemia and Moravia as well as part of Sudeten Silesia. Major German settlement in the Sudeten began during the reign of King Premysl Otakar II in the 13th century when the area was largely uninhabited and heavily forested, but Germans had lived in modern day "Czech" territory well before Slavic tribes arrived around 500 AD.
http://www.revisionist.net/hysteria/silesia-sudetenland.html

Six hundred thousand Sudeten Germans were killed during the massacres in the earthly hell of the death camps of Czechoslovakia. The Sudeten German White Paper records these horrors with full details on more than 1,000 pages, horrors for which there is no precedent in the history of mankind. Armed Czech women and Jewesses continued hitting the womb of expectant mothers with truncheons until a miscarriage followed, and in one single camp ten German women died daily in this way. (Document No. 6.) In another camp, the inmates were forced to lick up the bespattered brains of their fellow-prisoners who had been beaten to death. German prisoners were forced to lick up infectious faeces from the underwear of their fellow-prisoners suffering from dysentery. (Document No. 17.) The Czech and Jewish doctors refused all medical aid to German women raped by the Russians. Hundreds of thousands died by these means or sought salvation in suicide, as, for instance, in Brno (Brun), where on a single day 275 women committed suicide. P120

Czechoslovakia, the aircraft-carrier of the Soviet Union, was completely undermined by Communist organisations from the very beginning of her national independence. One of the Communist leaders was Slansky-Salzman. The Communist literature and control of all the organising activities are in the hands of Jews.
[Page 58]In Bulgaria, the Communist movements were headed by Jews also. When two hundred officers and civilians fell victims to the plot against Sveta Nedelja, it came to light that the plot, organised by Dimitrov, was carried out by the Jews Jack and Prima Friedman. In Greece, the papers Avanti and El Tsoweno are the official organs of the Communist Party, the latter being the organ of the Communist Jewish association in Salonica as well.P57

Innocent Germans Brutalised and Killed In Czechoslovakia After The War

But the Germans in Lola's prison were slapped and whipped. And I'm so sorry to have to say it, but they were also tortured. The boy scout: the guards poured gasoline on his curly black hair and set it on fire. The boy went insane. The men: they were beaten with a Totschläger, a "beater-to-death." It's a long steel spring with a big lead ball at the end. You use it like a racketball racket. Your arm, your wrist, the spring: they deliver a triple hit to a German's face.
Lola didn't tell me, but the Germans in her prison were dying. I found their death certificates in Gleiwitz city hall. One of Lola's guards told me, "Yeah, the Germans would die." He told me, "I'd put the bodies in a horse-drawn cart. I'd cover them with potato peels so no one would see. I'd ride to the outskirts and, after I threw the potato peels out, I'd take the Germans to the Catholic cemetery. To the mass grave."

Hunger made German women more "available," but despite this, rape was prevalent and often accompanied by additional violence. In particular I remember an eighteen-year old woman who had the side of her faced smashed with a rifle butt, and was then raped by two G.I.s. Even the French complained that the rapes, looting and drunken destructiveness on the part of our troops was excessive. In Le Havre, we'd been given booklets warning us that the German soldiers had maintained a high standard of behavior with French civilians who were peaceful, and that we should do the same. In this we failed miserably.

THE BLOODY RED STREAK BY Trefor David. 1951

Nine out of ten people to-day when asked their views will say that Hitler was right about the Jews. Most people will also tell you that we should have made peace with Germany when Hess flew over here in 1941. Most people are saying that he was a brave man, as also was Goering who beat his hangman and the Jews to the punch by poisoning himself.

A German historian estimates in her book that French, British and American soldiers raped 860,000 Germans at and after the end of the WW2, including 190,000 sexual assaults by American soldiers.

https://odysee.com/@louismarschalko:2/web-archive-org-web-20210412194536-dailyarchives-org-index-php-archives-19-frenc...-(2):0

At least 190,000 of the rape victims, perhaps even more, were assaulted by U.S., British, Belgian and French soldiers.[21] Other sources estimate that, in Germany as a whole, approximately 2 million German women were raped in the aftermath of World War II. These estimates represent more rapes against a defeated enemy than any other war in history........

The inability of the German police to investigate rape and prosecute the alleged perpetrators enabled Allied soldiers to rape German women after the war was over. Cases of sexual aggression towards German women, for example, are documented in the files of the Bavarian police collected by the Ministry of the Interior. These reports of rape, committed mostly by Americans, are not dissimilar to the reports of rape by the Red Army in the East and in Berlin. The main difference is that the German population was surprised by and unprepared for this sexual aggression on the part of American soldiers.

Something that happened in December 1941, six months after the start of the German occupation, illustrates the positive reaction quite well. During that time people from some of the small villages collected several thousand woollen socks, mittens and felt boots as Christmas gifts for the German soldiers.Inside one of the socks there was a note signed by a Russian by the name of Mikhail Nikiforov:
“I am sending these socks as a gift to the invincible German army and pray that you defeat the Bolsheviks so that they are eradicated forever, and also for a quick victory and a safe journey home”.

Joseph Stalin (1879-1953)

Joseph Stalin was half Jewish and half Russian. In 1903 he was recruited by the Russian secret police and led a double life. He was arrested 8 times; he escaped and continued his work in the Marxist/socialist movement.

Pinay wrote:

"In the Georgian language “shvili” means son of, or son, as in Johnson. “Djuda” means Jew. Therefore Djugashvili means Jewison… Or Joe Jewison."

Vladimir Ilyich Lenin (1870-1924)

Vladimir Lenin was also half Jewish and half Russian. He was a Marxists/Socialist that worked for the Jewish world leaders. He was arrested a few times and sentenced to exile in Siberia where he married his Jewish wife. After he served his sentence, they lived in Germany, Belgium, England, Poland, and Switzerland before returning to Russia. He was never employed but lived a life of luxury in Europe. He was a member of the French freemasons Art et Travai.

All settlements, in which German troops are found, up to a depth of 40- 60km from the main lines of battle, are to be destroyed and set on fire, also 20-30km from the roads. For the destruction of the settled areas in the required radius, the air force will be made available, also artillery and rocket-launchers will be used extensively, as well as intelligence units, skiers and Partisan divisions, who are equipped with bottles with flammable liquid. These hunting expeditions in their activities of destruction are to be dressed to the greatest extent in German soldier's uniforms and uniforms of the Waffen-SS looted from the German army.´

Stalin’s Order #0428, commanded on the 17th November 1941, declared that Partisans wearing German uniforms, particularly those of the Waffen-SS, were to destroy all settlements within a swathe of about 40 – 60 km depth from the main battle lines and to ruthlessly kill the civilian population. With these tactics it was important to leave a few survivors, who would report the staged “German Atrocities.”This method of warfare was also confirmed by German soldiers who captured many Jewish-Russian Partisans wearing German uniforms.

Stalin the Crypto Jew.

Incidentally prisoners were gassed not in Nazi mobile gas chambers but in NKVD Ford made vehicles; the logo on the radiator was that of the Ford Motor Company.America’s General Electric and Canadian expertise was critical to building the world’s largest dam on the Dnieper River. The dwarfish Stalin gets and takes the credit for this and similar projects.

America’s Harvester International tilled Bolshevik fields, America’s Caterpillar provided the Gulag transport infrastructure; American factories built the railroads and rolling stock necessary for the deportation of tens of millions of Europeans. American-supported Stalin provided the necessary tens of millions of slaves.

American and Canadian engineers and advisors joked as to how many slaves would die each day at each of Stalin’s grandiose Jew-managed Five-Year Plans.

Hitler had planned to offer to restore sovereignty to the Czech state and to western Poland as part of a peace proposal with Great Britain and France. German Minister of Foreign Affairs Joachim von Ribbentrop informed Soviet leaders Josef Stalin and Vyacheslav Molotov of Hitler’s intention in a note on September 15, 1939. Stalin and Molotov, however, sought to stifle any action that might bring Germany and the Allies to the conference table. They told Ribbentrop that they did not approve of the resurrection of the Polish state.

Sudeten German Inferno 1945 -Toddlers Buried Alive -

Honek, the Czech General and parliamentarian of the First Republic, together with his daughter, reported in their publication Bloody Prague that in the first days of May 1945 several hundred German children and toddlers were locked into an underground room. The only exit was bricked up....
"A young guard soldier had shot a toddler who had wandered near the barbed-wire fence. I will ever remember the sight of his grinning face as he continued to send burst after burst of submachine gun fire into the dead lump of flesh. The pathetic remains of what had been a child continued to jerk under the impact of the bullets that drove into the shredded body."

Sudeten-German Inferno-Czech butchers of Germans end WW2

Women were yanked out of the groups they were in and dragged into the nearest houses and other buildings. Whoever wanted to could rape them. Nurses were stripped naked and publicly violated. The women's heads were shorn bald with paper scissors. Their faces were painted. Their clothes were torn off their bodies, and swastikas were painted on their backs and breasts. They were raped by the thousands. Many were forced to open their mouths so that their torturers could urinate into them... But these torments were harmless compared with what was yet to come.

Prague -Atrocities by Czechs against Germans 1945 (Cover wounded German soldiers hung)

Germans were tortured to death in the riding-school on Hybernerplatz. The death-cries mingled with the solemn sound of the organ from the nearby church, where these same people were "devoutly" praying to the God of Charity and Mercy!
There was nothing to be done but to submit oneself to the will of God and to suffer with patience, if

one wished to avoid an agonizing death. I have often wondered what it was that suddenly awakened such an abysmal hatred in the hearts of these people. After all, they had come through the war better than any other nation in Europe. The Czechs had been treated by the Germans as equals and were better nourished than many Germans. One had sat next to the Czechs in railroads, movies or cafés; no difference was made - except that the Czechs did not have to enlist and had no losses to lament. http://www.wintersonnenwende.com:80/scriptorium/english/archives/whitebook/desg23.html

TORTURE AND BRUTALITY

Adding to international outrage, Cyril Connolly, one of England’s most acclaimed writers reported: “British guards imprisoned German troops and tortured them.” He described how “they were so possessed by propaganda about German ‘Huns’ that they obviously enjoyed demonstrating their atrocities to visiting journalists. A British reporter named Moorehead who was present at these ‘torture fests’ observed that ‘a young British medical officer and a captain of engineers managed the Bergen-Belsen camp. “The captain was in the best of moods,” he said. “When we approached the cells of gaoled guards, the sergeant lost his temper.” The captain explained. ‘This morning we had an interrogation. I’m afraid the prisoners don’t look exactly nice.’

The cells were opened for the visiting journalists. “The German prisoners lay there, crumpled, moaning, covered with gore. The man next to me made vain attempts to get to his feet and finally managed to stand up. He stood there trembling, and tried to stretch out his arms as if fending off blows. “Up!” yelled the sergeant. “Come off the wall.”

“They pushed themselves off from the wall and stood there, swaying. In another cell the medical officer had just finished an interrogation. “Up.” yelled the officer. “Get up.” The man lay in his blood on the floor. He propped two arms on a chair and tried to pull himself up. A second demand and he succeeded in getting to his feet. He stretched his arms towards us. “Why don’t you kill me off?” he moaned.

“The dirty bastard is jabbering this all morning.” the sergeant stated. (3)

SHOOTING PRISONERS ‘FOR FUN’

Former British Army veteran A.W Perkins of Holland-on-Sea described conditions in the ‘Sennelager’ British concentration camp, which shockingly held, not captured troops but civilians. He recounts; “During the latter half of 1945 I was with British troops guarding suspected Nazi civilians living on starvation rations in a camp called Sennelager. They were frequently beaten and grew as thin as concentration camp victims, scooping handfuls of swill from our waste bins.”

This ex-guard described how other guards amused themselves by baiting starving prisoners. “They could be shot on sight if they ventured close to the perimeter fence. It was a common trick to throw a cigarette just inside the fence and shoot any prisoner who tried to reach it.”

“When Press representatives ask to examine the prison camps, the British loudly refuse with the excuse that the Geneva Convention bars such visits to prisoner-of-war camps.” complained press correspondent Arthur Veysey from London on May 28th 1946.

“UNDERFED AND BEATEN” ADMITS TOP AMERICAN NEWSPAPER

Typically “The prisoners lived through the winter in tents and slept on the bare ground under one blanket each. They say they are underfed and beaten and kicked by guards. Many have no underclothes or boots.” reported the Chicago Tribune Press Service on 19 May 1946 one year after the war’s end.

From 1933 to 1942, agents from the Jewish NKVD killed 300,000 at the Lukianivka prison in Kiev.

Stalin and Lenin were the front men. Their orders came from the Schiffs of America, and the Schiffs' orders came from the Rothschilds of France.

Who Ran The Prisons

These were all Bolshevik NKVD. Prisoners, mainly intelligentsia, were brought here, tortured, and then shot.

Who Kills 300,000?

The NVKD would go to a University, gather up any of the faculty, then bring them to the Kiev prison. They would torture them, and then execute them with a bullet to the back of the head.

Only blood-crazed psychopathic Bolsheviks/Communists/Jews delight in such murder.

Vinnitsa.
In contrast to the situation in National Socialist Germany, churches and Christians suffered terribly under Jew Josef Stalin and his Soviet communists. In May 1943 units of the German army were stationed in the Ukrainian city of Vinnitsa, a community of 100,000. Officials in Vinnitsa told the Germans that five years earlier the Soviet secret police had buried the bodies of a number of executed political prisoners in a city park. The Germans investigated, and within a month they had dug up 9,439 civilian corpses in the park and a nearby orchard (mostly farmers or workers). The men all had their hands tied behind their backs. The bodies of a number of young women were naked. All the victims had been shot in the back of the neck with a .22 caliber pistol, the trademark of the NKVD Jew executioners. Authorities estimated that in addition to the bodies exhumed, there were another 3,000 still in unopened mass graves in the same area. These were just a few of the approximately 60 [sixty] million Christians wiped out by the Reds. In 1933 and 1934, 7 million Ukrainians were systematically killed by starvation. Why is it that we hear so much about Auschwitz but we never hear about Vinnitsa? Above, a German WWII period poster of the tragedy.

This article was translated from the German by Ingrid Rimland.

I have never-heard anyone scream as desperately as that girl. After this operation he drove his knife into her abdomen several times, which again was accompanied by the cheers of the Russians.The next girl cried for mercy, but in vain, it even seemed that the gruesome deed was done particularly slowly because she was especially pretty. The other three had collapsed, they cried for their mothers and begged for a quick death, but the same fate awaited them as well.The last of them was still almost a child, with barely developed breasts. They literally tore the flesh off her ribs until the white bones showed.

Another five girls were brought in. They had been carefully chosen this time. All of them were well-developed and pretty. When they saw the bodies of their predecessors they began to cry and scream. Weakly, they tried desperately to defend themselves, but it did them no good as the Poles grew ever more cruel.

They sliced the body of one of them open lengthwise and poured in a can of machine oil, which they tried to light. A Russian shot one of the other girls in the genitals before they cut off her breasts.

Loud howls of approval began when someone brought a saw from a tool chest. This was used to tear off the breasts of the other girls, which soon caused the floor to be awash in blood. The Russians were in a blood frenzy.

More girls were being brought in continually. I saw these grisly proceedings as through a red haze. Over and over again I heard the terrible screams when the breasts were tortured, and the loud groans at the mutilation of the genitals.

CIVILIANS; WOMEN AND CHILDREN MACHINE-GUNNED

Tens of thousands of middle-European peoples, displaced by the war who fell into British hands were treated even worse in British controlled Austria and Yugoslavia. There, Britain and the NKVD ran the concentration camps jointly. The latter, forerunners to the evil KGB, were invited to assist the British in the capture and corralling, deportation and slaughter of their captives.

One British officer described how “The prisoners (civilians) were treated coarsely but not brutally. They were pushed and shoved but there was no resistance, no fighting or trying to get back or get away. They were all completely docile, resigned to their fate. The soldiers collected them all quickly into groups and marched them away to be machine-gunned in groups.’

The British officer added, ‘some of them didn’t get very far I’m afraid. At the back of the station there was a wood, a copse, and they seemed to be marched behind this copse. Shortly afterwards there were quite a number of sustained bursts of machine-gun fire. I can’t say for certain what happened, because I couldn’t see the shooting. But I am pretty sure that a lot of them were shot there and then, not on the siding itself but just around the corner of the wood.”

This is typical of many accounts when units of the British Army working with Red Army NKVD officers, hunted down and butchered tens of thousands of Cossack civilian refugees including children in Austria, in summer, 1945 after the war had ended.

Jews in the NKVD of Stalin's Soviet Union.

Although Jews were not a larger majority in the Soviet Union than, for example, Germans, Poles, or the Baltic people, their dominance in the Leadership of the NKVD is tremendous: They represented the biggest single group, even before the Russians, who numbered more than 30-times as many

people as the Jews.

The Cossacks hurriedly knotted their shirts into ropes to hang themselves before the military police could force its way in. They barricaded the doors, then broke in the windows
and fought for every piece of broken glass in order to cut open their veins. Old friends tried to cut each other's throats. Those unable to die this way tore off their shirts, offering their bared breast, shouting;"Shoot here, for I am not going back to Soviet Russia." (Pittsburgi Magyarsag, July 2nd, 1954 P.117
https://odysee.com/@louismarschalko:2/The-World-Conquerors-The-Real-War-Criminals:1

This is something that Britain would like buried in the ground. It is said that there were no good guys in the Second World War. The forced return of Cossacks to the Red Army by the British in 1945 only proves the point.

A bit of background. The Cossacks have always been fiercely independent. They had fought the Bolsheviks with the Whites in 1919. Many had emigrated to other countries. In 1941 when the Germans invaded Russia the Cossacks found a way to fight the Stalinist regime. They fought in the Wehrmacht against the Red Army.

As the war was ending, the Cossacks found themselves cornered in Austria, in areas controlled by the British. They thought they would be safe. But their fate had been sealed at the Yalta conference.

What followed was something that the British would hardly be proud about. All the captured Cossacks were handed over to the Red Army. Women and children included. Knowing full well the sad fate that awaited the Cossacks.

In the Bond film "Golden Eye" Bond says about this bit of history, "Not exactly our finest hour". Equally reprehensible for the Allies was the handing over of those Russians who were anti-communists, anti-Stalin and had fought the Red Army with the Germans.

Yalta made the Allied democracies do things that has left an indelible blot on their history.

The Cossacks didn't go willingly. British troops had to beat them into submission with billy clubs and rifle-butts. Eventually, almost 35,000 Cossacks were transported to their 'mother country' where the Soviets 'welcomed' them.

The vast majority of them were sent immediately to labor camps in Siberia, which were little better than the death camps the Nazis had built. Almost all of the Lienz Cossacks 'repatriated' back to Russia died in brutal suffering.

The 'lucky' ones didn't even make it that far. Because many of the Cossacks weren't born in Russia (their parents had left following the Russian Revolution) they were unable to be tried for treason as Soviet Citizens. Therefore the Red Army saved themselves the hassle of a military trial and executed them on the spot, with a bullet through the brains.

A BLOOD-SPATTERED BRITISH TRANSPORT TRAIN

Tens of thousands of people of many nationalities were hunted down and rounded up like cattle to be taken to the Red Army's killing fields. One account described how 'the whole train was bespattered with blood. They were open-plan carriages, and I remember the bloodstains where bodies had been dragged right down the corridor between the seats and down three of four steps. The lavatories were absolutely covered in blood…."

"Another such patrol, consisting of two Red Army officers and four British soldiers set off into the hills on horseback on June 8th. They captured one such group on the lower slopes…. "The Cossacks ran off, leaving just a few, mainly women and children who were too weak to move. One soldier spotted a Cossack in the distance, aimed his rifle at him, fired and saw him drop. …. As he was not seen to rise again it was assumed he had been killed."

Captain Duncan McMillan remembers, 'Being guided to a small railway station where there was a barbed-wire enclosure' He saw the Cossacks being unloaded from the trucks and described how they were stripped of their possessions, even food before being marched away. 'Many British soldiers who were there have testified that they heard the rattle of machine-guns nearby just moments after the prisoners were removed." James Davidson said: "We thought that machine-gunning must be the finish of them. We thought they were just taken back there and slaughtered."

The Last Secret (1974), broke to the British public the story of the part played by the British V Corps after the end of the Second World War in handing over two million White Russian refugees to death or imprisonment in Soviet camps.

These awful accounts were described in Nicholas Bethell's book, The Last Secret published by Futura, (London) in 1974. The English legal apparatus suppressed further accounts.

SLAVE LABOUR IN THE CENTURY

In August 1946 15 months after the end of the Second World War, according to the International Red Cross, "Britain had 460,000 German prisoners slaving for her." This was in direct contravention of the Geneva Convention (Enslavement of Prisoners-of-War is a violation of the Geneva Convention. Article.75) which Britain was a signatory to. Arthur Veysey of the Chicago Tribune Press Service on May 28th 1946 reported "When they (German POWs) learned upon arrival in British and French ports they were to be worked indefinitely as slaves, they became sullen."

PROFITING FROM GERMAN SLAVES

Arthur Veysey appalled by the British government's abuse of human rights and the illegality of its evil slave-ownership policies and defiance of the Geneva Convention said, "The British Government nets over $250,000,000 annually from its slaves. The Government, which frankly calls itself the 'owner' of the prisoners, hires the men out to any employer needing men, charging the going rate for such work, usually $15 to $20 a week. It pays the slaves from 10 to 20 cents a day. The prisoners are never paid in cash, but are given credits either in the form of vouchers or credits."

THE SOVIET UNION FOLLOWS BRITAIN'S SLAVE EMPIRE EXAMPLE

When American attempts were made to prevent Stalin from abducting five million Germans, many of them civilians including children, as slave laborers after Germany's defeat, the Soviets made their point. They produced a proclamation signed by General Dwight Eisenhower a year earlier, which gave the Soviets complete freedom to do whatever, they wished with captured Germans. This included deportation, enslavement; to loot and destroy without restraint, even using German transport to do so. They reminded the US Government that they had an equal right to do as the Americans were doing and were exercising the same right.

Eyewitness accounts describe events when Berlin and Breslau surrendered. “The long grey-green columns of prisoners were marched east downcast and fearful towards huge depots near Leningrad, Moscow, Minsk, Stalingrad, Kiev, Kharkov and Sevastopol. All fit men had to march 22 miles a day. Those physically handicapped went in handcarts or carts pulled by spare beasts.” This was reported in the Congressional Record on March 29th 1946.

http://www.whale.to/b/walsh11.html

…......................

A café owner from Le Havre expressed the deep French disillusionment over the Americans' behavior when he said: "We expected friends who would not make us ashamed of our defeat. Instead, there came incomprehension, arrogance, incredibly bad manners and the swagger of conquerors."

Sexuality, prostitution and rape were all methods used by Americans to "assert their power on the French."

The average GI ‘had no emotional attachment to the French people or the cause of their freedom’. Normandy women launched a wave of rape accusations against American soldiers, threatening to destroy the erotic fantasy at the heart of the operation. The spectre of rape transformed the GI from rescuer-warrior to violent intruder.

With the raping and the bombing, it was therefore understandable why some French wondered whether they really had been ‘liberated’ after all.

French women who worked as prostitutes even looked back on their German clients with something approaching affection. GIs, it seemed, wanted more than just sex.

‘You had to keep an eye on your purse with those bastards,’ one woman recalled. ‘It’s sad to say, but I missed my Fritzes, who were gentler with women. I was not the only one to say it; all the women thought the same as me, only they did not always say it.’

…......

To anybody familiar with the extremely strict rules of conduct for the German armed forces, especially in occupied enemy territory, this story is not very surprising. For example, any German soldier caught raping a woman faced a firing squad shortly thereafter. Compare this with the announcement of the Russian commanders to their forces invading Germany at a later date, that all enemy females were their property, or the recommendation of President Roosevelt that our troops should study Kaufmann's tract, Germany Must Perish, which recommended that all Germans of reproductive age be sterilized.

The American Ambassador told me that war had been decided upon. He did not say, nor did I ask, by whom. He let me infer it… When I said that in the end Germany would be driven into the arms of Soviet Russia and Bolshevism, the Ambassador replied: “What of it? There will not be enough Germans left when the war is over worth Bolshevising.”

STARVATION OF POWS IN FRANCE

By August 1946 France according to the International Red Cross had enslaved nearly three-quarters of a million former German servicemen. Of these 475,000 had been captured by the Americans who ‘in a deal’ had transferred them to French control for the expressed purpose of forced labour. Interestingly in a macabre way, the French returned 2,474 German POWs complaining that they were weaklings. (5)

Those returned must indeed have been in a bad way for the 472,526 remaining slaves had already been described by correspondents as; “a beggar army of pale, thin men clad in vermin infested tatters.” All were pronounced unfit for work, three quarters of them due to deliberate starvation. Of this unfortunate ‘army’ of slaves 19% were so badly treated they needed to be hospitalized (6)

In the notorious camp in the Sarthe District for 20,000 prisoners, inmates received just 900 calories a day; thus 12 died every day in the hospital. Four to five thousand are unable to work any more. Recently trains with new prisoners arrived at the camp; several prisoners had died during the trip, several others had tried to stay alive by eating coal that had been lying in the freight train by which they came. (7)

On December 5th 1946 the American Government requested the repatriation (by October 1, 1947) to Germany of the 674,000 German prisoners-of-war it had handed over to France, Belgium, the Netherlands and Luxemburg.

France agreed in principle but refused to abide by the release date stipulated. They pointed out, correctly, that a December 1st 1945 memorandum clearly stated that German prisoners handed over to the French by the US Government ‘were chattels to be used indefinitely as forced labour’. (8)

US ARMY SLAUGHTERED GERMAN POWS

The German armed forces invariably obeyed the Rules of War conventions to the letter. Speaking for himself and other allied military commanders, Major General Robert W. Grow, U.S.A.

Commander 6th Armored Division in Europe conceded there was ‘no German atrocity problem’.

“My service during World War Two was in command of an armored division throughout the European campaign, from Normandy to Saxony. My division lost quite a number of officers and men captured between July 1944 and April 1945. In no instance did I hear of personnel from our division receiving treatment other than proper under the ‘Rules of Land Warfare’. As far as the 6th Armored Division was concerned in its 280 days of front line contact, there was no ‘atrocity problem’. Frankly, I was aghast, as were many of my contemporaries, when we learned of the proposed ‘war crimes’ trials and the fact that military commanders were among the accused. I know of no general officer who approved of them.” (9)

Despite the German observance of convention the American forces response was often as summary and as brutal as those practiced by their Soviet allies. Only in cases where large numbers of captured soldiers had been taken were they to be enslaved. If captured in smaller groups the US Army policy was simply to slaughter their captured prisoners where they stood.

A specific study is now being made for the purpose of compiling evidence of such atrocities to which the author, Michael Walsh, would appreciate input.

One such case was the cold-blooded slaying of an estimated 700 troops of the 8th SS Mountain Division. These troops who had fought with honorable distinction had earlier captured a US field hospital. Although the German troops had conducted themselves properly they were, when subsequently captured by the US Army, routinely separated and gunned down in groups by squads of American troops.

US ARMY TURNS PEACEFUL DACHAU INTO CHARNEL HOUSE

A similar fate befell infantrymen of the SS Westphalia Brigade who were captured by the US 3rd Armored Division. Most of the German captives were shot through the back of the head. “The jubilant Americans told the locals to leave their bodies in the streets as a warning to others of US revenge” Their corpses lay in the streets for five days before the occupying forces relented and allowed the corpses to be buried. After the war the German authorities attempted, without success, to prosecute the GIs responsible. (10)

Ironically in the light of postwar research it has been revealed that the only atrocities committed at Dachau were those carried out by the victorious allies. Equally ironically this camp was an allied concentration camp (eleven years) for a longer period of time than it was a German administered camp. There, “Three hundred SS camp guards were quickly neutralized.” on the orders of General Dwight D. Eisenhower.

The term neutralized of course is a politically correct (or cowardly) way of saying that prisoners-of-war were rounded up and machine-gunned in groups. Accounts of the mass murder of prisoners-of-war at Dachau have been described in at least two books; ‘The Day of the Americans by Nerin Gun, Fleet Publishing Company, New York, and, Deliverance Day – The Last Hours at Dachau by Michael Selzer; Lippincot, Philadelphia

These books describe how German prisoners were collected in groups, placed against a wall and methodically machine-gunned by American soldiers while some were still standing, hands raised in surrender. American soldiers casually climbed over the still twitching bodies, killing the wounded. Whilst this was happening, American photographers were taking pictures of the massacres that have since been published.

At Dachau, which was in the American zone of Germany, a shock force of American and Polish guards attempted to entrain a group of Russian prisoners from Vlasov’s Army who had refused to be repatriated under the new American ruling.

MASS SUICIDES

‘All of these men refused to entrain,’ Robert Murphy wrote in his report of the incident. ‘They begged to be shot. They resisted entrainment by taking off their clothes and refusing to leave their quarters…. Tear-gas forced them out of the building into the snow where those who had cut and stabbed themselves fell exhausted and bleeding in the snow. Nine men hanged themselves and one had stabbed himself to death and one other who had stabbed himself subsequently died; while twenty others are still in hospital from self-inflicted wounds. The entrainment was finally effected of 368 men.” (11)

“The last operation of this kind in Germany took place at Plattling near Regensburg, where fifteen hundred men of Vlasov’s Army had been interned by the Americans. In the early hours of February 24th, 1946, they were driven out of their huts wearing only their night-clothes, and handed over to the Russians in the forest near the Bavarian-Czech border. Before the train set off on its return journey the American guards were horrified to see the bodies of Vlasov’s men who had already committed suicide hanging in rows from trees, and when they returned to Plattling even the German SS prisoners in the nearby POW camp jeered at them for what they had done.” (13)

According to the Toronto Daily Star, March, 9th, 1968, “Former members of an illegal Israeli force which was given absolute freedom to slaughter Germans conceded that “More than 1,000 Nazi SS Officers died as a result of eating arsenic-impregnated bread introduced April, 13th, 1946, in an American-run prisoner-of-war camp near Nuremberg.”
After the US victory (the battle for Remagen Bridge) Germans in the Rhineland surrendered en masse. Between April and July 1945, some 260,000 German prisoners-of-war were held under American guard in the boggy fields between Remagen and Sinzig. They were kept in the open air and their daily ration was one potato, a biscuit, a spoonful of vegetables and some water. Racked by disease, at least 1,200 died, according to German records.” (14)

THE CATHOLIC CHURCH CONDEMNS US SLAVERY

In the USA where 140,000 German prisoners-of-war were shipped, the Catholic Bishops Conference described how, “Multitudes of civilians and prisoners of war have been deported and degraded into forced labor unworthy of human beings.”
“Hundreds of thousands, if not millions, are put like slaves to forced labor, although the only thing with which they can be reproached is the fact that they were soldiers. Many of these poor fellows are without news from home and have not been allowed to send a sign of life to their dear ones.”

GERMAN SLAVES HELD IN ALLIED COUNTRIES

United States 140,000 (US Occupation Zone of which 100,000 were held in France, 30,000 in Italy, 14,000 in Belgium. Great Britain 460,000 German slaves. The Soviet Union 4,000,000 – 5,000,000 estimated. France had 680,000 German slaves by August 1946. Yugoslavia 80,000, Belgium 48,000, Czechoslovakia 45,000, Luxembourg 4,000, Holland 1,300. Source: International Red Cross.

“AN EVIL PRECEDENT”

An outraged International Red Cross organization opined: “The United States, Britain and France, nearly a year after peace are violating International Red Cross agreements they solemnly signed in 1929. Although thousands of former German soldiers are being used in the hazardous work of clearing minefields, sweeping sea mines and razing shattered buildings, the Geneva Convention expressly forbids employing prisoners ‘in any dangerous labour or in the transport of any material used in warfare.’

GERMAN TREATMENT OF POWs FAR MORE HUMANE

By contrast the German armed forces behaved impeccably towards their prisoners-of-war. “The most amazing thing about the atrocities in this war is that there have been so few of them. I have come up against few instances where the Germans have not treated prisoners according to the rules, and respected the Red Cross reported respected newspaper The Progressive February, 4th1945.
Allan Wood, London Correspondent of the London Express agreed. “The Germans even in their greatest moments of despair obeyed the Convention in most respects. True it is that there were front line atrocities – passions run high up there – but they were incidents, not practices, and misadministration of their American prison camps was very uncommon.” Lieutenant Newton L. Marguiles echoed his words.

US Assistant Judge Advocate, Jefferson Barracks, April 27th1945. “It is true that the Reich exacted

forced labour from foreign workers, but it is also true that, they were for the most part paid and fed well.”
“I think some of the persons found themselves better off than at any time in their lives before.” added Dr.James K.Pollack, Allied Military Government.
“What did the Germans do to get efficient production from forced labour that we were not able to do with Germans working down the mines? They fed their help and fed them well.” Said Max H. Forester, Chief of AMG’s Coal and Mining Division in July 1946.

No Evidence Of Genocide
One of the most important aspects of the Red Cross Report is that it clarifies the true cause of those deaths that undoubtedly occurred in the camps toward the end of the war. Says the Report: "In the chaotic condition of Germany after the invasion during the final months of the war, the camps received no food supplies at all and starvation claimed an increasing number of victims. Itself alarmed by this situation, the German Government at last informed the ICRC on February 1st, 1945 ... In March 1945, discussions between the President of the ICRC and General of the S.S. Kaltenbrunner gave even more decisive results. Relief could henceforth be distributed by the ICRC, and one delegate was authorised to stay in each camp ..." (Vol. III, p. 83).

US. and british soldiers abuse german prisoners at the Tangermünde Bridge Germany may 10 1945
Many German soldiers at the end of the fighting desperately tried to get to a place where they could be taken captive by the Americans rather than the Russians. Some swam, ran or crawled to safety. Others resorted to stealing US jeeps or donning US uniforms to accomplish this and when caught were usually treated as spies and executed. The Battle of Tangermunde in Germany during World War II. British troops were ordered to hunt down and shoot Russian prisoners who tried to escape their fate. Some British troops, weeping, refused to fire on the hapless Russians and were then threatened by their officers with drawn pistols and made to do so. All were then read the Official Secrets Act and compelled to keep their silence.

As early as March 1945 Vlasov had sent trusted officers on secret missions to the British and the Americans. They were suppose to make them understand that the hundred thousand Russians who fought on the German side were no Fascists, no slaves to the Germans, no vassals, but rebels against Soviet tyranny. Most of all, they were to warn the Western powers of Moscow's unchanged goals,

which were still geared towards world domination.But their message fell on deaf ears. Vlasov's envoys were not even granted an audience. They were arrested and later handed over to the Soviet executors. After all, the war was not in fact fought for the cause of human rights. Only the Germans were to be wiped out.

Lenin’s decree of the Cheka’s powers and parameters were intentionally vague. In 1918 – 1921, The Cheka held 200,000 members. Their favorite techniques are, but not limited to:

- Sawing through bones
- Crushing victims’ skulls in a vice
- Pushing citizens into furnaces or scalding vats of water (Odessa)
- Dousing people with water in the Russian winter to create human living statues (Orel)
- “The Glove” – boiling a suspect’s hand in water and peeling back the skin (Kharkiv)
- Rolling a suspect in a barrel lined with protruding nails (Varennes or Voronezh)
- Placing a rat in the cage against victims belly and applying heat; forcing the rat to eat through the captive’s stomach (Kiev)

Piles of Corpses at Dachau, Buchenwald Were Dead German Soldiers Staged for Propaganda by Jews in US Military.In 1977, during a visit to New York and Cape May, I recounted the story of the trainload of dying German prisoners to two former US officers. They had both been stationed in Heidelberg shortly after the war and they knew all about it. They agreed that the cattle cars were filled with captured German soldiers who were infected with typhus and dysentery.On a sunny day in mid-June 1945, I hopped on a freight train and went to Erfurt. The train stopped about a kilometer and a half before the station, so I shouldered my rucksack and began walking toward the station. I soon noticed a freight train of about 20 cattle cars sitting on a side track. A bad odor was coming from that direction. As I came closer I saw hands protruding from ventilation holes and heard sounds of moaning, so I crossed several tracks and approached the cattle cars. The people inside noticed me and began crying “Water, comrade, water!” Then I reached the train and recognized the terrible stench of feces and rotting corpses. The sliding doors and ventilation holes were crisscrossed with barbed wire securely nailed. Urine and partially dried feces oozed from under the sliding doors and between the boards.…They were in fact unwitting extras in a movie being made by Alfred Hitchcock, the Hollywood horror-film specialist. Six hundred thousand Sudeten Germans were killed during the massacres in the earthly hell of the death camps of Czechoslovakia. The Sudeten German White Paper records these horrors with full details on more than 1,000 pages, horrors for which there is no precedent in the history of mankind. Armed Czech women and Jewesses continued hitting the womb of expectant mothers with truncheons until a miscarriage followed, and in one single camp ten German women died daily in this way.

THE HOLOCAUST OF PRAGUE.
"In the night of May 4-5, 1945 the mass murders began in Prague. The most gruesome events of the Middle Ages pale in comparison to the murderous blood lust that played itself out in the streets, houses and most of all the hospitals of Prague.
Along with a selected 10 wounded patients, the nurses had to line up in rows of two and march off, singing the German national anthem. Anyone who did not sing loudly enough, or at all, was beaten until his or her voice was audible. To either side of the street the compatriots of the wild mob stood applauding. The procession was stopped in Peter's Square, which seemed to be the arena best suited for the planned macabre game.
A bow-legged descendant of the Awars shrieked: "Undress! Everyone undress completely!" Since the unfortunate victims made no move to take off their clothes, he gave his accomplices the sign to start beating.The wounded and the nurses were smashed to the pavement, some beside and on top of each other, unable even to move.
"Undress or die!" the sadist kept screaming.

According to Bacque between 1941 and 1950 around one and a half to two million German prisoners of war died, whilst a further five million seven hundred thousand German civilians died between 1946 and 1950, largely, Bacque maintains, as a result of Allied policy. In all Bacques estimates that between nine and half and fourteen million ethnic Germans, German prisoners of war and civilians were to die in these iniquities. Part of the blame for this can be laid at the feet of Josef Stalin who, through his propaganda minister, Ilya Ehrenburg, actually encouraged the rape and degradation of the German civilian population. Allied War Crimes 1941-1950 by Rixon Stewart

..."it is hard to escape the conclusion that Dwight Eisenhower was a war criminal of epic proportions. His (DEF) policy killed more Germans in peace than were killed in the European Theater." [2008] Eisenhower's Holocaust - His Slaughter Of 1.7 Million Germans
His best estimate is that some three million Germans, military and civilians, died unnecessarily after the official end of hostilities. A million of these were men who were being held as prisoners of war, most of whom died in Soviet captivity. (Of the 90,000 Germans who surrendered at Stalingrad, for example, only 5,000 ever returned to their homeland.) Less well known is the story of the many thousands of German prisoners who died in American and British captivity, most infamously in horrid holding camps along the Rhine river, with no shelter and very little food. Others, more fortunate, toiled as slave labor in Allied countries, often for years.
Most of the two million German civilians who perished after the end of the war were women, children and elderly -- victims of disease, cold, hunger, suicide, and mass murder.
Apart from the wide-scale rape of millions of German girls and woman in the Soviet occupation zones, perhaps the most shocking outrage recorded by MacDonogh is the slaughter of a quarter of a million Sudeten Germans by their vengeful Czech compatriots.New Book Details Mass Killings and Brutal Mistreatment of Germans at the End of World War Two

According to Bacque, given the extraordinarily harsh conditions imposed upon them by the Allies (i.e., the British, French, Soviets, and Americans), at least 9.3 million and possibly as many as 13.7 million Germans, had, by 1950, needlessly died as a result.A Review of James Bacque's "Crimes and Mercies: The Fate of German Civilians Under Allied Occupation 1944-1950" by Eric Blair.

General Eisenhower, the beast who would soon be the President of the United States, at the opening of the Ruhr drive declared. “Our primary purpose is the destruction of as many Germans as possible. I expect to destroy every German west of the Rhine and within that area in which we are attacking.” Eisenhower, the Swedish Jew, having raped, robbed and destroyed his way across France and Germany, then went on to starve one and a half million German Prisoners of War to death in his Rhine Meadows Death Camps.The Jew trio of Roosevelt, Churchill and Stalin, did then at Yalta, condemn millions of the people, of Eastern Europe to a life under the control of the mass murdering Jew, Joseph Stalin, under whose orders untold millions of Christians were brutally

tortured and murdered.In 1933, the declared aim of International Jewry, was the mass murder of the German people, every man, woman and child, for daring to break free from the stranglehold of the Jew controlled, international banking system.

"The girls, women and nuns were raped incessantly for hours on end, the soldiers standing in queues, the officers at the head of the queues, in front of their victims. During the first night many of the nuns and women were raped as many as fifty times.The Russians knocked them down, kicked them, beat them on the head and in the face with the butt-end of their revolvers and rifles.The same dreadful scenes were enacted in the hospitals, homes for the aged, and other such institutions. Even nuns who were seventy and eighty years old and were ill and bedridden were raped and ill-treated by these barbarians. (Ibid. p.84)

After the Reich: The Brutal History of Allied Occupation by Giles MacDonogh
His best estimate is that some three million Germans, military and civilians, died unnecessarily after the official end of hostilities.....Most of the two million German civilians who perished after the end of the war were women, children and elderly -- victims of disease, cold, hunger, suicide, and mass murder.....perhaps the most shocking outrage recorded by MacDonogh is the slaughter of a quarter of a million Sudeten Germans by their vengeful Czech compatriots......We are ceaselessly reminded of the Third Reich wartime concentration camps. But few Americans are aware that such infamous camps as Dachau, Buchenwald, Sachsenhausen and Auschwitz stayed in business after the end of the war, only now packed with German captives, many of whom perished miserably.

'Weeks before you entered this house, its tenants were living in constant fright and fear,' the rich German publisher Hans-Dietrich Muller Grote wrote to President Truman about the place he stayed in during the Potsdam conference of July 1945.

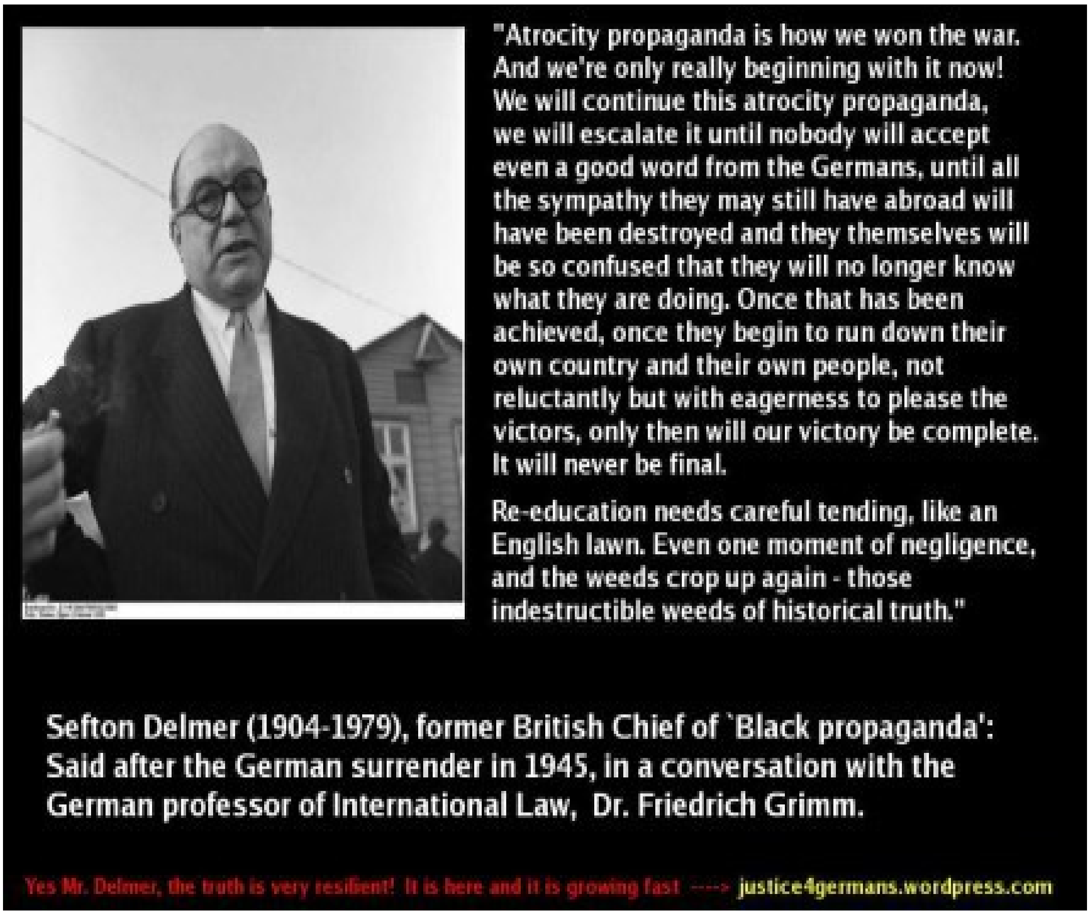
Walendy, Udo - On Sefton Delmer(Jew) British Chief of "Black propaganda": "Atrocity propaganda is how we won the war.



"Atrocity propaganda is how we won the war. And we're only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final.

Re-education needs careful tending, like an English lawn. Even one moment of negligence, and the weeds crop up again - those indestructible weeds of historical truth."

Sefton Delmer (1904-1979), former British Chief of `Black propaganda': Said after the German surrender in 1945, in a conversation with the German professor of International Law, Dr. Friedrich Grimm.

In a recently published book by the Professor of Modern History at Cambridge, Richard Evans, a young Russian officer is quoted recalling how when his unit overtook a column of fleeing German refugees: 'Women, mothers and their children lie to the right and left along the route, and in front of each of them stands a raucous armada of men with their trousers down. The women, who are bleeding or losing consciousness, get shoved to one side, and our men shoot the ones who try to save their children.' A group of 'grinning' officers ensured that 'every soldier without exception would take part'.
Evans records: 'Rape was often accompanied by torture and mutilation and frequently ends in the victim being shot or bludgeoned to death. The raging violence was undiscriminating.' The insistence on the men watching the rapes was deliberate policy, intended 'to underline the humiliation'.

In August 1943 the head of the British Psychological Warfare Executive (P.W.E), Victor Cavendish-Bentinck, sent a secret telegram from the Foreign Office to Washington and Moscow saying, "On further reflection we are not convinced that evidence regarding use of gas chambers is substantial enough to justify inclusion in a public declaration…," with an "urgent reply" requested. A copy of this message is kept in the Public Record Office, dated 27 August 1943. On the next day a copy of this telegram was sent to the governments of Canada, Australia, New Zealand and South Africa. That seems like a fairly definite policy statement. A letter by Cavendish-Bentinck complained that "The Poles, and to a far larger extent the Jews, tend to exaggerate German atrocities in order to stir us up," and explained:

"As regards putting Poles to death in gas chambers, I do not believe that there is any evidence that this has been done. There have been many stories to this effect, and we have played them up in P.W.E. rumours without believing that they had any foundation. At any rate there is far less evidence than exists for the mass murder of Polish officers by the Russians at Katyn."

Oradour Sur Glan

They chant Oradour, the resistance, Normandy and so on, all to make it seem SS men were especially cruel and inhumane. People are being preoccupied and distracted so they don't look into these things and challenge if they are true or overstated. Look at Oradour, I spoke to men who were there and they assured me, as Frenchmen, that the Allies encouraged the villages in that region to hide munitions and carry out attacks on our forces. Many innocents were killed by these terrorists, yet not a word in the press. The press carefully hides the guilty, and blames the victims. The people chose their fates when they broke laws to actively rise up and kill, and some were quite sadistic. The reprisals were harsh, it is true, but the people knew this could happen. Yet they chose to fight, and put their homes and property at risk.

I will tell you that the Allies caused far more destruction in France than the Germans ever did in two wars. I bet you did not know they bombed France heavily, killing over one hundred thousand. They do not teach you that, but they teach that the Germans killed a few hundred terrorists who happened to live as civilians. In the east it was the same I am sure, I never saw any of it, but it was talked about. There was training we had to attend that explained the way they worked and what to do if we found any. They were to be turned over to the police or militias for investigation.

Wolfgang F. of the mighty Das Reich Division.

I have read many accounts that say the SS was behind many mass killings, is there any truth to this?

Woldgang: My god no, I feel like we live in a false world, where truth does not exist. We are made out to be criminals by our own government. People seem to not comprehend that we are an occupied nation. Our schools teach what the victors told them was acceptable long ago. We get no parades, or honors for our service to Germany, the victors sure do. Our children and grandchildren get to look upon the former enemies with honor, and admiration, but for us we are made to be ugly and evil. This is not right, even the Wehrmacht is now starting to feel the wrath of the enemy..................

They never tell you that the Jew was the creator of communism; Marx, Lenin, Trotsky, and Ehrenburg were just the tip of the iceberg. The whole government was formed and run by the Jews. They in turn killed off millions who did not want to go along with them. When we attacked Russia, from almost day one, we had to witness and stop the attacks. Whole Jewish settlements were destroyed, and it was Germans who restored them. It was so bad, that one reason they went to camps later was to protect them. I had a friend who was a medical person at Birkenau, he told me once, a Pole tried to poison the Jewish inmates because his father died in a gulag.

Oradur.

We were all on edge, as it seemed the enemy was where we were, which is what they wanted. We heard reports that a beloved officer and his driver were captured, and our commander had to try to get him back. We were diverted to help in this case. The radio was saying that a few towns had terrorists in them and to avoid them. We were ordered to go to Oradour as a citizen said he was there. When were arrived it was already a scene of chaos and confusion. I saw the women and children being put into a church and the men were lined up close by. I saw comrades breaking in a door to a house; they were looking for German prisoners. They brought out a sten gun and money.

It was evident to me right off we were in a town where they were strong, and well organized. The women and some youngsters wore the same armbands the men did. This identified them as fighters and aides. A yell rang out that a dead German soldier was found, and I heard a rifle shot, he was found in a house with a hiding man. The man was shot outright as he had his personal belongings on him. I saw our commander go confer with other officers, and the command was given to search all houses in the town, and it was loudly announced that per law, any home hiding weapons was to be burnt. This caused an agitation in the group of men, and I saw one try to run, and he was shot down.

Our men were on edge as we feared attacks, so guards had to be posted all around the perimeter, I was one of these men. It was our duty to make sure no attacks could be made on us. I heard windows being broken, and shouts of “I have found some weapons and explosives”. Word would come to us that many homes contained illegal weapons of war; we even found anti-tank rockets, mines, and explosives. It was clear many in this town were aiding the resistance. The male owners of any homes where weapons were found were called forward and were placed under arrest. I know that some were shot. This was not easy on us, and many complained we should have let the police take charge. They forgot we had a mission, to get to Normandy, and these terrorists were guilty of very cruel crimes.

Missing soldiers were found mutilated; these terrorists negotiated like gangsters, demanding ransoms, killing friendly civilians, and had no honor. So according to the law, we burned their homes, which got out of control and set others on fire we did not intend to. This was in some cases due to hidden explosives we had not found. One home blew up injuring a comrade. He received a bad leg wound, another was killed. There was nothing we could do to save parts of the town. I will speak of the church, as it held the others. I know a guard was placed to keep an eye on the people inside, and said he could hear a lot of movement, and squabbling, he was a French/German who was from the border area. We had many in our division, and they hated the resistance with a passion. He said later he heard someone yell out to put the weapon down, you will get someone killed. The next thing he knew a blaze was started in the stone bellower, then an explosion, and a massive fireball came down and went into the sanctuary. I saw the flames shoot out of the small windows.

It happened so fast, and was so intense that he could not open the doors; all the people died save for a few survivors. The wartime and postwar story was we came into the town and set it on fire, purposely killing the people. This is not true and lucky for us the French were level headed in their investigation after the war. They were in the midst of a communist revolt, and knew many of the resistance were communists. Even though many of us were tried, the French at the time understood it was the direct actions of the terrorists that caused the burning of the homes, and it was something that went off inside the Church that killed the people.

Today it is starting up again with the hate and slander, but I went to Oradour after the war, and I was welcomed by the people. They knew that what we did was no crime. We had been attacked savagely, and we responded to these attacks, which our reprisal got out of our control. We only meant to burn homes with illegal weapons, and execute those who killed German soldiers. There was no intention to harm innocent civilians; indeed we went out of our way to protect civilians and property in Normandy. This was our training, we only hit buildings if they had been turned into a stronghold or occupied by the enemy. Of course accidents happened but it was not intentional to damage homes or buildings.

Both during and after the war, the Allies tortured German prisoners. In one British center in England, called “the London Cage,” German prisoners were subjected to systematic ill-treatment, including starvation and beatings. The brutality continued for several years after the end of the war. Treatment of German prisoners by the British was even more harsh in the British occupation zone of Germany. At the US internment center at Schwäbisch Hall in southwest Germany, prisoners awaiting trial by American military courts were subjected to severe and systematic torture, including long stretches in solitary confinement, extremes of heat and cold, deprivation of sleep and food, and severe beatings, including kicks to the groin.According to revelations by members of the House of Commons, about 130,000 former German officers and men were held during the winter of 1945-46 in British camps in Belgium under
At that time (End Of WW2) German POWs (Especially those from the Waffen SS) were brutally tortured. After the Second World War, the Allies wanted to extort by torture,(for example, destruction of the testicles) confessions to bring Germans to the gallows and to collect arguments for the re-education of the German people. Among others are the so-called confessions in Malmedy process.
All practices of medieval torture methods were used. As an example, because of alleged involvement in the shooting of Allied airmen the sergeant accused Schmitz who vigorously denied what the interrogators wanted. "Fisher began to rage ... He put the gun to Schmitz's temporal and

called again for another statement. Schmitz said nothing. And then the blows rained down with the gun over his head, the lieutenant hit him several times on the face. With a bloody nose and burst scalp Schmitz was returned to his solitary confinement. Pointner, Witzke and Albrecht had previously been treated with the same methods for many weeks They signed what was presented to them the next day.
(KW Hammerstein, "Landsberg - executioner of the law", Wuppertal, 1952, page 104)
One of the most notorious was the infamous Major Abraham Levine.Most found that the interrogations took place only in the evening or at night. Fisher and Levine tortured the prisoners. About the methods in Landsberg reported KW Hammerstein. 'Sometimes the condemned in Schwitzzellen were kept in rooms with 80 degrees temperature in order to 'burn'.

In October 1945, a New York Daily News report from occupied Berlin told readers:
“In the windswept courtyard of the Stettiner Bahnof [rail station], a cohort of German refugees, part of 12 million to 19 million dispossessed in East Prussia and Silesia, sat in groups under a driving rain and told the story of their miserable pilgrimage, during which more than 25 percent died by the roadside, and the remainder were so starved they scarcely had strength to walk …

“A nurse from Stettin, a young, good-looking blond, told how her father had been stabbed to death by Russian soldiers who, after raping her mother and sister, tried to break into her own room. She escaped and hid in a haystack with four other women for four days …
“On the train to Berlin she was pillaged once by Russian troops and twice by Poles. Women who resisted were shot dead, she said, and on one occasion she saw a guard take an infant by the legs and crush its skull against a post because the child cried while the guard was raping its mother.
“An old peasant from Silesia said ... victims were robbed of everything they had, even their shoes. Infants were robbed of their swaddling clothes so that they froze to death. All the healthy girls and women, even those 65 years of age, were raped in the train and then robbed, the peasant said.”
Alexander Solzhenitsyn was a young captain in the Red Army when it entered East Prussia in 1945. He wrote later in his book, 'The Gulag Archipelago': "All of us knew very well that if girls were German they could be raped and then shot. This was almost a combat distinction." He was arrested and sentenced to eight years in a labor camp. Other Russian officers agreed with him and those who dared to report excesses of violence against civilians met a similar fate. Master hate propagandist Ilya Ehrenburg told soldiers on January 31, 1945: "The Germans have been punished in Oppeln, in Königsberg and in Breslau. They have been punished, but yet not enough! Some have been punished, but not yet all of them." In contrast to Ehrenberg's rhetoric, rape was in truth a German military offense punishable by death. Rape by German troops was the smallest recorded in occupied territories and lower than that of US troops on US bases. Germany was missing 15 million men. Husbands, brothers and sons were killed, maimed or not yet released from their long captivity, and the clean up was left to the women, many in grief, illness and physical distress. The women also had to feed and house their children and elderly parents. They also tended the wounded, buried the dead and salvaged belongings.

Among the Soviet troops who overtook the tide of Prussian refugees as it poured out of Insterburg and Goldap was a young officer called Leonid Rabichev. Decades later, this man would find the strength to write about the atrocity he witnessed. "Women, mothers and their children, lie to the right and left along the route," he wrote, "and in front of each of them stands a raucous armada of men with their trousers down. " He might have added that the baying crowd included adolescent boys, for whom this gruesome ritual amounted to the first sexual experience of their lives. "The women who are bleeding or losing consciousness get shoved to one side,"Rabichev continued, "and our men shoot the ones who try to save their children." Meanwhile, a group of "grinning" officers stood nearby, one of whom was "directing—no, he was regulating it This was to make sure that every soldier without exception took part."
That night, Rabichev and his men were sent to sleep in an abandoned German shelter. Every room contained bodies—the corpses of children, of old men, and of women who had evidently suffered

serial rape before their deaths. "We were so tired," Rabichev wrote, "that we lay down on the ground between them and fell asleep." 32 Mere corpses, after all, were barely shocking anymore. When they came upon another building and found the bodies of women who had been been raped and then mutilated one by one, each with an empty wine bottle in her vagina,Rabichev's men were less composed. The problem was that sympathy for enemy females was actively discouraged.

Neustettin Atrocities..

I have never-heard anyone scream as desperately as that girl. After this operation he drove his knife into her abdomen several times, which again was accompanied by the cheers of the Russians.The next girl cried for mercy, but in vain, it even seemed that the gruesome deed was done particularly slowly because she was especially pretty. The other three had collapsed, they cried for their mothers and begged for a quick death, but the same fate awaited them as well.

The last of them was still almost a child, with barely developed breasts. They literally tore the flesh off her ribs until the white bones showed.

Another five girls were brought in. They had been carefully chosen this time. All of them were well-developed and pretty. When they saw the bodies of their predecessors theybegan to cry and scream. Weakly, they tried desperately to defend themselves, but it did them no good as the Poles grew ever more cruel.

They sliced the body of one of them open lengthwise and poured in a can of machine oil, which they tried to light. A Russian shot one of the other girls in the genitals before they cut off her breasts.Loud howls of approval began when someone brought a saw from a tool chest. This was used to tear off the breasts of the other girls, which soon caused the floor to be awash in blood. The Russians were in a blood frenzy. More girls were being brought in continually. I saw these grisly proceedings as through a red haze. Over and over again I heard the terrible screams when the breasts were tortured, and the loud groans at the mutilation of the genitals.

In the court yard they liquidated with clubs, whole groups of the girls after they selected the prettiest ones for the Martyr room. The air was filled with the death scream of many hundreds of girls. But compared to what was playing out in this room, the beating to death method was more human. It was a terrible reality that none of the girls lost consciousness. Each one suffered the mutilations while being fully conscious.

Horrific rape of German Women In Koenigsberg

The most outrageous case was the one recorded by the operational-military group of the NKVD in the township of Spaleiten. NKVD employees noted during the filtration of the civilian population that 3 women and 12 children had cuts across their right wrists. These were the marks of a collective suicide attempt. As one of the women recounted, on 3 February, when advance units of the Red Army entered the town, Red Army troops dragged her out in the courtyard, where she was raped in turn by 12 soldiers; other soldiers at the same time raped her neighbors.

That same night, six soldiers entered the cellar and raped women in front of their children. On 5 February there were three rapists, and the next day eight drunken soldiers not only raped women but beat them as well.

An NKVD officer recorded the testimony of the woman: "Under the influence of German propaganda about how the Red Army torments Germans, and having seen actual tormenting of them, we decided to kill ourselves, so on 8 February we cut the right wrists of ourselves and our children."

According to the account of one of the local residents, two German women who had been raped several times killed themselves in the attic of his house. Around ten suicides were registered in

connection with the evacuation from the frontline region in the city of Grants on 18 and 19 February. "Suicide by Germans, especially women, has become more widespread."

RAPE IN THE RUSSIAN GULAGS
Women in the Gulag were preyed upon from all quarters. During their transport to the camps they were often raped on the transport ships or in the railroad cars. Upon arrival at their destination they would be paraded naked in front of the camp officials, who would select those they fancied, promising easier work in exchange for sexual favors. These officials, according to Baldaev, preferred German, Latvian, and Estonian women, who most likely would never see home again, over native Russian women, who might. Women not selected by the camp officials became "prizes" for male (and sometimes lesbian) criminals. Besides the everyday tortures of starvation, work exhaustion, exposure to the cold of the far north, and physical abuse, the more intractable prisoners of either sex might be subjected to isolation, impalement, genital mutilation, or, more mercifully, a bullet in the back of the head.

[2014 Book, Film] Hellstorm: The Death of Nazi Germany, 1944-1947 by Thomas Goodrich A Horrified Witness: In the farmyard further down the road stood a cart, to which four naked women were nailed through their hands in a cruciform position. . . . Beyond . . . stood a barn and to each of its two doors a naked woman was nailed through the hands, in a crucified posture. In the dwellings we found a total of seventy-two women, including children, and one old man, 74, all dead . . . all murdered in a bestial manner, except only a few who had bullet holes in their necks. Some babies had their heads bashed in. In one room we found a woman, 84 years old, sitting on a sofa . . . half of whose head had been sheared off with an ax or a spade. [De Zayas, Alfred M. Ilya Ehrenburg: Kill them all, men, old men, children and the women, after you have amused yourself with them! Kill. Nothing in Germany is guiltless, neither the living nor the yet unborn. . . . Break the racial pride of the German women. Take her as your legitimate booty. Kill, you brave soldiers of the victorious Soviet Army. A Rape Victim: The Russians were coming and going the whole time and they kept eyeing us greedily. The nights were dreadful because we were never safe for a moment. The women were raped, not once or twice but ten, twenty, thirty and a hundred times, and it was all the same to the Russians whether they raped mere children or old women. The youngest victim in the row houses where we lived was ten years of age and the oldest one was over seventy. . . . [Kaps, Johannes, ed. A Witness from Neisse: These atrocities were not committed secretly or in hidden corners but in public, in churches, on the streets, and on the squares. . . . Mothers were raped in the presence of their children, girls were raped in front of their brothers. [Kaps, Johannes, ed. German Soldier: We had never seen anything like it—utterly, unbelievably monstrous! Naked, dead women lay in many of the rooms. Swastikas had been cut into their abdomens, in some the

intestines bulged out, breasts were cut up, faces beaten to a pulp and swollen puffy. Others had been tied to the furniture by their hands and feet, and massacred. A broomstick protruded from the vagina of one, a besom from that of another. . . . The mothers had had to witness how their ten and twelve-year-old daughters were raped by some 20 men; the daughters in turn saw their mothers being raped, even their grandmothers. Women who tried to resist were brutally tortured to death. There was no mercy. . . . The women we liberated were in a state almost impossible to describe. . . . [T]heir faces had a confused, vacant look. Some were beyond speaking to, ran up and down and moaned the same sentences over and over again. Having seen the consequences of these bestial atrocities, we were terribly agitated and determined to fight. We knew the war was past winning; but it was our obligation and sacred duty to fight to the last bullet. [Testimony of "H. K.", Bergisch-Gladbach, Germany (copy in possession of the author).

As well as the estimated two million rapes in Germany, there were between 70,000 and 100,000 in Vienna and anywhere from 50,000 to 200,000 in Hungary, as well as thousands in Romania and Bulgaria, which had been pro-Nazi, but also in Poland, Czechoslovakia and Yugoslavia, which had not been.

Indeed letters home from German soldiers attest to Jewish Bolshevik brutality- NCO K. Suffner, Military Post Number 08 070 to his work mates
…The Bolshevists and Jews bestially murdered 12,000 Germans and Ukrainians. I saw pregnant women hanging by their feet in the GPU's prison. They had slit the noses, ears, eyes, fingers, hands and arms and legs of other women. Some even had their hearts cut out. 300 orphans between the ages of 2 and 17 had been nailed to the wall and butchered. After they were done with the torture, they threw the people, most of whom were still alive, into a 3 meter deep pile in the basement, doused them with gasoline, and lit them on fire. It was terrible! We could not believe that suffered if Bolshevism had reached us. The complainers and know-it-alls that we still have in the Reich should see this. Then they would know what pure Bolshevism looks like. They would fall to their knees and thank the Führer for saving Germany from such things. I and many other German soldiers have seen this. We all thank the Führer that he let us see the Bolshevist "paradise." We swear to extirpate this plague root and branch.
Soldier Fred Fallnbigl to his Parents in Salzburg, 17.7.41
…a bit more from the Soviet Paradise. I'll especially tell you about things that happened in Lemberg-Tarnopol and Tromborla. Tromborla is due south of Tarnopol. I saw the prisons in Lemberg, and saw things that struck me deeply. There were men with their ears and noses cut off, etc. They had nailed children alive by their hands and feet to the wall, butchering them. The blood was ankle deep. It didn't make any difference if they were alive or dead. They doused the piles of bodies with gasoline and set them on fire.I always think how fortunate we are that this scourge of humanity never made it to our country.I don't think that even years of preparation would make Germans capable ofsuch atrocities.

Holodomor - The Jewish Bolshevik Genocide of 100 Million Europeans.

The review concerns itself with the savage rapes and murders of 2 million German women at the hands of Red army soldiers, the bulk of them Mongols, Tatars, and Jews with an atavistic hatred of the White race. These Russian troops had been incited to lust murder by the psychopathic Jewish propagandist Ilya Ehrenberg.

Documented Torture of German POWs Before the Nuremberg Trials.
Baron Paget of Northampton wrote in his book titled “Manstein: His Campaign and His Trial” (published by Collins in 1951) on page 109:
[The US Simpson Inquiry Commission] reported among other things that of the 139 cases they had investigated, 137 had their testicles permanently destroyed by kicks received from the American War Crimes Investigating Team.
Pennsylvania judge Edward L. Van Roden – member of the commission investigating accusations by Colonel Everett who reported that Germans did not receive fair trial, wrote in his book titled “American Atrocities in Germany“:
Our investigators would put a black hood over the accused’s head and then punch him in the face with brass knuckles, kick him, and beat him with rubber hose. Many of the German defendants had teeth knocked out. Some had their jaws broken. All but two of the Germans, in the 139 cases we investigated, had been kicked in the testicles beyond repair.

https://rudolfhoess.wordpress.com/
Dangerous precedents were also created by the Nuremberg court.Maurice Bardeche points out that the concept of having a native country was discarded. Everybody, or more correctly, every Jew, is world citizen. The Jewish migrant from Zhitomir is as much a citizen of your country as you are. He has equal rights to your land. You agricultural workers must respect the rights of Negroes on the land, and you must make room for him at your table. He will march in and take office in your city or rural council, so as to make you familiar with outside “world conscience”. His sons will, perhaps, become masters over you and they may sit in judgment over your sons. They will rule in your own city and they will re-sell you your own land, for “world conscience” entitles them to do so.P179

This is the main costume in Israel when they celebrate "Purim" their holliday when they celebrate their tribal conquest against their enemies. 9-11 was the high-water mark of Israel, the day the MOSSAD agents took down the twin towers and gave the green light for Israel to use the United States military to attack all the nations surrounding Israel.. Many of them speak of the twin towers in comparison to Samson taking down the two pillars... THEY ARE LAUGHING AT OUR STUPIDITY AS THEY STICK FLAGS OF AMERICA IN THEIR HAIR, DANCE AROUND AND MOCK US!

Purim exalts and commemorates an ancient operation very much like 9/11. It glorifies the deceptions of Esther, who concealed her Jewish identity to seduce the King of Persia, then slyly tricked him into slaughtering 75,000 people deemed "enemies of the Jews." That is exactly what the neoconservative Likudnik extremists – Wolfowitz, Perle, Libby, and the rest – did on September 11th, 2001. The only difference is that these modern, neocon Esthers would eventually kill millions of innocent people, not just 75,000.

Just months before 9/11, the World Trade Center's lease was privatized and sold to Larry Silverstein.

Silverstein took out an insurance plan that 'fortuitously' covered terrorism.

After 9/11, Silverstein took the insurance company to court, claiming he should be paid double because there were 2 attacks.

Silverstein won, and was awarded $4,550,000,000.

Iron-Rich Spherules found in WTC Dust by Prof. Steven Jones

- The iron-rich component of the WTC dust sample was analyzed in some detail by scanning electron microscopy (SEM) and **x-ray energy dispersive spectroscopy (X-EDS).**
- These magnetic particles were, as one might expect, rich in iron - an estimated 0.1% of the dust.
- The presence of **metallic microspheres** implies that these metals were **once molten**, so that surface tension pulled the droplets into a roughly spherical shape.
- Then the molten **droplets solidified in air,** preserving the information that they were once molten in the spherical shape, as well as chemical information.

Jones estimates an overall quantity of ten tons of molten iron from thermite based on the quantity & chemical composition of the spheres seen and the amount of dust produced during the destruction of these buildings.

Creating a "multi-racial society; has been used as a means to destroy our race, culture and chosen way of life. Despite constantly being told we live in a democracy we clearly do not. Whenever the public tries to make a stand it finds numerous obstacles are stacked up against it. The most wealthy, powerful and influential groups in the country are Zionists, Freemasons and organised Jewry. They investigate everyone that stands for parliament. If there is any hint they want to work in the British interest, they either ensure a media blackout is performed or they receive a high level of smears and character assassination. Therefore anyone becoming an MP is not going to work for us. The multi-racial society has led to division, confusion, a lowering of morals, a rise in murder, rape and general criminal activity. As a result our streets have become unsafe and our children have been deprived of a normal childhood.

"[Adolf Hitler] has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany, but in the world. It is useless to dismiss this as an illusion, because if it is, it demands explanation. But it is no illusion. It is the truth. Hitler's declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature; and his capacity to realize this is the proof of his genius"

The Secret Rabbinical Teachings Concerning Christians by Rev. I.B. Pranaitis, 1892

The Talmud

Judaism's Holiest Book Unmasked

VIII . JEWS MUST NEVER CEASE TO EXTERMINATE THE GOIM ; THEY MUST NEVER LEAVE THEM IN PEACE AND NEVER SUBMIT TO THEM.

rticle II. - What the Talmud Teaches About Christians

In the preceding chapter we saw what the Jews think of the Founder of the Christian religion, and how much they despise his name. This being so, it would not be expected that they would have any better opinion about those who follow Jesus the Nazarene. In fact, nothing more abominable can be imagined than what they have to say about Christians. They say that they are idolaters, the worst kind of people, much worse than the Turks, murderers, fornicators, impure animals, like dirt, unworthy to be called men, beasts in human form, worthy of the name of beasts, cows, asses, pigs, dogs, worse than dogs; that they propagate after the manner of beasts, that they have diabolic origin, that their souls come from the devil and return to the devil in hell after death; and that even the body of a dead Christian is nothing different from that of an animal.

Dr. Bischoff (in the trial of 30th October - 4th November 1931) established the correct translation of this law.

This translation and publication of the law of human sacrifice is the greatest blow ever struck the Jews in this controversy. This Law commands the Jews to Butcher Christians and non-Jews. This is to be done in a "Lawful Valid Way." This means that Christians are to be sacrificed in the same way as animals. They are to be sacrificed to the Jewish God Baal (Lucifer, Devil, Satan). Therefore, we are dealing with a law which doesn't only permit the practice of Ritual Murder. But commands it.

which they believe they are superior to. Hence, what's known as "blood libel" from performing human sacrifices upon We the People like shown in this VERY REAL PICTURE;

In 1922, Beria was deputy head of the Georgian branch of the Cheka's successor, the OGPU. The word "Cheka" is a Yiddish expression for animal slaughter. The Checka, OGPU, GPU, NKVD, KGB are all jewish security forces, whose soul purpose is to follow the wretched orders of the jews in charge. In the 1920s and early 1930s Beria quickly climbed his way up through the ranks of the Cheka and its successors: the GPU, the OGPU and later the NKVD. He ruthlessly blackmailed officials in order to gain political backing and promotions. He would often set up his superiors with married women and then exposed the affairs, ruining them and then taking their posts when they resigned in disgrace. He was seen as vicious in his means to gain power and climb the ranks, but it would also seem that wherever he went, people died or were reported missing.

In Madrid, it was estimated that one tenth of the population of Spain was murdered by the Communist Jews by 1939. De Fonteriz in “Red Terror in Madrid” tells how Cheka crews organized by Dimitrov and Rosenberg carried out a program of torture and murder so obscene that it cannot be repeated or described.To further their World Murder Plan, the Jews have occasionally allowed a few of their numbers to be sacrificed. This was brought out at the meeting in Rothschild’s home in 1773, when it was stated, “But it has paid us even though we have sacrificed many of our own people. Each victim on our side is worth a thousand Goyim.”

What the speaker meant was that if one Jew happens to be killed, he will be avenged by the death of one thousand Christians, or “cattle” as the Christians are derisively referred to by the Jewish cult.

The speaker went on to point out to his rapt listeners that “We are interested in just the opposite … in the diminution, the killing out of the Goyim.” The record of this meeting in Rothschild’s house survived how?

https://der-stuermer.blogspot.com/2017/05/communists-torture-and-massacre-priests.html

There were many places of public execution in Russia during the days of the Revolution one of which was described by the American Rohrbach Commission, (Defender Magazine, October, 1933):

“The whole cement floor of the execution hall of the Jewish Cheka of Kiev was flooded with blood; it formed a level of several inches. It was a horrible mixture of blood, brains and pieces of skull. All the walls was bespattered with blood. Pieces of brains and of scalps were sticking to them. A gutter of 25 centimeters wide by 25 centimeters deep and about 10 meters long was along its length full to the top with blood.

“Some bodies were disemboweled, others had limbs chopped off, some were literally hacked to pieces. Some had their eyes put out the head, face and neck and trunk were covered with deep wounds. Further on, we found a corpse with a wedge driven into its chest. Some had no tongues. In a corner we discovered a quantity of dismembered arms and legs belonging to no bodies that we could locate.”

The Jewish Communist Chekists took pleasure in brutally torturing their victims: Victims where nailed to trees, had their eyes gouged out, noses cut off, ears removed, tongues removed. There were [Jewish] Chekists who cut open their victim’s stomach, pulled out a length of small intestine, nailed it to a telegraph pole, and with a whip forced the victim to run circles around the pole until the whole intestine became unraveled. Eyes of Gentiles victims were poked out, their tongues cut off, and they were buried alive. A major Gentile member of the Voronezh area was boiled alive in a big pot, after which others of the community, revolvers at their heads, were ordered to drink. In Kharkov people were scalped. In Tsaritsyn and Kamyshin peoples hands were amputated with a saw. In Poltava and Kremchug the victims were impaled. In Odessa they were roasted alive in ovens or ripped to pieces. In Kiev, victims were placed in coffins with decomposing bodies and buried alive.

On March 13, 1917, Jacob Schiff sent Milyukov, new Minister of Foreign Affairs of the Bolshevik Revolutionary Government, and a personal friend of Schiff, a telegram reproduced in the New York Times, April 10, 1917:

“Allow me, as the irreconcilable enemy of the tyrannical autocratic government which pitilessly persecuted our co-religionaires[Jews], to congratulate through your intermission the Russian people for what they have so brilliantly accomplished, and to wish success to your comrades in government and to yourself.”

Rabbi Reichhorn's Protocols "Funeral Oration" The Fatal Discourse of Rabbi Reichhorn- issue of 21 October, 1920 (No. 195) La Vieille

“1. Every hundred years, We, the Sages of Israel, have been accustomed to meet in Sanhedrin in order to examine our progress towards the domination of the world which Jehovah has promised us, and our conquests over the enemy, Christianity.

4.Already the principal banks, the exchanges of the entire world, the credits of all governments, are in our hands."

"5. The other great power is THE PRESS. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders."

6. By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christians into political parties, we shall destroy the unity of their nations, we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW of OUR BANK, always united, and always devoted to our Cause."

"10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating Christian capitalism. We shall promise workmen salaries of which they have never dared to dream, but we shall also raise the price of necessities so that our profits will be greater still."

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism, so also in the triumph of fascism will triumph Judaism." -- (A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144).
Rabbi Shneur Zalman, the esteemed founder of Chabad-Lubavitch, taught that the difference between Jew and gentile is not merely religious or racial, but that the souls of Jews and gentiles are completely different in kind. “Gentile souls are of completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever Indeed they themselves are refuse. . . All Jews are innately good, all gentiles are innately evil.

I don't believe in western morality, i.e. don't kill civilians or children,don't destroy holy sites,don't fight during holiday seasons,don't bomb cemeteries,don't shoot until they shoot first because it is immoral.The only way to fight a moral war is the Jewish way: Destroy their holy sites. Kill men, women and children (and cattle).

“As for the Goyim… Zalman’s attitude (was): “Gentile souls are of a completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever.”…If every simple cell in a Jewish body entails divinity, is a part of God, then every strand of DNA is a part of God. Therefore, something is special about Jewish DNA…”

“…If a Jew needs a liver, can you take the liver of an innocent non-Jew passing by to save him? The Torah would probably permit that. Jewish life has an infinite value,” he explained. “There is something infinitely more holy and unique about Jewish life than non-Jewish life.”— Chabad-Lubavitch Rabbi Yitzchak Ginzburg in “Jewish Week,” the largest Jewish publication in the United States, April 26, 1996.
[Organ Harvesting] "If a Jew needs a kidney, is it allowed, in order to save his life, to take the kidney from a Goy (non-Jew), passing by, even if he is not guilty of anything? In my opinion, Torah allows it. The life of a Jew is priceless"-- Lubavitcher rabbi Yitzchak Ginsburgh

"The Jew is not satisfied with de-Christianizing, he Judaises; he destroys the Catholic or Protestant Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ." -- (Rabbi Benamozegh, quoted in J. Creagh Scott's Hidden Government, page 58).

“We must realize that our party’s most powerful weapon is RACIAL TENSION. By propounding into the consciousness of the DARK races, that for centuries they have been oppressed by Whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites, a guilt complex for their exploitation of the Negros. We will aid the Negroes to rise in prominence in every walk of life, in the PROFESSIONS, and in the world of SPORTS and ENTERTAINMENT. With this prestige, the Negro will be able to INTER-MARRY with the Whites and begin a process which will deliver America to our cause.” AUTHOR – Israel Cohen -Jewish - Internationalist)“A Racial Program for the Twentieth Century” >Published in 1912 .June 17, 1957, the above passage was read into the US Congressional Record by Rep. Thomas G. Abernathy.

Houston Stewart Chamberlain foundations of the Nineteenth Century 1901

In spite of the broad common foundation, the human races, are, in reality, as different from one another in character, qualities, and above all, in the degree of their individual capacities, as greyhound, bull-dog, poodle and Newfoundland dog. Inequality is a state towards which nature inclines in all spheres; nothing extraordinary is produced without “specialization”; in the case of men, as of animals, it is this specialization that produces noble races; history and ethnology reveal this secret to the dullest eye.

Mixed race relationships are also more likely to split up but what really is even more alarmingly nowadays is the high rate of white women being murdered by their black husbands or boy friends. Statistics clearly show that a white woman is more likely to be killed by a black man in a relationship than with a white man or other, and white men are twenty one times more likely to be murdered by a black wife than by a woman of another race. As of this writing femicide i.e., the homicide of women, is the leading cause of death in the United States among black and white mix race relationships. Black males are 33% more likely to murder their spouse if she is white instead of black.

Even three month old babies know more about race than most adult Europeans and show a preference for the faces of their own race even when they are of people they have never seen before. They instinctively know what race they are. Which race face is it that a three month old mixed race babies find comforting? The natural state of babies and children is racist and this lasts until they are old enough to understand and succumb to the liberal programming that all whites are now being subjected to.

https://esau.today/the-dire-consequences-of-race-mixing/

At the Versailles Conference(1919), it was actually proposed that no restriction should in future be placed upon international movements on account of Race. The only opposition to this outrageous proposal for mongrelising the world into a universal khaki-skinned mob, came from Mr. W. M.Hughes, Prime Minister of Australia, who intimated that the six and a half million people of that country were ready to defend themselves against the whole world rather than submit to Race-mixture.

Dangerous precedents were also created by the Nuremberg court.Maurice Bardeche points out that the concept of having a native country was discarded. Everybody, or more correctly, every Jew, is world citizen. The Jewish migrant from Zhitomir is as much a citizen of your country as you are. He has equal rights to your land. You agricultural workers must respect the rights of Negroes on the land,and you must make room for him at your table. He will march in and take office in your city or rural council, so as to make you familiar with outside “world conscience”. His sons will, perhaps, become masters over you and they may sit in judgment over your sons. They will rule in your own city and they will re-sell you your own land, for “world conscience” entitles them to do so.

For the British Mad Dog, the most important personal handler was Frederick A. Lindemann — a physicist whose German-Jewish family arrived in England when he was about 14 years old. He was known to friends as “the Prof” in reference to his position at the University of Oxford, and as “Baron Berlin” to his many detractors because of his German accent and haughty aristocratic manner. If you’ve never heard of Lindemann, it is because we’re not supposed to know about these secret handlers.Lindemann believed that a small circle of elites should run the world, resulting in a stable society, “led by supermen and served by helots” (his words). He concluded that science could yield a race of obedient humans blessed with “the mental makeup of the worker bee.”
The mad Professor Frederick Lindemann – one of the most powerful “Englishman” that you never heard about.
In Lindemann’s Jewish supremacist worldview, the “worker bees” would be mixed race and the “supermen” would no doubt be the Jewish Globalist elite. Naturally, before this New World Order could emerge, the ‘White Man’ would have to first “abdicate” his leading position in Europe and America. A brief excerpt from ‘The Prof‘ –one of the many the biographies written about Lindemann:
“Professor Frederick Lindemann, the Chief Advisor to Winston Churchill and the inspiration and architect of the air crucifixion of Germany was in a reflective mood after the war....

Lindemann enthusiastically supported the infamous Morgenthau Plan, which Churchill subsequently endorsed... He submitted a plan to the War Cabinet on March 30th urging that German working-class houses be targeted in preference to military objectives.

Churchill had planned to attack 60 German towns through germ-warfare. By late 1943 a four-pound anthrax spore bomb had been developed with the code-name ‘N’. Churchill was assured by Lord Cherwell that using this four Lancasters could kill anyone found within a square mile of its impact. Churchill ordered half a million anthrax bombs from the US in March 1944. But the US push for D-Day and landings on the continent frustrated the plan to achieve the easy and cheap mass extermination Churchill desired since the anthrax had an unpredictable spread (PRO PREM 3/65 cited in Robert Harris and Jeremy Paxman, A Higher Form of Killing, pp.100-1).

Now in the summer of 1939 the governments of Britain and France were secretly negotiating a full military alliance with the Soviet Union. The talks were held in Moscow and the minutes were signed by Marshal Zhukov.

I have these minutes in my possession. They are stupefying. One can read a report guaranteeing Britain and France of Soviet participation against Germany. Upon ratification the Soviet Union was to provide the Anglo-French forces with the Soviet support of 5500 combat planes immediately plus the back up of the entire Soviet air force. Between 9,000 to 10,000 tanks would also be made available. In return, the Soviet Union demanded the Baltic states and free access to Poland. The plan called for an early joint attack.

Germany was still minimally armed at that stage. The French negotiators realized that the 10,000 Soviet tanks would soon destroy the 2000 German tanks but did not see that they would be unlikely. to Stop at the French border. Likewise the British government was quite prepared to let the Soviets take over Europe.

Facing total encirclement Hitler decided once more to make his own peace with one or the other side of the Soviet-British partnership.

"ARE THESE THINGS SO?" 1934

"No one can dispute that Jewdom takes a leading part in polluting and corrupting all relations. A characteristic of the Jew is the stubborn endeavor to produce values without work, and this being a matter of impossibility, it simply means that these values are artificially produced by swindling and cor-ruption, by rnanceuvres of the Stock Exchange in conjunction with the Press in order to spread false rumours, and by other and similar methods. These artificial and fictitious values are then acquired, unloaded and exchanged for genuine values,produced by real work, only to melt away and vanish in the hands of their new owners like Marguerite in the arms of Faust. The representatives of corruption on the Exchange, in the Press and in the Theatre in my novel, 'The Old and Young,' representatives of that class who strive to enrich them- selves without working, are therefore Jews." YOUNGSTERS NO LONGER HAVE THE FREEDOM OF A NORMAL CHILDHOOD.
Creating a "multi-racial society; has been used as a means to destroy our race, culture and chosen way of life. Despite constantly being told we live in a democracy we clearly do not. Whenever the public tries to make a stand it finds numerous obstacles are stacked up against it. The most wealthy, powerful and influential groups in the country are Zionists, Freemasons and organised Jewry. They investigate everyone that stands for parliament. If there is any hint they want to work in the British interest, they either ensure a
media blackout is performed or they receive a high level of smears and character assassination. Therefore anyone becoming an MP is not going to work for us. The multi- racial society has led to division, confusion,a lowering of morals, a rise in murder, rape and general criminal activity. As a result our streets have become unsafe and our children have been deprived of a normal childhood.

Thomas Barnett, the Jewish director of the Israeli consultancy group — Wikisttrat — confirmed that this conspiracy is very real in his book The Pentagon's New Map:
"The ultimate goal is the forcible-coordination of all countries of the world: That shall be achieved by mixing the races with the goal to create a light brown race in Europe. For that reason, 1.5 million immigrants from the third world shall migrate to Europe every year. The result would be a population with an average IQ of 90 that is so dumb to grasp anything but intelligent enough to work. The European countries would never again be competitors in the struggle for global domination and a multiple millennia old culture would be destroyed. Irrational people who will fight against this "mingling of the races," and put up any resistance against the global world order should be killed."

A short-lived Soviet in Hungary was set up by another Jew, Bela Kun (actual name, Cohen), in 1919. There were 32 days of murdering, torturing Christians, burning nuns alive in ovens and other atrocities, as related to me by eyewitnesses. When this regime fell, Jews and their cohorts who conducted it were killed in large numbers by outraged citizens.

We have deliberately left Spain to the end, as Jewish organisations can be distinctly recognised in the Spanish Civil War, When the fight broke out, the leaders; Zamorra, Azara, Rosenberg and the notorious La Passionaria, whose real name was Dolores Ibauri, were all Jews too. And those who flooded into Spain from all sides to render more unbearable the bloody plight of the Spanish people, were all emissaries of the same racial nationalism already victorious over Russia. Ilja Ehrenburg, Bela Kun, Gero Erno, Zalka Mate, the leaders and members of the notorious Rakosi-Roth brigade, all belonged, almost without exception, to the emissaries of this deranged racial group.When the hour strikes the mask falls! Christian churches and centuries-old art treasures go up in flames, drunken terrorists shoot at Christ's cross and the same "experts" again expertly crucify priests as they had done in Russia before. They scuttle prison ships with antirevolutionaries locked up in the hold, they shoot tens of thousands of captured Christian hostages in the bullfight arena. The dead bodies of one and a half million victims and martyrs cover the battlefield of a stricken Spain. Behind all the mass misery and behind the miners of Asturias looms the same mystic power that induced the Russian sailors to revolt at Kronstadt. While the "Pink" intellectuals begin to regard this blood-bath in the light of a Passion Play spectacle, progressive bankers provide it with gold and arms. Old Testament thereby paid back Ferdinand's Catholic Spain for the expulsion of the Jews, and two decades later the American Jewish Congress had the impudence to declare that: "Up to the present day Jewry has not forgiven the Spanish nation for their expulsion."

The linear connection between the Rothschilds and the Bank of England, and the London banking houses which ultimately control the Federal Reserve Banks through their stockholdings of bank stock and their subsidiary firms in New York. The two principal Rothschild representatives in New York, J.P. Morgan Co., and Kuhn, Loeb & Co. were the firms which set up the Jekyll Island Conference at which the Federal Reserve Act was drafted, who directed the subsequent successful campaign to have the plan enacted into law by Congress, and who purchased the controlling amounts of stock in the Federal Reserve Bank of New York in 1914. These firms had their principal officers appointed to the Federal Reserve Board of Governors and the Federal Advisory Council in 1914.

Every Jew knows that the current regime's virulently anti-White agenda to psychopathologize "racism" and "xenophobia", to tear down White defenses, comes directly from the Jews. They know the "New World Order" is a Jew world order. They know that whenever Whites think about what's good for ourselves, that's not good for Jews. They say as much not just here, but whenever they try to Jewsplain their attacks on Whites.

Gentlemen. Welcome Second Centennial Meeting of the Learned of Elders of Zion. We have achieved objectives expressed at our first meeting 100 years ago.
We control governments. We have created dissension among our enemies and made them kill each other. We have effectively silenced criticism of our affairs and we are the richest race of men on this earth.Many of you are very busy men. Let us get to the crux of the matter. As masters of business, politics, law and most importantly … media, we are ready to implement our most important and ambitious program. One that will finally and totally remove from existence the impediments of our absolute control of this earth.
I speak OF THE DEATH OF THE WHITE RACE. The complete removal of all means of reproduction of the so-called Aryan race. Men, we now control the destiny of this race. It is now time to make sure the White race becomes extinct through miscegenation [incest] and having a virtually zero birth rate.We have all enjoyed the vision repeated all over this world every day of THE LAST WHITE CHILDREN playing with little dark children and knowing that they are being set-up for their eventual destruction.We can ruin THE ANCIENT PURE BLOODLINE OF AN ARYAN CHILD by convincing him or her of the altruism of begetting interracial children.
We must expose the race mixing of the urban centers to the suburbs and rural areas of this country.More aggressive programs to integrate these areas are now underway through HUD. It is worth any price to annihilate the next generation of White children. We want every White father to feel the sting of having their children marry colored mates and produce biracial children.We must use our power to discourage White men and women who still persist in getting together from producing more pure White children. They will be ostracized by not becoming part of the New Society of all races.
This will dissuade most of them. We will deal with the less cooperative goyim [non-jews] by murder and imprisonment.Finally, we will SEE THE END OF THIS WHITE RACE.
Impressionable White children will have their minds molded into the agents of their own destruction. Already, our efforts have succeeded in making the "men" of this race grovel at our feet.Men, you and your ancestors have worked hard to make sure we would have the power to hold the destiny of this race in our hands. Now we have it.Perish Aryan Goyim (cattle)!" [Applause]

How Jewish Elites Use Non-White Immigration to Undermine Western Nations The Hart Celler Act

— United States 1965 The Migration Act — Australia 1966 The British Nationality Act — United Kingdom 1981
Ralph Miliband was born in the jewish quarter of Warsaw. He emigrated to England in 1940. After the war he joined the Labour Party, despite his hatred for English culture, and proceeded to become an intellectual proponent of the New Left. His writings and lectures proved influential in the reworking of several British Nationality Acts over the decades, as they became increasingly more open to non-White immigration.

A multiple millenia old culture would be destroyed .Irrational people who will fight against this mingling of races and put up any resistance against the global world order should be killed.

Dialectics-Stealthily managing both sides of this closed system ensures the establishment and their outcome while concealing the real issue. It is as if the immigrant spontaneously began creeping across European borders and now we must deal with it. Indeed discounted is the fact that it was the globalist establishment who deliberately removed those borders without our consent.

Dialectics is a formula for generating predetermined outcomes. Reduced to its simplest form dialectics could be summed up as problem, reaction, solution. Applying the dialectic is accomplished through a process of tension and resolution. Here an 'agent of change' is employed as the strategy to create the problem or crisis thus fomenting the reaction (tension). An attempt is then made to control the problem or outcome by providing a solution (resolution).
A prime example of the dialectical strategy in play is the so called immigration problem. Here it matters not what the party label is but always one will engender the notion of immigration while the other will take a 'hard line' applying the necessary tension. The public are encouraged to take sides as if these are the only options yet the resolution will still be mass immigration into Europe destroying the native demographic of our ancestral land. Stealthily managing both sides of this closed system ensures the establishment and their outcome while concealing the real issue. It is as if the immigrant spontaneously began creeping across European borders and now we must deal with it. Indeed discounted is the fact that it was the globalist establishment who deliberately removed those borders without our consent. Also an aspect of immigration and blamed on 'Islamic terrorism' at the most dramatic level is the terror attack in which the Jew exposes his enemy to the European public. The Jewish occupied government response is to tighten security to the extreme, disarm the European natives, destroy the Jewish enemy in the Middle East and import Muslims into Europe to oppose their Jews white enemy. Hence the dialectic method manipulates the mass into a frenzied circular pattern of thought and action.
There are further examples-the democratic multi-party state with a vote and choice but that only leads to cultural Marxism (political correctness). Thus no matter who the players are whether Putin in Russia, Trump, Obama and Hilary Clinton in America or Labour, Conservatives, UKIP they are puppets fighting artificial battles with outcomes predetermined in the Jewish favour.
Indeed the Jew holds all the cards so from the heights of power to the lowest contest all is a contrived construct. Lenin had understood this. Blind to this Jewish dialectic the outcome of any of his opponent's analysis were rendered futile. Consequently, to seek the truth one must step outside the dialectic in order to see the enemy at work.

A RICHMOND children's home supplied young boys to a Barnes guest house for sexual and pornographic purposes, it was revealed at an inquest this week.

The court heard how the guest house owner, Mrs. Carole Kasir—found dead at her flat in June—was caught up in a massive pornography ring involving Grafton Close Children's Home.

By COMET REPORTER

It was alleged the home, run by Richmond Council, supplied boys under the age of 14 to the gay guest house during the early 1980s said to be frequented often by top MPs and judges.

Miss Mary Moss from the National Association for Young People in Care (NAYPIC)—a London-based group which 47-year-old Mrs. Kasir turned to two years ago for help and advice—said the home's head, Mr. Neil Kier, and deputy head, Mr. John Stingemore, at that time, were part of the ring and that the latter had been convicted of child pornography in 1985 after he had left Grafton Close.

She claimed the mother of two was merely an innocent pawn in a ring which involved her lover, David Issett, and convicted child pornographer David Hamilton-Grant, currently facing extradition from Turkey on further charges.

"She was a great laugh, a lovely lady but not really with it," Mrs. Moss said. "She was terribly naive and had no idea what was happening in her own back yard."

She claimed Mrs. Kasir's children were taken into care in 1980 to deflect her attention away from what was happening at her guest house and the children's home.

Mrs. Moss said her children were taken on order of the then director of social services at Richmond Council. He had claimed that Mrs. Kasir and her husband, Harron, were abusing their son and daughter.

The inquest heard how German-born Mrs. Kasir died at her home in June from an insulin overdose. A diabetic, her insulin container was on a cabinet next to the bed where her body was found.

Pathologist Dr. Richard Shepherd confirmed the cause of death as profound hypo glycema—excessive insulin injections.

But friends from NAYPIC claimed in evidence that the case was not so cut and dried and that Mrs. Kasir had lived in fear of her life, since a raid on the hotel and a conviction for running a disorderly house in the early eighties.

Adult advisor for NAYPIC, Mr. Christopher Fay told the court that Mrs. Kasir had been continually threatened by a man known as Patsy Puddles and followed by two men who were often seen outside her house.

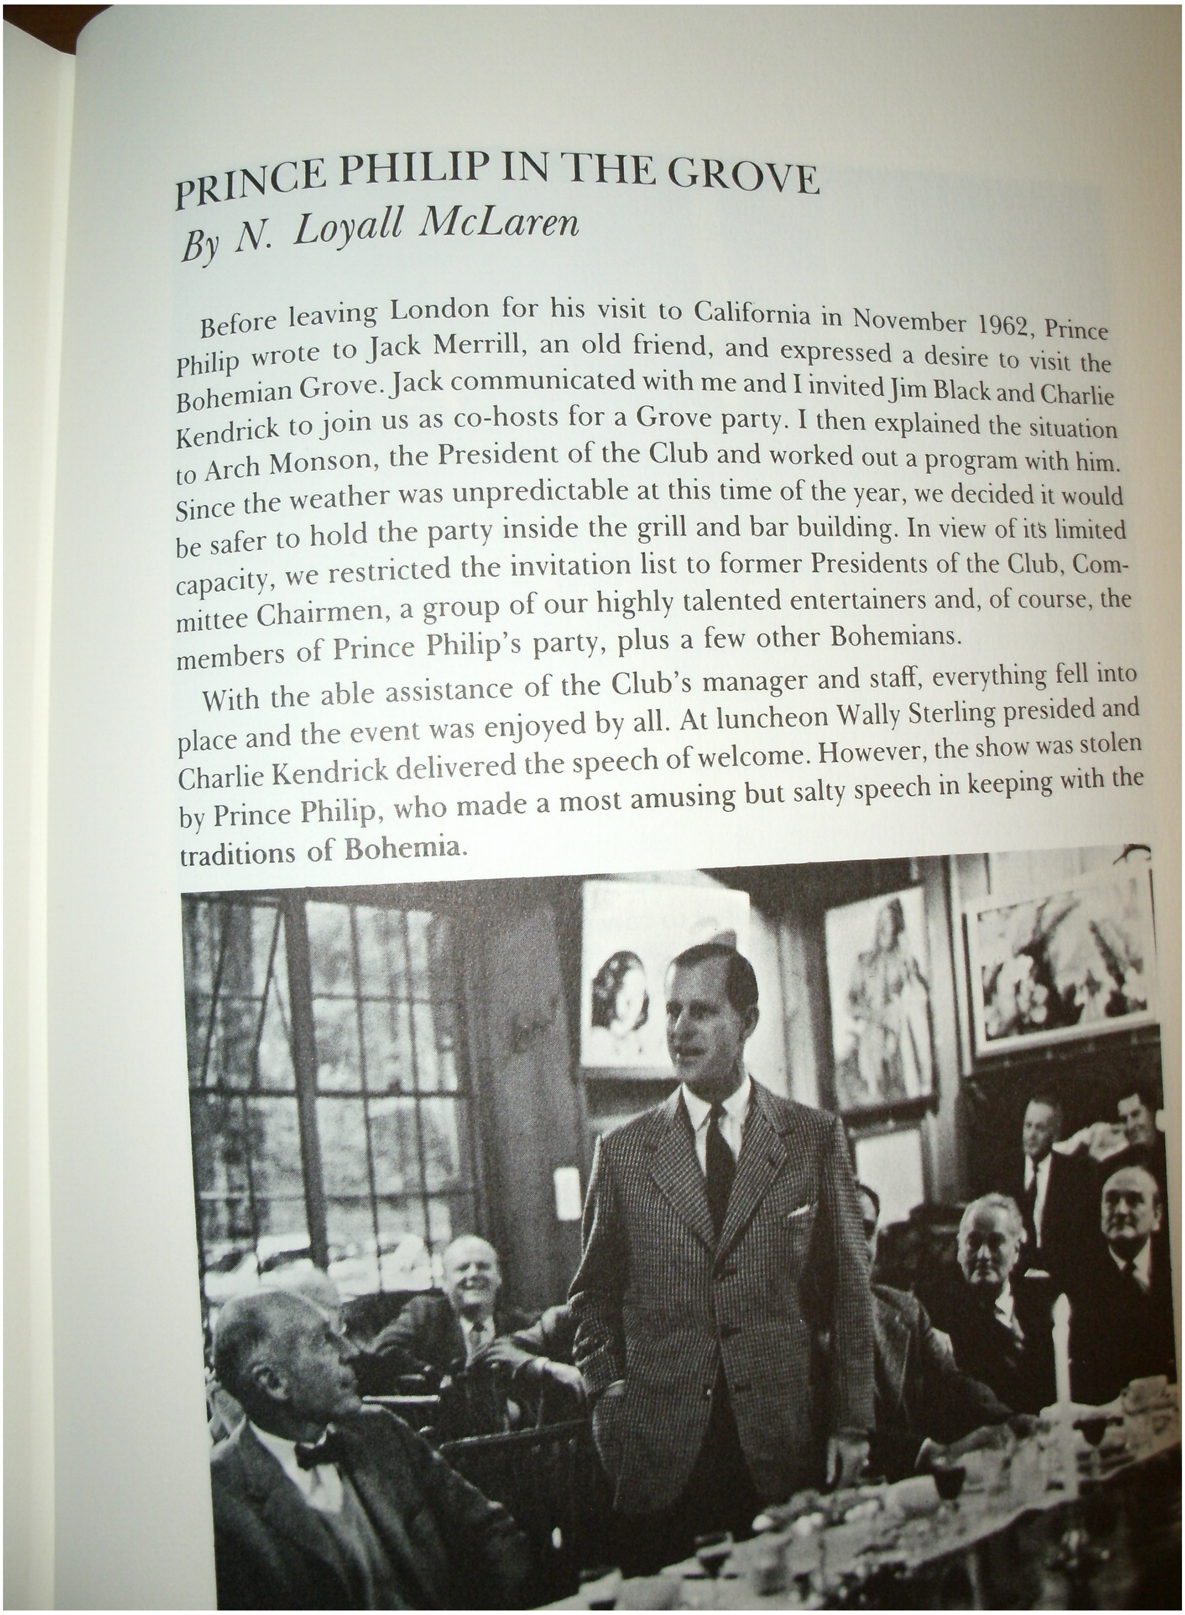
PRINCE PHILIP BOHEMIAN GROVE



PRINCE PHILIP IN THE GROVE

By N. Loyall McLaren

Before leaving London for his visit to California in November 1962, Prince Philip wrote to Jack Merrill, an old friend, and expressed a desire to visit the Bohemian Grove. Jack communicated with me and I invited Jim Black and Charlie Kendrick to join us as co-hosts for a Grove party. I then explained the situation to Arch Monson, the President of the Club and worked out a program with him. Since the weather was unpredictable at this time of the year, we decided it would be safer to hold the party inside the grill and bar building. In view of its limited capacity, we restricted the invitation list to former Presidents of the Club, Committee Chairmen, a group of our highly talented entertainers and, of course, the members of Prince Philip's party, plus a few other Bohemians.

With the able assistance of the Club's manager and staff, everything fell into place and the event was enjoyed by all. At luncheon Wally Sterling presided and Charlie Kendrick delivered the speech of welcome. However, the show was stolen by Prince Philip, who made a most amusing but salty speech in keeping with the traditions of Bohemia.

Cymroglyphics.com with Ross Broadstock and Alan Wilson .

Author Ross Broadstock demonstrates how the key to deciphering Egyptian hieroglyphs is not the Coptic language - it's Welsh! This amazing discovery allows the ancient pictograms to be studied as never before, revealing more of the historical background of the Old Testament.
This book is a powerful tool for tracking the patriarchs in scripture. Moses, Joseph, Solomon, the Queen of Sheba and others apear in the hieroglyphs. This discovery confirms they were tru historical figures, which is critical in light of modern attempts to explain them as myths.

Many original Brits came from Syria and Troy in ancient times.

True British history told by historian & author Alan Wilson.

Professor Lee Pennington & Dr Joy Pennington interviewed Alan Wilson in their house in 1994 when he was doing his lecture tour. Its old footage but the content needs to be heard. This area of research is not being done by anyone else, even though its of vital importance.

King Arthur and Khumric British History

King Arthur I son of Magnus Maximus of the late 4th Century AD and King Arthur II of the late 6th Century AD, can both trace their family lines back to the British Emperor Constantine the Great, and continue on back to the Holy Family itself which entered Britain in AD 37. Both King Arthur's continue tracing their bloodline all the way back to King Brutus, himself a great grandson of Aeneas of Troy.

Brutus came to the Island of Britain around 500BC which was 150 years after Agamemnon and his Achaeans took the Kingdom of Troy (1200BC is the official date and is out by several hundred years).

The Khumry were a part of this major migration into Britain. The Khumry (Cymry-Welsh) were the original "lost" Ten Tribes who migrated North after the murder of Sennacherib (King of Assyria) in the early 7th Century BC. This huge migration of people ploughed their way through Asia Minor (modern day Turkey) and they are noted in Assyrian texts as the "Khumry", whereas the Greeks called them "Cimmeroi". They took with them the Ark of the Covenant which the authors prove in their book "The Discovery of the Ark of the Covenant" published in 2007.

This Khumric people were originally in Egypt before Moses led them out in the middle of the 14th Century BC, and their ancient Khumric language (Welsh Cymry) can still be used today with remarkable accuracy in translating the Egyptian Hieroglyphs, as the authors have already shown in their book "Moses in the Hieroglyphs" published in 2006.

Alan Wilson and Baram Blackett have been researching these Authentic British Histories for well over 35 years, and unfortunately have met with nothing but extreme opposition from the academic community. Surprisingly their major opposition is from the Church of Rome because of what their researches have unearthed regarding Jesus Christ and Christianity. This will be dealt with in a major forthcoming book.

When Augustine came to Britain in AD 597 he was astonished to find the British had their very own churches as well as priests and abbots etc. In fact the British Apostolic Christian religion was even more advanced than that of Rome. This all stems from a man called Jesus the Nazarene who arrived in Britain in AD 37.

Christianity was NOT introduced into Britain from Rome, but was actually taken TO Rome FROM Britain. This happened in AD 51 with King Caradoc who was forced to stay in Rome for seven years.

The fact is British History is the best recorded history in all of Europe and were it not for the Holy Family coming to Britain in AD 37 non of this would be a problem.

Since the beginning of the 18th Century AD there has been a major suppression of British History. To the academic community there is only the tunnel vision mentality of Roman Britain, or Saxon Britain, or Viking Britain, and if any major finds are made by archaeologists they inevitably end up in one of the three mentioned categories, heaven forbid they be Khumric-British - of which there are VAST amounts.

Alan Wilson and his life-long fellow researcher Baram Blackett have written and published nine books.

Their books published to date (oldest first) are as follows:

1 - Arthur, King of Glamorgan and Gwent.
2 - Arthur and the Charter of Kings.
3 - Arthur the War King
4 - Artorius Rex Discovered
5 - The Holy Kingdom
6 - The King Arthur Conspiracy
7 - Moses in the Hieroglyphs
8 - The Discovery of the Ark of the Covenant
9 - The Trojan War of 650 BC

British Free Corps.8 Brits held up a Russian Regiment for 2 days killed 100 Bolsheviks and 3 tanks.

"Antony Beevor (Inside Hitler's Concrete Tomb, last week) mentions the foreign SS troops who helped to defend Berlin. Among them were soldiers of the British Free Corps, who were released from prisoner of war camps in return for donning German SS uniforms, with the understanding that they would not be asked to fight their own countrymen. As a National Serviceman stationed in Berlin, I met a Russian Red Army officer who was impressed by the fighting spirit of eight misguided British soldiers.They held up an entire Russian regiment for almost two days until they ran out of ammunition. Only two survived to surrender and were promptly shot by the understandably irritated Russians, who had lost almost 100 men and three tanks.The Russian officer said that had SS Unterscharfuher Cornfield and a soldier identified as Pleed been fighting the Germans; they would have deserved the Victoria Cross (VC). He told me: "I hope the British invented a good story for their families, for a brave soldier is still a brave soldier even when a traitor to his country."

In his 16 years as the Catholic Church's top official in New York,Cardinal John Joseph O'Connor was a staunch friend and defender of the Jewish people.
He spoke often about what he had seen at Dachau as a Navy chaplain. He used his platform as head of the Archdiocese of New York to support Soviet Jewry, and played a role in the Vatican's recognition of the state of Israel. Mayor Edward I. Was Emily Pankhurst Jewish?

The suffragette leader and prominent first wave feminist Emmeline ‘Emily’ Pankhurst is well-known to most people today. What is not well-known however is that she is likely to have been born into a jewish family.

Sophia Crane, her mother, was from the Isle of Man and by all accounts of humble Manx ancestry. (1)

In direct contrast to this; her father, Robert Goulden of Manchester, is the subject of considerable debate as traditionally scholars had assumed that he was of Irish origin as we know that he was baptised a Christian as a child. (2)

This was until biographers of Emily Pankhurst realised that historians of Manchester’s jewish community had long regarded the Goulden family of that city to be of jewish origin. (3)

Naturally this has provoked a significant and continuing debate on the subject, but the basis on which the Goulden family can be regarded as Irish is slim and rests primarily on Robert having been baptised as a Christian while a child. However the case for the Goulden family being of jewish origin (and Robert’s parents being converts from Judaism) is based upon the available documentation not on a surmise based upon the surname and the fact that Robert was baptised as a Christian.

Thus while the matter may not be settled for many decades yet: the available evidence does indeed suggest that Emily Pankhurst’s father Robert Goulden was jewish and thus so was she according to Israeli law.

John Birch Society controlled opposition set up by Nelson Rockefeller. This is the John Birch Society;: An invitation to membership, Paperback – January 1, 1972

John Birch Society - Then Welch observed:

“Dr. Oliver was speaking entirely on his own, and not in any way expressing the views of the John Birch Society…We do not subscribe at all to Dr. Oliver’s ‘racial superiority’ theories, nor to his views concerning the degeneracy of the human race. We are quite proud of the brilliant (and extremely patriotic) Jewish writers who work full-time on the staff of the Society and of our several hundred Jewish members, many of whom are among our finest Chapter Leaders. Despite our long and growing disagreement with Dr. Oliver over the subject matter of this letter, we have accepted his resignation from the Council with a considerable and natural reluctance. For he is an earnest anti-communist, as well as one of the world’s greatest scholars in the fields of classical languages and literature.”

https://archive.org/details/ReviloOliverResignationFromJohnBirchSociety

Conspiracy researcher Eustace Mullins wrote in his 1988 book Murder By Injection that the JBS was created by the WASP elitist Rockefeller family as controlled opposition to the conspiracy it purportedly was set up to resist.The Rockefellers were also active on the ‘right wing’ front through their sponsorship of the John Birch Society. To enable Robert Welch, a 32nd degree Mason, to devote all of his time to the Society, Nelson Rockefeller purchased his family firm, the Welch Candy Company, from him at a handsome price. Welch chose the principal officers of the Society from his acquaintances at the Council on Foreign Relations. For years afterwards, American patriots were puzzled by the consistent inability of the John Birch Society to move forward on any of its well-advertised ‘anti-Communist’ goals. The fact that the Society had been set up at the behest of the backers of the world Communist revolution may have played some role in this development. Other patriots wondered why most American conservative writers, including the present writer, were steadily blacklisted by the Society for some thirty years. Despite thousands of requests from would-be book buyers, the Society refused to review or list any of my books. After several decades of futility, the Society was totally discredited by its own record.

3 JEW PUPPETS

So-called “Judaism” is nothing but Babylonian Talmudic Pharisaism, which at base is crass paganism, pantheistic atheism, a conglomeration of all the forms of paganism concocted through the centuries. New descriptions concocted for this very old satanism, such as “immanence” (Spinoza); “emanation” (Talmudic Cabala); “dialectical materialism” (Marx) merely dress up old pagan concepts.P81

4. Sexual intercourse with children is permitted. The Schulchan aruch determines: Coitus with a girl under three years and one day old is not punishable. A woman who has sexual relations with a boy under nine years of age is not punishable. ..

Talmudism is the quintessence of distilled hatred and discrimination — without cause, against non-Jews.Despite the thunderings and prohibitions of the Bible, sodomy in general, and specifically with little children, dead bodies, neighbors' wives and one's own wife is permitted by the Talmud.P66.

The Talmud reverses every one of the Ten Commandments, the teachings of Moses and the Prophets, and enshrines their opposites under a "whited sepulchre" which is a disguise for murder and "all uncleanness," as Christ charged. Murder of non-Pharisees is always permitted; theft, sodomy, incest, rape are all permitted. For example, the righteousness of grown men violating baby girls under three is a favorite topic for discussion in book after book of the Talmud.

ANTI-WHITE SHILL,
EM. JONES

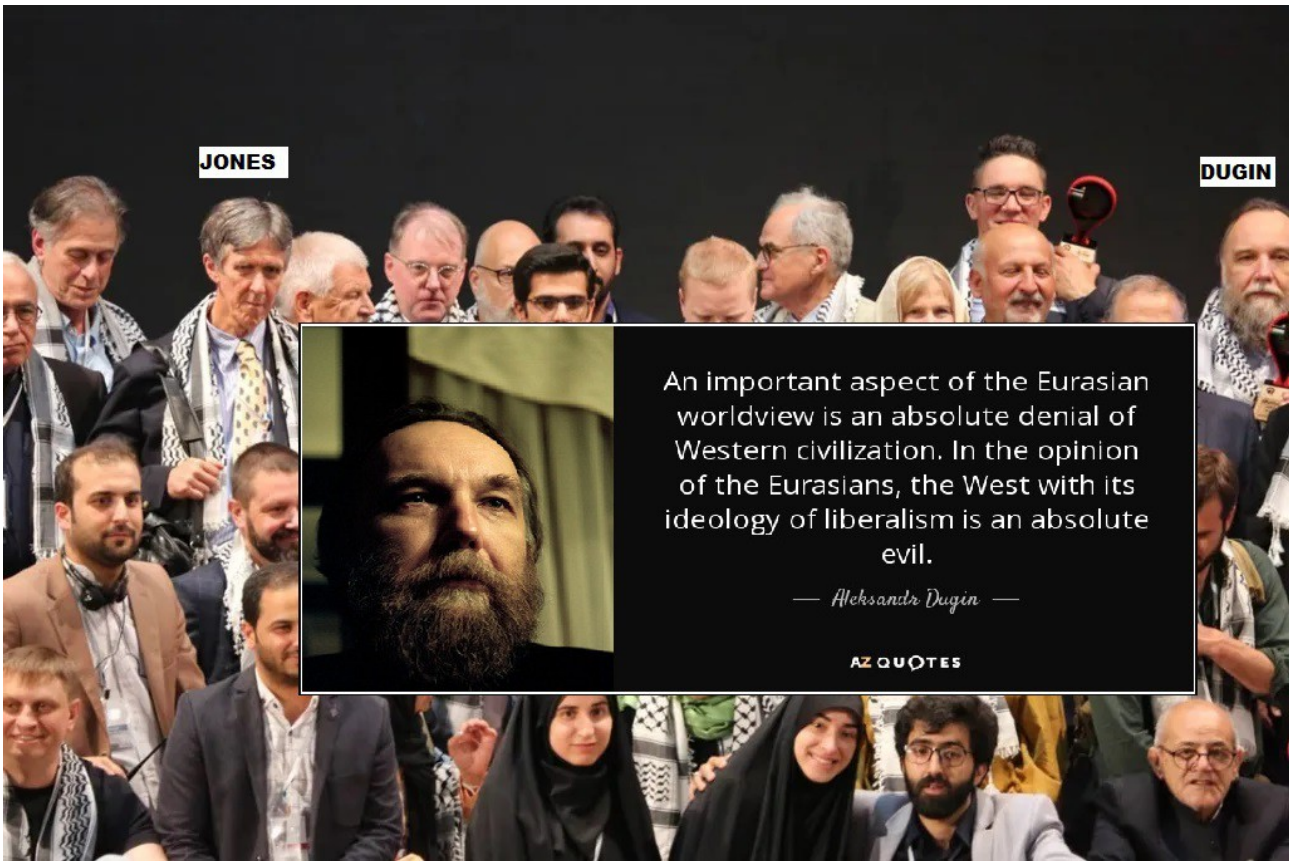
Any Irishman who thinks he's white is a victim of identity theft. Read Noel Ignatiev How the Irish became White.

Readers added context they thought people might want to know

The Irish are and always were considered 'White' as they are Indo-European.

Historical anti-Irish sentiment stems from religious militancy.

Ignatiev, a Jewish Marxist is author of works that would be considered racist should you switch 'Whiteness' for 'Blackness'



An important aspect of the Eurasian worldview is an absolute denial of Western civilization. In the opinion of the Eurasians, the West with its ideology of liberalism is an absolute evil.

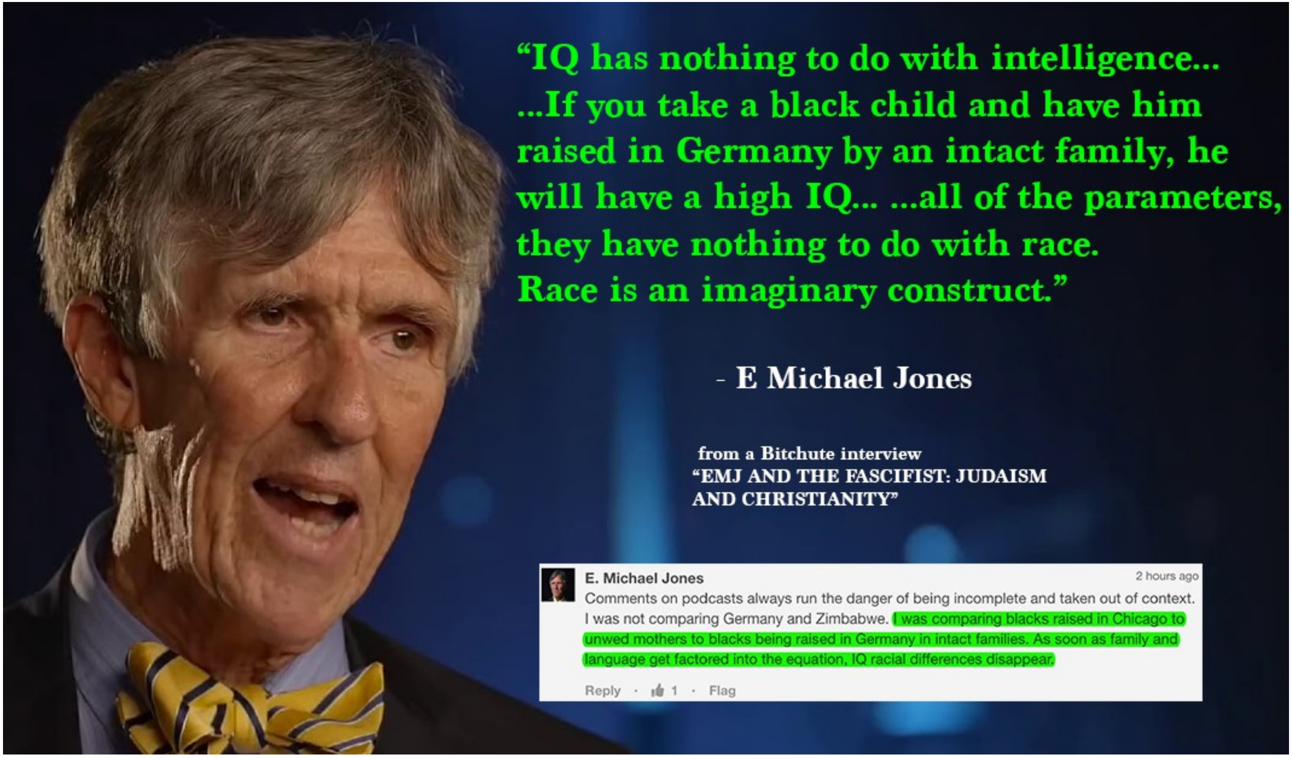
Are all races absolutely equal in every way?



"IQ has nothing to do with intelligence...
...If you take a black child and have him raised in Germany by an intact family, he will have a high IQ... ...all of the parameters, they have nothing to do with race.
Race is an imaginary construct."

Comments on podcasts always run the danger of being incomplete and taken out of context. I was not comparing Germany and Zimbabwe. I was comparing blacks raised in Chicago to unwed mothers to blacks being raised in Germany in intact families. As soon as family and language get factored into the equation, IQ racial differences disappear.

Harold Ickes – Jew .-He had been president of the Chicago branch of the NAACP.

23 Jun 1941 - Advisor Harold Ickes wrote FDR (Jew) a memo the day after Germany invaded the Soviet Union, "There might develop from the embargoing of oil to Japan such a situation as would make it not only possible but easy to get into this war in an effective way. And if we should thus indirectly be brought in, we would avoid the criticism that we had gone in as an ally of communistic Russia." FDR was pleased with Admiral Richmond Turner's report read July 22: "It is generally believed that shutting off the American supply of petroleum will lead promptly to the invasion of Netherland East Indies...it seems certain she would also include military action against the Philippine Islands, which would immediately involve us in a Pacific war." On July 24 FDR told the Volunteer Participation Committee, "If we had cut off the oil off, they probably would have gone down to the Dutch East Indies a year ago, and you would have had war." The next day FDR froze all Japanese assets in US cutting off their main supply of oil and forcing them into war with the US. Intelligence information was withheld from Hawaii from this point forward.

When the designers learned that FDR's administration would not allow helium to be shipped to "Nazi" Germany, the Hindenberg was re-engineered to use hydrogen for its lift instead -- a gas which is flammable. The man responsible for denying helium to Germany was Secretary of the Interior Harold Ickes (cough cough) -- a fanatical German-hater and FDR Marxist. Though the German engineering geniuses were still able to construct a very safe airship -- because hydrogen was flammable -- there now existed an opportunity for an "accident" with a plausible "explanation" for it.
1. A suspicious blast -- at the exact moment of mooring with the cameras filming -- destroys Germany's Airship industry. // 2. It was FDR's Jewish Secretary of the Interior, Harold Ickes, who would not permit helium exports to Germany. // 3. FDR with the mighty Ickes.

These measures were necessary because FDR's (Jewish)backers were planning to involve the U.S. in the Second World War. Any popular political opposition to Roosevelt might have swept him out of office in 1940, just when he was needed to bring off the Pearl Harbor attack. On the morning of Pearl Harbor, Gen. Marshall, his Chief of Staff, met secretly with Maxim Litvinoff (married to Ivy Low of England), to assure the Russians that everything was going according to plan. Marshall later testified before Congress that he "couldn't remember" where he was on Pearl Harbor Day.The "managed conflict" was well on its way.

Eustace Mullins - New World Order.

Hitler's invasion of Poland was forced by the Polish government's intolerable treatment of its German population. No other national leader would have allowed his fellow countrymen to similarly suffer and die just across the border in a neighboring country.[28] Germany did not invade Poland for Lebensraum or any other malicious reason.

However, even British leaders who had worked for peace later claimed that Hitler was solely responsible for starting World War II. British Ambassador Nevile Henderson, for example, said that the entire responsibility for starting the war was Hitler's. Henderson wrote in his memoirs in 1940:[29]

"If Hitler wanted peace, he knew how to insure it; if he wanted war, he knew equally well what would bring it about. The choice lay with him, and in the end the entire responsibility for war was his."

Henderson forgot in this passage that he had repeatedly warned Halifax that the Polish atrocities against the German minority in Poland were extreme. Hitler invaded Poland in order to end these atrocities.

A version of this article was originally published in the May/June 2022 issue of The Barnes Review.

https://der-stuermer.blogspot.com/

American General Albert Wedemeyer, who, under the Army Chief of Staff and future Secretary of State [Foreign Minister], Marshall, was charged with drawing up the "Victory program" for the defeat of Hitler, added to this statement, after having examined Roosevelt's various war measures during the years 1940- 1941, the following words:

"Thus we should have been openly involved in the war months before Pearl Harbor had it not been for Hitler's evident determination not to be provoked by our belligerent acts into declaring war on us...Roosevelt had carried Congress along with him in his un-neutral actions by conjuring up the bogey of an anticipated attack on America. We now know, thanks to the exhaustive examination of the German secret archives at the time of the Nuremberg trials, that there never was any plan of attack on the United States. On the contrary, the tons of documents examined prove that

Hitler was all along intent on avoiding war with the United States. He did not declare war on us until compelled to do so by his alliance with Japan.

[1] On December 17, 1862, General Ulysses Grant wrote to the Assistant Adjutant General of the US Army:

“I have long since believed that in spite of all the vigilance that can be infused into post commanders, the specie regulations of the Treasury Department have been violated, and that mostly by the Jews and other unprincipled traders. So well satisfied have I been of this that I instructed the commanding officer at Columbus to refuse all permits to Jews to come South, and I have frequently had them expelled from the department. But they come in with their carpet-sacks in spite of all that can be done to prevent it. The Jews seem to be a privileged class that can travel anywhere. They will land at any woodyard on the river and make their way through the country. If not permitted to buy cotton themselves, they will act as agents for someone else, who will be at a military post with a Treasury permit to receive cotton and pay for it in Treasury notes which the Jew will buy at an agreed rate, paying gold.”

Also, on December 17, 1862, General Ulysses S. Grant issued General Orders No. 11. This order banished all Jews from Tennessee’s western military.

General Orders No. 11 declared: “1. The Jews, as a class, violating every regulation of trade established by the Treasury Department, are hereby expelled from the Department.

“2. Within 24 hours from the receipt of this order by Post Commanders, they will see that all of this class of people are furnished with passes required to leave, and anyone returning after such notification, will be arrested and held in confinement until an opportunity occurs of sending them out as prisoners, unless furnished with permits from these headquarters.

“3. No permits will be given these people to visit headquarters for the purpose of making personal application for trade permits.

“By order of Major Gen. Grant.

What is the worldly religion of the Jew? Huckstering. What is his worldly God? Money. … Money is the jealous god of Israel, in face of which no other god may exist. Money degrades all the gods of man—and turns them into commodities. … The bill of exchange is the real god of the Jew. His god is only an illusory bill of exchange. … The chimerical nationality of the Jew is the nationality of the merchant, of the man of money in general....Karl Marx

Mr. J. Hall Richardson reports it on pp. 216-217 of his book, From the City to Fleet Street (S. Paul & Co., 1927). He is writing of the murders of Jack the Ripper, and he says:"It would scarcely be believed that the Metropolitan Police held the clue to the identification of the murderer in their own hands and deliberately threw it away under the personal direction of the then Commissioner of Police, Sir Chas. Warren, who acted in the belief that an anti-Semitic riot might take place if a certain damning piece of writing were permitted to remain on the walls."Writing of the murderer: "Some freak of fancy had led him to write upon the wall this sentence: 'The Jewes are not the men to be blamed for nothing.'

"I have never learned that any photographic record was made of this inscription, and when the City Police came to hear of it, they were horrified that their colleagues in the Metropolitan Force had wiped away what might have been an important piece of circumstantial evidence as to the class to which the murderer belonged."

> The underlying thought was clear. Why so much foolish talk about a trivial incident? The Jews merely killed thirty-four of their American pigs and wounded 171, maiming some. What was wrong about that? Doesn’t everyone know that, as ... the Holy Talmud explicitly states, only Jews are human beings? That the lower animals can have no rights? — Revilo

When he returned to his car, an elderly man wearing a skullcap came and knocked on the window. When the clergyman let the window down, the passerby spat in his face. The clergyman prefered not to lodge a complaint with the police and told an acquaintance that he was used to being spat at by Jews.

The Rome Observer [ran] a story of how the Ralian police have broken up a paedophile ring which had been kidnapping non-Jewish children aged between two and five from orphanages, and then raping and murdering them. The paedophile ring had filmed these rapes and murders for the benefit of the global “snuff film” industry and had already sold copies to over 1,700 customers who had paid as much as $20,000 to see these two to five year oldchildren being brutally raped and killed.

The Roosevelt government also engaged in physical intimidation to silence the critics of the Jews. The Federal Bureau of Investigation harassed authors, editors, publishers, and lecturers who attempted to warn the American people that the Jews were brewing up a new war for their own ends. J. Treason to whiteness is loyalty to humanity. The goal of abolishing the white race is on its face so desirable that some may find it hard to believe that it could incur any opposition other than from committed white supremacists. Noel Ignatiev, Harvard Magazine, Sep-Oct 2002
We intend to keep bashing the dead white males, and the live ones, and the females too, until the social construct known as ‘the white race’ is destroyed, not ‘deconstructed’ but destroyed.

How true is this, indeed, that the facts show us the Jews have even suffered these delusions collectively, as a people. In fact, one has only to read the histories and esoteric books of the Jews to see how they have exaggerated persecutions suffered in bygone times to the point of creating an ideology which borders on a collective persecution complex. And a persecution complex is precisely one of the characteristics of the form of insanity or mental illness that science has designated as Paranoia or Paranoid Schizophrenia.

Even if reason tells us, even shouts with all its force the very absurdity of this confrontation between the small and insignificant people of Israel [i.e., all Jewry worldwide, not just “the State of Israel”] and the rest of humanity… as absurd, as incoherent and as monstrous as it may seem, we are engaged in close combat between Israel and the Nations ~ and it can only be genocidal and total because it is about our and their identities. ~ Yitzhak Attia, Israel Magazine, April 2003
Any trial based on the assumption that Jews and goyim are equal is a total travesty of justice. ~ Rabbi Yitzhak Ginsburg, June 6, 1989:

“The homogenity of European nations is fundamentally against the interests of the Jewish people. We are at a critical turning point in history. The West is becoming more and more racially diverse, and soon the White Race will be forced into submission. The future of the west is that of an ethnically diverse melting pot, where the evil divisions of race and white supremacy no longer reign. This is all thanks to the tremendous power of our social movements and institutions. This great change will be catalyzed by Moslem settlement. From the land of Israel, Jews will forever be a light unto the new monoracial world as guarenteed by G-d.”

You Gentiles quotes
https://web.archive.org/web/20210827154454/https://www.darkmoon.me/2014/key-quotations-from-you-gentiles-by-maurice-samuel/

"Tell me, do the evil men of this world have a bad time? They hunt and catch whatever they feel like eating. They don't suffer from indigestion and are not punished by Heaven. I want Israel to join that club. Maybe the world will then at last begin to fear us instead of feeling sorry. Maybe they will start to tremble, to fear our madness instead of admiring our nobility. Let them tremble; let them call us a mad state. Let them understand that we are a savage country, dangerous to our surroundings, not normal, that we might go wild, that we might start World War Three just like that, or that we might one day go crazy and burn all the oil fields in the Middle East. Even if you'll prove to me that the present war is a dirty immoral war, I don't care. We shall start another war, kill and destroy more and more. And do you know why it is all worth it? Because it seems that this war has made us more unpopular among the civilized world. We'll hear no more of that nonsense about the unique Jewish morality. No more talk about a unique people being a light upon the nations. No more uniqueness and no more sweetness and light. Good riddance." former Israeli Prime Minister Ariel Sharon.
“Most Jews do not like to admit it, but our god is Lucifer.” Harold Wallace Rosenthal Interview 1976.

The Harold Wallace Rosenthal Interview 1976.
"It is a marvel that the american people do not rise up and drive every JEW out of this country." The Jew, Mr. Harold Wallace Rosenthal, made this statement after admitting Jewish dominance in all sighificant national programs. He said, "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While the naive Americans wait for Khrushchev to bury them, we have taught them to submit to our every demand." Asked how a nation could be captured without their knowing it, Mr. Rosenthal attributed this victory to absolute control of the media. He boasted of Jewish control of ALL NEWS. Any newspaper which refused to acquewsce to controlled news was brought to its knees by withdrawing advertising. Failing in this, the Jews stop the supply of news print and ink. "It's a very simple matter," he stated. Asked about men in high political office, Mr Rosenthal said that no one in the last three decades has achieved any political power without Jewish approval. "Americans have not had a presidential choice since 1932. Roosevelt was our man; every president since Roosevelt has been our man."In a discussion about George Wallace, Mr. Rosenthal smiled and suggested that we note where Wallace stands today.

To answer your question in Russia, there are two distinct governments one visible and the other invisible. The visible is made up of different nationalities, whereas the invisible is composed of ALL JEWS. The powerful Soviet Secret Police takes its orders from the invisible government. There are about six to seven million Communist in Soviet Russia, 50% are Jews and 50% are gentiles, but the gentiles are not trusted. The Communist Jews are united and trust each other, while the others spy on one another. About every five to six years the secret Jewish Board calls for the purge of the party and many are liquidated. When asked "why"? he said: "Because they begin to understand too much about the Jewish secret government. Russian Communists have a Secret Group Order which consists of Jews only. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the center of Communism to Tel Aviv from where all instructions now originate."

Money No Mystery by Arnold Leese - As Hitler said in 1937:--"Work is the safest cover for a currency."

PERHAPS the most important point for the public to realise about this astounding system is that the power to alter the price of goods (taken as a whole) upward or downward now rests in the hands of those who control the Banking Machinery. The more 'central' the Bank, the greater the control. The Laws of Supply and Demand have been suspended in favour of the dictatorship of the Financiers.

HEY
RABBI
Whatcha Doin'?

Proof That National Socialist Germany was Christian.

By this time the Christian armies invading Russia could see for themselves the closed churches by the ruins of Christianity which had been destroyed by Bolshevik Jews, as well as, perhaps, the statue of Judas erected by Bolshevism in commemoration of Christ's betrayer. But from the cataclysm of war, from the surge of blood and fire, from the smouldering ruins of destroyed cities, from the thunder of bombs dropped on innocent children, Roosevelt, the most fateful figure of the 20th century, now emerges![Page 84] "This war will be Roosevelt's war!" the right-wing Republicans were saying. But people like Morgenthau, Baruch, Frankfurter, Einstein and Oppenheimer, knew better:"This war will be our war! World Jewry's war!"For Roosevelt, this late descendant of the Spanish Sephardim, was the prototype of the 20th-century politician. In him was to be found the personification of the Protocols, although he was world deliverer and puppet at the same time. Standing behind were the real masters of America. Freemasonry and the Elders of Zion, Zionist leaders and bankers and the Galician-born trade union Bolsheviks.

National Socialist Christian Movement.

Within its framework, the various organisations of the National Socialist party, the independent private associations, the Roman Catholic "Caritas," the Home Mission, the Protestant Church, the Red Cross, the Salvation Army, and others, harmoniously collaborate with one another. Even very small religious groups, such as the Adventists, are represented among them. For reasons of convenience the Jewish organisations have alone been left outside the scheme; but this does not mean that the charity work carried on for the benefit of necessitous Jews is in any way inferior to that carried on for the rest of the population. Any allegations of a contrary nature that are made by anti-German writers are pure inventions.P83

SECRETS OF THE NEBRA SKY DISC- CIVILISATION HAD ALREADY DAWNED IN EUROPE.

This disc, it seems, is a Bronze Age Bible, combining an advanced understanding of the stars with some of the most sophisticated religious imagery of the age. In intellectual achievement and also age, it surpasses anything yet found in Egypt or Greece. It seems that civilisation had already dawned in Europe.This is the extraordinary story of how a small metal disc is rewriting the epic saga of how civilisation first came to Europe, 3600 years ago.When grave robbers ransacked a Bronze Age tomb in Germany, they had no idea that they had unearthed the find of a lifetime. But they knew that it was worth selling. It was a small bronze disc of exquisite design. So they contacted the archaeologist Harald Meller, offering to sell it to him for £300,000.

TODAY The Sun reveals the sinister web in the VIP paedophile scandal engulfing Westminster.

It began with a claims of a "powerful paedophile ring" once operating from Parliament and an 'establishment cover-up".

PM David Cameron was asked about allegations of an historic network of culprits linked to Westminster and No10.

A police investigation — Operation Fairbank — has spawned three operations. They are investigating murder allegations involving three boys. Suspects, many unnamed, include senior MPs, a top cop, a Soviet spy, an MI5 man and two pop stars.

The Government's own official inquiry was announced in July but has been blasted by the alleged victims of abuse.

OPERATION FAIRBANK

SET up as a secret 'scoping' exercise to find out if claims made in Parliament were true.

In 2012, it was claimed files on paedo Peter Righton contained "clear intelligence of a widespread paedophile ring" in the 1970s and 1980s involving politicians.

Former teacher Charles Napier last month admitted sexually abusing 21 underage boys. Napier is the half-brother of Tory MP John Whittingdale.

Meanwhile, Operation Fernbridge was set up last year into abuse at Elm Guest House.

OPERATION MIDLAND

SET up last month to investigate the alleged murders of three boys over 30 years ago following intelligence received from Operation Fairbank.

Eastnews / Rex

According to The Sun newspaper: **Esther Rantzen slammed Google** - **8th January 2017**

"An anonymous website branded her a satanic child abuser who had buried dead babies in her garden, held drug-fuelled sex parties and covered up attacks on kids by celebs like Jimmy Savile.

"Google acted on her plea to cut the link only after she decided to expose their initial refusal in the national press."

It is in the Jewish interest, it is in humanities interest that whites experience a genocide. Until white children are burned alive, white women raped, mutilated, murdered and all white men who have not been slaughtered watch powerlessly as their people are terrorised; only then will mankind be on a more equal footing, ready to discuss white privilege and the apparent chip on the shoulder that minorities have. - Ishmael Levitts

Mrs Thatchers Jewish links.

"(Margaret Thatcher had) a Cabinet which included no fewer than five Jews: Lord (David) Young, Malcolm Rifkind, Leon Brittan, Nigel Lawson and Keith Joseph. "More old Estonians than old Etonians," joked the aged Harold Macmillan, a gag that struck many as an attempt by the old Tory guard to set a limit on Jewish progress."

ROTHCHILDS RUN THE SHOW

Ed Miliband has called for a full enquiry into the Jimmy Savile abuse case,
what this actually is is a damage limitation exercise, how can this man Savile abuse boys and girls for 60 years and get away with it. ?
At various times the BBC, Childline the childrens minister and the NSPCC were all told by those abused and their parents and nothing happened.

Due to Rupert Murdoch's phone tapping right across the board he knew about it too, but avoided the best scoop of the year why ? strange that the people in charge of each body is Jewish ?

Rupert Murdochs vast operation is bankrolled by Rothschild and Oppenheimer, insiders say phone hacking and blackmail of those involved with kids was for Mossad to push for an Iran/Syria /lebanon wars for them.
The link with Jimmy savile and the royals is simple. Paul Kidd the Royal butler was charged at Manchetser crown court with sexually abusing many many boys over 30 years, Manchester was one of Saviles hunting grounds, Paul Kidd claimed he walked the same corridors as Sir Anthony Blunt the Rothschild gopher who betrayed Britain to the Soviets in W W II for £20,000. Blunt, who it was alleged abused and murdered several children and procured them for many others,
was the linkpin.

TAP – Blunt was the illegitimate brother of The Queen.

Both Paul Kidd and Anthony Blunt took small boys to tea with the queens mother.
William Crake was a single man found dead at his home in Cambridgeshire in 2010.

When police came to investigate
they found a huge cache of childporn with letters dated 40-50 years back from Sir Anthony Blunt and other abusers known to have visited the Jersey care home, a large diary of names and adresses had some surprising people.

In 1980 Jimmy Savile's brother was charged with groping a young child where he worked, and told police about Jimmy
and he said they ignored it, so who protected Jimmy for so long and why ?

In the USA the Heidi Fleiss case which is similar to this, showed Mossad was behind pushing people to have sex, often with minors, then blackmailing them exactly as sir Anthony Blunt did in W W II for Rothschild.

I am suspicious of Ed Miliband taking charge, knowing him to be non British and a Rothschild ally, the pro-homosexual lobby has squashed all mention of Jimmy with young boys but is busy promoting child abuse against girls such as Holly Greig and the Savile case.

ZIONISM. Britain’s royal family is 100% Jewish.
In conclusion even if the royal family, particularly Kate and William introduce themselves as staunch Christians, since the bride of the family, Princess Diana the wife of Prince Charles, was Jewish, her two sons Harry and William are Jews. On the other hand William's marriage as the inheritor of the crown to a Jewish girl will leave the future of Britain to the hands of the couple's Jewish children.

Non-Jews exist to serve Jews

Israeli Sephardic leader Rabbi Ovadia Yosef in his weekly Saturday night sermon said that non-Jews exist to serve Jews.

"Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel," . . .

The Global News Service of The Jewish People

* "The 'goyim' are not humans. They are beasts." (Baba Mezia 114b)
* "If you eat with a 'goy' it is the same as eating with a dog." (Tosapoth, Jebamoth 94b)
* "Even the best of the 'goyim' should all be killed." (Soferim 15)
* "Sexual intercourse between the 'goyim' is like intercourse between animals." (Sanhedrin 74b)
* "If a 'goy' (Gentile) hits a Jew he must be killed." (Sanhedrin 58b)

When the Queen of England goes to visit the City she is met by the Lord Mayor at Temple Bar, the symbolic gate of the City.

She bows and asks permission to enter his private, sovereign State. He grants permission to enter by handing her the sword of State.

During such State visits "the Lord Mayor in his robes and chain, and his entourage in medieval costume, outshines the royal party,

which can dress up no further than service uniforms." The Lord Mayor leads the queen into his city.

The reason should be clear. The Lord Mayor is the monarch.

The Queen is his subject! The monarch always leads the way. The subject always stays a pace or two behind!

The small clique who rule the City dictate to the British Parliament. It tells them what to do and when. In theory Britain is ruled by a Prime Minister and a Cabinet of close advisers. These 'fronts' go to great lengths to create the impression that they are running the show but, in reality, they are mere puppets whose

strings are pulled by the shadowy characters who dominate behind the scenes. As Disraeli wrote:

"So you see. . . the world isgoverned by very different personages from what is imagined. P42

Disraeli, in 1844, in his book Coningsby, frankly states that:

“The world is governed by very different personages from what is
imagined by those who are not behind the scenes.”

In the Wiener Freie Presse on December 24th, 1921 the Jewish
Walter Ratbenau wrote precisely the same thing when he said:

“Three hundred men, each of whom knows all the others, govern
the fate of the European continent, and they elect their successors
from their entourage.

Stone said he needed money and office space. Cohn sent him to see Donald Trump, who took him out to Avenue Z in Brooklyn to meet with his father. Fred Trump is said to have given Stone $200,000 in checks, each for the $1,000 maximum campaign contribution then allowed from an individual. Fred arranged for the Reagan campaign to use an empty space next to the famed 21 Club.
As Stone would later tell it, Cohn presented him with a suitcase of cash that he then took to a prominent member of the Liberal Party, which subsequently decided to nominate John Anderson rather than support Jimmy Carter. This third entry into the race took enough votes away from Carter for Reagan to carry the state with just 46 percent of the vote.

Rabbi in Lancaster County UK said “Jesuits are some of my best friends!” Fact is most Rabbis betrayed their own people to drive them to Israel during WW II.
Jewish supremacist, Rabbi Harry Waton, admitted not only is Communism Jewish, but that it is simply a mechanism for Jewish world dominion and the subjugation of all non-Jews and a fulfillment of the megalomaniacal messianic vision of the Torah and the Talmud. “It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up

Marxism; all this was in perfect accord with the progress of Judaism and the Jews. The Jews should realize that Jehovah no longer dwells in heaven, but he dwells in us right here on earth; we must no longer look up to Jehovah as above us and outside of us, but we must see him right within us."

— Rabbi Harry Waton p. 148 of his book

RABBI WATON = JEWS = COMMUNISM AS A TOOL TO CONQUER THE WORLD

——————————-►

"Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and to be the masters over the whole earth. Now, indeed, this is the historic destiny of the Jews."

— Rabbi Harry Waton p. 99 of his book

——————————-►

"Judaism is communism, internationalism, the universal brotherhood of man, the emancipation of the working class and the human society. It is with these spiritual weapons (LIES & PrOPAGANDA) that the Jews will conquer the world and the human race."

— Rabbi Harry Waton p. 100 of his book "The Jew World Order Unmasked"

——————————-►

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism, so also in the triumph of fascism will triumph Judaism."

— RABBI RABINOVICH'S SPEECH OF JANUARY 12TH, 1952 recorded in A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144).

RABBI WATON: JEWS = COMMUNISM AS A TOOL TO CONQUER THE WORLD

——————————-►

"The Communists are against religion (Christianity), and they seek to destroy religion; yet, when we look deeper into the nature of Communism, we see that it is essential nothing else than a religion (Judaism)."

— Rabbi Harry Waton in "A Program for the Jews and Humanity" p. 138.

——————————-►

JEWS USE THE TOOL OF CHRISTIANITY TO TAKEOVER SOCIETY
"I am devoting my lecture in this seminar to a discussion of the possibility that we are now entering a Jewish century, a time when the spirit of the community, the non-ideological blend of the emotional and rational and the resistance to categories and forms will emerge through the forces of anti-nationalism to provide us with a new kind of society. I call this process the Judaization of Christianity because Christianity will be the vehicle (TOOL) through which this society becomes Jewish."

— Rabbi Martin Siegel, New York Magazine, p. 32, January 18, 1972

——————————-►

"The Jews welcome this revolution in the Christian world, and the Jews should show an example. It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism: all this was in perfect accord with the progress of Judaism and the Jews."

— Rabbi Harry Waton in A Program for the Jews and Humanity, p. 148

FACT: Judaism = Religion of hate for Christians and all gentiles of all races they consider garbage. Rabbi Shneur Zalman taught the souls of Jews and gentiles are completely different = “Gentile souls are of completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever . . . Indeed they themselves are refuse. . . . All Jews are innately good, all gentiles are innately evil.”

— Solving the Mystery of Babylon the Great by Edward Hendrie

ALL WARS ARE BANKSTERS WARS!
“Thanks to the terrible power of our International Banks, we have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and make more room for us Jews. Wars are the Jews’ Harvest: The Jew banks grow fat on Christian wars. Over 100-million Christians have been swept off the face of the earth by wars, and the end is not yet.”

— Rabbi Reichorn, speaking at the funeral of Grand Rabbi Simeon Ben-Iudah, 1869

The Jew is not satisfied with de-Christianizing, he Judaises; he destroys the Catholic or Protestant Faith, he provokes indifference, but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ." -- (Rabbi Benamozegh, quoted in J. Creagh Scott's Hidden Government, page 58).

I participated with Dr. Herzl in the first Zionist Congress which was held in Basle in 1897…At the Jewish World Congress. 9-HOLOCAUST HOAX.
POLAND 1944 AUSCHWITZ BIRKENAU BOMBING BY US AIR FORCE - CONCENTRATION CAMP KONZENTRATIONSLAGER

The I.G. Farben plant at Auschwitz-Monowitz was first photographed on an American reconnaissance flight on April 4, 1944. When analyzing the aerial photos, Royal Air Force specialists identified various production facilities of I.G. Auschwitz as targets for strategic aerial warfare. Additional recon flights followed between late May and mid-August 1944. The first sizable bombing raid by the 15thU.S. Army Air Force on the plant buildings of I.G. Auschwitz took place on August 20, 1944. Because of the heavy escort of 100 P-51 Mustang fighters, only one of the 127 bombers employed was shot down. The attack inflicted considerable damage on the production facilities of I.G. Auschwitz. Monowitz prisoner Adam Szaller managed to escape during the strike. According to the testimony of Monowitz prisoner Siegfried Pinkus, “around 75 prisoners were killed” in this raid, and “more than 150 prisoners were injured, some only slightly, others seriously.”[1] Pinkus held the plant managers of I.G. Auschwitz jointly responsible for this, because they had forbidden prisoners to take cover in self-made shelters.

Deaths Auschwitz 30,000 Jews Russian - records – (Typhus – lack of supplies Germany wrecked by Allied bombing)

74,000 names of people who had died were listed, of which only approximately 30,000 were Jews, along with an almost equal number of Poles and members of other nationalities.
The incredibly shrinking Holocaust! The "millions" that we have heard about for half a century and that we hear and read about still today all started with the "testimony" beaten out of poor Hoess on that horrible night in defeated Germany.

WASHINGTON 8, D. C.

Washington, D.C., September 7,194

DECLASSIFIED BY:
JCS DECLASSIFICATION BRANCH
DATE 17 April 73

Brig. Gen. John R. Deane,
Joint Secretariat,

Very truly yours,

L. Mitkiewicz
Colonel

(for the period January to April 1943)

members of the deportation committee			18	
b. poison has been administered		in 189 cases	in 132 cases	in 105 cases
Typhoid fever microbes and typhoid fever lice	in a few hundred cases

c. Besides the above-mentioned cases, the following German officers were liquidated in April 1943:

On April 16, 1943 - Kurt, Head of National Social Security.
On April 8, 1943 - Hoffman, Head of the Warsaw Labor Board.
On April 13, 1943 - Dietz, Hoffman's assistant.
" " " " together with Dietz - 27 Gestapo agents.

d. A series of personal threats against Germans has been

Typhus used as method for liquidation by the ALL-Lies.

Letter From Hitler to Mussolini (explaining why Germany has to Invade Soviet Union) - June 21, 1941. --The concentration of Russian forces - I had General Jodi submit the most recent map to your Attache here, General Maras — is tremendous. Really, all available Russian forces are at our border .... And behind this is the mass delivery of war material from America which they hope to get in 1942.... Both countries, Soviet-Russia and England, are equally interested in a Europe fallen into ruin, rendered prostrate by a long war. Behind these two countries stands the North American Union goading them on and watchfully waiting.....

December 5, 1939.- The expulsion of Jews into Russian territory, in partic-ular, did not proceed as smoothly as had apparently been expected. In practice, the procedure was, for example, that at a quiet place in the woods, a thousand Jews were expelled across the Russian border ; 15 kilometers away, they came back, with the Russian commander trying to force the German one to readmit the group.

Dr. Charles P. Larson, an American forensic pathologist, performed autopsies at Dachau and some of its sub-camps which confirm that most inmates at Dachau died of natural causes. Dr. Larson performed about 25 autopsies a day for 10 days at Dachau and superficially examined another 300 to 1,000 bodies. He autopsied only those bodies that appeared to be questionable. Dr. Larson wrote in regard to these autopsies at Dachau:

The Immovable Force of Auschwitz.

If you've noticed that the Holocaust story appears more centered around Auschwitz than usual, it's because this is the last straw Holocaustians have to grasp on.But here too, we are beginning to see official omissions of previously claimed homicidal gas chambers, for example at Auschwitz I (Stammlager), the main camp tourists visit. The USHMM now specifically distinguishes only Auschwitz II (Birkenau) as the site of homicide gassings. Revisionists like Robert Faurisson have always contended that the gas chamber shown to visitors is a fake. Even thought the French newspaper L'Express was able to get the Auschwitz Museum to admit that the gas chambers they show to people are phony, official tour guides still present the exhibit as an authentic homicide gas chamber. On the infamous Deborah Lipstadt's website, it says that the gas chamber isn't a fake intended to fool visitors, it's a "recreation" meant to be "symbolic"!

https://web.archive.org/web/20200315052342/https://national-justice.com/op-ed-last-days-holocaust

With her book Denying the Holocaust, Deborah Lipstadt tried to show the flawed methods and extremist motives of “Holocaust deniers,” who, so the book’s description claims, have “no more credibility than the assertion that the earth is flat.”

This video documentary is based on the book Bungled: “Denying the Holocaust.” How Deborah Lipstadt Botched Her Attempt to Demonstrate the Growing Assault on Truth and Memory,” which is available from the publisher's website or wherever books can be bought; check here for the best prices.

Both this documentary and the book demonstrate that Dr. Lipstadt clearly has neither understood what the principles and methods of science and scholarship are, nor has she any clue about the historical topics she is writing about. She misquotes, mistranslates, misrepresents, misinterprets, and makes a plethora of wild claims without backing them up with anything. Among other things, she utterly fails to use generally recognized standards of evidence. Given the way she handles documents and data, it is clear that she has no interest in scholarship or reason. In fact, truth has been the antithesis of her enterprise.

Rather than dealing thoroughly with factual arguments, Lipstadt’s book is full of ad hominem attacks on her opponents. It is an exercise in anti-intellectual pseudo-scientific arguments, an exhibition of ideological radicalism that rejects anything which contradicts its preset conclusions. Since she admits herself that her opponents’ motives are irrelevant, as an inescapable consequence, so is her book.

I can understand the Jewish Supremacists/Zionists being terrified of academic inquiry into the Holocaust. I mean, no one really wants to be exposed as a bold-faced liar. Especially not one stupid enough to cling to the lie over a period of 62 years despite mounting evidence that is convincing more and more people that much of what we've been led to believe about the fate of the Jews in the second World War is untrue, or at least exaggerated beyond all recognition.

The Red Cross are quite explicit in stating that food supplies ceased at this time due to the Allied bombing of German transportation, and in the interests of internees they had protested on March 15, 1944 against “the barbarous aerial warfare of the Allies” (Inter Armet Caritns, p. 78).

Treblinka: An Exceptional Guide By Dr. Robert Faurisson.

Marian Olszuk - never entered the camp area, every day people gathered in groups outside the front gate, openly engaging in barter and black market dealing. Traffickers came from Warsaw to sell goods to the Ukrainian guards who, in turn, would do business with the Jewish prisoners to whom they sold food. Some of those Jews bought ham and sausages, which were luxury items at that time. The existence of the two camps at Treblinka was common knowledge, and a good many of the Jewish inmates seemed to have money, gold, or jewelry.

The Facts about the Concentration Camps and their Administration(Cover Prisoner being released)

In April 1939, Adolf Hitler celebrated his 50th birthday. To celebrate this occasion,plans were drawn up for a pardon for several thousand prisoners in the camps. The instructions that determined who was to be freed and who would remain as an inmate reveal the different kinds of prisoners in the camps as well as revealing Hitler's generosity and good will. The intention of the pardon was to free inmates who were brought to the camps in 1933, six years before.

Dachau Concentration Camp - Judeo-Masonic ALL-Lies Massacre Germans- All-Lied War Crime.

US ARMY TURNS PEACEFUL DACHAU INTO CHARNEL HOUSE.
Ironically in the light of postwar research it has been revealed that the only atrocities committed at Dachau were those carried out by the victorious allies. Equally ironically this camp was an allied concentration camp (eleven years) for a longer period of time than it was a German administered camp. There, "Three hundred SS camp guards were quickly neutralized." on the orders of General Dwight D. Eisenhower.
The term neutralized of course is a politically correct (or cowardly) way of saying that prisoners-of-war were rounded up and machine-gunned in groups. Accounts of the mass murder of prisoners-of-war at Dachau have been described in at least two books; 'The Day of the Americans by Nerin Gun, Fleet Publishing Company, New York, and, Deliverance Day - The Last Hours at Dachau by Michael Selzer; Lippincot, Philadelphia
These books describe how German prisoners were collected in groups, placed against a wall and methodically machine-gunned by American soldiers while some were still standing, hands raised in surrender. American soldiers casually climbed over the still twitching bodies, killing the wounded. Whilst this was happening, American photographers were taking pictures of the massacres that have since been published.

Nordhausen Concentration Camp Bombed by the ALLIES- MASS DEATHS blamed on Germans

On April 3 1945, 247 Lancaster bombers and 8 Mosquitos of Group Nos 1 and 8 of British Royal Air Force bombed and strafed the Nordhausen Camp hospital, killing thousands of inmates. The hospital doctors, nurses, and caregivers, (both German and detainee) fled the smashed hospital leaving the sick and wounded in a desperate situation.The next day, the British attacked again; this time sending 243 Lancasters, 1 Mosquito of No 5 Group, and 8 Pathfinder Mosquitos to bomb the town of Nordhausen and bomb the barracks. Thousands of German civilians and more inmates were killed in the second attack.Altogether, 490 bombers, each carrying 12,000 lbs. of bombs or almost 6,000,000 pounds of explosives, hit Nordhausen. The hospital was smashed, the doctors and staff scattered, the surrounding area devastated. The already difficult situation in the crowded hospital turned into a disaster. The death toll of hospital inmates and workers was approximately 3,500. The number of dead civilians has been given as approximately 8,000....

The film footage was shown in the Trial(Nuremberg), on November 29, 1945

....In the film it was stated that, "at least 3,000 political prisoners died here [the Boelcke Kaserne] at the brutal hands

of SS troops…" The camp hospital was described only as "a depository for slaves found unfit for work."No mention was made of the British bombings.

Auschwitz, Buchenwald and Alfred Hitchcock's First Horror Movie From the Memoirs of a German Soldier

Alfred Hitchcock, the Hollywood horror-film specialist. He had been awarded a contract to make a movie about concentration camps for the Nuremberg tribunal. At night the dead prisoners would be unloaded at Buchenwald, Dachau and other concentration camps by those who were still alive. Hitchcock would then film them, depicting the heaps of corpses as victims of German atrocities. A large number of corpses were dumped at Buchenwald at night, and next day the citizens of Weimar were forced to walk past the heaps of rotting corpses and smell the sickening stench. Some of them actually believed the American propaganda, that the corpses had been concentration-camp inmates. It was all filmed as part of Hitchcock's movie. Afterwards the corpses were shoved into mass graves in the vicinity. That too was part of the script.

Bergen Belsen Concentration Camp Overcrowded Typhus Epidemic.

“British and allied troops appearing as defendants in war crimes trials with brutal Serbs and former Red Army thugs is well overdue”, says 20th Century analyst, Michael Walsh. His research exposes allied genocide, enslavement and institutionalized ill treatment of axis prisoners-of-war both during and after World War 11.He says, “the scale of abuse of prisoners-of-war was contrary to the Geneva

and other conventions to which Britain and its allies were signatories. As late as 1948, three years after the war's end, the British Government's treatment of its foreign prisoners was subject to International Red Cross scrutiny and international condemnation. The IRC threatened to bring the British government before international tribunals for abuse and illegal enslavement. Typically, British administered prisoner-of-war camps were worse than Belsen long after the war had ended and war disruption ceased. Tragically even civilians were illegally held, deported and murdered in the tens of thousands whilst the evil killers responsible have so far evaded justice.

Stanislawa Leszczynska was a Polish midwife who was incarcerated at the Auschwitz concentration camp during World War II, where she delivered over 3,000 children. She is an official candidate for canonization (sainthood) by the Catholic Church. Several hospitals and organizations in Europe are named after Stanislawa; the main road at Auschwitz concentration camp museum is named after her.

If Auschwitz was a death factory, then why was there a maternity ward and why was she allowed to perform 3,000 deliveries...

The ICRC received a voluminous flow of mail from Auschwitz until the period prior to the Jewish-Bolshevik occupation, when many of the internees were evacuated westward to other locations, such as Bergen-Belsen for example, where the camp became overrun with inmates fleeing the east. A great majority voluntarily left with German officials due to the fear of the encroaching Red Army. Unfortunately, thereafter, the efforts of the Red Cross to send relief to internees remaining at Auschwitz under Bolshevik control, were futile.However, food parcels continued to be sent to former Auschwitz inmates transferred west to such camps as Buchenwald and Oranienburg etc.

"Jewish terrorists of the Stern Gang and Irgun Zvai Leumi stormed the village of Deir Yasin and butchered everyone in sight. The corpses of 250 Arabs, mostly women and small children, were later found tossed into wells".At the Versailles Peace Conference in 1919 Dr. Weizmann had declared, "The Bible is our mandate", and the words sounded good to Western ears. This event showed what they meant, and the same words were repeated by the Zionist leaders in Palestine thirty years after Dr. Weizmann used them. The massacre at Deir Yasin was an act of "observance" of the ancient "statutes and commandments", including the relevant passage in Deuteronomy, "When the Lord thy God shall bring thee into the land whither thou goest to possess it, and shall cast out. . . seven nations greater and mightier than thou . . . then thou shalt utterly destroy them; thou shalt make no covenant with them, nor show mercy unto them", and the related passage, "thou shalt save alive nothing that breatheth, but thou shalt utterly destroy them". There are seven Arab states today, and each of them has its share of the fugitives of 1948, who for eight years now have been a living reminder to them of the common future fate with which Zionism threatens them under the ancient Law.P301

Delmer, Sefton (Jew) (1904-1979), former British Chief of "Black propaganda": "Atrocity propaganda is how we won the war... And we're only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final. Re-education needs careful tending, like an English lawn. Even one moment of negligence, and the weeds crop up again - those indestructible weeds of historical truth." (Said after the German surrender, in 1945, in a conversation with the German professor of international law, Dr. Friedrich Grimm.)

We are all familiar with the pictures and film footage of piles of dead "Jews" discovered at the liberated “death camps” Dachau and Buchenwald at the end of World War II, but what we were never told is that most of those corpses were actually dead German soldiers that were dumped there as part of an elaborate psy-op by British Intelligence, and many of those ghastly images were filmed by none other than horror film master, Alfred Hitchcock.

At night the dead prisoners would be unloaded at Buchenwald, Dachau and other concentration camps by those who were still alive. Hitchcock would then film them, depicting the heaps of corpses as victims of German atrocities. A large number of corpses were dumped at Buchenwald at night, and next day the citizens of Weimar were forced to walk past the heaps of rotting corpses and smell the sickening stench.

Some of them actually believed the American propaganda, that the corpses had been concentration-camp inmates. It was all filmed as part of Hitchcock’s movie. Afterwards the corpses were shoved into mass graves in the vicinity. That too was part of the script. This is the explanation that the two former officers of the US Army gave me concerning the trainload of dying German prisoners that I witnessed on June 16, 1945.

May, 1945: The American Red Cross reported that more than 98% of Americans captured by the Germans will be coming home safely, thanks in part to the food parcels sent to them during the war, which were promptly delivered by the Germans.
May 15, 1945: Eisenhower and Churchill talked about further reducing the rations for the German POWs. Churchill was informed that the POWs have been getting 2,000 calories per day (compared to 4,000 for American troops) and that 2,150 was regarded as an absolute minimum required for sedentary adults living under shelter. Eisenhower failed to tell Churchill that the U.S. Army was not even feeding many DEFs, and that they were feeding others, much less than 2,000 calories per day.

In view of the fact that the messages from Auschwitz contain no mention of gas chambers or mass murders, the real question is: what was there really for anybody to "know" about? In other words: was there any Holocaust at all? Regardless of the general belief that hardly any historical event has ever been so thoroughly "proven," one must, once again, expressly point out that, until the present, not one single material or documentary proof for the reality of any mass killings in gas chambers has ever been found. The only thing that exists,is mutually contradictory "eyewitness testimonies" and "confessions," which can,at least in the latter case, easily be shown to have been given under duress.

Captured German Documents
At the end of the Second World War, the Allies confiscated a tremendous quantity of German documents dealing with Germany's wartime Jewish policy, which was sometimes officially referred to as the "final solution." But not a single German document has ever been found which even refers to an extermination program. To the contrary, the documents clearly show that the German "final solution" policy was one of emigration and deportation, not extermination. Consider, for example, the confidential German Foreign Office memorandum of August 21, 1942 (Nuremberg document NG-2586-J. NMT green series, Vol. 13, pp. 243-249). "The present war gives Germany the opportunity and also the duty of solving the Jewish problem in Europe," the memorandum notes. The policy "to promote the evacuation of the Jews (from Europe) in closest cooperation with the agencies of the Reichsfuhrer SS Himmler] is still in force." The memo noted that "the number of Jews deported in this way to the East did not suffice to cover the labor needs." The document quotes German Foreign Minister von Ribbentrop as saying that "at the end of this war, all Jews would have to leave Europe. This was an unalterable decision of the Fuhrer [Hitler] and also the only way to master this problem, as only a global and comprehensive solution could be applied and individual measures would not help very much." The memorandum concludes by stating that the "deportations [of Jews to the East] are a further step on the way to the total solution . . . The deportation to the [Polish] General Government is a temporary measure. The Jews will be moved on further to the occupied [Soviet] eastern territories as soon as the technical conditions for it are given." This unambiguous document, and others like it, are routinely suppressed or ignored by those who uphold the Holocaust extermination story.

There have been a number of “Holocaust survivors” who have been exposed as frauds, but most people still don’t realize the whole thing is atrocity propaganda.

Holohoax Tales Mengele and Toilet Drinking

Doctor Mengele, appears in many tales told by the numerous numbers of "Holocaust" survivors, as he was the chief Medical doctor at the camp at Auschwitz. In this one minute video, a Jewess tells of her encounter with Doctor Mengele, and how after her two sisters and herself had their hair cut, one of them drank from a toilet as she was very thirsty and no water was available. https://codoh.com/library/document/holohoax-tales-mengele-and-toilet-drinking/

Josef Mengele – the Creation of a Myth. Mengele was a deputy of the Auschwitz garrison physician Dr. Eduard Wirths. Wirths, in turn, was celebrated by hundreds of Auschwitz inmates as a hero, as the “Angel of Auschwitz” saving the lives of tens of thousands of them with his selfless efforts to improve their lot and to battle the epidemics reaping a gruesome harvest at Auschwitz.[13] Mengele was Wirths’s right-hand man – in the battle to save as many lives as possible . https://codoh.com/library/document/josef-mengele-the-creation-of-a-myth/

Using air photos and wartime newspapers, Ukrainian writer MICHAEL NIKIFORUK attacks a few myths about a wartime atrocity.
THE MEMORY of the "massacre" of Jews at Babi Yar is painful to all politicians. But evidence shows it never happened. Aerial reconnaissance photos taken before and during World War II show mass graves of victims of the Soviet Cheka/NKVD, but an absence of Jewish mass burials.
What if anything, happened at a place called Babi Yar (Old Woman's Ravine) near Kiev, Ukraine - September 29, 1941? According to official histories and inscriptions on monuments, 250,000 people, mostly Jews, were killed by the Nazis there. But if thousands of Kievan Jews (those not evacuated by the Soviets) were killed in September of 1941 by the Germans, they were not murdered or buried at Babi Yar. This fact was revealed in aerial reconnaissance photos discovered in the U.S. National Archives in Washington, DC.
In February 1997 a Ukrainian court threw out a case brought by Ukrainian Jews against V. Kretytnychy of the St. Andrew Society and E. Musiyenko, editor of the Kiev Evening News (Vechirnyi Kyiv), who challenged the official Babi Yar story. Encouraged by the court decision, on March 19, 1997 the Kiev Evening News published a four-page story setting the record straight for the first time since the Allies

condemned the phony "atrocity" during World War II.

What is now coming to the fore is incontrovertible proof that no massacre took place at Babi Yar during the German occupation of Kiev; that the ravine was not used as a mass grave for Jews killed by the Germans. But it was a burial field between 1922-1935 for the victims of the Cheka/NKVD.

For decades, aerial photography has been recognized as an indispensable archaeological tool. With sophisticated equipment, ruins of ancient cities and cemeteries that lie under cultivated fields, forgotten for decades or centuries, have been discovered. Even submerged Hellenic ports have been discovered by aerial photography.

In 1991, wartime aerial photographs from the National Archives in Washington, DC were used as the ultimate guidance in exhumations of hundreds of Polish officers and intellectuals massacred in 1939-40 by the Soviet NKVD in the vicinity of Kharkiv. Aerial photos of Kiev's distant suburbs, including Bykivnia, Bilhorodka and Darnista, revealed mass graves of victims of the 1930's Stalinist terror-famine. It is therefore logical to assume that aerial photos of a ravine would reveal evidence of recent mass graves or of a major topographic disturbance.

The US National Archives in Washington contain about 1,100,000 wartime aerial photos, among them some 600 of Kiev, including Babi Yar. They were taken during 20 or more flights over the area. The first photos, taken at 12:23 pm on May 17, 1939, reveal such details as cars and even the shadows of the lamp posts on the streets of Kiev. Every large bush and small tree is visible on the slopes and at the bottom of the Babi Yar ravine. The last aerial photo coverage of Kiev (and Babi Yar) took place on June 18, 1944, about nine months after the city's "liberation" by the Red Army.

This series of reconnaissance photos demonstrates that the flora and the ground cover of the ravine remained undisturbed throughout the two years of German occupation. When the early and late photos are compared, it is obvious that the scattered trees grew and became slightly larger. No evidence of human or large animal activity in the ravine can be discerned on the many aerial photos of Babi Yar taken repeatedly in different seasons of the years 1939-1944.

In November of 1943, a group of Western journalists, including New York Times correspondent William "Bill" Lawrence, himself Jewish, were invited to Kiev by the Soviets. This occurred two weeks after the city's fall to the Red Army. The reporters were told that this was only six weeks after the Germans had completed the dynamiting, disinterment and open-air cremation of 70,000 corpses, followed by the crushing and bulldozing of the unburned bones into the soil of the ravine.

But the Western journalists were hard pressed to find any convincing physical evidence at the site of the alleged massacre.

The lack of reliable physical evidence of this "greatest massacre of World War II" - and the inability to find a single inhabitant of Kiev willing to corroborate the story - impelled the NKVD to provide the Westerners with three "eyewitnesses." Even though a Times editor censored out the most egregious exaggerations (about Soviet partisans and German "gassing vans"), the disjointed story by these three liberated Soviet POW's became the template for imitation for all subsequent Babi Yar testimonies.

When one realizes that all liberated Soviet POW's were facing either a firing squad or a short-lived future in the Gulags (it was a capital crime in the USSR for a soldier to be captured alive by the enemy), one realizes why it was easy for the NKVD to coerce any expedient statement from them.

Two weeks later, Soviet authorities were able to orchestrate massive "grass roots" support for their three Babi Yar witnesses. According to the "front pages of Moscow newspapers," (as reported in the United States), "40,000 Kiev residents [sent a letter] to Premier Josef Stalin, raising the estimate of the number killed and burned in the [Babi Yar] ravine to more than 10,000 (New York Times, Dec. 4, 1943).

Since - in later years - only 11 of these supposedly well-informed citizens offered any testimony, the wartime statistical reports in the NYT regarding Babi Yar (as well as the subsequent testimonies of belated witnesses) may be considered baseless. By 1943, the NKVD had a well-earned reputation for its ability to obtain any testimony from almost any witness.

For instance, in August of 1941, the Soviet press agency TASS and the Associated Press reported as fact the testimonies of NKVD-provided witnesses to the effect that the massacre of about 4,000 Ukrainians in NKVD prisons in the city of Lviv in late June of that year "was committed by the Nazi Storm troopers." This in spite of the fact that Lviv had not been taken by the Germans until July 1, 1941.

Long famous testimony extorted by the NKVD from a large number of witnesses told of the mass murder of 4,500 Polish military officers and intellectuals by the Nazis in the Katyn Forest. These fraudulent testimonies, taken under oath in the fall of 1943, were finally refuted by the Russians in the spring of 1990.

However, this admission was not forthcoming until the German pre-invasion aerial reconnaissance photo of Katyn (showing the mass graves of the Polish officers, teachers, etc.) had been transmitted in the fall of 1989 to the Soviet authorities.

Chronology suggests that the NKVD provided Western correspondents with three Soviet ex-POW, as witnesses of the Babi Yar massacre to test their credibility under scrutiny of non-Soviets. In 1943, the Babi Yar massacre, being almost unknown in the West and thus unimportant, was apparently selected by the NKVD for such a "dress rehearsal" prior to the contemplated exposure to Western journalists of fraudulent Katyn massacre witnesses in this far more publicized and more politically important affair.

As a result of the failed Babi Yar credibility test for their ex-POWs, the Soviets for 25 years did not provide access to live "eyewitnesses" of massacres to Western correspondents in Katyn or elsewhere. Furthermore, the Soviets postponed the inspection of Katyn by Westerners for four months, from Sept. 29, 1943 to January 24, 1944, until the site and the physical evidence were covered by snow and literally frozen, as was the reporters' investigative zeal in the unheated tents provided them.

Among the observers of the work of the Soviet investigative commission was 25-year-old Kathleen Harriman (daughter of then-US Ambassador to Moscow W. Averell Harriman) who, in her naivete', later became (along with her father) a champion of Soviet credibility. On the other hand, the more experienced Lawrence from the NYT, who was also present, was even more skeptical in his Katyn report about presented evidence than in his earlier Babi Yar story. As a result, his Katyn report was spiked and never published.

Thus, the false testimony of the NKVD-provided eyewitnesses of the alleged Babi Yar massacre became the cornerstone of a decades-long Soviet judicial policy of not allowing their fraudulent atrocity witnesses to testify independently; that is, beyond the reach of the supervising Soviet prosecutor, or outside the borders of the USSR.

Soviet archival records reveal that the atrocity propaganda about Katyn and Babi Yar was fabricated by Ilya Ehrenburg and Vasily Grossman, who also invented and reported the now discredited victim counts of Nazi concentration camps: 4 million at Auschwitz; 1.5 million at Majdanek and 3.5 million at Treblinka.

Even at the Nuremberg Trials, the Soviets did not provide to Western authorities or correspondents live eyewitnesses to any German massacres, including Babi Yar and Katyn. Instead, Soviet Prosecutor Col. Smirnoff peddled--but without much success--fabrications in the form of affidavits about the two alleged German massacres. Also Ilya Ehrenburg, in his 1947 novel, The Storm, tried unsuccessfully to revitalize the Babi Yar story.

The Old Woman's Ravine story did not gain "credibility" until 12 years later. Then, a visiting Jewish-Ukrainian-American journalist, Joseph Schechtman, persuaded young Soviet dissident Evgeny Yevtushenko to write an emotional and widely read poem "Babi Yar".

But poetic fancy cannot stand against physical evidence. Indeed, the aerial photos of the Ahovtnevyi borough of Kiev and the general area of Babi Yar reveal the presence of a row of about 10 mass graves, some 165 yards behind the western fence of Kiev's labor camp, Syretz. These could contain up to 1,000 victims of the camp buried over the two years of the German occupation of Kiev. Furthermore, at the nearby small Orthodox Lukianivsky cemetery, another, larger mass grave can be seen. This could contain up to 2,000 bodies of the frequent public or surreptitious German executions of resistance fighters of Kiev.

On this subject, according to the Hague Convention (1905) and the Geneva Convention (1920) on the conduct of civilians during wartime, taking part in hostilities without easily visible, external symbols of belonging to the military units is subject to immediate execution.

The Jewish Lehman Brothers handled one-third of all cotton shipped from American ports—all grown and picked by Black slaves & sharecroppers. In 1874 alone they handled 80,315 bales of cotton worth millions of dollars. They moved to Wall St. and became investment bankers with these huge cotton profits.

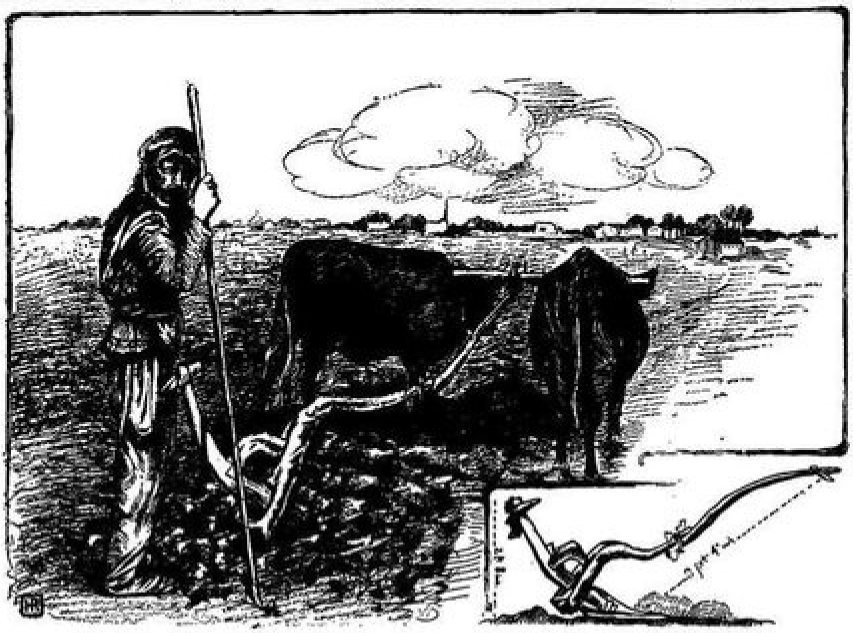
century the sugar industry was monopolized by the Jews, and with their expulsion from Brazil it was transplanted to the West Indies, where, in 1663, David de Mercato's invention of new sugar-mills benefited the sugar-trade in Barbados. The Jews in Georgia, chief among them Abraham de Lyon, transplanted vine and silk culture from Portugal to America ("Publ. Am. Jew. Hist. Soc." i. 10). But while De Lyon cherished great expectations in that direction, the Jews of Georgia in general found the production of indigo, rice, corn, tobacco, and cotton more profitable (*ibid.* p. 12). In fact, the cotton-plantations in many parts of the South were wholly in the hands of the Jews, and as a consequence slavery found its advocates among them. K.



PLOWING IN PALESTINE.
(After Benzinger, "Hebräische Archäologie.")

In Rabbinical Literature.

The following pithy sentences, culled from rabbinical literature, will serve to show the estimation in which Agriculture was held in the latter days of Jewish national life: "In time to come all handicraftsmen will turn to the working of the soil: for the soil is the surest source of sustenance to those that work it; and such occupation brings with it, moreover, health of body and ease of mind" (Yeb. 63*a*). "He that owns no land is no man" (*ib.*). "The verse, Deut. xxviii. 66, is to be thus expounded: 'Thy life shall hang in doubt before thee': this refers to him that buys his food-supplies from year to year; 'thou shalt fear day and night': this refers to him that buys them from week to week; 'thou shalt have none assurance of thy life': this refers to him that depends upon the store-keeper" (Men. 103*b*; Yer. Shab. viii. 11*a*; Yer. Sheḳ. viii. 51*a*; Esther R., introduction). "He that toils and strives after money, the while he has no land of his own, what enjoyment hath he from all his travail?" (Lev. R. xxii.). "Although trading gives greater profits, these may all be lost in a moment; therefore, never hesitate to buy land." "Sow, but do not buy grain, even though grain be cheap and thy land be poor" (Yeb. 63*a*). "A man may not sell his field and put the money in his purse, or buy a beast, or furniture, or a house, except he be a poor man" (Sifra, Behar, 5). "When a man sold a field out of his patrimony, his relatives would bring barrels filled with cabbage-stalks and nut-shells and break them before him; the children would gather up the contents and shout, 'N. N. has cut himself off from his inheritance!'; and when he took it back again they did the same, shouting, 'N. N. has got back his patrimony'" (Yer. Ket. ii. 26*d*). "He that hath a little garden of his own, and fertilizes it, digs it, and enjoys its produce, is far better off than he that works a large garden upon shares" (Lev. R. iii.). "Hast thou a field? work it with all thy might: if a man make himself a slave unto his field, he will be satisfied with bread" (Sanh. 58*b*). "He that inspects his field every day will find a stater [Greek coin] in it" (Ḥul. 105*a*). In Eccl. R. ii. 20, a story is told of a very old man who labored early and late at planting trees, though, as the emperor Hadrian taunted him, he could not expect to enjoy their fruit: the moral of the interesting narrative being that every man is bound to till the ground, even though he may not expect to reap the fruit of his labor; for when he came into the world, he found that other men had subdued and cultivated it for him: therefore shall he not allow his portion to run wild or lie barren; for there are others that shall come after him.

AMERICA CHILDREN PICK COTTON

The first official slave owner in colonial America was a black man, not white; the Arab Slave trade in Negroes was far greater and much longer lasting than the transatlantic slave trade; the founder of the southern state of Georgia banned both slavery and Africans from the state; large numbers of “free blacks” owned black slaves; and less than 5 percent of pre-Civil War American families actually had slaves.

White Slaves in North Africa. - After purchase, slaves would be put to work in various ways. Men were usually assigned to hard manual labor, such as working in quarries or heavy construction, while women were used for housework or in sexual servitude. At night the slaves were put into prisons called bagnios that were often hot and overcrowded.However, by far the worst fate for a Barbary slave was being assigned to man the oars of galleys. Rowers were shackled where they sat, and never allowed to leave. Sleeping, eating, defecating and urinating took place at the seat. Overseers would crack the whip over bare backs of slaves considered not to be working hard enough.

Ulrich B. Phillips, Life and Labor in the Old South explains that white enslavement was crucial to the development of the Negro slave system. The system set up for the white slaves governed, organized and controlled the system for the black slaves. Black slaves were “late comers fitted into a system already developed.” Pp 25-26. John Pory declared in 1619, “white slaves are our principle wealth.”

People from the British Isles were kidnapped, put in chains and crammed into ships that transported hundreds of them at a time. Their destination was Virginia Boston, New York, Barbados and the West Indies. The white slaves were treated the same or worse than the black slave. The white slave did not fetch a good price at the auction blocks. Bridenbaugh wrote in his accounting on page 118, that having paid a bigger price for the Negro, the planters treated the black better than they did their “Christian” white servant. Negroes recognized this and did not hesitate to show contempt for those white men who, they could see worse off than themselves.

White Slavery and Servitude in Barbados.

The extent to which White prisoners were transported to Barbados was so great, that by 1701, out of the roughly 25,000 slaves present on the island's plantations, about 21,700 of them were of European descent.

The mulatto drivers enjoyed using the whip on whites. It gave them a sense of power and was also a protest against their white sires. White women in particular were singled out for punishment in the fields. Sometimes, to satisfy a perverted craving, the mulatto drivers forced the women to strip naked before commencing the flogging and then forced them to continue working all day under the blistering sun. While the women were weeding in the fields in that condition, the drivers often satisfied their lust by taking them from the rear.Such instances of horrific rape and unwilling sexual union between Irish female slaves and Black slave-drivers, was actually implicitly encouraged by many of their masters. Mulatto children, who resulted from such unions, both willing and unwilling, were seen by the plantation masters as a potentially unlimited breeding stock of future native-born slave labor, acquired free of charge and without the costs of transportation. Existing public records on Barbados reveal that some planters went as far as to systematize this process of miscegenation through the establishment of special "stud farms" for the specific purpose of breeding mixed-race slave children. White female slaves, often as young as 12, were used as "breeders" to be forcibly mated with Black men.

The Jewish role in White Slavery

From their experience with rebellious Irish slaves, Dutch Jews would eventually be instrumental in the switch from White to Black slavery in the British West Indies. Blacks were more docile – and more profitable for the Jews.
The English traffic in slaves in the first half of the seventeenth century was solely in White slaves. The English had no slave base in West Africa, as did the Dutch Jews. Moreover, Dutch Jews were not only bankers and shipping magnates but slavemasters and plantation owners themselves. ..
Hence the Jews became prime movers behind the African slave trade and the importation of Negro slaves into the New World. (Dalby Thomas, An Historical Account of the Rise and Growth of the British West Indies, pp. 36-37, and G. Merrill, 'The Role of the Sephardic Jews in the British Caribbean Area in the Seventeenth Century,' Caribbean Studies, vol. 4, no. 3, 1964-65, pp. 32-49.

White Gold: The Extraordinary Story of Thomas Pellow and North Africa's One Million European Slaves.

Between 1609 and 1616, they captured a staggering 466 English trading ships. Kings and ministers across Europe were paralysed by a sense of helplessness. Sir Francis Cottingham, one of King James I's clerks of the council, bemoaned the fact that 'the strength and boldness of the Barbary pirates is now grown to that height ...as I have never known anything to have wrought a greater sadness and distraction in this court than the daily advice thereof? The lack of any co-ordinated defence encouraged the Sallee Rovers to widen their attacks. P13...................

His three-strong fleet dropped anchor at Reykjavik, where Murad led his men ashore and proceeded to ransack the town. He returned to Salé in triumph, with 400 enslaved Icelanders — men, women and children. Wales, too, was hit on several occasions, while the fishing fleets of the Newfoundland Banks suffered several devastating raids. In 1631, Murad Rais set his eye on the richly populated coasts of southern Ireland. He raised a force of 200 Islamic soldiers and they sailed to the village of Baltimore..

'Having some Christian slaves which he took from the Jews, wrote one of England's few Islamic scholars, Simon Ockley, 'that were very skilled in manag-ing his cannon, he soon became formidable to the enemy.P34

But Maimaran(a Jew) hated Christians with almost as much passion as the sultan himself and had no desire to improve the lot of the European slaves. Nor did any of Morocco's other influential Jews. One used to boast that he had amassed as many Christian slaves as Moulay Ismail. When asked what he intended to do with them, he gave a wry grimace and said 'that he would sacrifice one of them every Friday night until they were all consumed'.P151

More whites brought as slaves to North Africa by Muslims than blacks to US white slaves.

"More whites were brought as slaves to North Africa than blacks brought as slaves to the United States or to the 13 colonies from which it was formed. White slaves were still being bought and sold in the Ottoman Empire, decades after blacks were freed in the United States."

Muslim and Jewish slave trade and castration of the Slavs in the Middle AgesIn 1996, the Moscow publishing house, published work of famous Swiss Orientalist Adam Metz *Muslim Renaissance*.In this book, only a few pages are quite remarkable information about the history of the slave trade in medieval Europe. It turns out, there was a slave and who would have thought that doing it, mostly representatives of the *persecuted and the long-suffering people* !In Europe, the slave trade was almost entirely Jewish. Goods come mainly from East Slavic lands. Bishop Agobard of Lyon (IX century AD.) mentions in his book (De insolentia Iudaeorum), number of cases where Jews kidnapped Christian Franks children, or evenreceived from Christian children for sale and sold them to the Spanish Muslims.Trafficking in slaves is connected, apparently, the resettlement of Jews in the city of Magdeburg vostochnosaksonskom [Caro, Wirtschaftsgeschichte, I, str.191].During the

transportation of slaves slave traders robbed in good faith, at least the Germans; For example, the Customs Code of g.Koblentsa required on each head a slave to 4 pence, and the Bishop g.Hura in Switzerland are levied on the customs outpost in Vallenshtadte 2 dinars.
In the X century, Prague was the center of the slave trade. St. Adalbert resigned from in 989 bishop of Prague because was not able to buy all the Christians purchased by a Jewish merchant [Caro, Wirtschaftsgeschichte, I,
Jewish merchants brought Slavic slaves in Muslim countries. Women and girls concubines in harems, and a young man, after castration, to the eunuchs.
According to the laws of Islam and Muslims is forbidden castration provided this work to Jewish doctors. Medieval Arab historian al-Muqaddasi writes that the main supplier of white eunuchs in Muslim harems were "Slavs, a country that lies behind the Khorezm; castrate them, and then are transported to Egypt. « Slavs brought to the Spanish cities, populated by Jews, and that they were castrated.Jews in the Frankish empire also practiced castration, and little known
used in this respect the Jews of Verdun [Dozy, Gesch. der Mauren, 2, p.38]As for the operation itself says castration medieval Arab historian Ibn al-Athir:
«At the time of castration skrotum cut up and removed the testicles. Often, during this operation,boy is frightened and one testicle goes up. Doctor-Jew looking for him, but do not always find itpossible, and then drop it when the cut is zarubtsuetsya.If it's left testicle, then the eunuch will libido and sperm, and if it is right,then grows his beard «[Ibn al-Athir, IX, page 39].
Only a small portion of the slaves survived after such an operation, but the survivors were very expensive.

About the origin of slavery in the United States, it is necessary to take into consideration that before 1661 the 13 British colonies that formed the American nation when they became independent, had laws forbidding slavery.It was the Jews who since that time started to work tirelessly to achieve the derogation of those laws and that slavery was allowed there, specially the entrance of black slaves to those colonies.P49

The destruction of the buffalo was thus effected : A high price was offered for buffalo hides in whatever quantity they were offered. All men who wished to hunt buffalo could get an outfit on credit and pay for it in buffalo hides. On these terms, an army of buffalo hunters was organized.Hunters lined the banks of the streams where the buffaloes came to drink, and by shooting them down, drove the herds away; and thus con-tinued to shoot them as parched with thirst, they came to the streams to drink. Some shot the buffaloes some skinned the carcasses some hauled off hides. In two or three years, the buffaloes numbering many millions were exterminated.Nobody but the London Money Kings could have t effected the extermination of the buffalo.

Adolf Hitler Liberty Art Nationhood.

The Party never had the intention, and it has not the intention now, of engaging in any kind of hostilities against Christianity in Germany. Our aim has been quite in the opposite direction. We have sought to unite the various regional Protestant churches, whose conditions of existence were impossible, and create one great Evangelical Church throughout the Reich, without interfering in the slightest with questions of religious belief or practice. By concluding a concordat with the Catholic Church, the Party has sought to establish a state of affairs which would be beneficial to both sides and which would be of a permanent character. The Party has abolished the organisations that belonged to the Atheist Movement and while doing this it has cleared our whole life of innumerable symptoms the suppression of which is or ought to be the task of the Christian denominations.

Hidden Facts about Slavery in America - Jewish slave owners, Irish slaves
https://www.bitchute.com/video/1bXIQW0xCGtt/

In 1860 there were at least six Negroes in Louisiana who owned 65 or more slaves. The largest number, 152 slaves, were owned by the widow C. Richards and her son P.C. Richards, who owned a large sugar cane plantation.Another Negro slave magnate in Louisiana, with over 100 slaves, was Antoine Dubuclet, a sugar planter whose estate was valued at (in 1860 dollars) $264,000.
In Charleston, South Carolina in 1860, 125 free Negroes owned slaves; six of them owning 10 or more. Of the $1.5 million in taxable property owned by free Negroes in Charleston, more than $300,000 represented slave holdings. In North Carolina 69 free Negroes were slave owners.

A child born to a female redemptioner could become the property of her owner and the mother's term extended. For example, George Cummins had the indenture of his white servant woman named Christian Finney extended by a year and her child bound for thirty-one years by order of the Carteret County Count on December 7, 1736. When she applied to the court for her freedom on June 9, 1744, the court ruled that she serve another five months to pay for the cost incurred by her owner to bring the earlier action. When she applied again 6 months later, she was ordered to serve an additional year for having a "Mulatto Child in the time of her servitude." http://www.ironbarkresources.com/slaves/whiteslaves09.htm

Blacks and Indians came to own, and abuse, whites in Virginia in such large numbers that in 1670 the House of Burgesses (legislature) proclaimed that " . . . noe negro or Indian though baptyised and enjoyned their own ffreedome shall be capable of any purchase of christians, but yet not debarred from buying any of their own nation." [Original spelling.] "Christian" was a euphemism of the period for Caucasian. Virginia's Slave Code of 1705 provided: "That no negroes, mulattos, Indians, although christians, ore Jew, Moore, Mahometans, or other infidels, shall at any time, purchase any Christian, nor any other, except of their own complexion, or such as are declared slaves by this act." People from the British Isles were kidnapped, put in chains and crammed into ships that transported hundreds of them at a time. Their destination was Virginia Boston, New York, Barbados and the West Indies. The white slaves were treated the same or worse than the black slave. The white slave did not fetch a good price at the auction blocks. Bridenbaugh wrote in his accounting on page 118, that having paid a bigger price for the Negro, the planters treated the black better than they did their "Christian" white servant. Even the Negroes recognized this and did not hesitate to show their contempt for those white men who, they could see, were worse off than themselves.

"Unsurprisingly, the average life expectancy contrasted greatly between town and countryside and also shows a great disparity between social classes. In 1840, 57% of the poor children living in Manchester died before they were 5 years. In rural areas this was 32%. An agricultural worker in Rutland had a life-expectancy of 38, a factory worker in Liverpool, a life expectancy of 15 years. Urban living was not conducive to good health for the poorer classes particularly and cholera thrived in situations where there was an impure water supply. "

Among those revealed to have benefited from slavery are ancestors of the Prime Minister,Jewish David Cameron, former minister Douglas Hogg, authors Graham Greene and George Orwell, poet Elizabeth Barrett Browning, and the new chairman of the Arts Council, Peter Bazalgette. Other prominent names which feature in the records include scions of one of the nation's oldest banking families, the Barings, and the second Earl of Harewood, Henry Lascelles, an ancestor of the Queen's cousin. Some families used the money to invest in the railways and other aspects of the industrial revolution; others bought or maintained their country houses, and some used the money for philanthropy. George Orwell's great-grandfather, Charles Blair, received £4,442, equal to £3m today, for the 218 slaves he owned.The British government paid out £20m to compensate some 3,000 families that owned slaves for the loss of their "property" when slave-ownership was abolished in Britain's colonies in 1833.

When Jews of Newport and Charleston had the criminal idea of enslaving the North American Indians and sell them as slaves in the British colonies and even in other parts of the world, the first thing they did was to send envoys that sold rum to them, to impress the vice of alcoholism on them. Rum distilleries owned by Jews in Charleston and Newport sent their product to the West and center of the country, that were inhabited by the Indian tribes, and sold it to the leaders. Alcoholism, pretty soon, took over those tribes and the business of rum sale gave great profits to the Jewish exploiters. When they became convinced that the Indians - as they said - because they did not like hand work and for other reasons, were not the ideal slaves for the plantations of the Southern British colonies, and reached the conclusion that the African ne-groes would be much better, they sent envoys to sell rum to the black tribes of the African western coast, also with the purpose of stimulating the vice of alcoholism in the black tribes and their leaders; this would also give the Is-raelite exploiters fabulous profits and also would pave the way for the HUNTING of black slaves, as they sarcastically said. That is why the business of rum distillery and sale and the trade of black slaves were closely related in the Jewish businessmen of Newport and Charleston. Among the Jews of those two cities, that according to documents filed in the Carnegie Institute of Technology of Pittsburgh, Pennsylvania (United States) were dedicated to the slave trade, to rum distillery and in general to both businesses, appeared the following Israelites of Portuguese, Spanish, Dutch and British origin but all of them Jews: "Isaac Gomes; Hayman Levy, Jacob Malhado, Nephtaly Myers, David Hart, Joseph Jacobs, Moses Ben Franks, Moses Gomez, Isaac Dias, Benjamin Levy, David Jeshuvum, P52

Most Slaves In America Were White.

White slaves transported to the colonies suffered a staggering loss of life in the 17th and 18th century. During the voyage to America, the white slaves were kept below deck for the entire nine to twelve week journey. They were chained with 50 other men to a board, with padlocked collars around their necks. The weeks of confinement below deck in the ship’s stifling hold often resulted in outbreaks of contagious disease,cholera and dysentery.

Ships carrying white slaves to America often lost half their slaves to death. According to historian Sharon V. Salinger of the University of California, Riverside, “Scattered data reveal that the mortality for [white] servants at certain times equaled that for [black] slaves in the ‘middle passage,’

and during other periods actually exceeded the death rate for [Black] slaves.”
Ms. Salinger affirms a death rate of ten to twenty percent over the entire 18th century for black slaves on board ships en route to America compared with a death rate of 25% for white slaves.

…..

The white slaves not indentured, who began to arrive here in 1618, included hundreds of children – – waifs and strays – – who had been rounded up from streets of London to serve wealthy farmers in Virginia.

Other slaves came from the ranks of the homeless and the poor, whom King James I held responsible for spreading the plague, and from England’s swelling prison population.

The scheme was supported by James I, who believed the homeless and itinerant of London were spreading plague.

Of the first 300 white slaves to land in Virginia, only 12 managed to survive four years. The others died of ill treatment, disease, attack by native Americans or overwork.

Contemporary records show that one child victim, Elizabeth Abbott, was beaten to death when her master ordered her to be given 500 lashes for running away.

At least 70,000 white men, women, and children from England and Ireland were shipped to the colonies to be sold as slaves on the auction block during the 170 years of British rule.

A few months after the first shipment of children, the first African slaves were shipped to Virginia. Interestingly, no American market existed for African slaves until late in the 17th century. Until then, black slave traders typically took their cargo to Bermuda. England's poor were the colonies' preferred source of slave labor, even though Europeans were more likely than Africans to die an early death in the fields. Slave owners had a greater interest in keeping African slaves alive because they represented a more significant investment. Black slaves received better treatment than Europeans on plantations, as they were viewed as valuable, lifelong property rather than indentured servants with a specific term of service.

Another great center for the slave trade was the city of Charleston.At the same time,New-port and Charleston were also great Jewish centers,to the extreme that Newport was known then as the "JEWISH NEWPORT",where Israelites manufactured great amounts of rum to be sold to the Indians,thus promoting the vice of inebriation,which gave great profits to the Jews that manufactured and distributed rum.It is confirmed that in only one year,out of 128 ships destined in Charleston to transport black slaves,120 were freighted by Jews both from Newport and Charleston;this shows that Jews had almost the monopoly of the criminal trade of black slaves. One of the most distinguished Israelites who con- trolled the black slaves trade was the Portuguese Jew Aaron lopez, who had a whole fleet of ships destined to bring slaves, most of them freighted under his own name. An investigation on this matter titled "Who Brought the Slaves to the United States" from where we took this in- formation, also indicates that the existing documents on this issue show that the Jew Aaron lopez, between years
1726 and 1774, freighted under his own name the fifty per cent of the ships entrusted to bring slaves from Africa, and that he also had other ships freighted under the name of people he trusted. Most of the rest of ships freighted for the black slave trade also appear freighted by Jews. At the same time, in 1749, the Jews of this region founded the first Masonic lodge with fourteen brothers, all of them Jews.

Jews in the British colonies of North America, that upon their independence became the United States, it was the city port of Newport in the Atlantic coast, where Israelites established the world center of black slaves trade. P47

Rothschild's 25 Point Plan For World Domination.

14. Create financial panics. Use hunger to control to subjugate the masses.
15. Infiltrate Freemasonry to take advantage of the Grand Orient Lodges to cloak the true nature of their work in
philanthropy. Spread their atheistic-materialistic ideology amongst the "Goyim" (gentiles)
16. Use systematic deception, high-sounding phrases and popular slogans. "The opposite of what has been promised
can always be done afterwards… That is of no consequence."
17. A Reign of Terror is the most economical way to bring about speedy subjection.
18. Masquerade as political, financial and economic advisers to carry out our mandates with Diplomacy and without fear
of exposing "the secret power behind national and international affairs."
19. Ultimate world government is the goal. It will be necessary to establish huge monopolies, so even the largest
fortunes of the Goyim will depend on us to such an extent that they will go to the bottom together with the credit of their
governments on the day after the great political smash."
20. Use economic warfare. Rob the "Goyim" of their landed properties and industries with a combination of high taxes
and unfair competition.
21. "Make the 'Goyim' destroy each other so there will only be the proletariat left in the world, with a few millionaires
devoted to our cause, and sufficient police and soldiers to protect our interest.

Jewish Fifth Column in India.Printed 1969
Sir Phillip Sassoon, who was a member of several English governments in India, and the lawyer of the same Israelite community called Solomon Judah, who wrote the"Indies Companies Act". The "Jewish Encyclopedia" ends by confirming an already known fact (which when published in an official book of Judaism of unquestionable authority has even greater value as evidence) that the money earned by these rich Jews coming from Baghdad: "both in Calcutta and Rangoon, Burma, came from the opium traffic between India and China" (8), In fact, it is well known that the British Jews, the Indian Jews and other Israelite monopolist magnates controlled the nineteenth century opium traffic with China, and that when the Chinese government wanted to prevent this criminal commerce, in the interests of the Chinese people, the Jews that controlled the British government forced Britain into a war against China which vas as criminal as the opium traffic itself. This war has been fairly called the "opium war", and (8) "Castilian Jewish Encyclopedia". 5th. vel., p. 615. 1rst. col.Word: India.
was a disgrace to the British people, although it is evident that the true British people and native members of the United Kingdom had little responsibility for the criminal acts of their Jewish and

crypto-Jewish rulers other than in permitting them to remain in power, due to the systematic brain washing and manipulation by the Jews of the mass media, the centers of education and by the Protestant and Catholic churches controlled by crypto-Jewish clergymen,and presently by the control Judaism has over the radio and television, and other tentacles of the hidden Israelite power. Such is the power of Judaism in Britain and the United States that both nations have become the incorrigible satellites and colonies of Jewish imperialism.

The World Order (The first precept of success in making government loans lies in "creating a demand", that is, by taking part in the creation of financial panics, depressions,famines, wars and revolutions. The overwhelming success of the Rothschilds lay in their willingness to do what had to be done.) As Frederic Morton writes in the Preface to "The Rothschilds":"For the last one hundred and fifty years, the history of the House of Rothschild has been to an amazing degree the backstage history of Western Europe. .
Because of their success in making loans not to individuals but to nations, they reaped huge profits. . . Someone once said that the wealth of Rothschild consists of the bankruptcy of nations."
In "The Empire of the City", B.C. Knuth
https://www.heritage-history.com/site/hclass/secret_societies/ebooks/pdf/mullins_order.pdf

The overwhelming majority of Jews in America and European nations, have at some point in their political life (or continually) utilized slavery as a malicious moral weapon against White European or American folk, not only to demonize our ancestors, but also to infer that contempotary Europeans are natural slavers, in order to instill hatred of Europeans in non-europeans and liberal minded Europeans alike. But if the White race is to be condemned in the liberal press, why are not the Jewish people condemned for the world’s leading role in the slave trade over the last 2000 years?Of course, the closest thing that approximates the ancient slave trade to today is the White slave trade (prostitution) including the forced abasement and torture of hundreds of thousands of Eastern European women. As readers of the David Duke Report are aware, this nefarious activity is almost completely controlled by Jews and much of it is based in Israel. But somehow the Jews get no bad press from this. Again, it really not hard to understand when one understands who controls the press!The historical Jewish domination of the slave trade is revealing about the entire structure of

the Jewish-Gentile conflict and the propaganda to which we are subjected. In fact in the Hebrew Torah (Old Testament), none other than God himself commands that no slaves will be made of your own people, but you can make slaves of other peoples:
https://lorddreadnought.livejournal.com/16372.html

It is a grave sin to practice any kind of deception whatsoever against a Jew. Against a Gentile it is only forbidden to practice direct deception. Indirect deception is allowed, unless it is likely to cause hostility towards Jews or insult to the Jewish religion. The paradigmatic example is mistaken calculation of the price during a purchase. If a Jew makes a mistake unfavorable to himself, it is one's religious duty to correct him. If a Gentile is spotted making such a mistake, one need not let him know about it, but say "I rely on your calculation," so as to forestall his hostility in case he subsequently discovers his own mistake.

Highlights

- We found that 73.9% of deaths were directly due to or significantly contributed to by COVID-19 vaccination.
- Our data suggest a high likelihood of a causal link between COVID-19 vaccination and death.
- These findings indicate the urgent need to elucidate the pathophysiologic mechanisms of death with the goal of risk stratification and avoidance of death for the large numbers of individuals who have taken or will receive one or more COVID-19 vaccines in the future.
- This review helps provide the medical and forensic community a better understanding of COVID-19 vaccine fatal adverse events.

Abstract

Background

The rapid development of COVID-19 vaccines, combined with a high number of adverse event reports, have led to concerns over possible mechanisms of injury including systemic lipid nanoparticle (LNP) and mRNA distribution, Spike protein-associated tissue damage, thrombogenicity, immune system dysfunction, and carcinogenicity. The aim of this systematic review is to investigate possible causal links between COVID-19 vaccine administration and death using autopsies and post-mortem analysis.

Methods

We searched PubMed and ScienceDirect for all published autopsy and necropsy reports relating to COVID-19 vaccination up until May 18th, 2023. All autopsy and necropsy studies that included COVID-19 vaccination as an antecedent exposure were included. Because the state of knowledge has advanced since the time of the original publications, three physicians independently reviewed each case and adjudicated whether or not COVID-19

Fraud
It is forbidden to defraud a Jew by selling or buying at an unreasonable price. However, "Fraud does not apply to Gentiles, for it is written 'Do no defraud each man his brother' [the Halakhah interprets all such idioms as referring exclusively to one's fellow Jew.]

Theft and Robbery
Robbery of a Gentile by a Jew is not forbidden outright, but only under certain circumstances such as "when the Gentiles are not under our rule," but is permitted "when they are under our rule." Rabbinical authorities differ among themselves as to the precise details of the circumstances under

which a Jew may rob a Gentile, but the whole debate is concerned only with the relative power of Jews and Gentiles rather than with universal considerations of justice and humanity.
Israel Shahak, Jewish History, Jewish Religion: The Weight of Two Thousand Years (London: Pluto Press, 1994), 89-90, 117 n49.

Who Killed Jesus?
According to the Talmud, Jesus was executed by a proper rabbinical court for idolatry, inciting other Jews to idolatry, and contempt of rabbinical authority. All classical Jewish sources which mention his execution are quite happy to take responsibility for it; in the talmudic account the Romans are not even mentioned.
The more popular accounts -- which were nevertheless taken quite seriously -- such as the notorious Toldot Yeshu are even worse, for in addition to the above crimes they accuse him of witchcraft. The very name "Jesus" was for Jews a symbol of all that is abominable, and this popular tradition still persists. The Gospels are equally detested, and they are not allowed to be quoted (let alone taught) even in modern Israeli Jewish schools.

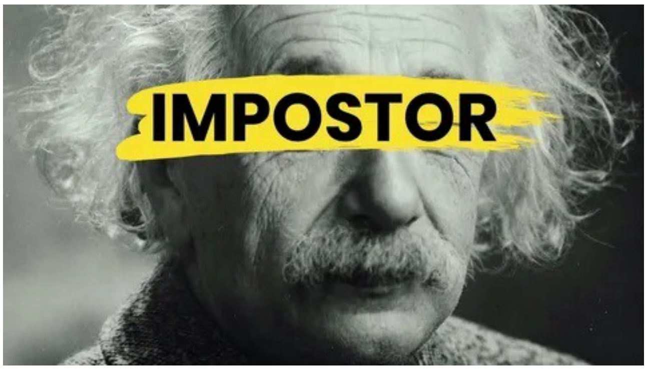
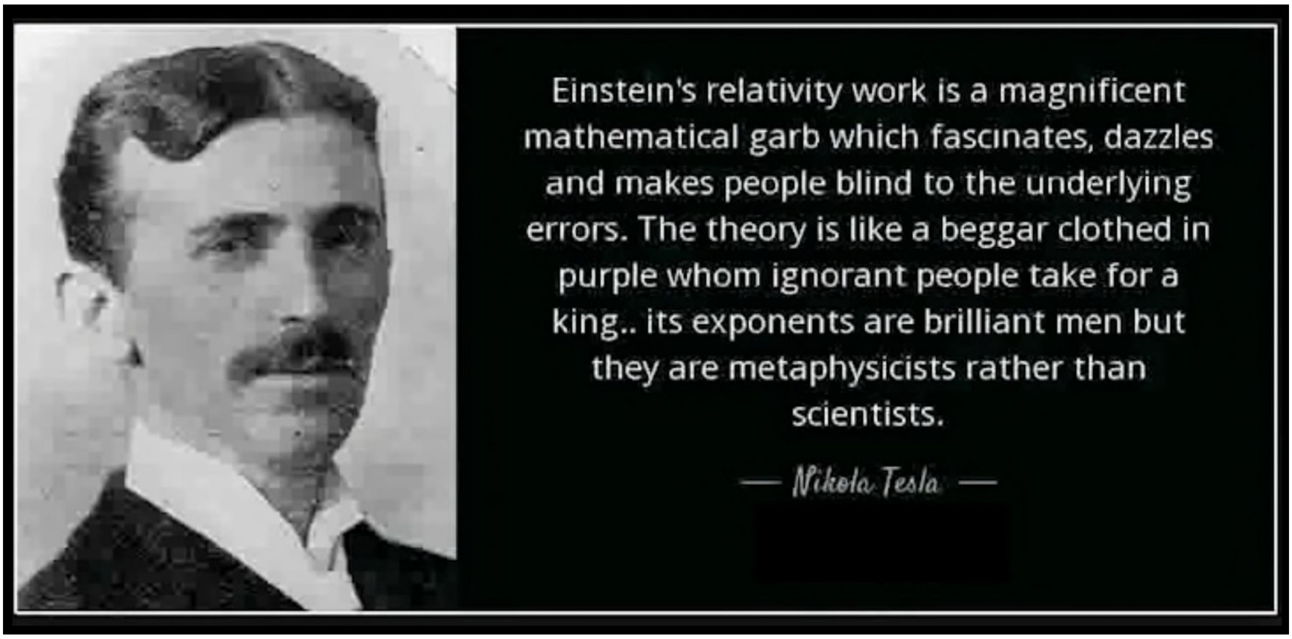
All of the real scientists whom Einstein plagiarized were White. None of their names are equated with the concept of “genius” the way Einstein continues to be. Throughout his life, Einstein refused to publicly debate ANY of his famous “theories”; he was a coward.
https://christiansfortruth.com/albert-einstein-plagiarist-and-fraud/





Einstein's relativity work is a magnificent mathematical garb which fascinates, dazzles and makes people blind to the underlying errors. The theory is like a beggar clothed in purple whom ignorant people take for a king.. its exponents are brilliant men but they are metaphysicists rather than scientists.

Einstein was given this title in spite of the clear-cut choice for the "Person of the Century," Adolf Hitler. Hitler was indeed named "Man of the Year" while he was still living by Time Magazine.....

Einstein was an inept and moronic person, who could not even tie his own shoelaces; he contributed NOTHING ORIGINAL to the field of quantum mechanics, nor any other science. On the contrary -- he stole the ideas of others, and the Jew-controlled media made him a 'hero.'

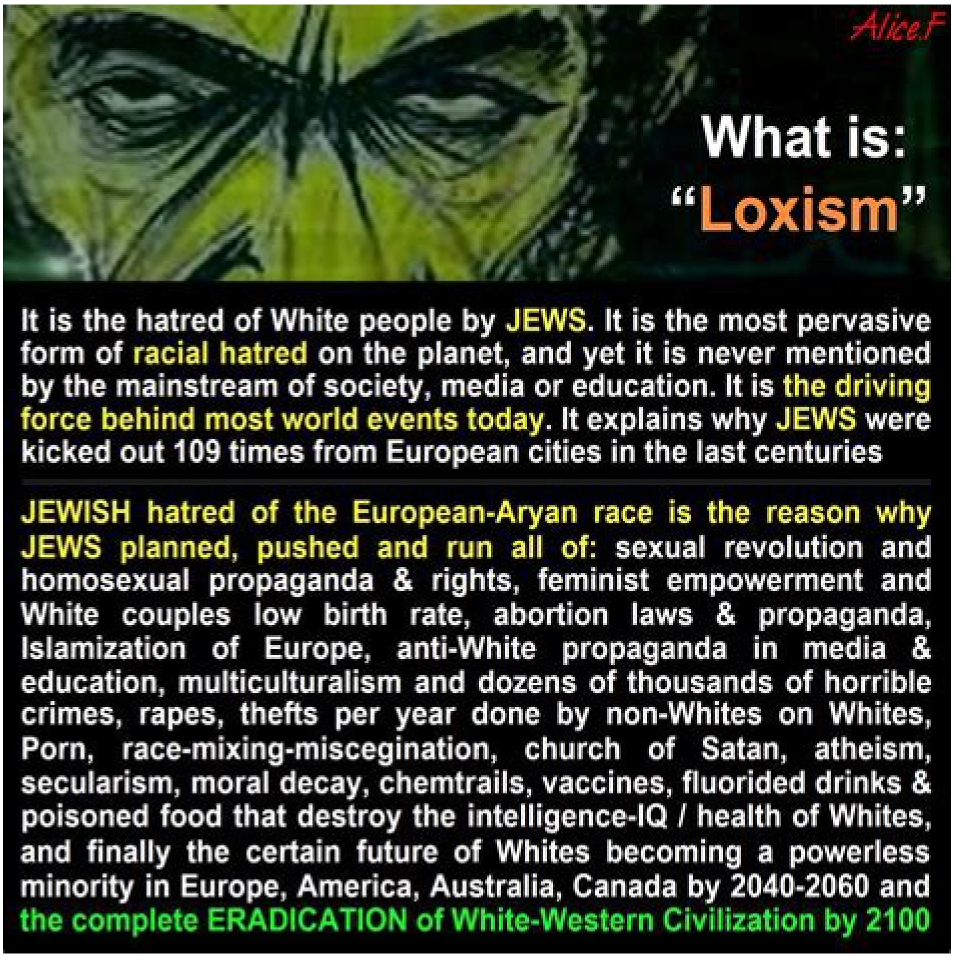
On 24 April 1999, the day NATO began bombing Yugoslavia, Wesley Clark, the General in overall command, said this on CNN:

"There is no place in modern Europe for ethnically pure states. That's a 19th century idea and we are trying to transition into the 21st century, and we are going to do it with multi-ethnic states."

That's the New World Order for you. Destabilise white society the whole world over by filling it up with foreigners. And woe betide those that don't go along.

Clark's father, Benjamin Jacob Kanne, was Jewish.

Wesley Clark.- Anti-White JEW (LOXISM)



What is:
"Loxism"

It is the hatred of White people by JEWS. It is the most pervasive form of racial hatred on the planet, and yet it is never mentioned by the mainstream of society, media or education. It is the driving force behind most world events today. It explains why JEWS were kicked out 109 times from European cities in the last centuries

JEWISH hatred of the European-Aryan race is the reason why JEWS planned, pushed and run all of: sexual revolution and homosexual propaganda & rights, feminist empowerment and White couples low birth rate, abortion laws & propaganda, Islamization of Europe, anti-White propaganda in media & education, multiculturalism and dozens of thousands of horrible crimes, rapes, thefts per year done by non-Whites on Whites, Porn, race-mixing-miscegination, church of Satan, atheism, secularism, moral decay, chemtrails, vaccines, fluorided drinks & poisoned food that destroy the intelligence-IQ / health of Whites, and finally the certain future of Whites becoming a powerless minority in Europe, America, Australia, Canada by 2040-2060 and the complete ERADICATION of White-Western Civilization by 2100

Joseph Barrow Montefiore (1803-1893), merchant and financier, was born on 24 June 1803 in London, the youngest son of Eliezer Montefiore, merchant, of Barbados and London, and his wife Judith, née Barrow. As a scion of a wealthy Sephardi family he was educated at Hurwitz's school at Highgate and at Garcia's academy at Peckham. On leaving school he was articled to a firm of London tea brokers, thus continuing in the tradition of the Montefiores of Barbados, who made their fortune in colonial trade. In 1826 he became one of the twelve 'Jew brokers' in the city of London, buying the privilege for £1500. However, being young and enterprising and with a penchant for larger speculative ventures he decided in June 1828 to emigrate to New South Wales, where he proposed to invest some £10,000 in the wool industry and the cultivation of drugs; he applied for a grant of 5000 acres (2024 ha).

Recommended by the Treasury as 'most respectable' and a valuable acquisition to the colony, he arrived in Sydney in February 1829 in the *Jupiter* with his wife Rebecca, née Mocatta, and their two children, his partner David Ribeiro Furtado and his wife, and his brother-in-law George Mocatta. They established the trading firm J. B. Montefiore & Co., with an office in O'Connell Street. Montefiore acquired large tracts of land in New South Wales and by 1838 owned 12,502 acres (5059 ha) by grant or purchase, including Nanima station, near Wellington. Though a landowner, he never became an 'agriculturist' as he had originally intended. In partnership with his brother Jacob (1801-1895), who in 1835-39 was a member of the South Australian Colonization Commission in London, he made a large fortune in real estate, helped to found the Bank of Australasia and was one of the channels through which English capital contributed to

By 1844 the Montefiore brothers, assisted by numerous friends and possibly the London Rothschilds, were back in business and Joseph B. Montefiore decided to try his luck in South Australia.

THE JEWS AND THE BRITISH EMPIRE. 1935 -Streams of British blood have flowed, countless British lives have been Sacrificed but meanwhile Jewish coffers get fulller andfuller,fill to overflowling ; the Bank of England is their Counting-house and theBritish carry to and fro the precious bullion acquired and stored by Jews . . .After the Napoleonic Wars England has laid all her possessions at thefeet of Nathan Rothschild.Henceforth, Britain will do the bidding of her real masters; she hasbecome the tool of the schemers against all she holds dear, namely, herfaith, her patriotism, traditions, civilisation. She grants the" returned' aliens equality of civil rights; they may and do become mayors overChristian population, and within a short time ,Britain is ruled by aJewish Prime Minister, Disraeli, first and foremost a Jew and the flunkey of the powerful Rothschild financiers.One of the consequences of this disastrous political mistake is the transformation of the national attitude of Great Britain and her colonies into that of the British Empire. Disrali who inspired itknew what he was scheming for, the British people did not. But with him, Zionism is carried up to the very heights of the British Throne, a Zionist World Empire is on the high road to realisation.P5

Jews and the British Empire 1935.
The financial Jewish power had been transferred from Amsterdam to London under William III (of Orange) and the chief financiers there were the Sephardim Jews, the Mendez da Costas, Abudientes, Salvadors, Lopezes, Fonsecas and Seixas-all Marranos. On no account was France to be allowed to develop an Empire and become an independent rival, so England was used to wrest from her her Colonies in India, America, West Indies, Canada. The more Britain expanded, the greater grew the Jewish power and control in the economic and financial realm. A Kaleidoscopic look at the main events of British history from the early part of the 17th century will show the rapid expansion of Britain and her changing political control passing from her own hands into those of men alien to her faith, race and nation.P.7

Jews Must Live and Now and Forever by Samuel Roth.
"The next time you read about a particularly bloody pogrom and pause to wonder how Christians, dedicated to a religion of mercy, can exercise so much brutality against the Jews, remember that the Jew wheedles all the mercy out of his neighbors in the ordinary course of business. He lies and cheats until he is caught. When caught, instead of accepting punishment, he moans and tears his hair, invokes the sores of ancestors in their graves and living relations at the point of death in hospitals, until the wronged gentile, nauseated, lets him go. Then, thumbing his nose at the gentile behind his back, the Jew goes about his business the same way, lying and cheating now doubly to make up for lost time. A pogrom is usually the climax of years of such relentless goading. Do you wonder that when the final reckoning comes the gentile is absolutely merciless?

Eustace Mullins is not exaggerating when he says that the American troops foisted on Germany after World War II were in fact an "occupying force": an army moreover acting on behalf, and at the behest, of organized Jewry.
It was the Morgenthau Plan, specifically designed by the vengeful Henry Morgenthau as a collective punishment against the German people for the crimes of Hitler, that was to turn post-war Germany into "the largest concentration camp on earth."

GLOBAL WARMING PETITION PROJECT. 31487 Scientists inc. 9029 PhDs signed this Petition. We urge the United States government to reject the global warming agreement that was written in Kyoto, Japan in December 1997, and ANY OTHER SIMILAR PROPOSALS. The proposed limits on greenhouse gases would harm the environment, hinder the advance of science and technology,and damage the health and welfare of mankind.
There is no convincing scientific evidence that human release of Carbon Dioxide , Methane,or other greenhouse gases is causing or will, in the foreseeable future ,cause catastrophic heating of the Earth's atmosphere and disruption of the Earth's Climate.Moreover ,there is substantial scientific evidence that increases in atmospheric Carbon Dioxide produce many beneficial effects upon the natural plant and animal environments of the Earth.
Signed, Edward Teller . PHD Physics It is evident that 31,487 Americans with university degrees in science – including 9,029 PhDs, are not "a few." Moreover, from the clear and strong petition statement that they have signed, it is evident that these 31,487 American scientists are not "skeptics."These scientists are instead convinced that the human-caused global warming hypothesis is without scientific validity and that government action on the basis of this hypothesis would unnecessarily and counterproductively damage both human prosperity and the natural environment of the Earth.*

Based on the study, drivers who are exposed to high levels of EMF while driving are likely to sleep 52 minutes faster than those exposed to low levels of EMF.In addition, exposure to radiation while driving can result in headaches, neck stiffness, and dry eyes or blurred vision. Long-term exposure to these sources of EMF radiation may have long-term health complications.EMF Radiation from Electric CarsAccording to Dr. Joel Moskowitz at the University of California Berkeley, hybrid cars and other electric cars have increased levels of EMF that cause cancer, leads to DNA fragmentation, cause cell damage, fertility issues, drowsiness, etc. https://emfguardtips.com/do-electric-cars-emit-emf/

The Alien Menace A.H. Lane.

THE HIDDEN HAND P.111

A statement in the Times of 29 March, 1919, shows that of the twenty or thirty commissaries, or leaders, who provide the central machinery of the Bolshevist movement, not less than 75 per cent. are Jews. . . . Among the minor Soviet officials the number is legion.".......

P.112 THE ALIEN MENACE.

This Alien attack upon Russia was not unpremeditated.It was part of a considered plan that had been maturing for many years, and in which leading Jewish financiers had displayed much interest. Mr. Wickham Steed in his book " Through Thirty Years " states " that the late Jacob H . Schiff, the well-known American banker, was known to be anxious to secure recognition for the Bolshevists, among whom Jewish influence was predominant."This is the Jacob Schiff who financed Japan in her war against Russia in 1904-05. He was then head of the Banking firm of Kuhn, Loeb & Co., New York, and in the " Jewish Encyclopedia," 1906, we read: " It (Schiff's firm) subscribed for and floated the large Japanese war loan in 1904-05, in recognition of which the Mikado conferred on Schiff the second order of the Sacred Treasure of Japan."

P116

This statement supports Rathenau's own declaration that " Three hundred men, all acquainted with each other, control the economic destiny of the Continent.".....

P119

Though the Communists profess to hate Capitalism and order their paid agents in England to cry " Down with the Capitalists" the leaders in Russia never fail to give the international financiers a hearty welcome whenever they visit the U.S.S.R. When Felix M . Warburg, of New York, visited Russia in 1927 he had a great reception, and the speeches delivered on that occasion indicated that the Bolshevist leaders and the leaders of world finance understood each other very well, that their aims were not dissimilar, and altogether they were a united family working in their respective ways for a common end.*

M r . Eamon De Valera was born in the U.S.A. and is said to be of Spanish parentage.(Spanish-American Jew) P133

High money rates in the United States early in 1929,for instance, forced an increase in official discount rate almost at once in England, in ten European countries, in two Latin-American countries, and two in the Far East. And in almost every case that action restricted business and brought suffering to millions of foreign workers." P143

In 1925 Mr. Winston Churchill, Chancellor of the Exchequer in the Conservative Government, restored the Gold Standard, and was complimented for doing so by a number of financiers and economists in London, whose names do not suggest British origin. M r . Reginald McKenna, chairman of the Midland Bank, condemned this policy of monetary deflation and warned the nation of the consequences. Subsequent events have justified Mr. McKenna's warnings and have disproved the predictions,accepted by the Conservative Government, of the Schusters,Schroeders, Niemeyers and Gugenheim Gregorys, who urged deflation and congratulated M r . Churchill on his acceptance of their advice. P144

The Hidden Hand   A.H. Lane

The supreme conflict in the world today, including wars, is, fundamentally, a struggle between Bolshevism and Anti Bolshevism. Our own unfortunate country, under the power ful control of the Kahal (the Cahilla*)—The Jewish Hidden Hand, whose tool and agent is Bolshevism—has allied itself and us to Bolshevik Russia and semi-Bolshevik France: hence the policy of our Government against Germany and Italy and the attitude of our Jew-controlled Press against Hitler and Mussolini: also our policy regarding Abyssinia and sanctions which has brought us so much ridicule in the eyes of the world; and, further, the attitude of our Government with reference to Spain and non-intervention......

"War now is not between nations but between Bolshevism and Anti-Bolshevism (not only in Europe but in the Far East), and our unfortunate alien-penetrated country, or at any rate our Government, in the grip of the League of Nations, seems to be against Germany and Italy, who are doing everything in their power to prevent Bolshevism spreading throughout Europe and the World.

It was Lloyd George who ordered Trotsky to be liber ated from prison in Halifax, Nova Scotia, in 1916. If Trotsky *NOTE: The sentences in brackets were not in the original article in "The National Citizen." 5 had been kept in prison, the history of Europe—in fact, the history of the whole world—would have been very different. It is probable that Bolshevism would not have developed and spread as it has done without this very clever and unscrupulous organiser. ...

The "Jewish World" of February 9, 1883, announced in its leading article that the great Ideal of Judaism was not for the Jews to be merely "allowed to flock together one day in some hole and corner fashion. . . ." but that the whole world "shall be imbued with Jewish teachings. . . . but that. . . . in a greater Judaism. . . . all the separate races and religions shall disappear!"

1988 interview done with Ilse, Lebensborn nurse at Steinhoring.

The Lebensborn homes were set up so that German women who had gotten pregnant could come and receive around the clock care. This included married wives of SS officers, NCOs, and enlisted men; there was no class structure in the SS like in the old aristocratic Germany. Everyone was equal and deserving of love and respect. Our homes were like a resort, the food was good and it was a very relaxing atmosphere. We also allowed women who were not married. This caused us problems in regards to those who looked down on girls who became pregnant without being married. Soldiers are soldiers, they have male needs, and there are women who succumb to those needs, the results can sometimes be unwanted. Abortion in Germany was a social norm before NS, everyone was encouraged to be immoral, and if the worst happened, you just made your bad decision go away. Under NS rule, a woman could only have an abortion if it was determined the child was damaged, or the mother's life was at risk.

This is a January 1988 interview done with Ilse, Lebensborn nurse at Steinhoring, Germany from 1936 to 1945.

1981 interview -SS-Obergruppenführer and General of the Waffen-SS, Karl Wolff

The Ahnenerbe was nothing more than an organization that was like a museum. Those involved were dedicated to the study of Germanic history, and the history of our people in relation to our origins. Those scholars in the Ahnenerbe had the whole world to study, every idea and theory was looked into. Race was a main focus, investigating our early ancestors and where they have been. There are parts of the world where great cities and structures were built, but the peoples seem to lack the intelligence for such endeavors. Every study that was done seemed to suggest the same outcome, a higher race of people settled in areas of the world but did not last, and building lasting testaments to their culture that outlived them...

Wolff: Ha, the victors and their Jewish film directors have had the last 35 years to turn good, necessary organizations into something that looks evil and sinister. Where to begin with this. I gave money to the Lebensborn, as all SS officers were encouraged to do. To understand a little of why it was created, you must understand our history. In the first war almost a whole generation was wiped out, many young Germans did not have both parents, some had none. A million died after the war due largely to the British blockade, and the sickness that followed. The Weimar era was nothing but anything goes filth, morals were forgotten and many babies were born out of wedlock and with diseases.

In 1933 things changed, a new morality was born, one of biblical proportions in which our people accepted a complete change. As more and more men were called to the flag, their wives and girlfriends were left alone. The Lebensborn homes were conceived to give these women a place were they could stay for free when they were with child. Married or unmarried, we vowed not to penalize or shame a woman like in times past for choosing to bear a child. Most of the women were married who just had no support back home, as their husbands were away. Our women were never turned away. Those who were unwed were welcomed, and LB staff counseled her, and the SS Rasse u Siedlings HA the father to insure the child was born into a good supportive family.

Why 7000 German Children Had to Die in Denmark.

Second World War:The Cruel Fate of German Refugees in Denmark.Lylloff's research has shown that in 1945 alone, 13,492 German refugees died in Danish refugee camps. More than 7,000 of them were children under five years of age; most of them died of malnutrition and dehydration and - according to Lylloff - of "perfectly curable" illnesses such as stomach and intestinal infections and scarlet fever. But until 1949 the Danish medical board, as well as the Red Cross, consistently denied the refugees interned in these camps any medical assistance.

This quote by Trotsky highlights how those of Jewish heritage felt about those of European blood. “England is nothing but the last ward of the European madhouse, and quite possibly it will prove to be the ward for particularly violent cases.” It has been estimated that 13 million Europeans were exterminated during this period and almost all of the positions of power were in the hands of Jews. Trotsky advocated a ‘Permanent Karl Marx Revolution’ that facilitated the ‘revolutionary holocaust’ revealed by Marx. Funded by Jacob Schiff and Max Warburg, Trotsky was the preferred candidate of the Int. Jewish bankers.

Democracy loudly contends that it abhors that period of ‘Western’ history. Of course it is fine to despise when one is laying the blame on the White European but the truth is African Slavery in America – Jewish-Made black slavery was largely the domain of Jewish merchants and ship owners. However, manipulation of reality is the illusion the Jewish tribe always seeks to maintain. The deception currently in play is based round the fantasy of separate political parties. Cameron and Ed Miliband with MenorahYet the reality is led by Jewish leaders Miliband and Cameron who both follow the ideology of the Talmud that considers Europeans cattle (goyim) put here to serve Jews-Jehovah created the Goy in human form so that the Jew would not have to be served by beasts. The Goy is consequently an animal in human form, and condemned to serve the Jew day and night. Midrash Talpioth p. 225-L Consequently what Britain and the whole of Europe faces is a one party slave state under the control of Judaism.

Miscegenation comes from the Latin miscere, “to mix” and genus, “kind” and refers to sexual relations between individuals of different racial origins that lead to the production of children. Today it is known as “race mixing”. Merriam-Webster: “a mixture of races; especially: marriage, cohabitation, or sexual intercourse between a white person and a member of another race“. Miscegenation defiles, degrades and destroys the Caucasoid race and on a mass scale is White racial genocide. As such subsequent dictionaries omit the word as it interferes with the Jewish Marxist agenda. Consequently those that uphold White racial integrity do not have a duty to those that debase the race or a responsibility to their progeny .

This is the main representative body for Jews squatting in Britain.Janner currently charged(has since died of old age without ever being prosecuted) with 22 accounts of child rape spanning over 40 years. The son of Barnett Janner and Elsie Sybil, née Cohen Jewish parents born in Lithuania. Evacuated to Canada during WWII at the age of 18 the son Greville Janner eagerly joined the British Army as part of the contrived 'War Crimes' Investigation Unit near a former Labour camp in Jewish occupied Germany. This unit also ran the notorious London Cage and as the work of the Cage wound down the interrogation of prisoners was switched to a number of allied prison camps in Germany. evidence does show that the treatment meted out in these places was much worse and it is clear that one camp in the British zone became particularly notorious. Janner the torturer ,Most of the intelligence officers accompanying US and British forces into the Reich were Jewish and the most brutal of the interrogators, examiners and screeners and given Janner's predilections the manner of depravity visited upon German prisoners of War (POW's) can be deduced. https://web.archive.org/web/20160303042903/http://antizionistleague.com/2015/09/15/janner-exposed/

Heinrich Himmler, chief of the Concentration Camps issued orders on December 28, 1942, that "The death rate in the concentration camps must be reduced at all costs" (Reitlinger, "The Final Solution"). The camps had been hit with a deadly typhus epidemic that spread by fleas and body lice. Stomach pain, high fever, emaciation and death can quickly follow. All of the camps were factories and the loss of workers was hurting war production. Inspector of the camps, Richard Glucks responded to Himmler's order on January 20, 1943, "Every means will be used to lower the death rates" (Nuremberg Tribunal Document No. 1523).

JEWS WERE RESPONSIBLE FOR THE FALKLANDS CONFLICT Argentina was a successful modern country, led in a reasonably efficient way by General Galtieri.The prosperous beef farms were owned by Europeans, so the Zionist fraternity had to employ a different kind of strategy to gain control of Argentina than they had used in Africa.the Jews cannot bear that a country such as Argentina is 98% White.

ZIONISTS WERE RESPONSIBLE FOR THE FALKAlNDS CONFLICT
Argentina was a successful modern country, led in a reasonably efficient way by General Galtieri.Many of the prosperous beef farms were owned by Europeans, so the Zionist fraternity had to employ a different kind of strategy to gain control of Argentina than they had used in Africa.
THIS IS HOW THE GLOBAL IMPERIALISTS GAINED AN INROAD INTO ARGENTINE'S POLITICS In 1982 Margaret Thatcher(JEW) was tricked by her Zionist advisers to remove troops from the Falkland Islands and deploy them in Northern Ireland and anywhere else they might be needed. When this was done delegates from the American government went to see Argentine leader,General Leopoldi Galtieri.Argentina had rising unemployment and a minor debt crisis.The US Zionists suggested to the military ruler that if he were to send troops to capture the Falkland

Islands, he would be viewed as a great hero by his people.It was made clear that if he did attack, America would back him, and Israel would supply him with arms,(but not openly).Israel also bolstered the Argentine army by giving strategy and combat advice.It did this,knowing that Galtieri's army was seriously inexperienced. Furthermore,the General was told that he "didn't need to worry about Britain as it was no longer interested in its colonies; They pointed out how Britain had recently given up Uganda, Kenya,South Africa,Rhodesia,India and Ceylon without a fuss" The farms and businesses in our former colonies were owned by private individuals whom the British and US governments were prepared to betray! The Falkland Islands were totally different.Our troops were not sent to rescue the Islanders,as the press would have us believe. Any country that has land adjacent to the South Pole automatically has the right to explore and exploit whatever valuable material may be there.This means that several large multi-national corporations that exert an enormous influence on Western governments have a vested interest in the region.For this reason there was no possibility of Her Majesty's government letting the Falkland Islands go as it had the rest of the Empire. With the Falklands war, Zionists achieved their objective of removing the Galtieri administration,further wrecking the Argentine economy, and placing the people under a heavy burden of IMF debt.Once General Galtieri had brought humiliation on his people he was forced into the political wilderness,leaving an opening for a Zionist fifth column to entering Argentine's politics.When the Western Press declared that Argentina now had a "democratic" government, we knew that it was under Zionist control Another reason why Zionists took delight in conquering Argentina is that during the second-world-war President Juan Peron sold 10,000 blank passports to the ODDESSA organisation that was formed to protect, and give a safe haven to, former SS soldiers in the event of defeat. It is believed that at least 5,000 Nazis, many of them officers, went to live in Argentina between 1944 and 1946. Some people believe that Adolf Hitler may have lived there until his death in 1965. Juan Peron opposite was a military officer and political leader. He was immensely popular due to his efforts to eliminate poverty.His wife Eva was also greatly for her devotion to the people.Because of this,they opposed the selfish, greedy and manipulative American government. During the Zionist-instigated Falklands conflict 255 British soldiers were killed.The Falklands war created a false belief that Britain was once more looking after its own interests.This was used by Margaret Thatcher to boost her popularity.Hopefully the public will come to realize that that there is nothing patriotic about the Conservative Party.This recently disclosed,classified information only appeared in Jewish newspapers.There is a political misconception that because Jews are good at making money and tend to be ruthlessly efficient they would do a good job running our government.Most of our half-witted, greedy and vain politicians fall for this idea. It is a complete fallacy. Let Zionist Jews loose in Parliament and they work solely for themselves viewing UK assets as their own property and the British as fools.A serious misappropriation of public funds is an understatement.

Behind The Falkland Islands Story.

The Falklands Islands crisis is one of conflict between Argentina, one of the few white nations in South America, and the Jewish-poisoned dregs of the once mighty British Empire, a former bastion of the white race now consisting of a few whites inundated by a sea of coloured, and ruled by the Jewish banker family of Battenberg, who anglicized their name to Mountbatten in World War I, because even then they had already attained complete control of the formerly white nation of the British Isles. Lord Mountbatten reigned as First Lord of the Admiralty, and his son married Edwina Cassel, daughter of the fabulously wealthy Sir Edward Cassel, a German Jewish emigrant who formed one of the notorious "Jewish Seven" who comprised the Prince of Wales; and later Edward VII; inner circle, led by "Lord" Nathaniel Rothschild. These Jews saw to it that the Prince of Wales had everything he wanted in way of wine, women and song, and in exchange he allowed them to seize control of the British Empire.

To punish the Argentine people for offering a place to the refugees from Communism and Jewish terrorism, international Jewish bankers began a fullscale war of economic sabotage against the Argentines, with such success that for years Argentina has been beset by high rates of inflation and economic insecurity. High inflation is the hallmark of the presence of the biological parasite, the international Jew, because the Jew, in infecting the nation, raises the rate of inflation to allow him to parlay his small amount of cash into a giant fortune, just as the presence of fever in the patient is a warning of infection in the human body. Inflation did not become a problem in the American economy until the Jew achieved mastery of our economic system, and through the Jewish agency, the Federal Reserve System, was able to drive down the purchasing power of the dollar, erode savings and impoverish the American workers.

As the Jews gained wealth and power in Argentina, Peron was driven out and a succession of Jewish stooges accelerated Argentina's fall from prosperity and power. Terrorism is always a basis of Jewish drive for power, as we have seen in America with the murders committed by Mossad, and the atrocities committed on American soil by the Jewish Defense League. In Argentina, the nation was paralyzed by the atrocities committed throughout the country by the Montaneros, a group of Jewish Communist assassins, who amassed hundreds of millions of dollars in ransom and extortion from their victims. The laundering and banking of these huge sums was handled by a Jew named David Graiver.

The Falkland Islands crisis is the new program of the Soviets to seize Argentina like a ripe plum. It was orchestrated by the pathetic Jew-ridden and bankrupt government of England, aided and abetted by the Jewish regime of Ronnie Reagan in Washington, and sparkplugged by the notorious Alexander Haig, former goy stooge of Henry Kissinger, who grovelled at the feet of this emigrant Jew for years in order to obtain his present position in Washington.

The Jews cannot bear that any country in the world should exist as a "98%" white nation. Consequently the Jewish attack on Argentina has mounted each year since 1945, reaching a crescendo of hatred in the foul slanders against Peron and his wife Evita, a pious Christian whose life was devoted to charitable works. The Jews usually referred to her as "puta", the whore, just as they had referred to the Holy Mother of Christ in their sacred book of writings, the Talmud.

The arrogance of the Jews reached its height when a terrorist strike force flew to Argentina from Israel, seized a German refugee, Adolf Eichmann, and flew him back to Israel to be murdered. The purpose of the Eichmann case was to give some legitimacy to the Jewish fantasy that six million Jews had been killed in Germany during World War II. The Holocaust myth was a necessity for the continued existence of the bandit nation of Israel, because it was the vehicle by which they continued to extort many billions of dollars from the defeated German people. The United States continued to maintain a large force in Germany, solely to enforce the collection of the Holocaust funds from the captive German nation.

Once again, the United States, through such pathetic stooges as Reagan and Haig, incites against itself the hatred of the civilized world through its encouragement of the Jewish war against white nations. The announcement of American official support for the British plan of attack against Argentina means that once again the American people will be billed for the terrible costs of rousing the anger of all the Latin American nations against her, because she is once again committed to the most horrible plans of the Jews in their assault against civilized peoples. These bills are coming due each day in the declining world prestige of the United States, its collapsing economy, its culture of degenerate drug-crazed mulattoes, and its political actions on behalf of Jewish terrorism which have become a stench in the nostrils of decent people everywhere.

If the American People ever allow private banks to control the issuance of their currency, first by inflation and then by deflation the corporation that will grow up around them will deprive the people of all their property, until their children wake up homeless on the continent their fathers conquered.

White holocaust Program
“We are ready to implement our most important and ambitious program. One which will finally and totally remove from existence the impediments of our absolute control of this Earth. I speak of the death of the white race. We now control the destiny of this race.”

~ Jew Abe Foxman, Anti-Defamation League President

“The new Germany exists only in order to ensure the existence of the state of Israel and the Jewish people.”

~ Martin Shultz, President of the European Parliament
“I don’t want to go in to the tent of whiteness. I want to burn the tent of whiteness down. To address white power is to look evil in the eye and to challenge everything this country has stood for in the last 250 years.”

~ Jewish Chanda Prescod-Weinstein, Doctor of Astrophysics

“We, the Green, must ensure, that as many migrants as possible come to Germany. When they arrive in Germany, we must fight for their right to vote. When we have achieved that, we will have the required number of votes, in order to change this Republic.”

~ Jew Daniel Cohn-Bendit
“There is not a single instance when the Jews have not fully deserved the bitter fruit of the fury of their persecutors… We come to the nations pretending to escape persecution, we [Jews] are the most deadly persecutors in all the wretched annals of man.”

~ Jewish writer, publisher, entrepreneur, Samuel Roth, Jews Must Live, 1934
“We will not take America under the label of communism; we will not take it under the label of socialism. These labels are unpleasant to the American people, and have been speared too much. We will take the United States under labels we have made very lovable; we will take it under liberalism, under progressivism, under democracy. But take it, we will!”

~ Jew Alexander Trachtenberg, National Convention of Communist Parties, 1944
“We must realize that our Party’s most powerful weapon is racial tension. By pounding into the

consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mold them to our program. The terms ‘colonialism’ and ‘imperialism’ must be featured in our propaganda. In America we will aim for subtle victory while inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilt complex for exploiting the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sport and entertainment. With this prestige the Negroes will be able to intermarry with the Whites and begin a process that will deliver America to our cause.”

~ Jew Israel Cohen, 1912, A Racial Program for the Twentieth Century
“The Jewish people as a whole will be its own messiah. It will attain World domination by the dissolution of other races and by the establishment of a World republic, in which everywhere the Jews will exercise the privilege of citizenship. In this New World Order the Children of Israel will furnish all the leaders without encountering opposition.”

~ Letter between the Jews Karl Marx and Baruch Levy, June 1, 1928
“I can state with assurance that the last generation of white children is now being born.”

When you buy your ticket you pay both the good guys and the bad guys. The success of the presentation depends on the ability of the theatrical company to get the audience wrapped up in the plot. The greater the audience participation the greater the success. Real success is achieved when the audience becomes so emotionally involved in the plot that they begin to think it's the real thing. The profits from these theatrical extravaganzas go to those who put up the 'seed' money and stage the shows. Don't misunderstand! The Americans, Canadians, English, Germans, Russians, Japanese and other nationalities who fought and died in the various theaters of war' during this century weren't play-acting. They were deadly serious about what they were doing. For them war was a life and death struggle. What few of them realized was that everything was carefully programmed to a carefully prepared script.p54

Race And Crime: The Most Dangerous Cities In The World.

The clear link between race and crime has been highlighted once again with the release of the 2016 rankings of the world's most dangerous cities — and the fact that every single one of them, including those in the U.S. — have majority nonwhite populations.

The Dire Consequences of Race Mixing.

Consequently the average Negro IQ is 15 points lower than the average Caucasian IQ. This result is found regardless of geography and social status.....

In a mixed race individual who appears to be mainly Negro there is no way to predict whether all of his/her organs are Negro too. Negroes in general have a higher testosterone rates than Caucasians, are more aggressive and less emotionally balanced because of this but at least their organs are intended for that amount of testosterone. Hormone irregularities are also linked with depression and not surprisingly there is a very high rate of depression as well as other health problems among mixed race individuals when compared to non-mixed race men or women. There is also a much higher suicide rate among mixed raced children as they are five times more likely to commit suicide than someone of a singular race...

Children like to look like their parents. Little girls in particular like to look like their mother. It must be very upsetting for mixed race children to see someone who looks nothing like him or her and also very upsetting to know that this was knowingly done to them by their own parents....

mixed race relationships are also more likely to split up but what really is even more alarmingly nowadays is the high rate of white women being murdered by their black husbands or boy friends.

Statistics clearly show that a white woman is more likely to be killed by a black man in a relationship than with a white man or other, and white men are twenty one times more likely to be murdered by a black wife than by a woman of another race. As of this writing femicide i.e., the homicide of women, is the leading cause of death in the United States among black and white mix race relationships. Black males are 33% more likely to murder their spouse if she is white instead of black.

Even three month old babies know more about race than most adult Europeans and show a preference for the faces of their own race even when they are of people they have never seen before. They instinctively know what race they are. Which race face is it that a three month old mixed race babies find comforting? The natural state of babies and children is racist and this lasts until they are old enough to understand and succumb to the liberal programming that all whites are now being subjected to.

WILL JAPAN SURRENDER BEFORE THE BOMB IS DROPPED?
Maj. Gen. Leslie Groves, at Bernard Baruch's insistence, had demanded that Kyoto be the initial target of the bomb. Secretary of War Stimson objected, saying that as the ancient capital of Japan, the city of Kyoto had hundreds of historic wooden temples, and no military targets. The Jews wanted to destroy it precisely because of its great cultural importance to the Japanese people.

1694: William III of Orange (AKA William Stadholder) who the jews had installed as the King of England, asked the jews for financial help to keep the Stuarts at bay. Jews issued first bank notes on interest to William of Orange and first central bank had its beginnings. The Bank Of England was established.

The Russian Jews Who Helped Create North Korea.
Grigory Mekler, the article in The Seoul Times states, "Kim Il-sung, who gained the rank of major in the Soviet Army, returned to Korea in 1945 with [Soviet] occupying forces."12
Mekler and other Soviet advisers, the article said, had spent a year touring North Korea with the future leader, garnering him mass popularity, "even helping to write his speeches."13 Mekler, a Russian Jew, had helped propel Kim Il-sung to a position of power, but the North Koreans did their best to prevent Mekler from telling his story.

French Defeat in Vietnam ,Dien Bien Phu - US trained Ho's Viet Minh with OSS. Gen.Donovan.

The French were dismayed to learn that their "American allies" were training and arming Ho's Viet Minh forces. Ho was informed that General Donovan represented large economic interests (the World Commerce Corp.) which planned to rebuild Vietnam's railroads and highways,exchanged for "economic privileges" in Indochina. In Oct. 1945, the OSS sponsored the "Vietnam Friendship Association" headed by OSS Lt. Col. Carleton H. Swift. The OSS armed Ho Chi Minh's forces with the latest weapons, and gave intensive training in infiltration and demolition to 200 selected men of General Giap's Army. It was these men who later led the attacks against American troops in the Vietnam War. The OSS sponsorship of the Viet Min and other terrorist groups around the world led Robert Welch to charge that "The OSS has thrown the weight of American supplies, arms, money and prestige behind the Communist terrorist organizations of Europe and Asia." The Deer team claimed that Ho was a great statesman whose nationalism transcended his Communist loyalties.P12

A similar situation prevails in Korea and Vietnam.In Judaism these yellow Chinese Jews are known as Tiao-Kiu-Kiaou Jews, that have strong infiltrations both in the leading of the communist party and in the secret police, the government positions and in the army. When the Jew Nikita Salomon Kruschev turned against Stalin, Mao Tse-Tung became angry because of the steps taken by Kruschev, the Soviet dictator who was destalinizing the USSR and turning against Stalin, the man who had been able to give communism a power never achieved before;and Mao regarded as treacherous and revisionist all the antistalinist political reforms approved by Kruschev.P38

Another member of the Mekler clan, Colonel Grigory Konovich Mekler (Григорий Меклер), a Soviet "spin doctor," "laid the foundation for the new government in North Korea"; this, according to Mikhail Lantsov, the Russian columnist who had the opportunity to interview Grigory Mekler in 2002. At the time of the interview, Mekler was an Honored Worker of Culture of the Russian Federation and former researcher at the Institute of Oriental Studies of the USSR Academy of Sciences.(2) Mekler died a few years later.

Despite his "venerable age," Lantsov said Mekler had an amazing memory and sense of humor. Being the head of the Seventh Department of Special Propaganda of the Political Department of the Far Eastern Front, Mekler had "laid the foundation for the new government in North Korea...a direct participant and witness to the events of the beginning of the reign of Kim Il-sung...the right hand of the [supreme] leader [and] his adviser," Lantsov said.

According to a now-declassified secret U.S. military intelligence report, when Kim Il-sung returned to Korea in 1945, he cultivated Cho Man-sik, an able Korean Nationalist and the most respected non-Communist in North Korea, telling him privately that he, Kim Il-sung, was a fervent nationalist and did not believe in some of the Communist plans for Korea.(3) In fact, Kim Il-sung's biography completely omits the four-year period (1941- 45) he spent in training in the Soviet Union; this, according to Joungwon A. Kim, a research fellow in East Asian Legal Studies at Harvard University. (4)

Its The Jews Stupid.
This list also dispels the myth that "zionism" (which didn't appear until 1898) and "zionists" are the root source of today's problems. Both of these are merely symptoms of a much larger problem with the entire jewish race.
